**REPORT OF THE
DIRECTOR OF AUDIT**

**On the Financial Statements
of the Municipal Council of Beau Bassin-Rose Hill
for the year ended 31 December 2015**

NATIONAL AUDIT OFFICE

NATIONAL AUDIT OFFICE

REPORT OF THE DIRECTOR OF AUDIT

TO THE COUNCIL OF

THE MUNICIPAL COUNCIL OF BEAU BASSIN-ROSE HILL

Report on the Financial Statements

I have audited the accompanying financial statements of the Municipal Council of Beau Bassin-Rose Hill which comprise the statement of financial position as of 31 December 2015, the statement of financial performance, and statement of cash flows for the year then ended and a summary of significant accounting policies and other explanatory notes.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the Local Government Act, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with International Standards of Supreme Audit Institutions. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a reasonable basis for my qualified audit opinion.

Basis for Qualified Opinion

Fixed Assets – Rs 581,889,177

The physical existence and completeness of assets acquired in previous years could not be verified in the absence of a proper Fixed Assets Register. Hence, the accuracy of the figure of assets totalling Rs 581,889,177 as of 31 December 2015 could not be ascertained.

Debtors – Rs 45,969,043

(i) **General Rates – Rs 38,793,864.** Income receivable from General Rates included adjustment debits of Rs 134,214 and adjustment credits of Rs 803,484 for which no details were available from the General Rate system.

The debtors' figure also included a sum of Rs 819,161 owed by 123 owners of properties who could not be traced.

(ii) **Trade Fees – Twelfth Schedule – Rs 3,022,450.** According to the accounting system, debts in respect of Trade Fees amounted to Rs 14,406,988 as of 31 December 2015. However, only an amount of Rs 3,022,450 has been accounted for in the financial statements.

Pending Litigation

No confirmation was received from the six legal advisers of the Council as regards any pending litigation, claim, judgements, settlements, or any transactions or charges that could affect the accounts as of 31 December 2015.

Qualified Opinion

In my opinion, except for the effects of the matters described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of the Municipal Council of Beau Bassin-Rose Hill as of 31 December 2015, and of its financial performance and its cash flows for the year then ended in accordance with accounting principles generally accepted in Mauritius.

Report on Other Legal and Regulatory Requirements

Management's Responsibility

In addition to the responsibility for the preparation and presentation of the financial statements described above, management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the laws and authorities which govern them.

Auditor's Responsibility

In addition to the responsibility to express an opinion on the financial statements described above, my responsibility includes expressing an opinion on whether the activities, financial transactions and information reflected in the financial statements are, in all material respects, in compliance with the laws and authorities which govern them.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Opinion on Compliance***Local Government Act***

In my opinion, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the Local Government Act.

Public Procurement Act

The Municipal Council of Beau Bassin-Rose Hill is responsible for the planning and conduct of its procurement. It is also responsible for defining and choosing the appropriate method of procurement and contract type in accordance with the provisions of the Act and relevant Regulations. My responsibility is to report on whether the provisions of Part V of the Act regarding the Bidding Process have been complied with.

In my opinion, the provisions of Part V of the Act have been complied with as far as it appears from my examinations of the relevant records.

**REPORT OF THE
DIRECTOR OF AUDIT**

**On the Financial Statements
of the Municipal Council of Beau Bassin-Rose Hill
for the six months period ended 30 June 2016**

NATIONAL AUDIT OFFICE

NATIONAL AUDIT OFFICE

REPORT OF THE DIRECTOR OF AUDIT

TO THE COUNCIL OF

THE MUNICIPAL COUNCIL OF BEAU BASSIN-ROSE HILL

Report on the Financial Statements

I have audited the accompanying financial statements of the Municipal Council of Beau Bassin-Rose Hill which comprise the statement of financial position as of 30 June 2016, the statement of financial performance, and statement of cash flows for the six months period then ended and a summary of significant accounting policies and other explanatory notes

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the Local Government Act, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with International Standards of Supreme Audit Institutions. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a reasonable basis for my qualified audit opinion.

Basis for Qualified Opinion**Fixed Assets – Rs 627,173,917**

The physical existence and completeness of assets acquired in previous years could not be verified in the absence of a proper Fixed Assets Register. Hence, the accuracy of the figure of assets totalling Rs 627,173,917 as of 30 June 2016 could not be ascertained.

Debtors – Rs 48,876,907

(i) **General Rates – Rs 41,217,560.** Income receivable from General Rates included adjustment debits of Rs 125,173 and adjustment credits of Rs 257,023 for which no details were available from the General Rate system.

The debtors' figure also included a sum of Rs 833,139 owed by 123 owners of properties who could not be traced.

(ii) **Trade Fees – Twelfth Schedule – Rs 4,846,950.** According to the accounting system, debts in respect of Trade Fees amounted to Rs 16,182,162 as of 30 June 2016. However, only an amount of Rs 4,846,950 has been accounted for in the financial statements.

Pending Litigation

No confirmation was received from one of the three legal advisers of the Council as regards any pending litigation, claim, judgements, settlements, or any transactions or charges that could affect the accounts as of 30 June 2016.

Qualified Opinion

In my opinion, except for the effects of the matters described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of the Municipal Council of Beau Bassin-Rose Hill as of 30 June 2016, and of its financial performance and its cash flows for the six months period then ended in accordance with accounting principles generally accepted in Mauritius.

Report on Other Legal and Regulatory Requirements***Management's Responsibility***

In addition to the responsibility for the preparation and presentation of the financial statements described above, management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the laws and authorities which govern them.

Auditor's Responsibility

In addition to the responsibility to express an opinion on the financial statements described above, my responsibility includes expressing an opinion on whether the activities, financial transactions and information reflected in the financial statements are, in all material respects, in compliance with the laws and authorities which govern them.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Opinion on Compliance***Local Government Act***

In my opinion, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the Local Government Act.

Public Procurement Act

The Municipal Council of Beau Bassin-Rose Hill is responsible for the planning and conduct of its procurement. It is also responsible for defining and choosing the appropriate method of procurement and contract type in accordance with the provisions of the Act and relevant Regulations. My responsibility is to report on whether the provisions of Part V of the Act regarding the Bidding Process have been complied with.

In my opinion, the provisions of Part V of the Act have been complied with as far as it appears from my examinations of the relevant records.
