*General Notice No. 725 of 2019***THE LAND ACQUISITION ACT**

(Notice given under Section 8)

Notice is hereby given that I have decided to acquire compulsorily on behalf of the State of Mauritius a portion of land hereinafter described, situate at Poudre d'Or Hamlet in the district of Rivière du Rempart for the public purpose of constructing the '**Forbach – Bel Air**' East Coast Trunk Road.

**DESCRIPTION**

**Portion No. 61A (PIN 1310050095)** being all that remains of a portion of land of an original

extent of four thousand two hundred and forty five and ninety seven hundredths square metres (4245.97m<sup>2</sup>) has been found to be of an extent of nine hundred and eighty square metres (980m<sup>2</sup>) after survey [after compulsory acquisition of two portions of land by Government of the extents of 428 m<sup>2</sup> and 2780m<sup>2</sup> by virtue of 2 Notices given under Section 8 of the Land Acquisition Act registered and transcribed in Volume TV 9216/16 and TV 9213/5 respectively] belonging to **Mr. Bhodraz RAMDHEAN** born on 19/08/1968 holding I.D. No. R190868050261A and **Mrs. Iranee SUJEEUN** born on 22 July 1976 holding I.D. No. S2207760802511, spouse of **Mr. Bhodraz RAMDHEAN**, married under the system of legal community of goods, as evidenced by title deed transcribed in Volume T.V 8199/49 is bounded as follows:-

- Towards the North East by the property of Mr. Premchand RAMKURRUN and Mr. Harrykrishna RAMKURRUN on seventy five metres and fifteen centimetres (75.15m).
- Towards the South East by State Land [Portion No. 75, TV 9212/16] on twenty seven metres and ninety centimetres (27.90m).
- Towards the South West by State Land [Portion No. 61, TV 9213/5] on seventy metres and fifteen centimetres (70.15m).

The whole as more fully shown on plan '**Land Acquisition at Poudre D'Or Hamlet**' registered at the Cadastre Unit, Ministry of Housing and Lands as **ACQ/75/000367** and drawn up by Mr. Navinchandra LUCHOO, Government Land Surveyor on 14.06.2017.

The plan may be inspected by the public at the Archives Office of the Ministry of Housing and Lands, Ébène Tower, Ébène during office hours.

Every interested person is required to give to the Authorised Officer within fourteen (14) days of the second publication of this Notice in the *Government Gazette* a written declaration of the nature of his interest in the land and the amount and details of his claim for compensation.

*General Notice No. 753 of 2019*

**POLICE NOTICE**

**Traffic arrangement along Brabant Street,  
Port Louis**

By virtue of authority conferred upon me by Section 25(3)(4) of the Police Act 1974 and Section 181 of the Road Traffic Act, traffic arrangements as hereunder will be made as from **15 April 2019** with a view to improve the traffic flow:

**As from 15.30 hrs to 18.00 hrs on weekdays.**

- (i) Brabant Street from its junction with Deschartes Street up to its junction with

Maupin Street will be converted in a two way Street. The extreme left lane of that stretch of the road, when facing La Butte, will be reserved for vehicles proceeding towards Bell Village;

- (ii) Vehicles proceeding from La Butte towards Lord Kitchner Street will not be authorized to use the extreme right lane of Brabant Street during the aforesaid hours;
- (iii) Vehicles emerging from Ruisseau Creole Street and D'Entrecasteaux Street and proceeding towards Lord Kitchner Street will, therefore, engage the middle lane of Brabant Street during the aforesaid hours;
- (iv) Vehicles emerging from Caudan Street and De Conti Street, when turning to the left, will engage the extreme left lane when proceeding towards Lord Kitchner Street during the aforesaid hours.

## 2. JUDICIAL PROCEEDINGS

Non compliance with these traffic arrangements will entail judicial proceedings.

The cooperation and understanding of the public would be much appreciated.

# NATIONAL AUDIT OFFICE

## REPORT OF THE DIRECTOR OF AUDIT

### TO THE COUNCIL OF THE

### THE DISTRICT COUNCIL OF GRAND PORT

#### Report on the Audit of the Financial Statements

##### Opinion

I have audited the financial statements of The District Council of Grand Port which comprise the balance sheet as at 30 June 2017, and the income and expenditure account and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

In my opinion, the attached financial statements give a true and fair view of financial position of the District Council of Grand Port as at 30 June 2017 and of its income and expenditure for the year then ended in accordance with generally accepted accounting principles in Mauritius.

