General Notice No. 1439 of 2020

LAND ACQUISITION ACT

(Notice given under Section 8)

CORRIGENDUM

In the Notice given under Section 8 of the Land Acquisition Act dated 24/10/2016 containing the description of a portion of land being **Portion No. 31 (Serial No. 31) [PIN:1743540738]** situate at **La Forêt** in the district of **Plaines Wilhems** for the public purpose of constructing the **Robinson-Glen Park Link Road**, published in

the Government Gazette in its issues of 29/10/2016 and 05/11/2016 under General Notices No.1530 of 2016 and No.1600 of 2016 and transcribed on 10/01/2017 in Volume **TV201701/000213**, the words and figures under the heading ‘Description’ are hereby deleted and replaced by the following:

DESCRIPTION

Portion No. 31 (Serial No. 31) [PIN:1743540738] of an extent of fifty one and thirty six hundredths square metres (**51.36 m²**) is excised from a portion of land of an extent of two arpents and sixty nine square perches (2A 69P) or one hectare and one thousand three hundred and fifty four square metres (1ha 1354 m²) belonging to **Mr Ajmal JAHAJEEAH** born on 25/08/1946 holder of a national identity card bearing number J250846291581B as evidenced by title deed transcribed in Volume **TV 1200/235** and is bounded as follows:-

Towards the North by the surplus of land on sixteen metres and eighty four centimetres (**16.84m**).

Towards the East by State Land [TV202007/002009] on two metres and seventy nine centimetres (**2.79m**).

Towards the South by a common road six metres and fifty centimetres (6.50m) wide on twelve metres and thirty centimetres (**12.30m**).

Towards the South West by Feeder Casernes on six metres and four centimetres (**6.04m**).

The whole as morefully shown on a plan drawn up by Mr T. JUGGIAH, Land Surveyor on 18/08/2020 and registered as PIN Application at the Cadastral Unit of the Ministry of Housing and Land Use Planning with reference **ACQ/75/000567**.

The plan may be inspected by the Public at the Archives Office of the Ministry of Housing and Land Use Planning, Ebene Tower, Ebène, during office hours.

Date 01/10/2020

The Honourable Louis Steven OBEEGADOO
Deputy Prime Minister
Minister of Housing and Land Use Planning
Minister of Tourism

Registrar of Companies
One Cathedral Square,
Jules Koenig Street,
Port-Louis.

*General Notice No. 1446 of 2020***NOTICE UNDER SECTION 310(1)(c) OF THE COMPANIES ACT 2001**

Notice is hereby given pursuant to section 309(1)(b) of the Companies Act 2001 that the companies listed below are to be removed from the register as there is reason to believe that these companies have ceased to carry on business and there is no other reason for these companies to continue in existence/ have failed to pay the registration fees/ have not filed the annual return as required under section 223(2) of the Act.

Objection, if any, shall be delivered to the Registrar of Companies not later than 10 November 2020.

BANK OF BARODA - MAURITIUS BRANCHES (INCLUDING OFFSHORE BANKING UNIT)

6

INDEPENDENT AUDITOR'S REPORT

To the Shareholders of Bank of Baroda - Mauritius Branches (Including offshore Banking Unit)

Report on the audit of the Financial Statements

Qualified Opinion

We have audited the financial statements of Bank of Baroda - Mauritius Branches (including offshore Banking Unit) (the "Bank"), on pages 7 to 97 which comprise the statement of financial position as at March 31, 2020, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements on pages 7 to 97 give a true and fair view of the financial position of the Bank as at March 31, 2020, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards in compliance with the requirements of the Companies Act 2001, Banking Act 2004 and Financial Reporting Act 2004.

Basis for Qualified Opinion

Other reserves include an amount of Rs.398m as at March 31, 2020 (2019: Rs.232m) representing translation reserves, for which we were unable to obtain satisfactory explanation on the existence and accuracy thereof. Corresponding monetary items on which the translation reserves movements arose could not be obtained and reconciled with the respective accounting entries to substantiate the movements in translation reserves for the year under review and preceding years. As at March 31, 2019, an amount of Rs.148m representing other assets was included in other reserves, out of which Rs.133m has been reversed through translation reserves for the year ended March 31, 2020.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Bank in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Mauritius, and we have fulfilled our other ethical responsibilities in accordance with these requirements and IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the Basis for Qualified Opinion section, we have determined the matters described below to be the key audit matters to be communicated in our report.

