REPORT OF THE INDEPENDENT AUDITOR ON THE SUMMARY FINANCIAL STATEMENTS

Opinion

The summary financial statements, which comprise the summary statement of financial position as at 31 March 2018, the summary statement of profit or loss and other comprehensive income, summary statement of changes in equity and summary statement of cash flows for the year then ended, are derived from the audited financial statements of SBI (Mauritius) Ltd for the year ended 31 March 2018.

In our opinion, the accompanying summary financial statements are consistent, in all material respects, with the audited financial statements, in accordance with International Financial Reporting Standards (IFRSs).

Summary Financial Statements

The summary financial statements do not contain all the disclosures required by International Financial Reporting Standards (IFRSs) in the preparation of the audited financial statements of SBI (Mauritius) Ltd. Reading the summary financial statements and the auditor's report thereon, therefore, is not a substitute for reading the audited financial statements and the auditor's report thereon. The summary financial statements and the audited financial statements do not reflect the effects of events that occurred subsequent to the date of our report on the audited financial statements.

The Audited Financial Statements and Our Report thereon

We expressed an unmodified audit opinion on the audited financial statements in our report dated 11 May 2018. That report also includes the communication of key audit matters. Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period.

Directors' Responsibility for the Summary Financial Statements

Directors are responsible for the preparation of the summary financial statements in accordance with IFRSs.

Auditor's Responsibility

Our responsibility is to express an opinion on whether the summary financial statements are consistent, in all material respects, with the audited financial statements based on our procedures, which were conducted in accordance with International Standard on Auditing (ISA) 810 (Revised) *Engagements to Report on Summary Financial Statements*.

Other Matter

This report, including the opinion, has been prepared for and only for the Company's shareholders in accordance with Section 34(6)(b)(ii) of the Mauritian Banking Act 2004 and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

AUDITED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st March 2018

The Audited Financial Statements for the year ended 31st March 2018 have been prepared in accordance with Bank of Mauritius Guideline on Public Disclosure of Information. The financial report contains forward looking statements and risks assessments based on the Bank's view of the economic situation and may not necessarily materialise. Users of information should therefore not place undue reliance on these statements.

RESULTS

During the FY 2017-18, total deposits grew by 14.73% from USD 681.28 Mio to USD 781.64 Mio. The share of CASA (Current & Savings Account) deposits to total deposits has gone up from 45.83% to 55.08%.

The loans and advances portfolio has declined from USD 885.40 Mio to USD 662.79 Mio during the year under review. The decline in advance is mainly due to reduction in Buyer's Credit portfolio. However, the investment portfolio has increased from USD 157.22 Mio to USD 231.70 Mio during the same period.

The operating profit has declined marginally from USD 20.88 Mio to USD 20.05 Mio on account of rise in staff expenses (provision for retirement benefits) and overheads. Net Interest Income has increased by 0.55% from USD 23.50 Mio to USD 23.63 Mio whereas Non-Interest Income has increased by 6.18% from USD 4.37 Mio to USD 4.64 Mio during the year.

Bank's Net Profit stood at USD 1.67 Mio as on 31st March 2018 as compared to USD 10.50 Mio last year on account of higher provisioning on Non Performing Assets.

PROSPECTS

Mauritian Economy is on a strong growth trajectory with GDP growth slated to improve further to 4% in 2018 from 3.90% in 2017. Mauritian Government is determined on giving a boost to the financial sector and fuelling large scale infrastructure projects like Metro Rail, Road Decongestion Programme, Jeux des Iles de l'Océan Indien Sports Complex, etc. alongwith public-private partnership projects like Smart City, the economy is poised to pick up in coming time. We are confident of improving our top line as well as bottom line in next financial year taking advantage of synergies emerging from our presence across market segments and harnessing our core capabilities and resources.
