### INDEPENDENT COMMISSION AGAINST CORRUPTION (ICAC)

# (established under section 19(1) of Prevention of Corruption Act 2002 as subsequently amended (PoCA 2002)

## NOTICE PUBLISHED UNDER SECTION 56(3)(a) OF *PoCA 2002*

NOTICE is hereby given that, on an application made by the **Independent Commission Against Corruption (ICAC)**, an Order has been made on 13<sup>th</sup> February 2019 by the Honourable Judge at Chambers, as follows:—

- (A) (a) attaching in the hands of Aslam Ally Aulum, NID A3108793105540, viz:-
  - (i) a portion of land together with a three-storeyed house existing thereon situate at No 81, corner of Hosseinbhay Peerbaye (ex-Madras) and Hassen Hossen Streets, Plaine Verte, Port Louis, the whole morefully described in Vol. 1640 No 119,
  - (ii) all fixtures to be found and renovations made to the first floor of the said three-storeyed house,

(the "Company")

Notice is hereby given that the Company, having its registered office address at 7 Maupin C/o Cays Associates Ltd, 5<sup>th</sup> Floor, GM Tower, Broadway, Port Louis, Mauritius, is applying to the Registrar of Companies to remove the Company from the register of companies, in accordance with Section 309(1)(d) of the Companies Act 2001.

The Company has ceased to carry on business, has discharged in full its liabilities to all its known creditors, and has distributed its surplus assets in accordance with its constitution and the Companies Act 2001.

Any objections to the removal under Section 312 of the Companies Act 2001 shall be made with the Registrar of Companies, 1 Cathedral Square, Pope Hennessy Street, Port Louis, Mauritius, not later than 28 days from the date of this notice.

Dated this 26th day of February 2019.

Peter E. Nicholson Director

(Rec. No. 17/405617)

## MEPORT OF THE DIRECTOR OF AUDIT

On the Financial Statements of the Municipal Council of Vacoas-Phoenix for the year ended 30 June 2017

NATIONAL AUDIT OFFICE

## NATIONAL AUDIT OFFICE

# REPORT OF HE DIRECTOR OF AUDIT TO THE COUNCIL OF THE THE MUNICIPAL COUNCIL OF VACOAS-PHOENIX

#### Report on the Audit of the Financial Statements

#### Opinion

I have audited the accompanying financial statements of the Municipal Council of Vacoas-Phoenix (Council) which comprise the statement of financial position as at 30 June 2017, and of its statement of financial performance and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

In my opinion, the accompanying financial statements give a true and fair view of the financial position of the Council as at 30 June 2017, and of its financial performance and its cash flows for the year then ended in accordance with Generally Accepted Accounting Principles in Mauritius.

#### **Basis for Opinion**

I conducted my audit in accordance with International Standards of Supreme Audit Institutions (ISSAIs). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the entity in accordance with the Code of Ethics for Supreme Audit Institutions together with the ethical requirements that are relevant to my audit of the financial statements in Mauritius, and I have fulfilled my other ethical responsibilities in accordance with these requirements and the Code of Ethics. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in my professional judgment, were of most significance in my audit of the financial statements of the current period. These matters were addressed in the context of my audit of the financial statements as a whole, and in forming my opinion thereon, and I do not provide a separate opinion on these matters. I have determined that there are no key audit matters to communicate in my report.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in Mauritius, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Municipal Council of Vacoas-Phoenix's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management intends to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible of overseeing the Municipal Council of Vacoas-Phoenix's financial reporting process.

#### Auditor's Responsibility for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISSAIs, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing
  an opinion on the effectiveness of the Municipal Council of Vacoas-Phoenix's internal
  control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence, obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Municipal Council of Vacoas-Phoenix's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Municipal Council of Vacoas-Phoenix to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or, when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Report on Other Legal and Regulatory Requirements

#### Management's Responsibility for Compliance

In addition to the responsibility for the preparation and presentation of the financial statements described above, management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the laws and authorities which govern them.

