The site has an area of 295.46 square metres (7 perches) as described in a title deed registered and transcribed at volume TV 1407 No 143 on 19th May 1978 and a Memorandum of Survey drawn by Mr Kadafi Koheratte, sworn Land Surveyor on 29th March 2019 registered at Reg LS 409 No.1098. The site has a regular shape and an even topography with an approximate frontage of 12.79 metres to Dr Cure Lane and an average depth of 21.18 metres to its south eastern boundaries. The site is bounded by concrete block walls to its three sides of the plot and has an open access. All services are connected to the site. A two storey building is constructed over the site;

it is made up of reinforced concrete frames and structures, concrete block walls under reinforced concrete slab roof. The elevations at the ground floor are fitted with metal framed and glazed openings and at the first level the elevations are fitted with aluminium framed and glazed openings. The building provides an approximate gross covered area of 260.00 square metres. No internal inspection was possible. The building as at the date of inspection seems to be unoccupied.

The whole morefully described in the Memorandum of Charges filed in the above matter.

The sale is prosecuted at the request of The Mauritius Commercial Bank Ltd against Mrs. Ww. Khemawatee VISRAM, the widow of Late Kamal NILMADHUB and ORS.

All parties claiming a right to take inscription of legal mortgage upon the said property are warned that they must do so before the transcription of the judgment of adjudication failing which they shall forfeit such rights.

Under all legal reservations.

On the Financial Statements of the District Council of Moka for the year ended 30 June 2018

NATIONAL AUDIT OFFICE\_

## NATIONAL AUDIT OFFICE

# REPORT OF THE DIRECTOR OF AUDIT TO THE DISTRICT COUNCIL OF MOKA

#### Report on the Audit of the Financial Statements

## **Opinion**

I have audited the financial statements of The District Council of Moka, which comprise the statement of financial position as at 30 June 2018 and the statement of financial performance, statement of changes in net assets/equity and cash flow statement for the year then ended and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the accompanying financial statements give a true and fair view of the financial position of The District Council of Moka as at 30 June 2018, and of its financial performance and its cash flows for the year then ended in accordance with International Public Sector Accounting Standards (IPSASs).

## **Basis for Opinion**

I conducted my audit in accordance with International Standards of Supreme Audit Institutions (ISSAIs). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of The District Council of Moka in accordance with the INTOSAI Code of Ethics together with the ethical requirements that are relevant to my audit of the financial statements in Mauritius, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in my professional judgment, were of most significance in my audit of the financial statements of the current period. These matters were addressed in the context of my audit of the financial statements as a whole, and in forming my opinion thereon, and I do not provide a separate opinion on these matters. I have determined that there are no key audit matters to communicate in my report.

#### **Emphasis of Matter**

I draw attention to Note 1.2 to the financial statements concerning basis of preparation and Statement of Compliance. The District Council of Moka initiated accrual basis IPSASs on 1 July 2017 and elected to adopt the transitional exemptions in IPSAS 33, First-time Adoption of Accrual Basis IPSASs that allows it a transitional period of up to three years. As a result The District Council of Moka is not able to make an explicit statement about its full compliance with accrual basis IPSAS.

My opinion is not modified in respect of this matter.

## Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Council's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management intends to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible of overseeing the Council's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISSAIs, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of
  expressing an opinion on the effectiveness of the Council's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence, obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Council's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause The District Council of Moka to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or, when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Report on Other Legal and Regulatory Requirements

## Management's Responsibilities for Compliance

In addition to the responsibility for the preparation and presentation of the financial statements described above, management is also responsible to ensure that the Council's operations are conducted in accordance with the provisions of laws and regulations, including compliance with the provisions of laws and regulations that determine the reported amounts and disclosures in an entity's financial statements.

#### Auditor's Responsibilities

In addition to the responsibility to express an opinion on the financial statements described above, my responsibility includes reporting to the Council whether:

(a) I have obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purpose of the audit;

- (b) any loss or deficiency is wholly or partly due to the negligence or misconduct of any person;
- (c) any sum which ought to have been so brought but which, due to willful default or negligence, has not been brought into account; and
- (d) the provisions of Part V of the Public Procurement Act regarding the bidding process has been complied with.

I performed procedures, including the assessment of the risks of material non-compliance, to obtain audit evidence to discharge the above responsibilities.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

#### Local Government Act

I have obtained all information and explanations which to the best of my knowledge and belief were necessary for the purpose of my audit.

Based on my examination of the accounts of The District Council of Moka, nothing has come to my attention that indicates:

- (a) any loss or deficiency which is wholly or partly due to the negligence or misconduct of any person; and
- (b) that any sum which ought to have been brought to account has not been so brought due to willful default or negligence.

#### Other Matter

The financial statements for the financial year ended 30 June 2018 were received at my Office on 1 November 2018. Following examination of the financial statements, a few amendments had to be made. The amended financial statements were submitted on 14 July 2020.

