*General Notice No. 569 of 2020***THE CENTRAL ELECTRICITY BOARD**

In the exercise of the powers conferred upon it by section 20 of the Central Electricity Board Act, the Central Electricity Board hereby fixes, as specified hereunder, the new prices to be charged for the supply of electricity under the Social Tariff 110A.

(1) The prices that shall be charged by the Board during any particular month shall be in accordance with the tariff set out in the Appendix.

(2) The Social Tariff 110A shall be applicable to –

- (a) households receiving Government social allowance, under the Social Register of Mauritius for Child Allowance;
- (b) socially-vulnerable households registered by the National Empowerment Foundation;
- (c) CEB domestic customers (households only) registered under Tariffs 110 and 120, excluding Small-Scale Distributed Generation owners, and having a minimum of 6 consecutive monthly consumptions subject to the following conditions –
 - (i) the average monthly consumption under the yearly assessment period shall not exceed 85 kWh;
 - (ii) the electricity consumption in any one month during the assessment period shall not exceed 120 kWh; and
 - (iii) for customers in Tariff 120 only, the customer's place of abode (residence) shall not be unoccupied. Unoccupied means consumption of 15 kWh or less for each of the last 3 consecutive months.

(3) The eligibility assessment for the Social Tariff 110A, which is reviewed during the first quarter of each calendar year, shall be based on the electricity consumption covering the period January to December of the preceding year.

(4) Every bill shall be rounded to the nearest rupee.

(5) The revised tariff set out in the Appendix shall apply for the period starting on 1 April 2020 and ending with the COVID-19 period.

(6) For the purposes of accounting, electricity bills issued in respect of consumption related to meter readings taken during the period starting on 1 April 2020 shall be calculated on a pro rata basis. For the purposes of this calculation, each day's consumption shall be deemed to be the equivalent of 1/30 of the total consumption registered on the meter since the date of the last reading.

(7) The price for Social Tariff 110A set out in the General Notice 2552 of 2015 shall be suspended during the COVID-19 period.