BDO & Co, a firm of Chartered Accountants in Mauritius, is a member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

BANK OF BARODA - MAURITIUS BRANCHES (INCLUDING OFFSHORE BANKING UNIT)

6(a)

INDEPENDENT AUDITOR'S REPORT (CONT'D)

To the Shareholders of Bank of Baroda - Mauritius Branches (Including offshore Banking Unit)

1. Loans and advances

Key Audit Matter

As at March 31, 2020, the Bank had gross loans and advances portfolio amounting to Rs.9,195m, representing 41% of the Bank's total assets. These loans are measured at amortised costs under IFRS 9, less an allowance for the expected credit loss, which amounts to Rs.671m at reporting date.

IFRS 9 requires the Bank to recognise expected credit losses (ECL) on financial instruments which involves significant judgement and estimates to be made by the Bank. The determination of ECL on loans and advances which are not credit impaired involves the highest level of management judgement, thus requiring greater audit attention. Specific areas of judgement and estimation uncertainty include:

- Identification of significant increase in credit risk (SICR), and in particular the selection of criteria to identify a SICR. These criteria are highly judgemental and can materially impact the ECL recognised for certain portfolios where the life of the facilities is greater than 12 months;
- Complexity of the ECL model involving a number of critical assumptions in the determination of probabilities of default (PD), loss given default (LGD) and Exposure at default (EAD).
- Use of forward-looking information to determine the likelihood of future losses being incurred.
- Qualitative adjustments made to model driven ECL results raised to address model limitations, emerging risks and trends in underlying portfolios which are inherently judgemental.
- Accuracy and adequacy of the financial statement disclosures.

Loans and advances are considered to be credit impaired in accordance with IFRS 9 when one or more events that have a detrimental impact on the estimated future cash flows of that financial asset have occurred. Failure to recognise adequate allowance for credit impairment can result in a potential overstatement of the loans and advances balance in the financial statements. Identification of credit-impaired facilities (i.e. those classified in Stage 3) and determination of the expected credit losses thereon involves significant judgement, estimates and assumptions regarding (i) determination of whether a facility is credit impaired and (ii) in estimating the forecasted cash flows the Bank expects to receive from the obligors. This includes an estimate of what the Bank can realise from the collaterals it holds as security on the impaired facilities.

Given the inherent risk associated and the nature of the business and size of the loans and advances, we deemed the valuation of loans and advances as well as the expected credit loss allowance a key audit matter.

Related Disclosures

Refer to note 7 and note 2.3 (accounting policies) and note 3(b), 3(c) (financial risks) of the accompanying financial statements.

BANK OF BARODA - MAURITIUS BRANCHES (INCLUDING OFFSHORE BANKING UNIT)

6(b)

INDEPENDENT AUDITOR'S REPORT (CONT'D)

To the Shareholders of Bank of Baroda - Mauritius Branches (Including offshore Banking Unit)

1. Loans and advances (cont'd)

Audit Response

We assessed and tested the design and operating effectiveness of key controls over loans and advances as well as the estimated expected credit loss allowance associated with non-performing accounts (NPA). In relation to impairment, careful audit consideration was given to specific impairment calculations and collateral valuation. For stage 1 and stage 2 loans, we assessed the appropriateness of the model used including the inputs and assumptions by performing the following procedures:

- Reviewing the methodology adopted by the Bank for calculation of ECL and the segmentation of loans in appropriate portfolios reflecting different risk factors. Our review also included an assessment of the design of the models used for determination of PD, LGD and EAD for different types of loans including inter-alia term loans, overdraft facilities, guarantees and other off-balance sheet exposures.
- Assessed the adequacy and quality of the data used for the calculation of PD, LGD and EAD;
- Reviewed the criteria for staging of credit exposures and ensure these are in line with the requirements of IFRS 9 including any backstops used in the methodology;
- Reviewed the minutes of Asset and Liability Management Committee and ensure proper classification to Stage 2 is made for all clients on watchlist;
- Tested the accuracy and completeness of the ECL model by reperformance;
- Assessed the adequacy and appropriateness of disclosures for compliance with the accounting standards.