##### Basis for Opinion

I conducted my audit in accordance with International Standards of Supreme Audit Institutions. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of my report. I am independent of the District Council of Grand Port in accordance with INTOSAI Code of Ethics together with the ethical requirements that are relevant to my audit of the financial statements in Mauritius, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

##### Emphasis of Matter

###### *Investment - Rs 40.5 million*

I draw attention to Note 3 to the financial statements. In October 2017, Council had forgone a sum of Rs 19.5 million on its placements with a financial institution that went into special administration in 2015. The amount forgone was allocated to reduce the Pension Fund, Passage Fund and Employee Benefit Obligation at 30 June 2017, in the ratio of the balances of these funds on 1 July 2016.

My opinion is not modified in respect of this matter.

### **Key Audit Matters**

Key audit matters are those matters that, in my professional judgment, were of most significance in my audit of the financial statements of the current period. These matters were addressed in the context of my audit of the financial statements as a whole, and in forming my opinion thereon, and I do not provide a separate opinion on these matters. I have determined that there is nothing to report in this regard.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with generally accepted accounting principles in Mauritius and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the District Council of Grand Port's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management intends to to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the the District Council of Grand Port's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards of Supreme Audit Institutions will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with International Standards of Supreme Audit Institutions, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the the District Council of Grand Port's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the the District Council of Grand Port's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the the District Council of Grand Port to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## **Report on Other Legal and Regulatory Requirements**

### ***Management's Responsibility for compliance***

In addition to the responsibility for the preparation and presentation of the financial statements described above, management is also responsible for ensuring that the activities,

financial transactions and information reflected in the financial statements are in compliance with the laws and authorities which govern them.

### ***Auditor's Responsibility***

In addition to the responsibility to express an opinion on the financial statements described above, my responsibility includes expressing an opinion on whether the activities, financial transactions and information reflected in the financial statements are, in all material respects, in compliance with the laws and authorities which govern them. This responsibility includes performing procedures to obtain audit evidence about whether the agency's expenditure and income have been applied for the purposes intended by the legislature. Such procedures also include the assessment of risks of material non compliance.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

### **Opinion on Compliance**

#### ***Local Government Act***

I have obtained all information and explanations which to the best of my knowledge and belief were necessary for the purpose of my audit.

In my opinion, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the Local Government Act.

#### ***Public Procurement Act***

The District Council of Grand Port is responsible for the planning and conduct of its procurement. It is also responsible for defining and choosing the appropriate method of procurement and contract type in accordance with the provisions of the Act and relevant Regulations. My responsibility is to report on whether the provisions of Part V of the Act regarding the Bidding Process have been complied with.

In my opinion, the provisions of Part V of the Act have been complied with as far as it appears from my examination of the relevant records.

Three investments of Rs10 million each were made for a period of two years at the Ex-Bramer Asset Management Ltd (Ex-BAML), on the Discretionary Portfolio Management Services Agreement, with maturity dates 02 Apr 2015, 21 Oct 2015, 28 Nov 2015 respectively. The National Property Fund Ltd (NPFL) took over the responsibility for reimbursement of investment in the Ex-Bramer Asset Management Ltd. According to Government Policy decision, on 29 September 2017 the NPFL asked the Council to enter into an agreement for reimbursement of 35% as final settlement of the total amount invested in Ex-BAML, representing a sum of Rs10.5 million, for which the Council had no alternative than to accept. Upon confirmation received from Ministry of Local Government, the Council accepted the reimbursement of 35% accordingly. The resulting amount foregone of Rs19.5 million has been allocated to reduce the Pension Fund, Passage Fund and Employees Benefit for sick leave refund.

