In the matter of: -**Ms Mansa Daby***Disputant***and****Open University of Mauritius***Respondent***Ipo:****Ministry of Education and Human Resources, Tertiary Education and Scientific Research***Co-Respondent*

The present matter has been referred to the Tribunal by the Commission for Conciliation and Mediation for arbitration pursuant to *section 69 (7)* of the *Employment Relations Act* (the “Act”). The dispute has been referred on the following amended Terms of Reference:

Whether I should be have been confirmed in my position of Assistant Lecturer/Lecturer held at the Open University of Mauritius, with effect from 01 August 2015.

All the parties were assisted by Counsel in the present matter. The Disputant was assisted Mr D. Ramano, of Counsel. Whereas the Respondent was assisted by Miss B. H. Maherally, State Counsel, instructed by the Deputy Chief State Attorney and the Co-Respondent was assisted by Miss D. P. Punchu, State Counsel, instructed by the Principal State Attorney.

The hearing of the matter had commenced with the deposition of the Disputant. However, the Respondent has now raised a preliminary objection in law to the hearing of the present dispute. Counsel for the Disputant did not object to the Respondent raising the preliminary objection and the matter was accordingly put for arguments.

The preliminary objection in law raised by the Respondent reads as follows:

The Respondent moves that the present dispute be set aside inasmuch as the granting of an award in terms of the Terms of Reference of the labour dispute before the Tribunal will be inconsistent with sections 5 and 10 of the Open University of Mauritius Act and thus, be contrary to section 72 (5) of the Employment Relations Act.

Counsel for the Respondent has notably referred to *section 5* of the *Open University of Mauritius Act* in her submissions. This deals with the functions of the Open University and is in mandatory terms. She specifically referred to *sub-paragraph (p)*, whereby the Open University has the exclusive function of laying down the conditions of service of staff, which are their terms of employment. Referring to *section 10* of the *Open University of Mauritius Act*, it was submitted that the Board appoints the academic staff under *section 10 (2)(a)(ii)* of the aforesaid Act. Reference was then made to *section 72 (5)* of the Act.

Counsel for the Respondent thereafter referred to a letter dated 11 July 2014 from the Respondent addressed to the Disputant whereby the terms and conditions have been laid out. The terms and conditions have been decided by the Open University and this function as per the law rests solely with the Respondent. The Disputant is asking the Tribunal to decide on the terms and conditions laid down by the Respondent in asking the Tribunal to determine whether she ought to have been confirmed with effect from August 2015. As the Tribunal operates under the Act, there is an impediment as to its jurisdiction in this matter as its award will rule on the Disputant's probationary period, which is not for the Tribunal to decide. Having regard

to *section 72 (5)* of the *Act*, the award of the Tribunal will be inconsistent with *section 5* of the *Open University of Mauritius Act*. Furthermore, under *section 10* of the aforesaid *Act*, an appointment rests with the Board of the Respondent and it is not for the Tribunal to decide whether or not to confirm the Disputant in the circumstances.

Counsel for the Disputant has, on the other hand, submitted that pursuant to *section 70 (1)* of the *Act*, it is mandatory for the Tribunal to enquire into the dispute. It is not contested that the Open University can lay codes of conduct and conditions of service, referring to *section 5 (p)* of the *Open University of Mauritius Act*. The Tribunal, however, has to see if the conditions of service have been respected. The one-year probationary period of the contract is not being contested. It is for the Tribunal to see if justice has been done in the interpretation of these terms and conditions. *Section 5* of the aforementioned *Act* only sets out the functions of the institution, in order to enable it to fulfil its mission. The Open University is responsible for the organisation of work; it may set the terms and conditions of service, but when there is a breach, it is not for them to decide upon the breach. A victim must have a forum to turn to when the exercise of appointing or of confirming is flawed. Counsel submitted that the Disputant can seek a remedy from this Tribunal.

Counsel for the Disputant further submitted that nowhere in the *Open University of Mauritius Act* is it explicitly stated that the *Act* has no jurisdiction in the matter. The former *Act* has not precluded the jurisdiction of the Tribunal. Reference was also made to *section 5 (b), (d)* and *(h)* of the *Open University of Mauritius Act* and to the power of the Tertiary Education Commission over the Respondent in relation to these sub-paragraphs. It was submitted that the Tribunal has jurisdiction to oversee whether what is set in *sections 5* and *10* of the aforesaid *Act* are along the lines of natural justice.