## Public Procurement Act

In my opinion, the provisions of Part V of the Act have been complied with as far as it appears from my examination of the relevant records.

#### (v) Basis of Budget Preparation

The budget shall be approved by the Minister under Section 85 (2) (d) of the Local Government Act 2011. It may also be revised under Section 85 (3) (b) of the Act. The funding of the Budget Estimates is partly appropriated under Grant-In-Aid by the Parliament and internally generated income.

The budget for Council is prepared on an accrual basis, appropriated by Votes of Expenditure and Income.

#### (iv) Functional and Reporting Currency

The Financial statements are presented in <u>Mauritian Rupees</u>, <u>which is the functional and</u> reporting currency of the Council and all values are rounded to nearest rupee.

#### (v) Going Concern

The Financial Statements have been prepared on a going concern basis and the accounting policies have been applied consistently throughout the period.

#### (vi) Significant Accounting Judgements, Estimates and Assumptions

The preparation of the Financial Statements in conformity with IPSAS requires the Council to make certain accounting estimates and judgements that have an impact on the policies and the finance insights reported in the Financial Statements. Estimates and Judgements are continually evaluated and based on historical experiences and other factors, including expectations of future events that are believed to be reasonable at the time such estimates and judgements are made, although actual experience may vary from these estimates.

The estimates and assumptions that have a significant risk of causing adjustment to carrying amounts of assets and liabilities are discussed below:

#### a) Provisions

Provisions are measured at the management's best estimates of the potential financial obligation based on the information available at the reporting date.

NOTES TO FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 30 JUNE 2018

#### b) Useful Economic Life and Residual Values

The economic useful life and its residual value is assessed based on the nature of the asset, its susceptibility and adaptability to changes in technology and process; the environment where the asset is deployed; expert advice; financial capacity to replace the asset; and change in the market in relation to the asset.

#### c) Fair Value Estimation

Financial assets and financial liabilities recognized in the Statement of Financial Position are derived from the active market based on the market price. In the absence of an active market, the fair value is determined using valuation techniques such as discounted cash flow model. Any change in assumptions may affect the fair value of the assets and liabilities.

#### d) Factors determining Defined Benefit Obligations

The present value of the post-employment pension obligations depends on a number of factors that are determined on an actuarial basis using a number of assumptions such as discount rate, expected salary increase and mortality. Any change in these assumptions will impact on the carrying amount of pension obligations.

#### e) Change in Accounting Policies

Any effect of change in accounting policies is applied retrospectively. The effect of changes in accounting policy are applied prospectively if retrospective application is impractical.

### f) Cash Flow Statement

The Direct Method has been used as basis in the preparation of Cash Flow Statement.

#### 1.3 ADOPTION OF NEW AND REVISED IPSAS

The adoption of IPSASs has required changes to some accounting policies which have had an effect on the Financial Statements of the Council and required various disclosures.

There have been no significant changes to be made to the accounting policies previously followed by the Council except the following –

#### (iv) Defined Benefit Plan

The Council operates a defined benefit plan, administered by and invested with SICOM Ltd. The pension plan is funded by payment of contribution to the fund (The Council: 12% of gross emoluments and employee: 6% of gross emoluments) taking account of the recommendations of the Pay Research Bureau (PRB) report.

#### (v) Bank of Sick Leave

Employee entitlements to bank sick leave as defined in the PRB report are recognized as and when they accrue to employees. An accrual is made for the estimated liability for bank sick leave.

#### (vi) Unutilized Vacation Leave

Employee entitlements to vacation leave as defined in the PRB report are recognized as and when they accrue to employees. An accrual is made for the estimated liability for unutilized vacation leave.

#### 3.2 NATURE AND PURPOSE OF RESERVES

The Council creates maintains reserves in terms of specific requirements.

#### 3.2.1 General Fund

There shall be, in respect of every local authority, a General Fund

- (a) into which shall be paid -
  - (i) all revenue; and
  - such amount of grants in respect of all expenditure, both recurrent and capital, as may be appropriated by the National Assembly; and
- (b) out of which all liabilities shall be paid.

#### 3.2.2 Pension Fund

The Pension Fund is managed by the State Insurance Company of Mauritius Limited and therefore it is not included in the Statement of Changes in Net Asset.

NOTES TO FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 30 JUNE 2018

#### 3.2.3 Passage Fund

Enacted under Section 81 of the Local Government Act 2011, a Passage Fund has been created by the Council to finance the payment of passage benefit to officers in the Council.

Income derived from investment of the unutilized passage benefit payable to employees of the Council is paid into the Passage Fund.

The financial liabilities should be recognized under both current and non-current assets and any funds invested for passage obligation payments are considered as investments.

#### 3.3 EVENT AFTER THE REPORTING DATE

The Council does not have any event after the reporting date.

#### 3.4 RELATED PARTIES

Related parties are entities that <u>control or have significant influence over the reporting entity</u>. Key management personnel, Chairperson and Councilors are considered as related parties as a result of their significant influence on the reporting entity.