**6. PENSION LIABILITY (Full service considered for all active members)**

6.1 Contribution to Pension Fund started as from July 2008 as per provision of PRB Report 2008. According to Statutory Bodies Pension Act as amended, the Pension Fund of the Council is being managed by the SICOM Ltd as from January 2013. In line with this, contributions made into Pension Fund under the management of Ex-Grand Port Savanne District Council, amounting to Rs79,683,870.97, for the period July 2008 to December 2012, was transferred to SICOM Ltd accordingly. As from January 2013, monthly contributions are being remitted to SICOM Ltd by The District Council of Grand Port.

Following splitting of the Ex-Grand Port Savanne District Council, the pension fund figures of The District Council of Grand Port has been finalised this year, following which SICOM Ltd was asked to carry out an actuarial exercise to know the pension liability of the Council.

6.2 Actuarial exercise carried out by the SICOM Ltd has revealed the following pension liability for the Council:

# NATIONAL AUDIT OFFICE

## REPORT OF THE DIRECTOR OF AUDIT TO THE COUNCIL OF THE DISTRICT COUNCIL OF BLACK RIVER

### Report on the Audit of the Financial Statements

#### Opinion

I have audited the financial statements of The District Council of Black River, which comprise the balance sheet as at 30 June 2017, the statement of income and expenditure and the cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the accompanying financial statements give a true and fair view of the financial position of The District Council of Black River as at 30 June 2017, and of its financial performance and its cash flows for the year then ended, in accordance with accounting principles generally accepted in Mauritius.

#### Basis for Opinion

I conducted my audit in accordance with International Standards of Supreme Audit Institutions (ISSAIs). My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of my report. I am independent of the entity in accordance with the INTOSAI Code of Ethics, together with the ethical requirements that are relevant to my audit of the financial statements in Mauritius, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

#### Key Audit Matters

Key audit matters are those matters that, in my professional judgment, were of most significance in my audit of the financial statements of the current period. These matters were addressed in the context of my audit of the financial statements as a whole, and in forming my opinion thereon, and I do not provide a separate opinion on these matters. I have determined that there are no key audit matters to communicate in my report.

**Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in Mauritius, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the District Council of Black River's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management intends to cease operations, or has no realistic alternative but to do so.

Those charged with Governance are responsible for overseeing the District Council of Black River's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISSAIs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District Council of Black River's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the District Council of Black River's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the District Council of Black River to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## **Report on Other Legal and Regulatory Requirements**

### ***Management's Responsibility for Compliance***

In addition to the responsibility for the preparation and presentation of the financial statements described above, management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the laws and authorities which govern them.

### ***Auditor's Responsibility***

In addition to the responsibility to express an opinion on the financial statements described above, my responsibility includes expressing an opinion on whether the activities, financial transactions and information reflected in the financial statements are, in all material respects, in

compliance with the laws and authorities which govern them. This responsibility includes performing procedures to obtain audit evidence about whether the District Council of Black River's expenditure and income have been applied to the purposes intended by those charged with governance. Such procedures include the assessment of the risks of material non-compliance.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

### **Opinion on Compliance**

#### ***Local Government Act***

The financial statements of The District Council of Black River for the year ended 30 June 2017 were submitted to my Office on 30 October 2017. Following examination of these financial statements, amendments were required and the amended financial statements, duly approved by the Council on 21 March 2019, were received on 25 March 2019.

I have obtained all information and explanations which to the best of my knowledge and belief were necessary for the purpose of my audit.

In my opinion, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the Local Government Act.

#### ***Public Procurement Act***

The District Council of Black River is responsible for the planning and conduct of its procurement. It is also responsible for defining and choosing the appropriate method of procurement and contract type in accordance with the provisions of the Act and relevant Regulations. My responsibility is to report on whether the provisions of Part V of the Act regarding the Bidding Process have been complied with.

In my opinion, the provisions of Part V of the Act have been complied with as far as it appears from my examination of the relevant records.

# NATIONAL AUDIT OFFICE

## REPORT OF THE DIRECTOR OF AUDIT TO THE COUNCIL OF THE THE DISTRICT COUNCIL OF SAVANNE

### Report on the Audit of the Financial Statements

#### Qualified Opinion

I have audited the financial statements of The District Council of Savanne which comprise the balance sheet as at 30 June 2017, and the income and expenditure account and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

In my opinion, except for the effects of the matters described in the Basis for Qualified Opinion paragraph, the attached financial statements give a true and fair view of financial position of the District Council of Savanne as at 30 June 2017 and of its income and expenditure for the year then ended in accordance with generally accepted accounting principles in Mauritius.