#### Auditor's Responsibility

In addition to the responsibility to express an opinion on the financial statements described above, my responsibility includes expressing an opinion on whether the activities, financial transactions and information reflected in the financial statements are, in all material respects, in compliance with the laws and authorities which govern them. This responsibility includes performing

procedures to obtain audit evidence about whether the Municipal Council of Vacoas- Phoenix's expenditure and income have been applied to the purposes intended by those charged with governance. Such procedures include the assessment of the risks of material non-compliance.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

#### **Opinion on Compliance**

#### Local Government Act

I have obtained all information and explanations which to the best of my knowledge and belief were necessary for the purpose of my audit.

In my opinion, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the Local Government Act.

#### Public Procurement Act

The Municipal Council of Vacoas-Phoenix is responsible for the planning and conduct of its procurement. It is also responsible for defining and choosing the appropriate method of procurement and contract type in accordance with the provisions of the Act and relevant Regulations. My responsibility is to report on whether the provisions of Part V of the Act regarding the Bidding Process have been complied with.

In my opinion, the provisions of Part V of the Act have been complied with as far as it appears from my examination of the relevant records.

K.C. TSE YUET CHEONG (MRS)
Director of Audit

National Audit Office Level 14, Air Mauritius Centre PORT LOUIS

#### TR 191

#### **Facts**

G is a private company incorporated in Mauritius in June 2018. G will be involved in creative and innovative activities geared towards the development of Intellectual Property (IP) assets in Mauritius, mainly in the virtual gaming and betting industry. G in Mauritius aims to be a self-sufficient development hub where the latest ideas and innovations in the gaming sector can be produced and brought to life.

G's product teams have outlined the concepts for 5 new products / features which currently do not exist in the market. G will be tasked with developing the concepts and turning them into fully operational products and features. The products will be developed and maintained by G in Mauritius. The IP rights will be registered in Mauritius and the ownership of such products will exclusively belong to G.

To help in the development process of the 5 innovative products, G will employ highly experienced coding developers and gaming technical officers from Europe. These people will be highly qualified in the IT and gaming sector. To support these people, G will hire talents locally in Mauritius. G plans to employ 20 full-time employees in its IT department in Mauritius which includes:

- 1 Chief Technology Officer
- 4 Senior Developers
- 10 Junior Developers
- 3 Graphic Designers
- 2 Project Managers

Once the products are ready in Mauritius, they will then be distributed through current and prospective gaming operators overseas in Europe and Africa. G will enter into provider agreements with the different operators and will be remunerated on a revenue share basis.

#### Point at issue

Whether the income of G will be exempt from income tax for a period of 8 income years in accordance with Items 34(a) and 34(b) of Sub-Part C of the Second Schedule to the Income Tax Act which reads as follows:

"34(a) Subject to sub-tem (b), the income of a company set  $v^p$  on or after 1 July 2017 and involved in innovation-driven activities for intellectual property assets which are developed in Mauritius.

(b) The exemption shall be for a period of 8 income year<sup>5</sup> as from the income year in which the company started its innovation-driven activities."

# Ruling

On the basis of the facts submitted, it is noted that:

- G was set up in Mauritius after 1 July 2017;
- G is going to develop 5 new products which currently do not exist in the market;
- the activities of G will generate IP assets in Mauritius;
- G will be the exclusive owner of the IP rights of the products which it will develop in Mauritius and will be registered in Mauritius;
- G will have substance in Mauritius as all software development will be done in Mauritius through a team of 20 IT Professionals who will all be in Mauritius and whose ideas will be incorporated in gaming products developed in Mauritius.

Based on the above, the activities of G would fall under the provisions of Items 34 (a) and 34 (b) of the Sub-Part C of the Second Schedule to the Income Tax Act and hence be exempt from income tax for a period of 8 income years as from the income year in which G starts its innovation-driven activities.