It should also be noted that State Counsel for the Co-Respondent stated that the latter is abiding by the decision of the Tribunal and thereby choose not to offer any submissions in relation to the preliminary objection in law.

The basis of the present preliminary objection in law is *section 72 (5)* of the *Act*. In the context of the objection raised, it would be useful to produce the wordings of this provision. This notably provides:

72. Award and its effects

...

(5) An award under sections 56(5) and 70(1) shall not contain any provision inconsistent with any enactment, other than a Remuneration Regulations, relating to the terms or conditions of, or affecting, employment, and any such provision shall, to the extent of the inconsistency, be void.

In the present matter, it has not been disputed that any eventual award of the Tribunal in relation to the present labour dispute would be under *section 70 (1) of the Act*. *Section 72 (5) of the Act* clearly states that the award of the Tribunal shall not contain any provision inconsistent with any enactment relating to the terms or conditions of, or affecting, employment. It also specifies that any such provision in the award shall be void to the extent of the inconsistency. It may be noted that an exception has been provided for in respect of Remuneration Regulations.

The preliminary objection in law has also cited *sections 5 and 10 of the Open University of Mauritius Act*. The relevant provisions of these two sections read as follows:

5. Functions of Open University

The Open University shall have such functions as are necessary to attain its objects most effectively and shall, in particular—

...

- (p) *provide, control and maintain discipline among the learners and academic and general staff and lay down the conditions of service of such staff, including their codes of conduct;*

10. Functions and powers of Board

(1) *The Board shall be the governing body having the direction and superintendence of the Open University and its principal functions shall include—*

- (a) *devising or approving strategic plans and policies for the Open University;*
- (b) *overseeing its management and development;*
- (c) *monitoring and reviewing its operations; and*
- (d) *providing rigorous accountability standards in its various operations.*

- (2) The Board may—
- (a) on behalf of the Open University—
 - ...
 - (ii) appoint the academic and general staff;
 - ...
 - (b) do all such things as may be necessary for, or incidental or conducive to, the performance of its functions under subsection (1).

Section 5 of the *Open University of Mauritius Act* refers to the functions of the Open University. It is clearly stated, in the mandatory sense, that the Open University shall lay down the conditions of service of academic staff. Furthermore, section 10 of the aforesaid Act, at subsection (2), *inter alia* provides that the Respondent's governing body, which is the Board, may appoint the academic staff. It must be noted that Counsel for the Disputant has not disputed the powers of the Open University under the aforementioned provisions of its Act.

Counsel for the Disputant has, in fact, submitted that once a labour dispute has been duly referred to the Tribunal, the latter is bound to enquire into the matter in accordance with section 70 (1) of the Act. It cannot be disputed that the Tribunal bound to enquire into a labour dispute referred to it under section 69 (7) of the Act. However, the Tribunal is always entitled to determine whether it has the necessary jurisdiction to arbitrate on a dispute referred before it.

The Tribunal, in view of these particular contentions, would refer to a ruling of the then Permanent Arbitration Tribunal in *Mrs C. M. Tatiah and Development Bank of Mauritius* (RN 758) delivered on 4 August 2004, which was followed by the Tribunal in the matter of *S. Dawon and Mauritius Institute of Training and Development* (ERT/RN 163/15 to ERT/RN 170/15). Therein, the Permanent Arbitration Tribunal notably stated:

The Tribunal wishes to address itself first on whether once a referral is made, it is bound to adjudicate on the dispute. Indeed Section 83 of the Industrial Relations Act 1973 as amended states "Where any dispute is referred to the Tribunal by the Minister under section 82, the Tribunal shall, with all diligence, inquire into the dispute and make an award on it". Section 5 of the Interpretation and General Clauses Act defines "shall" as "may be read as imperative". (the underlining is ours).

Are we to hear any dispute referred to us by the Minister if the Tribunal finds that the dispute does not fall within the legal parameters of an industrial dispute as per the Industrial Relations Act 1973 as amended?

