THE SEEDS AND PLANT VARIETIES ACT

(Cap. 326)

THE SEEDS AND LANTS VARIETIES (PLANT BREEDERS' RIGHTS) REGULATIONS

(LN. No. 482/1994)

PLANT BREEDERS' RIGHTS

NOTIFICATION OF APPLICATION FOR GRANT OF PLANT BREEDER'S RIGHTS

PURSUANT to regulation 16 of the Seeds and Plant Varieties (Plant Breeder's Rights) Regulations. 1994, the Cabinet Secretary for Agriculture and Livestock Development notifies the public of:

(a) The applications for grant of Plant Breeders' Rights for the one hundred and fifty-one plant varieties set out in this Schedule.

Any breeder, successor in title to the breeder or any person who has substantial interest or is in a position to adduce material evidence relating to the applications may make representation regarding any of the applications.

The representations may be made by lodging the original or certified copy of the deed of assignment or lodging the original or certified copy of letters of administration of the grant or such documentary evidence as will satisfy the authorized officer.

The representations or requests for a hearing concerning the applications or any matters on which the authorized officer should be satisfied shall be made by the person applying for the opportunity to make representations to the Cabinet Secretary or the Authorized officer within sixty (60) days of this notice, failure to which the authorized officer will proceed with processing of the applications.

THE ENVIRONMENTAL MANAGEMENT AND CO-ORDINATION ACT

(No. 8 of 1999)

NATIONAL ENVIRONMENTAL MANAGEMENT AUTHORITY

ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT FOR THE PROPOSED CONSTRUCTION OF KIKUYU ESCARPMENT FOREST RECREATION CAMP LOCATED WITHIN KIKUYU ESCARPMENT FOREST, UPLANDS FOREST STATION, KIAMBU COUNTY

INVITATION OF PUBLIC COMMENTS

PURSUANT to Regulation 21 of the Environmental Management and Co-ordination (Impact Assessment and Audit) Regulations, 2003, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Report for the above proposed project.

The proponent, Acacia Traders Limited proposes to erect non-storied recreational use building with a club house comprising of kitchen, store, toilet facilities separate for men and women, gift shop, equipment store, reception office with a lobby, lounge with a bar and restaurant. Other structures include staff accommodation comprising of 4No. bedsitters with separate toilet facilities, a sentry and an observation post. There will be waste water management systems comprising of one adequate capacity bio digester and all facilities will have associated fixture and fittings per the architectural plan. The proposed site is within a plantation forest made of red cedar trees mainly located within Kikuyu Escarpment Forest, within Uplands Forest Station in Kiambu County.

The following are the anticipated impacts and proposed mitigation measures:

<i>Impact</i>	<i>Mitigation Measure</i>
Damage to forest ecosystem	- The proponent shall not pollute damage or disturb land, trees, water, and wild animals. - The proponent should not cause a nuisance or trespass in the forest by others including to neighbouring lands and should take steps to benefit communities benefitting from the forest licensed area of operation. - The proponent shall manage the licensed area sustainably, specifically for recreational values, cultural values and conservation of biodiversity in accordance with Forest Conservation and Management Act, 2016 as well as other applicable regulations including but not limited to those governing land use, environment and waste management, wildlife protection, labour, tourism, occupational safety and health. - The proponent shall take special precautions against fires, and where it occurs, take necessary measures to put out the fires.

