<u>Independent auditor's report to the Shareholders of</u> MauBank Ltd

Report on the audit of the consolidated and separate financial statements

Opinion

We have audited the consolidated and separate financial statements of **MauBank Ltd** (the "Bank") and its subsidiary (collectively referred to as the "Group") set out on pages 31 to 161, which comprise the consolidated and separate statement of financial position as at 30 June 2017, and the consolidated and separate statement of profit or loss and other comprehensive income, consolidated and separate statement of changes in equity and consolidated and separate statement of cash flows for the year then ended, and notes to the consolidated and separate financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated and separate financial statements give a true and fair view of the financial position of the Group and the Bank as at 30 June 2017, and of their consolidated and separate financial performance and consolidated and separate statement of cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs) and comply with the requirements of the Mauritius Companies Act 2001 and the Financial Reporting Act 2004.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for Audit of the Consolidated and Separate Financial Statements section of our report. We are independent of the Bank in accordance with the ethical requirements of the IESBA Code of Ethics for Professional Accountants. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

Report on other legal and regulatory requirements

In accordance with the requirements of the Mauritius Companies Act 2001, we report as follows:

- we have no relationship with, or interests in, the Bank and its subsidiary other than in our capacity as auditor and arm's length dealings in the ordinary course of business;
- · we have obtained all information and explanations that we have required; and
- in our opinion, proper accounting records have been kept by the Bank as far as appears from our examination
 of those records.

In accordance with the requirements of the Banking Act 2004, we report as follows:

- in our opinion, the financial statements have been prepared on a basis consistent with that of the preceding
 year and are complete, fair and properly drawn up and comply with the provisions of the Banking Act 2004
 and the regulations and guidelines of the Bank of Mauritius; and
- the explanations or information called for or given to us by the officers or agents of the Bank were satisfactory.

The Financial Reporting Act 2004

The directors are responsible for preparing the Corporate Governance Report. Our responsibility is to report on the extent of compliance with the Code of Corporate Governance as disclosed in the annual report and on whether the disclosure is consistent with the requirements of the code.

In our opinion, the disclosure in the Corporate Governance Report is consistent with the requirements of the code.

Other information

The directors are responsible for the other information, The other information comprises of the Corporate information, Directors' report, Statement of management's responsibility for financial reporting, Report from the Secretary and the management discussion and analysis but does not include the consolidated and separate financial statements and our auditor's report thereon.

Our opinion on the consolidated and separate financial statements does not cover the other information and we do not express any form of assurance or conclusion thereon.

In connection with our audit of the consolidated and separate financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

<u>Independent auditor's report to the Shareholders of</u> MauBank Ltd (cont'd)

Responsibilities of directors for the consolidated and separate financial statements

The directors are responsible for the preparation and fair presentation of the consolidated and separate financial statements in accordance with International Financial Reporting Standards and in compliance with the requirements of the Mauritius Companies Act 2001 and the Financial Reporting Act 2004 and they are also responsible for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated and separate financial statements, the directors are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Bank or its subsidiary or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for overseeing the Group's financial reporting process.

Auditor's responsibilities for the audit of the consolidated and separate financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated and separate financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error,
 design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and
 appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from
 fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions,
 misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank or its subsidiary to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities
 within the Group to express an opinion on the consolidated financial statements. We are responsible for the
 direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

This report is made solely to the Bank's shareholders, as a body, in accordance with section 205 of the Mauritius Companies Act 2001. Our audit work has been undertaken so that we might state to the Bank's shareholders those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Bank and the Bank's shareholders as a body, for our audit work, for this report, or for the opinions we have formed.

COMMENTS

For the year ended 30th June 2017, operating income rose by 9.1% to reach Rs 13,600 million, contributing to a growth of 10.3% in profit before tax of Rs 7,628 million. Profit after tax increased by 11.0% to reach Rs 6,237 million.

Net interest income rose by 6.5% to reach Rs 8,734 million thanks to an increase of 10% in foreign currency loan portfolio and an improvement in MUR yields on the portfolio of Treasury Bills and GOM/BOM Bonds.

Net fee and commission income increased by 3.8% to Rs 2,752 million due to an increase in cards, financing and payments transaction services offsetting the reduction in our trade financing activities.

A strong growth in profit from dealing in foreign currencies and net gains from financial instruments carried at fair value helped boost the Bank's performance during the year due to an increased volume of transactions.

Operating expenses grew by 8.2% to reach Rs 5,022 million with an increase in staff expenses and depreciation resulting from investments in infrastructure, hardware and software projects. The cost to income ratio consequently improved to 36.9%, a notch lower than FY16.

Net impairment of financial assets rose to Rs 950 million whilst remaining within a non-performing loans to gross loans ratio below the 6% level.

The Bank remains sufficiently capitalised with a Tier 1 ratio of 15.8% and a BIS ratio of 16.8% at the end of the financial year, well above the regulatory requirements.