Russell on Arbitration, 18th Edition by Anthony Walton Q.C. at page 73 reads:

*"It can hardly be within the arbitrator's jurisdiction to decide whether or not a condition precedent to his jurisdiction has been fulfilled. However, an arbitrator is always entitled to inquire whether or not he has jurisdiction. (see **Brown v. Oesterreichischer Waldbesitzer R.G.m.b.h. (1954) (Q.B.8)** An umpire faced with a dispute whether or not there was a contract from which alone his jurisdiction, if any, deal with the matter at all and leave the parties to go to the court, or he can consider the matter and if he forms the view that the contract upon which the claimant is relying and from which, if established, alone his jurisdiction can arise is in truth the contract, he can proceed accordingly. (Per Roskill J. in **Lunada Exportadora and others v. Tamari and Sons and Others (1967) L. Lloyd's Rep. 353 at page 364**)."*

The Tribunal concedes therefore that whenever a compulsory arbitration is referred to it, it has no choice than to inquire into the dispute provided it satisfies the Tribunal that it is an industrial dispute.

More recently, in relation to a similar contention made before the Supreme Court in the case of *D. Ramyeed-Banymandhub v The Employment Relations Tribunal [2018 SCJ 252]*, the following was stated:

The Tribunal therefore had the duty to enquire into the "substance" of the arguments put forward by the parties with regard to the objections raised by the co-respondent, and it could only adjudicate on these objections within the limits of its terms of reference.

The Tribunal ought to be satisfied of its jurisdiction to hear and enquire into a particular matter in order to enable it to duly deliver an award. The preliminary objection in law presently raised is contesting the jurisdiction of the Tribunal to give an award as per the Terms of Reference of the labour dispute as same would be contrary to *section 72 (5) of the Act*. The Tribunal cannot therefore concur with this particular argument put forward by the Disputant.

Counsel for the Disputant has also submitted that the *Open University of Mauritius Act* has not expressly excluded the Tribunal's jurisdiction to arbitrate in the present matter. Although, this is not being disputed, it must be emphasized that the preliminary objection has been raised pursuant to *section 72 (5) of the Act*, which would render any award void for being inconsistent with *sections 5 and 10 of the Open University of Mauritius Act* in relation to terms

or conditions of employment. It has never been contented by the Respondent that the Tribunal's jurisdiction is being excluded pursuant to the provisions of the *Open University of Mauritius Act*. The Tribunal cannot therefore concur with the Disputant on this point.

Counsel for the Disputant has also argued that the Tribunal has jurisdiction to oversee whether what is set in *sections 5 and 10* of the *Open University of Mauritius Act* are along the lines of natural justice. With regard to this argument, it should be noted that the Tribunal is bound to enquire into a labour dispute that has been referred to it pursuant to relevant provisions of the *Act*. The Tribunal, however, does not have any jurisdiction to enquire into whether any particular section of an enactment is in conformity with the rules of natural justice. That would be within the province of the Supreme Court, which has unlimited jurisdiction to hear and determine any civil or criminal proceedings under any law other than a disciplinary law. Indeed, the Constitution of Mauritius confers original jurisdiction upon the Supreme Court to determine whether any provision of the Constitution has been contravened and would be the proper forum for any action praying for Constitutional redress.

Although the Tribunal has jurisdiction in matters of labour disputes as defined under *section 2* of the *Act*, which would include terms and conditions of employment, it cannot be overlooked that pursuant to *sections 5 (p)* and *10 (2)(a)(ii)* of the *Open University of Mauritius Act*, the Respondent has been conferred with the power to lay down the conditions of service of its academic staff (which would include the Disputant) and its Board has been entrusted with the power to appoint the academic staff. It may also be noted, from *section 10 (1)(b)* and *(2)(b)* of the aforesaid *Act*, that one of the principal functions of the Board is to oversee the management and development of the Open University and that it may do all such things as may be necessary for the performance of this function.

It has not been disputed that the remedy sought as per the Terms of Reference of the dispute relates to the confirmation of the Disputant in her position as Assistant Lecturer/Lecturer and that, if granted, may amount to the Disputant being confirmed in her appointment as Assistant Lecturer/Lecturer at the Open University of Mauritius. The remedy of confirming the Disputant in her position falls squarely within her terms and conditions of employment and if her confirmation is so awarded, the Tribunal would fall foul of the provisions of *section 72 (5)* of the *Act* in being inconsistent with *sections 5 (p)* and *10 (2)(a)(ii)* of the *Open University of Mauritius Act* in relation to the terms or conditions of the Disputant's employment.

Although, the Disputant is contending that the Tribunal may enquire to see if the terms and conditions of service have been respected, the Tribunal, having noted the provisions of *section 5 (p)* as well as that of *section 10 (1) and (2)* of the *Open University of Mauritius Act* and having paid heed to *section 72 (5)* of the *Act*, cannot usurp the statutory powers conferred to the Respondent in possibly awarding that the Disputant should be confirmed as Assistant Lecturer/Lecturer at the Respondent institution.

