**REPORT OF THE
DIRECTOR OF AUDIT**

**On the Financial Statements
of the City Council of Port Louis
for the period ended 30 June 2016**

NATIONAL AUDIT OFFICE

NATIONAL AUDIT OFFICE

REPORT OF THE DIRECTOR OF AUDIT

TO THE COUNCIL OF THE

THE CITY COUNCIL OF PORT LOUIS

Report on the Financial Statements

I have audited the financial statements of the City Council of Port Louis which comprise the balance sheet as at 30 June 2016, the income and expenditure account and the statement of cash flows for the semester then ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in Mauritius and in compliance with the Local Government Act and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with International Standards of Supreme Audit Institutions. Those Standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of the accounting principles used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified audit opinion.

Basis for Qualified Opinion**Capital Outlay - Rs 1,423.9 million**

No proper fixed asset register was available. 46 plots of land, owned by the Council, has not been accounted for. No detailed listing was available for land and buildings of Rs 973.6 million that were acquired prior to 2012.

Stock - Rs 11.2 million

No physical stock-take was carried out. Hence the existence of the stock could not be ascertained.

Debtors - Rs 128.7 million

This figure was arrived at after deducting Provision for Bad Debts of Rs 183.1 million from total Gross Debtors of Rs 311.8 million. Debtors figure was reduced by Rs 27.8 million but no Ministerial approval was available. There was no accounting policy, basis of calculation and details for the Provision for Bad Debts. Only some Rs 6.2 million was collected out of market fees raised of Rs 11.5 million.

Cash and Cash - Rs 69.2 million

This figure represented the balance as per bank statements and not the Cash Book balance of Rs 51.4 million.

Creditors and Provisions - Rs 55.3 million

No listings were available for creditors of Rs 39.5 million and details of payments of Rs 15.5 million. No provision for refundable sick leaves has been made.

Out of provisions of Rs 41.2 million, some Rs 21.6 million have been paid in the subsequent year. Provision has been overstated by some Rs 19.6 million.

Deposits - Rs 6 million

No listing of deposits was available.

General Fund - Rs 1,759.7 million

An amount of Rs 10.1 million and Rs 13.8 million were credited to the General Fund Applied and General Fund Unapplied Accounts respectively for which no details and corresponding debit entries could be traced.

Passage Fund - Rs 1.6 million

Since 2008, the Passage Fund showed a balance of Rs 1.6 million. The actual passage fund liability and the amount earned by each eligible employee during the year were not determined. Payment for Passage Benefit of Rs 6.1 million was expensed and was not charged to the Fund.

Qualified Opinion

In my opinion, except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of the City Council of Port Louis as of 30 June 2016, and of its financial performance and its cash flows for the semester then ended in accordance with accounting principles generally accepted in Mauritius.

Other Matter**Accounting Records**

The financial reports and cash books were prepared manually although the parent Ministry has invested significantly in the computerised system since 2010. Daily cash collections were uploaded in the system at the year end and not on a daily basis. Bank reconciliations were not done using the computerised system. Also the computerised system showed a net overdrawn bank balance of Rs 1023.6 million compared to Cash Book balances of Rs 51.4 million. Proper trial balance was not drawn from the computerised system. Manual adjustments were not supported by journal entries and were not seen authorised.

Report on Other Legal and Regulatory Requirements***Management's Responsibility***

In addition to the responsibility for the preparation and presentation of the financial statements described above, management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the laws and authorities which govern them.

Auditor's Responsibility

In addition to the responsibility to express an opinion on the financial statements described above, my responsibility includes expressing an opinion on whether the activities, financial transactions and information reflected in the financial statements are, in all material respects, in compliance with the laws and authorities which govern them.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Opinion on Compliance

Local Government Act

In my opinion, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the Local Government Act.

Public Procurement Act

The City Council of Port Louis is responsible for the planning and conduct of its procurement. It is also responsible for defining and choosing the appropriate method of procurement and contract type in accordance with the provisions of the Act and relevant Regulations. My responsibility is to report on whether the provisions of Part V of the Act regarding the Bidding Process have been complied with.

In my opinion, the provisions of Part V of the Act have been complied with as far as it appears from my examinations of the relevant records.

TR 198**Facts**

Mr F, a South African national lives in Mauritius since February 2017. In July 2018, F acted as settlor to T, a trust formed under the Cayman Islands Trust law.

All beneficiaries of T including Mr F are tax resident in Mauritius since January 2018.

The factors enumerated in section 60 (2) of the Trust Act 2001 are not applicable to T.

S, a company formed under the Cayman Islands Company law acts as trustee of T.

Points at issue

- (i) Whether T is a trust recognised under the laws of Mauritius and as such falls within the definition of Trust under the Income Tax Act?
- (ii) Whether T shall be considered as tax resident in Mauritius by virtue of section 73 of the Income Tax Act?
- (iii) Whether T shall have any obligation to file tax returns in Mauritius and pay any tax accordingly?

Ruling

On the basis of facts provided, it is confirmed that:

- (i) T is a trust recognised under the laws of Mauritius since the factors enumerated in section 60 (2) of the Trust Act 2001 are not applicable to that trust.
- (ii) T will be considered as tax resident in Mauritius in accordance with section 73(d) of the Income Tax Act since the settlor was resident in Mauritius at the time the instrument creating the trust was executed.
- (iii) T shall be liable to income tax by virtue of section 46(1) of the Income Tax Act and shall have to file income tax returns accordingly.

TR 199**Facts**

P is a Category 1 Global Business Company offering investment management and advisory services.

A is a Category 1 Global Business Company involved in investment holding activities as per a defined Investment Guideline.

P is in the process of being appointed as the investment advisor of A and the advisory services shall include the following:

- (i) Identifying potential new investment opportunities;
- (ii) Providing regular feedback in relation to the performance and liquidity of A's various investments;
- (iii) Rendering specific investment research, advice and related advisory services;
- (iv) Assisting with due diligence investigations and reviews;
- (v) Recommending which investments or follow up investments are to be made or disposed of;
- (vi) Providing advice on any terms and conditions imposed in relation to investments;
- (vii) Preparing transaction documents and appointing external advisors where necessary; and
- (viii) Managing issue allotment and allocation of shares and facilitating loans.

A will derive foreign source income in the form of dividend and interest as well as capital gains or loss upon realisation of the investment.

Points at issue

Whether the advisory fees to be charged by P to A shall be considered as an allowable deduction against the gross income of A in A's tax return?

Ruling

On the basis of facts provided, it is confirmed that advisory fees which are exclusively incurred in the production of gross income other than gross income specified in section 10 (1) (a) of the Income Tax Act will qualify as allowable deduction in accordance with section 18 (1) of the Act.

Thus, the proportion of advisory fees attributable to non-taxable income including capital gains would not be allowed.