For stage 3 loans, we have tested the list of all credit impaired loans identified by management by performing the following procedures

- We obtained and tested loan arrears reports and ensured all that arrears exceeding 90 days past due were included in the NPA category for specific impairment assessment;
- We reviewed and challenged management in respect of the extent of provision made on impairment accounts and ensured impairment allowance booked was in accordance with IFRS and the guidelines of the Bank of Mauritius.

2. Financial Reporting close process and opening balances

Key Audit Matter

We were appointed auditors on February 12, 2020. We have not been able to perform review of previous auditor's file in line with ISA 510, Initial Audit Engagements - Opening balances. Opening balances are significant and dependent on nature of events in prior years. We performed substantive audit procedures to ensure the opening balances are fairly stated. We came across several differences in opening balances which did not reconcile to the audited accounts and we were not able to validate completeness and accuracy of opening balances and to satisfy ourselves by alternative means as provided by management. We were unable to determine whether any other adjustments, other than those put through during the year under review, might have been necessary in respect of reported opening balances or corresponding presentation in notes to the financial statements. The Bank did not have a proper organisational structure in place for the finance department, resulting in the absence of effective internal control and four eyes principle, and poor communication to those charged with governance in the closure of books at reporting date.

BANK OF BARODA - MAURITIUS BRANCHES (INCLUDING OFFSHORE BANKING UNIT)

6(c)

INDEPENDENT AUDITOR'S REPORT (CONT'D)

To the Shareholders of Bank of Baroda - Mauritius Branches (Including offshore Banking Unit)

2. Financial Reporting close process and opening balances (cont'd)

Audit Response

Several audit adjustments have been put through in the financial statements for year ended March 31, 2020 as well as restatement of prior year figures. We discussed with management and requested representation of same.

Other information

The Directors are responsible for the other information. The other information comprises the information included in the Management Discussion Analysis Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Corporate Governance Report

Our responsibility under the Financial Reporting Act is to report on the compliance with the Code of Corporate Governance disclosed in the annual report and assess the explanations given for non-compliance with any requirement of the Code. From our assessment of the disclosures made on corporate governance in the annual report, the public interest entity has, pursuant to section 75 of the Financial Reporting Act, complied with the requirements of the Code.

Responsibilities of Directors and Those Charged with Governance for the Financial Statements

The directors are responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards and in compliance with the requirements of the Companies Act 2000, Banking Act 2004 and Financial Reporting Act 2004, and for such internal control as the directors determine is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Bank or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Bank's financial reporting process.

6(d)

INDEPENDENT AUDITOR'S REPORT (CONT'D)

To the Shareholders of Bank of Baroda - Mauritius Branches (Including offshore Banking Unit)

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Bank's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Directors.
- Conclude on the appropriateness of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

INDEPENDENT AUDITOR'S REPORT (CONT'D)

To the Shareholders of Bank of Baroda - Mauritius Branches (Including offshore Banking Unit)

Report on Other Legal and Regulatory Requirements*Companies Act 2001*

We have no relationship with, or interests in, the Bank, other than in our capacity as auditors and dealings in the ordinary course of business.

We have obtained all information and explanations we have required except for the matters described in the *Basis for Qualified Opinion* section of our report.

In our opinion, proper accounting records have been kept by the Bank as far as it appears from our examination of those records except for the matters described in the *Basis for Qualified Opinion* section of our report.

Banking Act 2004

In our opinion, the financial statements have been prepared on a basis consistent with the preceding years and are complete and fair and comply with the Banking Act 2004 and the regulations and guidelines of the Bank of Mauritius except for matters described in the *Basis for Qualified Opinion* section of our report.

The explanations or information called for or given to us by the officers or agents of the Bank were satisfactory except for the matters described in the *Basis for Qualified Opinion* section of our report.