#### Basis for Qualified Opinion

##### *Capital Outlay – Rs 339,704,068*

Valid assets vested in the District Council of Savanne following the split of the Ex Grand Port Savanne District Council and the redefinition of Councils' boundaries on 1 January 2013, were valued at Rs 451,749,180 as per the Depreciated Asset Replacement Cost basis. Only

Rs 229,633,536, representing assets received from the Ex Grand Port Savanne District Council at historical cost values, were included under Capital Outlay. The surplus value of Rs 222,115,644 had not been recognized in accounts.

##### *Investment - Rs 26,420,558*

Included under Investment were placements of some Rs 30 million with a financial institution that went into Special Administration in April 2015. In September 2017, the District Council of Savanne entered into an agreement with the Company that had taken over the operations of the financial institution for the reimbursement of 35 per cent as full and final settlement of the total amount invested. The sum of Rs 10.5 million was paid over to Council on 7 October 2017. Credit losses on the placements amounted to Rs 19.5 million. Allowance for credit losses of only Rs 9 million was made in accounts.

I conducted my audit in accordance with International Standards of Supreme Audit Institutions. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of my report. I am independent of the District Council of Savanne in accordance with INTOSAI Code of Ethics together with the ethical requirements that are relevant to my audit of the financial statements in Mauritius, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in my professional judgment, were of most significance in my audit of the financial statements of the current period. These matters were addressed in the context of my audit of the financial statements as a whole, and in forming my opinion thereon, and I do not provide a separate opinion on these matters. Except for the matters described in the *Basis for Qualified Opinion* section, I have determined that there are no other key audit matters to communicate in my report.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with generally accepted accounting principles in Mauritius and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the District Council of Savanne's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management intends to to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the the District Council of Savanne's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards of Supreme Audit Institutions will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with International Standards of Supreme Audit Institutions, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the the District Council of Savanne's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the the District Council of Savanne's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the the District Council of Savanne to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## **Report on Other Legal and Regulatory Requirements**

### ***Management's Responsibility for compliance***

In addition to the responsibility for the preparation and presentation of the financial statements described above, management is also responsible for ensuring that the activities,

financial transactions and information reflected in the financial statements are in compliance with the laws and authorities which govern them.

### ***Auditor's Responsibility***

In addition to the responsibility to express an opinion on the financial statements described above, my responsibility includes expressing an opinion on whether the activities, financial transactions and information reflected in the financial statements are, in all material respects, in compliance with the laws and authorities which govern them. This responsibility includes performing procedures to obtain audit evidence about whether the agency's expenditure and income have been applied for the purposes intended by the legislature. Such procedures also include the assessment of risks of material non compliance.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

### **Opinion on Compliance**

#### ***Local Government Act***

I have obtained all information and explanations which to the best of my knowledge and belief were necessary for the purpose of my audit.

In my opinion, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the Local Government Act.

#### ***Public Procurement Act***

The District Council of Savanne is responsible for the planning and conduct of its procurement. It is also responsible for defining and choosing the appropriate method of procurement and contract type in accordance with the provisions of the Act and relevant Regulations. My responsibility is to report on whether the provisions of Part V of the Act regarding the Bidding Process have been complied with.

In my opinion, the provisions of Part V of the Act have been complied with as far as it appears from my examination of the relevant records.

## SBM BANK (MAURITIUS) LTD

### REPORT OF THE INDEPENDENT AUDITOR ON THE SUMMARY FINANCIAL STATEMENTS TO THE MEMBER OF SBM BANK (MAURITIUS) LTD

#### OPINION

The summary financial statements which comprise the statements of financial position as at 31 December 2018, the statements of profit or loss and other comprehensive income, statements of changes in equity, statements of cash flows for the year then ended, are derived from the audited financial statements of SBM Bank (Mauritius) Ltd (the Bank) for the year ended 31 December 2018.

In our opinion, the accompanying summary financial statements are consistent, in all material respects, with the audited financial statements, in accordance with the requirements of the Banking Act 2004 as disclosed in the summary financial statements.