### **Facts**

G is a private company incorporated in Mauritius and holds a Category 1 Global Business License ("GBC1"). G is engaged in holding of investments, ownership and commercialisation of Intellectual Property ("IP") rights and enters into license agreements with affiliates for the manufacture and commercialisation of pharmaceutical products, manufacturing and distribution of pharmaceutical, over the counter and infant nutritional products.

G is involved in the transactions mentioned below:

## Transaction 1

G acts as a guarantor for the loans raised by its related parties by either signing bank guarantee documents, or offering G's assets as guarantee for the bank loans raised by the related parties.

G charges a guarantee fee to the related parties for acting as guarantor. Furthermore, it also has to pay guarantee fee to the banks for the issue and maintenance of the guarantee documents.

# Transaction 2

G has contracted a loan from F, a related company incorporated in South Africa. The principal activity of F is to provide financing services to its related parties.

F entered into a Facility Agreement with several banks and out of which a percentage of the funds received were lent by F to G. F incurred and as applicable, will continue to incur over the term of the loan various fees such as utilisation fees, arrangement fees, participation fees, commitment fees, commission fees, and service fees (collectively referred to as "the Fees") in relation to the Facility Agreement. F recharges to G as applicable over the term of the loan the Fees incurred in the proportion determined by benchmarking exercises.

The loan contracted from F will be used by G for the following purposes:

- to refinance G's existing loan facilities; existing loan facilities were mainly for IP acquisitions;
- to finance Permitted Acquisition which include acquisition of securities, business or undertaking; and /or
- for general corporate purposes.

# Points at issue

# Transaction 1

- 1. Whether the guarantee fee that G charges to its related parties will be subject to tax; and
- 2. Whether the guarantee fee payable by G to the banks will be treated as deductible for tax purposes?

### Transaction 2

1. Whether the Fees paid by G to F will be treated as deductible for tax purposes?

## Ruling

Based on the facts mentioned above, it is confirmed that:

## Transaction 1

- 1. The guarantee fee which G charges to its related parties should be at arm's length and will be subject to tax.
- 2. The guarantee fee paid by G to the banks will be deductible for tax purposes, provided the expenditures are exclusively incurred in the production of the company's gross income in accordance with Section 18 of the Income Tax Act.

# Transaction 2

1. The Fees payable by G to F should be at arm's length and will be deductible for tax purposes, provided the expenditures are exclusively incurred in the production of the company's gross income in accordance with Section 18 of the Income Tax Act

#### **Facts**

L is licenced by the Financial Services Commission ("FSC") as an external pension scheme holding a Category 1 Global Business Licence under the Private Pension Schemes Act 2012.

L is set up as a Trust through a declaration of Trust and is a defined contribution scheme. The trustees of L are resident in Mauritius. L allows only non-residents to join as members and its main objective is to provide pension benefits to its beneficiaries. The pension benefits may be in the form of a pension, a compensation, gratuity or allowance payable to a beneficiary and includes a retirement benefit, a death benefit, disability benefit or such other allowance as may be specified in the Rules.

The beneficiaries can be the members as well as persons nominated by the members or entities set up by the Trustees to receive the benefits when they are due. L offers various investment choices to the members and pursues a unique investment program with respect to each investment choice. L's assets are principally invested in foreign markets and the level of return is not guaranteed and depends on the performance of L. L's prudent written investment policy as approved by the trustees has been filed with the FSC. L provides various pension benefit options to its members at retirement.

#### Points at issue

- (i) Whether L will be resident for tax purposes in Mauritius?
- (ii) Whether L will be exempt from payment of tax if it deposits a declaration of non-residence within 3 months of its financial year end?
- (iii) Whether L is subject to tax in Mauritius?
- (iv) Whether L can apply for a Tax Residence Certificate and claim credit for foreign taxes paid on foreign source income?
- (v) Whether gains derived by L from the disposal of shares/investment will be subject to tax?
- (vi) Whether the distributions made out of L to the members/beneficiaries, as and when the distributions become due under a Declaration of Trust will be subject to tax in Mauritius?