Going forward, we expect to realise our pipeline of cross border projects and to maintain the momentum created in our capacity building endeavours, whilst we continue to monitor the prevailing excess liquidity situation.

These financial statements were approved for issue by the Board of Directors on the 28th September 2017.

- · the summary statement of changes in equity for the year then ended;
- · the summary statement of cash flows for the year then ended; and
- · the related notes to the summary financial statements.

The summary financial statements do not contain all the disclosures required by International Financial Reporting Standards. Reading the summary financial statements and auditor's report thereon, therefore, is not a substitute for reading the audited financial statements and the auditor's report thereon.

The audited financial statements and our audit report thereon

We expressed an unmodified audit opinion on the audited financial statements in our report dated 28 September 2017.

Responsibilities of the directors for the summary financial statements

The directors are responsible for the preparation of the summary financial statements in accordance with note 1.

Auditor's responsibility

Our responsibility is to express an opinion on whether the summary financial statements are a fair summary of the audited financial statements based on our procedures, which were conducted in accordance with International Standard on Auditing 810 (Revised), 'Engagements to Report on Summary Financial Statements'.

Other Matter

This report, including the opinion, has been prepared for and only for the Bank's shareholder in accordance with Section 34 (6)(b)(ii) of the Mauritian Banking Act 2004 and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

On the Financial Statements of The Municipal Council of Vacoas-Phoenix for the year ended 31 December 2015

NATIONAL AUDIT OFFICE

NATIONAL AUDIT OFFICE

REPORT OF THE DIRECTOR OF AUDIT

TO THE COUNCIL OF

THE MUNICIPAL COUNCIL OF VACOAS-PHOENIX

Report on the Financial Statements

I have audited the accompanying financial statements of The Municipal Council of Vacoas-Phoenix (Council) which comprise the statement of financial position as of 31 December 2015, the statement of financial performance and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Local Government Act and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with International Standards of Supreme Audit Institutions. Those Standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Council's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements give a true and fair view of the financial position of The Municipal Council of Vacoas-Phoenix as at 31 December 2015, and of its financial performance and its cash flow for the year then ended in accordance with Generally Accepted Accounting Principles in Mauritius.

Report on Other Legal and Regulatory Requirements

Management's Responsibility

In addition to the responsibility for the preparation and presentation of the financial statements described above, management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the laws and authorities which govern them.

Auditor's Responsibility

In addition to the responsibility to express an opinion on the financial statements described above, my responsibility includes expressing an opinion on whether the activities, financial transactions and information reflected in the financial statements are, in all material respects, in compliance with the laws and authorities which govern them.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Opinion on Compliance

Local Government Act

In my opinion, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the Local Government Act.

Public Procurement Act

The Municipal Council of Vacoas-Phoenix is responsible for the planning and conduct of its procurement. It is also responsible for defining and choosing the appropriate method of procurement and contract type in accordance with the provisions of the Act and relevant Regulations. My responsibility is to report on whether the provisions of Part V of the Act regarding the Bidding Process have been complied with.

In my opinion, the provisions of Part V of the Act have been complied with as far as it appears from my examination of the relevant records.

The plan is exposed to actuarial risks such as: investment risk, interest rate risk, mortality risk, longevity risk and salary risk.

The cost of of providing the benefits is determined using the Projected Unit Method. The principal assumptions used for the purpose of the actuarial valuation were as follows:

	Year ending 31	Year ending 31	
	December 2015	December 2014	
Discount rate	7.50%	8.00%	
Future salary increases	5.00%	5.50%	
Future pension increases	3.00%	3.50%	
Mortality before retirement	A 6770 Ultimate Tables		
	PA (90) Tables		
Mortality in retirement	rated down by 2	PA (90) Tables	
	years		
Retirement age	As per Second Schedule of the		
	Statutory Bodies Pension Funds Act		

The discount rate is determined by reference to market yields on bonds.

Significant actuarial assumptions for determination of the defined benefit obligation are discount rate, expected salary increase and mortality. The sensitivity analyses below have been determined based reasonably on possible changes of the assumptions occurring at the end of the reporting period.

- If the discount rate would be 100 basis points (one percent) higher (lower), the defined benefit obligation would decrease by Rs 31.8M (increase by Rs 41.1M) if all other assumptions were held unchanged.
- If the expected salary growth would increase (decrease) by 1%, the defined benefit obligation would increase by Rs 25.7M (decrease by Rs 21.6M) if all assumptions were held unchanged.
- If life expectancy would increase (decrease) by one year, the defined benefit obligation would increase by Rs 4.0M (decrease by Rs 4.0M) if all assumptions were held unchanged.

In reality one might expect interrelationships between the assumptions, especially between discount rate and expected salary increases, given that both depends to a certain extent on expected inflation rates. The analysis above abstracts from these interdependence between the assumptions.
