NATIONAL AUDIT OFFICE

REPORT OF THE DIRECTOR OF AUDIT

TO THE COUNCIL OF

THE VILLAGE COUNCIL OF TYACK

Report on the Statement of Receipts and Payments

I have audited the statement of receipts and payments of the Village Council of Tyack for the financial year ended 30 June 2018.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the statement of receipts and payments in accordance with accounting principles generally accepted in Mauritius and in compliance with the Local Government Act, and for such internal control as management determines is necessary to enable the preparation of the statement of receipts and payments that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on the statement of receipts and payments based on my audit. I conducted my audit in accordance with International Standards of Supreme Audit Institutions. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the statement of receipts and payments is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the statement of receipts and payments. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the statement of receipts and payments. In making those risk assessments, the auditor considers internal control relevant to the Council's preparation and fair presentation of the statement of receipts and payments in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control. An audit also includes evaluating the overall presentation of the statement of receipts and payments.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a reasonable basis for my opinion.

Opinion

In my opinion, the attached statement of receipts and payments give a true and fair view of the receipts and payments of the Village Council of Tyack for the financial year ended 30 June 2018 in accordance with accounting principles generally accepted in Mauritius and in compliance with the Local Government Act.

Management is responsible for the preparation and fair presentation of the statement of receipts and payments in accordance with accounting principles generally accepted in Mauritius and in compliance with the Local Government Act, and for such internal control as management determines is necessary to enable the preparation of the statement of receipts and payments that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on the statement of receipts and payments based on my audit. I conducted my audit in accordance with International Standards of Supreme Audit Institutions. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the statement of receipts and payments is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the statement of receipts and payments. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the statement of receipts and payments. In making those risk assessments, the auditor considers internal control relevant to the Council's preparation and fair presentation of the statement of receipts and payments in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control. An audit also includes evaluating the overall presentation of the Statement of receipts and payments.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a reasonable basis for my opinion.

Opinion

In my opinion, the attached statement of receipts and payments give a true and fair view of the receipts and payments of the Village Council of Camp Diable for the financial year ended 30 June 2018 in accordance with accounting principles generally accepted in Mauritius and in compliance with the Local Government Act.

INDEPENDENT AUDITOR'S REPORT

To the Shareholders of Century Banking Corporation Ltd

Report on the audit of the Financial Statements

Disclaimer of Opinion

We were engaged to audit the consolidated financial statements of Century Banking Corporation Ltd (the Group), and the separate financial statements (the bank) on pages 40 to 121 which comprise the statements of financial position as at December 31, 2018, and the statements of profit or loss and other comprehensive income, statements of changes in equity and statements of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

We do not express an opinion on the accompanying consolidated financial statements of the Group, and the separate financial statements of the bank. Because of the significance of the matters described in the *Basis for Disclaimer of Opinion* section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

Basis for Disclaimer of Opinion

We have not been able to substantiate:

- (i) management's assumptions regarding the bank's ability to continue as a going concern and;
- (ii) subsequent events review assessment from December 31, 2018, the reporting date, up to the date of our audit report on June 26, 2020.

(i) Going concern

The bank has been in breach of the provisions of Section 20 of the Banking Act 2004 since December 31, 2017. At December 31, 2018, the bank's paid up capital net of accumulated losses amounted to MUR 193,961,568 (2017: MUR 245,653,523, 2016: MUR 267,044,486) compared to MUR 400 Million as required by Section 20 of the Banking Act 2004. In the absence of maintaining the Minimum Capital Requirements of MUR 400 Million, the bank is not in compliance with the regulatory and prudential ratios as imposed by the Bank of Mauritius. Hence, there is a material uncertainty related to events or conditions that may cast doubt on the entity's ability to continue as a going concern to meet its obligations in the next 12 months. The bank has incurred a loss of MUR 51,691,955 for the year ended December 31, 2018 and the income derived from its income-generating assets are not sufficient to cover its operating expenses. The bank's sole shareholder has confirmed that he is not willing to inject additional capital and is looking at an exit.

An expression of interest has been received from a group and its partners and associates to acquire the entire shareholding of the bank.

INDEPENDENT AUDITOR'S REPORT

To the Shareholders of Century Banking Corporation Ltd

As of the date of our audit report, we were unable to obtain sufficient appropriate audit evidence to support the assumption that the bank will be able to complete the transaction and raise the additional capital in the necessary timeframe.

We have accordingly, not been able to assess management's assumptions for the financial statements to be prepared on a going concern basis as described in note 2.

(ii) Subsequent events review

We have not been able to perform the subsequent events review as required by ISA 560, "*Subsequent Events*". As of the date of our audit report, we have not been able to obtain sufficient audit evidence relating to subsequent events for the 18-months' period from December 31, 2018, the reporting date up to the date of our audit report.

Responsibilities of Directors and Those Charged with Governance for the Financial Statements

The directors are responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards and in compliance with the requirements of the Companies Act 2001 and Banking Act 2004, and for such internal control as the directors determine is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Group and the bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Group and the bank or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group and the bank's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the consolidated financial statements of the Group and the bank's separate financial statements in accordance with International Standards on Auditing and to issue an auditor's report. However, because of the matters described in the *Basis for Disclaimer of Opinion* section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are independent of the Group and of the bank in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants (IESBA Code)* together with the ethical requirements that are relevant to our audit of the financial statements in Mauritius, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code.