## Ruling

On the basis of facts provided, it is confirmed that:

- (i) L will be resident in Mauritius in accordance with section 73(1) (d) of the Income Tax Act.
- (ii) L is entitled to file a declaration of non-residence in accordance with section 46(3) of the Income Tax Act since it has been set up as a trust, holds a Category 1 Global Business Licence and its beneficiaries will be non-residents. Once such a declaration is deposited within 3 months after the expiry of the income year, it shall be exempt from payment of income tax in respect of that income year.
- (iii) L does not fall within the definition of a superannuation fund as laid down in section 2 of the Income Tax Act since it was not set up for the benefit of employees of an employer. As such, it is not an exempt body by virtue of item 8 of Part I to the Second Schedule; hence it will be subject to tax in Mauritius, unless it deposits a certificate of non-residence as mentioned at paragraph (ii) above.
- (iv) L is entitled to apply for a Tax Residence Certificate and claim foreign tax credit in accordance with section 77 of the Income Tax Act, if it does not file a declaration of non-residence.
- (v) Gains derived by L from the disposal of securities/investment falling within the ambit of items 7 and 7B of Sub-Part C of Part II of the Second Schedule to the Income Tax Act will be exempt.
- (vi) Distributions made out of L in the form of pension benefits (comprising pensions, annuities and lump sum) to non-residents members and/or their beneficiaries, as the case may be, will be considered to be Mauritius source income subject to income tax in Mauritius in accordance with section 10(1) (d) and section 74(1) (b) of the Income Tax Act. The pension benefits paid will thus not fall within the ambit of section 46(4) of the Income Tax Act.

### **Facts**

M applied for the Mauritian Diaspora Scheme on 1 May 2017. On 10 August 2017, the Board of Investment issued a Mauritian Diaspora Registration Certificate as a professional to M.

M derives rental income and income from his profession.

# Point at issue

Whether the total income derived by M as a member of the Mauritian Diaspora under the Mauritian Diaspora Scheme prescribed under the Investment Promotion Act will be exempt from income tax?

## Ruling

On the basis of the facts mentioned above, it is confirmed that by virtue of Item 27 of Sub-Part C of Part II of the Second Schedule to the Income Tax Act as amended by the Finance Act 2017, and the certificate dated 10 August 2017 issued by the then Board of Investment, only the professional income derived by M will be exempt from income tax. The rental income derived by M will not fall within the ambit of the exemption.

### **Facts**

B is incorporated in Mauritius and holds a management licence issued by the Financial Services Commission. It provides trust and corporate services in Mauritius and acts as an Authorised Trustee for trusts administered in Mauritius.

B forms part of a group comprising:

(a) T

T is incorporated in Nevis and provides professional trustee services for trusts formed under Jersey or other foreign laws (excluding Mauritian law). The Settlors and beneficiaries of the trusts are not resident in Mauritius.

Each trust is the sole shareholder of a separate C. Each client of T has its own trust and C.

(b) S

S is incorporated in Nevis and provides administration services for C and trusts mentioned at (a) above.

(c) W

W is incorporated in Nevis and provides investment portfolio management services to the trusts and C mentioned at (a) above.

(d) H

H is incorporated in Bahamas and is the group holding company for S, T, W and B.

The executive directors of T, C, S, W and H are not tax resident in Mauritius. The board directors of S, T and W meet outside Mauritius where key operational and investment decisions are taken.

The proposed transaction involves:

- (i) the transfer of trusteeship, administration services, investment portfolio management services of several trusts formed under foreign laws from T, S, and W, to B; and
- (ii) the resignation of existing board of directors of C and the appointment of B as the new corporate director of those companies.

