Having regard to the Competition Act 2007,

Having regard to the Competition Commission Rules of Procedure 2009,

Having regard to undertakings offered by Western Union Network (France) and by MoneyGram International B. V. respectively,

Having regard to a report of the Executive Director dated 23rd February 2018,

WHEREAS:

I. Introduction

- 1.1 This Decision relates to undertakings that have been offered to the Commission by Western Union Network (France) ('Western Union') and MoneyGram International B. V. ('MoneyGram'), in the course of an investigation opened by the Executive Director and referred to as 'INV029 – Supply of cross-border money transfer services'.
- 1.2 Having taken cognizance of a report of the Executive Director dated 23rd February 2018 on the matter, the Commission has determined the case on the basis of the undertakings, pursuant to section 63(3) of the Competition Act 2007 (the 'Act').

II. Background

i. Parties

1.3 Western Union is a public company which operates as a subsidiary of The Western Union Company. It is currently represented by two agents [REDACTED]

1.4 MoneyGram International B. V. is a public company which currently [REDACTED]

ii. The services concerned

1.5 The investigation pertains to money transfer services which are offered by agents of Western Union and MoneyGram to and from Mauritius.

iii. Investigation

1.6 In April 2015, the Executive Director opened an investigation pursuant to section 51 of the Act. The investigation followed an enquiry carried out under rule 5 of the Competition Commission Rules of Procedure 2009 (the 'Rules') in 2015.

1.7 The Executive Director targeted certain business practices put in place by Western Union and MoneyGram, which he considered to be restrictive in that the latter's conduct might prevent their respective agents from supplying competing services (exclusive dealing) or from supplying competing services for a certain period after the termination of their agreement (post-termination non-compete clause), thus foreclosing access to the market and adversely affecting competition.

1.8 In August and October 2015 respectively, Western Union and MoneyGram offered written undertakings to the Commission in pursuance of section 63 of the Act and as per the requirements set out under rule 28 of the Rules.

1.9 In February 2018, the Executive Director submitted a report on the matter to the Commission, following his assessment of whether the proposed undertakings address all the concerns identified by him.

III. Legal framework

1.10 Having found reasonable grounds to believe that Western Union and MoneyGram were engaging in restrictive business practices, the Executive Director opened an investigation pursuant to section 51(1) of the Act.

Determination based on undertakings

1.11 Under section 63(1) of the Act, enterprises may offer undertakings to the Commission "to address any concern that has arisen, or is likely to arise,

CCM/DS/0026

during an investigation in respect of a restrictive agreement subject to investigation, a monopoly situation or a merger situation".

1.12 Pursuant to section 63(3) of the Act, the Commission may determine a case on the basis of an undertaking. The threshold for the acceptance of undertakings under section 63(3) is that the Commission must be satisfied that the undertakings address "*all the concerns it has about any prevention, restriction [or] distortion (...) of competition*" which may arise from the matter at hand.

IV. Determination

1.13 Having regard to the concerns which have been identified by the Executive Director in his report, and the undertakings offered by Western Union and MoneyGram, the Commission determines, as per section 63(3) of the Act, that those undertakings satisfactorily address all its concerns.

V. Decision

NOW THEREFORE,

For the reasons set out in this Decision, the Commission decides as follows:

- 1) We accept the undertakings offered by Western Union and MoneyGram, which are being published as per section 63(4) of the Act (see Annex).
- 2) The undertakings must be fully implemented within a period of six months as from the date of signature of this Decision.

MoneyGram proprietary document

2. Scope of the Investigation conducted by CCM

CCM is conducting an investigation on Agreements for the provision of money transfer services offered by the Agents in Mauritius and whether such Agreements were likely to breach the monopoly provisions of the Act and more particularly its Section 46 (2), pursuant to which such Agreements may have the object or effect of preventing, restricting or distorting competition in Mauritius, or in any other way constitutes an exploitation of a monopoly situation. The Investigation also encompasses the activities of the competitors of MoneyGram in Mauritius.