- The proponent should have a designated route, road or path for the purposes of carrying out the activities licensed by KFS.
 - The proponent shall use the licensed area as per the approved Forest Management Plan and should maintain the physical boundaries of the licensed area including existing survey marks, signs and fences and shall keep all buildings and structures in a state of good repair to enhance site aesthetics.
 - The proponent shall make adequate arrangements for the disposal of waste and sewage and shall have bins colour coded for the purpose of disposal which will include reuse or recycling including practicing the principles of reduces, reuse and recycle.
- Noise and air pollution
- Control working hours to limit noise, dust and traffic nuisance. Noisy construction activities should be scheduled to hours with minimal interruption i.e. 8:00 a.m. to 6:00 p.m.
 - Sprinkle water on areas where dust is likely to be generated.
 - Follow the gazetted Noise Control Regulations (2009).
- Removal of overgrowth and bush clearing and
- Avoid removal of any tree onsite as per KFS guidelines.
 - Maintenance of equipment for efficiency, minimizing noise production, emissions, spills and consumption.
- Transportation of debris
- Erect warning signs prior to commencing construction activities.
 - Avoid transporting waste during periods of peak traffic activity outside the forest to reduce chances of accidents happening.
- Biodiversity loss
- There shall be no hunting or killing of forest fauna under any circumstances by workers.
 - There shall be no consumptive utilization of forest resources in the project.
 - Post warning signs to workers on strategic places onsite to warning against interference with forest resources.
 - The maximum built up area shall not exceed 30% of the licensed area.
 - Ensure facilities blend with their environments, with buildings being within the forest canopy (not appearing above the tree tops), not interrupting beautiful views and having appropriately camouflaged roofs.
 - Avoid felling mature trees to create space for construction. Enough trees should be left untouched to conceal building when they are completed and additional vegetation planted after construction to ensure the forest character is retained.
 - Minimize the facilities that will be constructed including reducing numbers, dimensions and capacity to ensure that they have the least possible ecological footprint.
 - Ensure all facilities have minimal impact on the environment. This should include minimal concrete foundation and concrete walling; use of eco-friendly low-impact construction materials and technologies; avoidance of excessive paving of paths and other surfaces; and avoidance of landscaping and introduction of alien vegetation species.
 - Restore and improve the forest environment during the facility's life cycle.

- Follow strictly license conditions by Kenya Forest Service (KFS).
 - Develop a solid waste management plan prior to project commencing, identifying optimal waste re-use options and disposal in licensed sites.
 - Comply with NEMA Waste Management Regulations (2006).
 - Comply with County Government of Kiambu registration on solid waste disposal.
- Solid waste generation
- Liaison with County Engineer to ensure adequacy of sewer facilities.
 - Manage the different types of wastes and wastewater effectively during the facility's entire life cycle.
 - Recycle and reuse waste water from onsite processes i.e. kitchen and cleaning water.
 - Connect all campsite facilities to the designed bio digester which shall be maintained on schedule.
- Increased waste water discharge to sewers
- Conflict with the local community
- Address all community concerns on a timely basis wherever they occur.
 - Give the forest adjacent community priority to supply labour, fresh produce and other goods and services required during construction and operation phases where they meet project standards.
- Occupational health and safety

**IMPORTANT NOTICE TO SUBSCRIBERS TO
THE KENYA GAZETTE**

THE following notes are for the guidance of persons submitting "copy" for inclusion in the *Kenya Gazette, Supplement*, etc.:

- (1) *The Kenya Gazette* contains Notices of a general nature which do not affect legislation. They are, therefore, submitted to the Government Printer directly.
- (2) *Legislative Supplement* contains Rules and Regulations which are issued by the National or County Governments. Because of this, they must be submitted to the Government Printer through the office of the Attorney-General.
- (3) *Bill Supplement* contains Bills which are for introduction in the National Assembly, Senate or County Assemblies.
- (4) *Act Supplement* contains Acts passed by the National Assembly, Senate or County Assemblies.

All "copy" submitted for publication should be prepared on one side of an A4 sheet no matter how small the Notice is, each page being numbered and should be typed with double spacing. Copy should be clear, legible and contain no alterations.

Particular attention should be paid to the following points:

- (i) Signature must be supported by rubber-stamping or typing the name of the signatory in capital letters.
- (ii) Must be correct and filled in where necessary.
- (iii) Care should be taken to ensure that all headings to Notices and references to legislation are up to date and conform with the Revised Edition of the Laws of Kenya.