#### Summary Financial Statements

The summary financial statements do not contain all the disclosures required by International Financial Reporting Standards and the requirements of the Companies Act 2001 and the Banking Act 2004. Reading the summary financial statements and auditor's report thereon, therefore, is not a substitute for reading the audited financial statements of the Bank and the auditor's report thereon.

The summary financial statements and audited financial statements, do not reflect the effects of events that occurred subsequent to the date of our report on those financial statements.

#### The Audited Financial Statements and Our Report Thereon

We expressed an unmodified audit opinion on the audited financial statements in our reports dated 31 March 2019. That report also includes

- Other Matter paragraph which describes that the report is made solely to the Bank's member in accordance with Section 205 of the Companies Act 2001 and for no other purpose.
- Report on other legal and regulatory requirements includes reporting as per:
  - Companies Act 2001 that no interest or relationship in the Bank other than in our capacity as auditors, all required information have been obtained and proper accounting records have been kept by the Bank.
  - Banking Act 2004 that financial statement complies with the requirement of the Banking Act 2004 and regulation and guidelines of Bank of Mauritius.
  - Financial Reporting Act 2004 that the disclosures in the Corporate Governance Report are consistent with the requirements of the Code.
- The communication of key audit matters. [Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period.]

#### Management's Responsibility for the Summary Financial Statements

Management is responsible for the preparation of the summary financial statements in accordance with the requirements described in the Banking Act 2004.

#### Auditor's Responsibility

Our responsibility is to express an opinion on whether the summary financial statements are consistent, in all material respects, with the audited financial statements based on our procedures, which were conducted in accordance with International Standard on Auditing (ISA) 810 (Revised), "Engagements to Report on Summary Financial Statements."

## AFRICAN EXPORT-IMPORT BANK ABRIDGED AUDITED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2018

### DIRECTORS' COMMENTARY

#### GENERAL INFORMATION

The African Export-Import Bank (the Bank) is a multilateral trade finance institution, established in October 1993. It commenced lending operations in September 1994. The Bank's mandate is to promote, finance and facilitate intra and extra-African trade, while operating commercially. The Bank is headquartered in Cairo, Egypt and is located at No. 72 (B) El Maahad El Eshteraky Street, Heliopolis, Cairo 11341, Egypt. In addition, the Bank has regional offices in Harare (Zimbabwe), Abuja (Nigeria), Abidjan (Cote D'Ivoire) and is currently setting up a regional office in East Africa. The Bank has 4 classes of shareholders, class A (African Governments and/or associated institutions and African Multilateral institutions e.g African Development Bank), class B (African financial institutions and private investors), class C (non-African institutions) and class D (any investor). Class A,B and C shares are partially paid 40% upon subscription while class D shares are fully paid. Class D shares were created in 2012 to facilitate the Bank's entry in to the equity capital market. In October 2017 the Bank Listed Depository Receipts on the Stock Exchange of Mauritius backed by class D shares.

#### REVIEW OF FINANCIAL PERFORMANCE

##### STATEMENT OF COMPREHENSIVE INCOME

The Bank earned total Comprehensive Income amounting to US\$285.4 million, a solid growth of 24% compared to prior year performance of US\$229.8 million. The achieved results were mainly due to higher Net Income in 2018 amounting to US\$ 275.9 million (2017: US\$220.5 million), a growth of 25% compared to prior year performance. In addition, a revaluation gain of US\$ 9.5 million (2017: US\$9.3 million) on the Headquarters building in Cairo as a result of the recovery in the property market boosted Other Comprehensive Income. The significant growth in the Net Income was largely driven by a substantial increase in all revenue lines which increased total revenues by 24%. It is to be noted that the first-time adoption of IFRS 9: Financial Instruments, effective 1 January 2018, constrained the results achieved. The observed performance underscored high levels of operational efficiency which was complemented by effective risk management practices.