3. The Concerns of the CCM

The concerns raised by the CCM are as follows:

- 3.1 the CCM apprehends that the exclusionary clause in the Agreements may potentially restrict business practices in the market of cross-border money transfer services in Mauritius;
- 3.2 the CCM apprehends that the Agreements may prevent the Agents from providing competing services and that the Agents may be discouraged from shifting supplier of money transferring services;
- 3.3 the CCM apprehends that the Agreements may constitute barriers to entry in the provision of money transferring services in Mauritius.

4. Proposed undertaking

4.1 Existing agreements

4.1.1 Option between exclusive and non-exclusive

In order to address the concerns of the CCM, MoneyGram undertakes to apply the measures outlined under this section. The Agents will be given the possibility of choosing between (i) retaining an Exclusive Agreement; or (ii) entering into a new Non-Exclusive Agreement.

Should an Agent choose a Non-Exclusive Agreement, the following amendments will be brought to agreements currently in force.

4.1.2 Proposed commission structure

The commission structure under an Exclusive Agreement may be different from the commission structure applicable under a Non-Exclusive Agreement.

4.1.3 Non-compete clause

MoneyGram standard non-compete provision prevents an Agent to offer competing services during the term of the Agreement and for a limited period of time following termination of the Agreement.

MoneyGram proprietary document

Should an Agent elect the option of a Non-Exclusive Agreement, MoneyGram undertakes that the non-compete clause will not be applicable. As further developed in section 4.2.3, the same standard will apply to Exclusive Agreements.

4.1.4 Timeline for implementation

The proposed structure described herein may become effective (i) upon the renewal of the Exclusive Agreement, i.e. at the end of the current term or (ii) upon request from CCM following the publication of an ad hoc decision related to the current Investigation.

When these Undertakings shall become effective, MoneyGram will notify the Agents of the possibility for them to change Agreement (that is from an Exclusive Agreement to a Non-Exclusive Agreement, and vice-versa) between MoneyGram and them.

The notification sent to the Agents will imply that the Agents shall be able to change from one type of agreement to the other within a given timeframe by notice to MoneyGram. The shift from an Exclusive Agreement to a Non-Exclusive Agreement will however depend on the Agent accepting certain other terms of the Agreement.

4.2 Future agreements***4.2.1 Option between Exclusive Agreements and Non-Exclusive Agreements***

For future prospect Agents, MoneyGram is undertaking to offer to the Agents the choice between (i) entering into an Exclusive Agreement or (ii) entering into a new Non-Exclusive Agreement.

4.2.2 Proposed commission structure

The details shall be agreed between MoneyGram and the Agent.

4.2.3 Non-compete clause

Should the Agent decide to enter into a Non-Exclusive Agreement, the Non-Exclusive Agreement will not contain any non-compete clause.

Should the Agent decide to enter into an Exclusive Agreement, MoneyGram undertakes that it will not insert a non-compete clause that will prevent the Agent from providing services in competition with those of MoneyGram for a limited period of time after termination of an Exclusive Agreement.

The non-compete clause in Exclusive Agreements currently in force will also become non-enforceable as a result of the Undertakings.

MoneyGram proprietary document**5. Sub-Agents**

The terms of the agreements in respect of MoneyGram Services carried out by Sub-Agents, on the premises of the latter and through the latter's own infrastructure, will not be affected by the nature of the Sub-Agent Agreement, that is, whether the Sub-Agent Agreement is an exclusive agreement or a non-exclusive agreement for the provision of MoneyGram Services.

6. Reporting to CCM

These Undertakings shall become effective on the date they are accepted by the CCM and shall remain in force for a period of four (4) years.

MoneyGram undertakes to communicate to the CCM on a confidential basis on its request.

7. Proposal for a uniform money transfer market in Mauritius

MoneyGram respectfully suggests that the CCM decision further to the current Investigation becomes binding for all money transfer operators in Mauritius, regardless of their size, market share or network.

Yours sincerely,

Bessima Bahri
Vice President and Assistant Secretary
MoneyGram International B.V. Dubai