On the completion of the proposed transaction, the sole trustee and administrator of the trust and corporate services will be B in Mauritius and the central control and management of C will take place in Mauritius.

#### Points at issue

- (i) Whether the Trusts formed under Jersey law will be considered as tax resident in Mauritius on the basis that the sole trustee, B is tax resident in Mauritius and B will administer the Trusts from Mauritius?
- (ii) Whether the Trusts will be required to register for income tax purposes in Mauritius and pay income tax at the rate of 15 % on their foreign source income?
- (iii) Whether C incorporated under the laws of A will be considered as tax resident in Mauritius on the basis of having their central management and control in Mauritius?
- (iv) Whether C will be required to register for income tax purposes in Mauritius and pay income tax at the rate of 15 % on their foreign source income?
- (v) Whether for purposes of the Common Reporting Standard ("CRS"),
  - (a) the Trusts will be required to report any reportable accounts as a Financial Institution that is managed by B?
  - (b) C will be considered as passive Non-Financial Entities and therefore will not be required to report any reportable accounts as a Financial Institution?

### Ruling

On the basis of facts provided, it is confirmed that:

- (i) The trusts will be considered as resident in Mauritius by virtue of section 73 (1) (d) of the Income Tax Act as the sole trustee will be resident in Mauritius and the trust will be administered in Mauritius.
- (ii) Each trust will be required to apply for a Tax Account Number at the Mauritius Revenue Authority and file income tax returns. The trusts will be liable to income tax on their chargeable income at the rate specified in Part IV of the First Schedule.
- (iii) C will be considered as tax resident in Mauritius by virtue of section 73(1) (b) of the Income Tax Act since their central management and control will be in Mauritius.

(iv) C will be required to apply for a Tax Account Number at the Mauritius Revenue Authority and file income tax returns. They will be liable to income tax on their chargeable income at the rate specified in Part IV of the First Schedule.

As regards Point at Issue (v), the Trusts and C will have to decide on the basis of all facts and circumstances whether for purposes of the CRS, they should be classified as Financial Institutions and be required to report any reportable accounts.

sub-funds (collectively N) is an investment fund domiciled in the Cayman globally by U.S. based Q and affiliated investment management firms s founded in 1989 by E, who, together with affiliated entities, remains the

tment management activities, including determining the strategic direction discretionary investment management decisions, overseeing group risk rally executing all trades undertaken by N, management of collateral, , and support services, such as capital raising and investor relation. J is ring into an arrangement with a Mauritian Investment Manager.

stment Manager will be wholly owned by Q and will be appointed by Q to f the investment portfolio of N outside Mauritius, pursuant to one or more greements. For the avoidance of doubt, it is currently contemplated that ment Manager will only manage the investment portfolio of N.

stment Manager will provide management and advisory services to N and ary powers to carry out certain trading activities on behalf of N, subject to egies, policies, risk guidelines and investment restrictions of N and J. The it Manager will be authorised to provide the services detailed above to N ation from Q through one or more Sub-Management Agreement.

ment Manager will have a dedicated office in Mauritius and will initially Manager ("PM"). The PM will likely have an analyst or analysts, based r an affiliated K. The scale of resources within the Mauritius office may activities increase. The PM will be resident in Mauritius and his primary to trade on behalf of the non-resident funds and manage his team. The 1 a specified amount of capital to trade listed securities and associated

The Mauritius Investment Manager will receive management and performance fees for the management and advisory services provided to the investment manager / non-resident funds. The terms of the service agreement will be in accordance with the OECD transfer pricing guidelines which will be consistent with other similar arrangements and investment strategies of the non-resident investment funds.

The management and performance fees will be subject to corporate tax in Mauritius.

N are all non-resident investment funds and are comprised of the master fund, domiciled in the Cayman Islands and a number of sub-funds domiciled in different jurisdictions, including Luxembourg and Singapore, amongst others. For avoidance of doubt, none of N are Mauritius incorporated or tax resident funds.