Net Income for the year grew by 25% principally as a result of the solid growth in Net Interest Income which increased from US\$338.33 million in 2017 to US\$403.83 million in 2018, a growth of 19%. The significant increase in Net Interest Income was achieved on the back of a 31% growth in gross loan portfolio over the period under review. Net fee and Commission income grew by 176% from US\$30.36 million in 2017 to US\$83.69 million in 2018 contributing to the Net Income growth. During the period under review, the Bank achieved an annual return on average shareholders' equity (ROAE) of 11.78% (2017: 11.76%) driven by the increase in Net Income. Additionally, the increase in Net Income resulted in the Bank realising a return on average assets (ROAA) of 2.18% compared to 1.87% achieved in the previous year. In tandem with the substantial increase in Net Income, the basic earnings per equivalent of fully paid shares improved from US\$ 5,580 in 2017 to US\$ 5,620 in 2018. As a result of the significant growth in Net Income, coupled with the successful equity mobilization initiatives pursued by the Bank, the Capital Adequacy Ratio remained at a sound level of 25% (2017: 26%) which was well in line with the Bank's long-term Capital Management Strategic and Policy targets.

A further detailed analysis of the Statement of Comprehensive Income is presented hereunder.

#### Net Interest Income and Margin

Net Interest Income amounting to US\$ 403.83 million (2017: US\$338.33 million) was mainly driven by a significant increase in

interest and similar income. Interest and similar income rose by 17% from US\$606.07 million in 2017 to US\$709.48 million in 2018 as a result of a combination of higher interest rates, triggered by the rise in the Libor rate and a 31% growth in gross loan portfolio. In this regard, the gross loan portfolio grew from US\$8.72 billion in 2017 to US\$ 11.4 billion in 2018. Interest expenses increased by 14% to reach US\$305.65 million (2017: US\$267.75 million) during the period under review on the back of growth in interest-bearing liabilities by 14% and the increase in Libor rates experienced during the year.

Net interest margin, at 3.46% (2017: 2.64%) showed a significant improvement in relation to the previous period mainly due to relatively higher margins earned in 2018 compared to relatively lower margins on the cash-backed Countercyclical Trade Liquidity Facilities (COTRALF) that were outstanding in 2017. The efficiency of the treasury activities in managing cost of funds, culminated in an improved cost of mobilizing deposits. Such activities included, inter-alia, diversification of the funding mix which saw lower priced Africa-sourced liabilities making a significant contribution to the total funding pool. This outcome confirmed the wisdom of the creation of Africa Resource Mobilization Unit in the Treasury Department.

#### Non-Interest Income

Net Fee and Commission Income increased by US\$53.33 million to US\$ 83.69 million (2017: US\$ 30.36 million) in the current year mainly due to a 139% increase in fee and commission income which grew by US\$ 54.47 million to US\$ 93.72 million (2017: US\$ 39.25 million). This increase was largely due to an increase in advisory fees which grew by 272% to US\$ 79.20 million (2017: US\$ 21.31 million). The growth in advisory fee income was in line with the strategic focus of the Bank to increase earnings from advisory and capital market activities, given the rising demand for these services in many African economies pursuing economic and trade diversification.

#### Operating Income

Operating income, which is the sum of Net Interest Income, Net Fees and Commissions Income and Other Operating Income, increased by 32% in 2018 to US\$ 489.84 million (2017: US\$ 372.13 million). The increase is explained mainly by higher Net Interest Income arising from growth in loan assets and significant growth in fee income.

#### Operating Expenses

Operating expenses increased by 32% in 2018 compared to 2017, to reach US\$87.59 million (2017 : US\$ 66.54 million), reflecting the significant growth in professional staff recruitment which in turn increased staff costs by 21%. In addition, general and administrative expenses increased by 47% in support of the various strategic initiatives that the Bank was pursuing.

#### Cost Income Ratio

The cost-income ratio recorded by the Bank was 18% in line with prior year's performance and which favorably compares with the industry average. The outcome reflected effective cost controls and higher operating efficiencies implemented by the Bank during the year.

#### Allowance For Impairment On Loans And Advances

The allowance for impairment on Loans and Advances increased by 82.4% to close the period at US\$ 118.9 million (2017: US\$ 65.2 million). The increase of US\$ 55.4 million arose mainly from the impact of the adoption of IFRS 9 effective 1 January 2018. The IFRS 9 results in the loss provisioning for financial assets on a forward-looking basis as opposed to provisioning on the occurrence of default. Additionally, further provisions arose from the impact of provisioning on financial assets that were previously

not included in the scope of IAS 39, such as off-balance sheet exposures and commitments to lend.

