INDEPENDENT AUDITORS' REPORT TO THE MEMBER OF BRITISH AMERICAN EXCHANGE CO. LTD**Report on the Audit of the Financial Statements****Opinion**

We have audited the financial statements of British American Exchange Co. Ltd (the "Company") set out on pages 22 to 45, which comprise the statement of financial position as at 31 December 2018 and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and the notes to the financial statements, including a summary of significant accounting policies.

In our opinion, these financial statements give a true and fair view of the financial position of the Company as at 31 December 2018 and of its financial performance, its changes in equity and its cash flows for the year then ended in accordance with International Financial Reporting Standards and in compliance with the requirements of the Mauritius Companies Act 2001, the Financial Reporting Act 2004 and the Banking Act 2004.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with International Ethics Standards Board for Accountants Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The directors are responsible for the other information. The other information comprises the Annual Report, Corporate Governance Report and Certificate from the Company Secretary, or any other information. The other information does not include the financial statements and our auditors' report thereon. Our opinion on the financial statements does not cover the other information and we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Directors' Responsibility for the Financial Statements

The directors are responsible for the preparation of financial statements that give a true and fair view in accordance with International Financial Reporting Standards and in compliance with the requirements of the Mauritius Companies Act 2001, the Financial Reporting Act 2004 and the Banking Act 2004, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Our audit work has been undertaken so that we might state to the Company's members those matters that we are required to state in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's member, for our audit work, for this report, or for the opinions we have formed.

To the Shareholders of Bank One Limited

Report on the Summary Financial Statements

Our Opinion

In our opinion, the accompanying summary financial statements of Bank One Limited (the "Bank") are consistent, in all material respects, with the audited financial statements, on the basis described in note 1.

The summary financial statements

The Bank's summary financial statements derived from the audited financial statements for the year ended 31 December 2018 comprise:

- the summary statement of financial position as at 31 December 2018;

- the summary statement of comprehensive income for the year then ended;
- the summary statement of changes in equity for the year then ended;
- the summary statement of cash flows for the year then ended; and
- the related notes to the summary financial statements.

The summary financial statements do not contain all the disclosures required by International Financial Reporting Standards. Reading the summary financial statements and the auditor's report thereon, therefore, is not a substitute for reading the audited financial statements and the auditor's report thereon.

The Audited Financial Statements and our Audit Report thereon

We expressed an unmodified audit opinion on the audited financial statements in our report dated 26 March 2019. That report also includes the communication of key audit matters. Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the audited financial statements of the current period.

Responsibilities of the Directors for the Summary Financial Statements

The directors are responsible for the preparation of the summary financial statements on the basis described in note 1.

Auditor's Responsibility

Our responsibility is to express an opinion on whether the summary financial statements are consistent in all material respects with the audited financial statements based on our procedures, which were conducted in accordance with International Standard on Auditing 810 (Revised), 'Engagements to Report on Summary Financial Statements'.

Other Matter

This report, including the opinion, has been prepared for and only for the Bank's shareholders in accordance with Section 34(6)(b)(ii) of the Mauritian Banking Act 2004 and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.