The Tribunal has also taken note of the Disputant's argument that the Open University may also be pinched by the Tertiary Education Commission in referring to *section 5 (b), (d) and (h)* of the *Open University of Mauritius Act*. Although, the Disputant is making an analogy with *section 5 (p)* of the *Open University of Mauritius Act*, the present preliminary objection in law is based on, *inter alia*, *sections 5 (p) and 10 (2)(a)(ii)* of the aforesaid *Act* and is not concerned with the other sub-paragraphs of *section 5* referred to and nor is it concerned with the supervisory functions and powers of the Tertiary Education Commission.

The Tribunal therefore finds that the preliminary objection in law raised by the Respondent must succeed.

The dispute is therefore set aside.

**INDEPENDENT AUDITOR'S REPORT
TO THE SHAREHOLDERS OF MAURITIAN EAGLE LEASING COMPANY LIMITED**

This report is made solely to the members of Mauritian Eagle Leasing Company Limited (the "Company"), as a body, in accordance with Section 205 of the Companies Act 2001. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Report on the audit of the Financial Statements

Opinion

We have audited the financial statements of Mauritian Eagle Leasing Company Limited (the Company), on pages 3 to 41 which comprise the statement of financial position as at June 30, 2018, and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements on pages 3 to 41 give a true and fair view of the financial position of the Company as at June 30, 2018 and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards and comply with the Companies Act 2001.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Mauritius, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

1. Impairment loss on finance lease receivables

Key Audit Matter

The Company is engaged in finance lease activities on which impairment allowances are provided for. Impairment allowances represent management's best estimates of the losses incurred within the leases portfolio at the end of the reporting period. They are calculated on a collective and individual basis. The calculation of both collective and individual impairment allowances is inherently judgemental.

The audit was focused on impairment due to the subjective nature of the calculation.

Related Disclosures

Refer to note 5, note 2.16 accounting policies, note 3.1 (a) Credit risk and note 4 (a) and (b) critical accounting estimates and judgements of the accompanying financial statements.

Audit Response

- We assessed the design and operating effectiveness of the controls over impairment data and calculations.
- We checked the adequacy and completeness of ageing report (re past dues) for identification of impaired lease receivables.
- We verified and recomputed the allowances for impairment in compliance with IFRS and Bank of Mauritius guideline.
- We checked the reasonableness of the data and assumptions, including external surveyor's report, discount applied and assessment of recoverability.

Other information

The Directors are responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Directors and Those Charged with Governance for the Financial Statements

The directors are responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards and in compliance with the requirements of the Companies Act 2001, and for such internal control as the directors determine is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so. Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by directors.
- Conclude on the appropriateness of directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

Companies Act 2001

We have no relationship with, or interests in, the Company, other than in our capacity as auditors, and dealings in the ordinary course of business.

We have obtained all information and explanations we have required.

In our opinion, proper accounting records have been kept by the Company as far as it appears from our examination of those records.

Banking Act 2004

In our opinion, the financial statements have been prepared on a basis consistent with that of the preceding year and are complete, fair and properly drawn up and comply with the Banking Act 2004 and the regulations and guidelines of the Bank of Mauritius.

The explanations or information called for or given to us by the officers or agents of the Company were satisfactory.

Financial Reporting Act 2004

The Directors are responsible for preparing the corporate governance report. Our responsibility is to report the extent of compliance with the Code of Corporate Governance as disclosed in the annual report and on whether the disclosure is consistent with the requirements of the Code.

In our opinion, the disclosure in the annual report is consistent with the requirements of the Code.

Other Matter

This report is made solely to the members of Mauritian Eagle Leasing Company Limited (the "Company"), as a body, in accordance with Section 205 of the Companies Act 2001. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

**REPORT OF THE
DIRECTOR OF AUDIT**

**On the Financial Statements
of the District Council of Black River
for the six-month period 1 January to 30 June 2016**

NATIONAL AUDIT OFFICE

NATIONAL AUDIT OFFICE

REPORT OF THE DIRECTOR OF AUDIT TO THE COUNCIL OF THE DISTRICT COUNCIL OF BLACK RIVER

Report on the Financial Statements

I have audited the accompanying financial statements of The District Council of Black River, which comprise the balance sheet as at 30 June 2016, and the statement of income and expenditure and the cash flow statement for the six-month period 1 January to 30 June 2016, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in Mauritius, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with International Standards of Supreme Audit Institutions. Those Standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a reasonable basis for my qualified audit opinion.