The Bank's asset quality was within acceptable levels as reflected in the non-performing loans (NPL) ratio of 2.95% (2017: 2.5% and restated (IFRS 9 impact) 2017: 4.08%). The sound asset quality reflected the high quality of collateral including highly liquid assets backing a preponderance of the assets. In addition, the provisions coverage ratio was well above the 100% minimum threshold at 132% (2017: 141%). Expected Credit Loss (ECL) coverage ratio was 3.11% (2017: 3.4%). The impact of adopting IFRS 9 resulted in a transitional adjustment amounting to US\$ 129.9 million, reducing the previously reported prior year retained earnings from US\$524.41 million to US\$ 394.51 million on 1st January 2018.

#### Dividend

On account of higher Net Income achieved during the year and considering the need to meet expectations of shareholders, the Board of Directors recommends a dividend payout amounting to US\$ 68.97 million (2017: US\$ 57.53 million) to shareholders, reflecting a 25% (2017: 26%) payout ratio\*. The proposal maintains the tradition of higher dividend payments to shareholders from year to year. As the Bank is raising capital to support business growth, shareholders will have an option of receiving the dividend entitlement through acquiring additional ordinary shares of the Bank.

The Board, in making its recommendation on the level of ordinary dividend, took into consideration the objective of maintaining a growth trend in dividend payments amongst other considerations. The other factors considered included profit performance, need to retain earnings to support on-going business growth, capital adequacy, inflation, as well as the need to balance internal and external financing. Of the Bank's growth.

\* Class D shares are fully paid and back the Depository Receipts issued in the Stock Exchange of Mauritius. Classes A, B and C shares are partially paid, that is 40% at subscription with 60% remaining as callable capital.

#### STATEMENT OF FINANCIAL POSITION

The statement of financial position shows the position of the Bank's assets and liabilities as well as its net worth or shareholders' funds at the reporting date. A detailed discussion of these items with respect to 2018 is presented hereunder.

#### Assets

The Bank's total assets grew by 13 % from US\$11.91 billion as at 31 December 2017 to US\$13.42 billion as at 31 December 2018 explained mainly by the solid growth in net loans and advances which grew by 30.3%. The Bank's liquid assets decreased by 40% to end the year at US\$ 1.92 billion (2017: US\$3.21 billion) and accounted for 14% (2017:27%) of total assets as the cash was deployed to fund the growth in loans and advances. Gross loans and advances at US\$ 11.4 billion (2017: US\$ 8.7 billion) contributed significantly to the total assets position of the Bank at 83% (2017: 70%). Loans and advances increased in 2018 compared to prior year in line with expectation.

Most of the loans are structured trade finance facilities, either funded directly by the Bank or within syndicates. An analysis of the loan portfolio by beneficiary as at end of 2018 shows that corporates' share of the portfolio including state owned enterprises was 44% (2017: 40%), financial institutions' share was 50% (2017: 57%) of the portfolio and governments' share was 6% (2017: 3%) of the portfolio. The Bank also provides financial institutions with credit lines to support their trade finance business with local counterparties who cannot access financing from the Bank directly. The average maturity of loans remained in line with prior year position at 19 months (2017:17 months) given that the typical loans extended by the Bank were short term, self-liquidating trade finance facilities. The Bank continued to achieve a wider geographical diversification of the portfolio, with the Bank operating facilities in 32 (2017: 31) countries.

#### Liabilities

Total liabilities of the Bank grew by 11% to close the year at US\$ 10.86 billion (2017: US\$ 9.79 billion) as at 31 December 2018. The main reason for the increase in total liabilities was the borrowing balance which increased by 15% to US\$ 8.18 billion (2017 : US\$7.11 billion ) to fund the growth in the loan book. Total borrowings (due to banks and debt securities) accounted for about 75% (2017:

73%) of total liabilities while customer deposits and balances accounted for about 22% (2017: 22%) of total liabilities in line with the Bank's strategy to diversify its sources of funding to manage cost of funds as well as reduce concentration risk.

Major components of debt liabilities were syndicated loans and debt securities. In terms of geographical distribution, the outstanding borrowings were spread across mainland Europe, UK, Asia, Middle East, Africa, North and South America.