N principally invest in the public equity, fixed income, commodities and derivatives markets across the globe as advised by Q and its numerous affiliated foreign investment managers. Notwithstanding the management activities performed by the Mauritius Investment Manager in Mauritius, N will continue to be centrally managed and controlled outside of Mauritius since the overall corporate governance of N will be taken in the jurisdictions where the funds are domiciled and/or where J has its primary office locations. N will continue to hold board meetings in various foreign countries and the records of N will be retained at the N's foreign offices.

# Points at issue

Whether the N may be deemed to derive income in Mauritius through the Mauritius Investment Manager's discretionary trading activities in Mauritius and whether the N will be subject to tax in Mauritius?

# Ruling

Based on the facts mentioned above, it is noted that the N will not have Mauritian sourced

### Facts

V and W are tax residents in Mauritius by virtue of Section 73 of the Income Tax Act and are the settlors and beneficiaries of X and Y respectively.

X and Y are resident in Jersey and are administered from Switzerland. The trustee of each trust is a company incorporated under the laws of the Island of Nevis.

X and Y each own 100% shares in C and D respectively. C and D are non-resident companies and are incorporated in Nevis.

Each company owns 25.5% of a GBC entity in Mauritius, namely E which is a money transfer service company.

E owns subsidiaries in several other offshore jurisdictions.

The proposed transaction consists of:

- the migration of C and D to Mauritius.
   C and D will be incorporated in Mauritius as GBC companies and their effective management and control will be in Mauritius. This migration will result in inward capital assets remittances into Mauritius.
- (ii) the sale by C and D of the shares they each hold in E.
  The proceeds from the E shares will result in payment of dividends by C and D to the non-resident trusts, that is, X and Y which will in turn distribute dividends to their respective beneficiaries, that is V and W who are both resident in Mauritius.

## Points at issue

- (i) Whether distributions from X and Y to V and W will be subject to income tax at 15% plus an additional solidarity levy on the balance of the dividend income exceeding the prescribed threshold in any given year?
- (ii) Whether, in the event V and W elect to receive their distributions in bank accounts which are outside of Mauritius, such receipts will be regarded as being received in Mauritius for income tax purposes?

- (iii) Whether in case V and W elect to utilise funds received in their offshore bank accounts to invest in capital assets, which in turn generate capital gains later upon disposal, whether this amount would be included in "gross income"?
- (iv) Whether the remittance of capital into Mauritius upon C and D redomiciling will be subject to tax in the hands of each company? Furthermore, whether the disposal of such equity after re-domiciling would be subject to income tax?
- (v) Whether the sale of E's shares by the C and D will have any prejudicial tax consequencés in Mauritius?

### Ruling

On the basis of facts provided, it is confirmed that:

- (i) (a) Where the distributions made by X and Y to V and W are remitted to Mauritius, the distributions will be subject to income tax at the rate of 15%.
  - (b) Any amount of distribution exceeding 3.5 million rupees will be subject to solidarity levy by virtue of Section 16C of the Income Tax Act.
- (ii) In the event V and W elect to receive their distributions in bank accounts which are outside of Mauritius, such receipts will not be regarded as being received in Mauritius for income tax purposes. However, in case such receipts are remitted to Mauritius, they will be subject to tax in Mauritius.
- (iii) In case V and W elect to utilise funds received in their offshore bank accounts to invest in capital assets, which in turn generate capital gains later upon its disposal, such capital or capital gains would fall outside the scope of income tax and hence will not be taxable in Mauritius.
- (iv) The remittance of capital into Mauritius as a result of the re-domiciling of C and D would not give rise to any tax liability. The sale of shares held by C and D in E would be considered as capital gains and would thus not be amenable to income tax in Mauritius.
- (v) The sale of the E shares by C and D would give rise to either capital gains which are not amenable to tax or capital losses which do not qualify as deduction under the Income Tax Act.