Basis for Qualified Opinion

Capital and Other Long Term Outlay - Rs 474,432,556

No physical survey had been carried out as at 30 June 2016 to confirm the existence and conditions of assets owned by the District Council of Black River. Hence, the accuracy of the above figure could not be ascertained.

Opinion

In my opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of The District Council of Black River as at 30 June 2016, and of its financial performance and its cash flows for the six-month period 1 January to 30 June 2016, in accordance with accounting principles generally accepted in Mauritius.

Report on Other Legal and Regulatory Requirements

Management's Responsibility

In addition to the responsibility for the preparation and presentation of the financial statements described above, management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the laws and authorities which govern them.

Auditor's Responsibility

In addition to the responsibility to express an opinion on the financial statements described above, my responsibility includes expressing an opinion on whether the activities, financial transactions and information reflected in the financial statements are, in all material respects, in compliance with the laws and authorities which govern them. This responsibility includes performing procedures to obtain audit evidence about whether the Council's expenditure and income have been applied to the purpose intended by legislature. Such procedures include the assessment of the risks of material non-compliance.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Opinion on Compliance

Local Government Act

The financial statements of The District Council of Black River for the six-month period ended 30 June 2016 were received on 28 October 2016. Following examination of these financial statements, amendments were required and the amended financial statements were received on 6 August 2018.

In my opinion, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the Local Government Act.

Public Procurement Act

The District Council of Black River is responsible for the planning and conduct of its procurement. It is also responsible for defining and choosing the appropriate method of procurement and contract type in accordance with the provisions of the Act and relevant Regulations. My responsibility is to report on whether the provisions of Part V of the Act regarding the Bidding Process have been complied with.

In my opinion, the provisions of Part V of the Act have been complied with as far as it appears from my examination of the relevant records.

**REPORT OF THE
DIRECTOR OF AUDIT**

**On the Financial Statements
of the District Council of Black River
for the year ended 31 December 2015**

NATIONAL AUDIT OFFICE

NATIONAL AUDIT OFFICE

REPORT OF THE DIRECTOR OF AUDIT

TO THE COUNCIL OF

THE DISTRICT COUNCIL OF BLACK RIVER

Report on the Financial Statements

I have audited the accompanying financial statements of The District Council of Black River, which comprise the balance sheet as at 31 December 2015, and the statement of income and expenditure and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in Mauritius, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with International Standards of Supreme Audit Institutions. Those Standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a reasonable basis for my qualified audit opinion.

Basis for Qualified Opinion**Capital and Other Long Term Outlay - Rs 469,514,990**

No physical survey had been carried out at year end to confirm the existence and conditions of assets. Hence, the accuracy of the above figure could not be ascertained.

Opinion

In my opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of The District Council of Black River as at 31 December 2015, and of its financial performance and its cash flows for the year then ended in accordance with accounting principles generally accepted in Mauritius.

Report on Other Legal and Regulatory Requirements***Management's Responsibility***

In addition to the responsibility for the preparation and presentation of the financial statements described above, management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the laws and authorities which govern them.

Auditor's Responsibility

In addition to the responsibility to express an opinion on the financial statements described above, my responsibility includes expressing an opinion on whether the activities, financial transactions and information reflected in the financial statements are, in all material respects, in compliance with the laws and authorities which govern them. This responsibility includes performing procedures to obtain audit evidence about whether the Council's expenditure and income have been applied to the purpose intended by legislature. Such procedures include the assessment of the risks of material non-compliance.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Opinion on Compliance***Local Government Act***

The financial statements of The District Council of Black River for the year ended 31 December 2015 were received on 28 April 2016. Following examination of these financial statements, amendments were required and the amended financial statements were received on 6 August 2018.

In my opinion, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the Local Government Act.

Public Procurement Act

The District Council of Black River is responsible for the planning and conduct of its procurement. It is also responsible for defining and choosing the appropriate method of procurement and contract type in accordance with the provisions of the Act and relevant Regulations. My responsibility is to report on whether the provisions of Part V of the Act regarding the Bidding Process have been complied with.

In my opinion, the provisions of Part V of the Act have been complied with as far as it appears from my examination of the relevant records.