A significant proportion of deposit accounts held with Afreximbank were mostly accounts used as structural elements in trade finance transactions. Most deposit accounts are held with Afreximbank until the client's debts are fully repaid. The deposits may be used to retire the loans. Customers who deposited funds in the Bank were mainly sovereigns, corporates and financial institutions.

#### Shareholders' Funds

The Bank's shareholders' funds increased by 23% from prior year position of US\$2.12 billion to about US\$2.6 billion primarily driven by capital injections from the equity mobilization plan that the Bank embarked on to fund expected business growth in line with the strategic plan. It is imperative to note that the shareholders' funds rose considerably despite the transitional adjustment amounting to US\$ 129.9 million against opening retained earnings balance as a result of the adoption of IFRS 9 accounting standard on 1 January 2018. As part of the equity raise plan, the Bank raised an amount of about US\$ 338 million from issuance of shares mainly in classes A, B, C and fully paid class D. In addition, the Bank generated internal capital emanating from higher profitability which contributed to the increase in the Bank's net worth. The Bank's callable capital as at 31 December 2018 amounted to US\$ 873 million (2017: US\$ 655 million). The Bank maintains the callable capital as an additional buffer in case of need. The callable capital has been credit enhanced as part of the Bank's capital management initiatives.

#### CONCLUSIONS

The financial results of the Bank show that the Bank achieved better performance for the year compared to prior year as reflected in higher profitability, strong earnings growth, and solid growth in business volume. It also maintained a strong capital adequacy, liquidity position and asset quality, despite the prevailing difficult operating environment globally and in some parts of Africa. The achieved results were also generally better than strategic plan targets. The results of operations while strong, were somewhat constrained by the impact of the first-time adoption of IFRS 9, effective January 1, 2018. Notwithstanding, the Management and the Board of Directors were satisfied with the performance of the Bank enabling a proposal from the Board for an increase of 20% in the amount of dividends declared.

#### NET ASSET VALUE ("NAV")

The NAV per share at 31 December 2018 was US\$50,558 (2017: US\$45,114).

#### DIVIDENDS

The Directors proposed a dividend appropriation amounting to US\$68,970,000 (2017: US\$57,534,000), subject to approval by the shareholders at the next Annual General Meeting to be held in June 2019. The 2018 financial statements do not reflect the dividend payable, which will be accounted for in equity as an appropriation of retained earnings in the year ending 2019 after approval by shareholders. Dividend payments made during 2018 related to 2017 financial year.

**NOTES**

The Bank is required to publish financial results for the year ended 31 December 2018 as per Listing Rule 12.19 of the SEM. The abridged audited financial statements for the year ended 31 December 2018 ("financial statements") have been prepared in accordance with the requirements of IFRS and the SEM Listing Rules.

The financial statements of the Bank have been prepared in accordance with International Financial Reporting Standards as issued by the International Accounting Standards Board (IASB). The accounting policies adopted in the preparation of these financial statements are consistent with those applied in the preparation of the previous financial year ended 31 December 2017, except for the amendments to IFRS effective as of 1 January 2018.

The abridged audited financial statements have been extracted from the audited financial statements for the year ended 31 December 2018 and approved by the Board on 23 March 2019. The Bank's joint external auditors, KPMG and PriceWaterhouse & Coopers have issued an unqualified audit opinion on the financial statements for the year ended 31 December 2018.

Copies of the abridged audited financial statements and the Statement of direct and indirect interests of each officer of the Bank, pursuant to Rule8(2)(m) of the Securities (Disclosure Obligations of Reporting Issuers) Rules 2007, are available free of charge, upon request to the Executive Secretary at the Registered Office of the Bank at No.72(B) El-Maahad El-Eshteraky Street, Heliopolis, Cairo 11341, Egypt.

This communique is issued pursuant to SEM Listing Rules 11.3 and 12.20 and section 8.8 of the Securities Act of Mauritius 2005. The Board accepts full responsibility for the accuracy of the information contained in these financial statements. The Board of Directors is not aware of any matters or circumstances arising subsequent to the period ended 31 December 2018 that require any additional disclosure or adjustment to the financial statements.

By order of the Board
