CHALLENGES AND LESSONS LEARNT

The board is executing its mandate in an ever-changing operational environment. The major challenges facing the board is non-adherence of advisories, duplication of its functions, inadequate staffing, non-implementation of the performance management framework for public service, lack of staff data management system, financial and budgetary constraints.

In the course of executing its mandate, the board was able to identify some lessons such as:- the need to utilize technology for service delivery efficiency and cost-effectiveness; capacity building of senior state officers in the county through induction. Further, enhanced collaborations with stakeholders improves institutional effectiveness and resource constraints impair capacity to deliver.

RECOMMENDATIONS AND CONCLUSION

Recommendations

Key recommendations towards addressing constraints and mitigating the challenges faced include: allocation of adequate financial resources; capacity building of the County departments through training and sensitization, improve board's capacity through recruitment of critical cadres to curb inadequate staff, utilization of ICT in data management, scaling of scope of the mandate of the board and formative engagement with the county executive; development and implementation of resource mobilization strategy.

Conclusion

The Board is committed to the execution of its functions as provided for in both the County Government Act, 2012 and the Constitution of Kenya, 2010. It is only through this commitment that the Vision of an excellent County Public Service will become a reality.