The Remuneration of the Chairperson and Councilors are determined by the Parent Ministry and by the Pay Research Bureau. The remuneration of key management is determined by the Pay Research Bureau.

The remuneration of Chairperson, Councilors and Key Management during the year is as follows: -

## NOTES TO FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 30 JUNE 2018

#### 3.5 FINANCIAL INSTRUMENTS

#### (a) Financial Assets

Financial assets are classified as financial assets at fair value through surplus/deficit, loans and receivables, held to maturity investments and/or available-for-sale financial assets. The Council determines the classification of its financial assets at initial recognition.

Subsequent to initial recognition financial assets are measured based on their respective classification. They are classified into four categories namely: financial assets measured at fair value through surplus or deficit, held-to-maturity investments, loans and receivables, and available-for-sale financial assets.

#### (b) Financial Liabilities

Financial liabilities are classified at fair value through surplus or deficit or loans and borrowings at its initial recognition. However, loans and borrowings are recognized at fair value plus any directly attributable costs. The Council's financial liabilities include trade and other payables.

#### 3.6 TAXES

#### (i) Tax Deduction at Source

Tax Deduction at source are remitted to Mauritius Revenue Authority (MRA) on behalf of the service provider.

#### (ii) Value Added Tax

The Council is exempted from VAT

#### 3.7 FINANCIAL RISK MANAGEMENT

The Council is exposed to various risks which are shortlisted as below

#### 3.7.1 Credit Risk

There is no credit exposure with regards to Council's Customers. The Council has devised appropriate policies in line with the Local Government Act 2011.

#### 3.7.2 Liquidity Risk

Prudent liquidity risk management implies maintaining sufficient cash, the availability of funding through an adequate amount of credit facilities. The Council has appropriate

#### NOTES TO FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 30 JUNE 2018

management policy in place to ensure that there is sufficient cash to meet its financial obligations. The Financial Management Manual (FMM) as a tool also recommend a proper, adequate and sound liquidity management.

#### 3.7.3 Operational risk Management

Operation risk management is a risk which is inherent in all organisation's activities. There is the risk for financial loss or business instability arising from failures in internal controls, operation processes of the system that supports them. Such risks are difficult to eliminate and the cost of controls in minimizing these risks may outweigh the potential benefits.

#### 3.8 OTHER DISCLOSURES

#### 3.8.1 Revocation of Market Stalls

In accordance with Section 7(B) (2) of the Market Fair Regulations GN 10 of 2018, the Council had at its meeting held on 26 July 2018 recommended the revocation of 99 market stalls situated at the four markets and which had arrears above 3 months totalling Rs 1,120,975.

The revocation of the 99 market stalls was subsequently approved by the Ministry of Local Government and Outer Islands on the 05 September 2018 in accordance with Section 57(3) of the Local Government Act 2011. The Outstanding amounts as at 30 June 2018 for the revocated market stalls are included under Rental of Market Stall fees Receivables.

#### 3.8.2 Advertising fees from Cube Design

The amount receivable of Rs 3,557,760 from Cube Design is disclosed as a note to the accounts since there is an ongoing court case lodged by the District Council of Black River against Cube Design and judgement is being awaited to determine whether such fees are payable to the Mauritius Revenue Authority or to the Local Authorities.

obligation

The plan is exposed to actuarial risks such as: investment risk, interest rate risk, longevity risk and salary risk.

15 years

The risk relating to death in service benefits is re-insured

The cost of providing the benefits is determined using the Projected Unit Method. The principal assumptions used for the purpose of the actuarial valuation were as follows:

#### **NOTES TO FINANCIAL STATEMENTS**

Retired Employee Benefit (Cont)	37
8 900 Sub	Year ended 30
	June 2018
Discount rate	6.20%
Future salary increases	4.00%
Future pension increases	3.00%
Mortality before retirement	A 6770 Ultimate Tables
Mortality in retirement	PA (90) Tables rated down by 2 years

Retirement age

As per second Schedule in the Statutory Bodies Pension Funds Act

The discount rate is determined by reference to market yields on bonds.

Significant actuarial assumptions for determination of the defined benefit obligation are discount rate, expected salary increase and mortality. The sensitivity analyses below have been determined based reasonably on possible changes of the assumptions occurring at the end of the reporting period.

- If the discount rate would be 100 basis points (one percent) higher (lower), the defined benefit obligation would decrease by Rs 32.5M (increase by Rs 40.6M) if all other assumptions were held unchanged.
- If the expected salary growth would increase (decrease) by 100 basis points, the defined benefit obligation would increase by Rs 18.3M (decrease by Rs 16.0M) if all assuptions were held unchanged.
- If life expectancy would increase (decrease) by one year, the defined benefit obligation would increase by Rs 6.6M (decrease by Rs 6.6M) if all assumptions were held unchanged. In reality one might expect interrelationships between the assumptions, especially between discount rate and expected salary increases, given that both depends to a certain extent on expected inflation rates. The analysis above abstracts from these interdependence between the assumptions.