Other Matter

This report is made solely to the shareholders of Bank of Baroda - Mauritius Branches (including offshore Banking Unit) (the "Bank"), as a body, in accordance with Section 205 of the Companies Act 2001. Our audit work has been undertaken so that we might state to the Bank's shareholders those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Bank and the Bank's shareholders as a body, for our audit work, for this report, or for the opinions we have formed.

Independent Auditor's Report

To the Shareholder of
SPICE Finance Ltd

Report on the Summary Financial Statements

Our Opinion

In our opinion, the accompanying summary financial statements of SPICE Finance Ltd (the "Company") are consistent, in all material respects, with the audited financial statements, on the basis described in note 1.

The summary financial statements

The Company's summary financial statements derived from the audited financial statements for the year ended June 30, 2020 comprise:

- the summary statement of financial position as at June 30, 2020;
- the summary statement of comprehensive income for the year then ended;
- the summary statement of changes in equity for the year then ended;
- the summary statement of cash flows for the year then ended; and
- the related notes to the summary financial statements.

The summary financial statements do not contain all the disclosures required by International Financial Reporting Standards. Reading the summary financial statements and the auditor's report thereon, therefore, is not a substitute for reading the audited financial statements and the auditor's report thereon.

The audited financial statements and our audit report thereon

We expressed an unmodified audit opinion on the audited financial statements in our report dated October 01, 2020. That report also includes the communication of key audit matters. Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the audited financial statements of the current period.

Responsibilities of the directors for the summary financial statements

The directors are responsible for the preparation of the summary financial statements on the basis described in note 1.

Auditor's Responsibility for the summary financial statements

Our responsibility is to express an opinion on whether the summary financial statements are consistent, in all material respects, with the audited financial statements based on our procedures, which were conducted in accordance with International Standard on Auditing 810 (Revised), 'Engagements to Report on Summary Financial Statements'.

Other matter

This report, including the opinion, has been prepared for and only for the Company's shareholder in accordance with Section 34(6)(b)(ii) of the Mauritian Banking Act 2004 and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Independent Auditor's Report to the Shareholders of MauBank Ltd

Report on the audit of the consolidated and separate financial statements

Opinion

We have audited the consolidated and separate financial statements of **MauBank Ltd** (the "Bank" or the "Public Interest Entity") and its subsidiary (collectively the "Group") set out on pages 29 to 143, which comprise the consolidated and separate statements of financial position as at 30 June 2020, and the consolidated and separate statements of profit or loss and other comprehensive income, consolidated and separate statements of changes in equity and consolidated and separate statements of cash flows for the year then ended, and notes to the consolidated and separate financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated and separate financial statements give a true and fair view of the financial position of the Group and the Bank as at 30 June 2020, and of their consolidated and separate financial performance and consolidated and separate cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs), and comply with the requirements of the Mauritius Companies Act 2001 and the Financial Reporting Act 2004.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for Audit of the consolidated and separate financial Statements section of our report. We are independent of the Group and the Bank in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters, in our professional judgement, were of most significance in our audit of the consolidated and separate financial statements of the current period. These matters were addressed in the context of our audit of the consolidated and separate financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. The key audit matters noted below relate to the consolidated and separate financial statements.

Key audit matter	How our audit addressed the key audit matter
Provision for expected credit losses	
<p>Management determines the allowances for Expected Credit Losses ('ECL') on financial instruments as required under IFRS 9 and has made significant judgement and estimates. The key areas where we identified greater levels of management judgements and estimates and therefore increased levels of audit focus in the implementation of IFRS 9 are:</p> <ul style="list-style-type: none">• Model estimations – Statistical modelling is used to estimate ECLs which involves determining Probabilities of Default ('PD'), Loss Given Default ('LGD'), and Exposures at Default ('EAD'). The PD and LGD models used in the loans portfolios are the key drivers of the ECL results and are therefore the most significant areas of judgements and estimates used in the ECL modelling approach.• Macro-Economic Forecasts – IFRS 9 requires to measure ECLs on a forward-looking basis using the most appropriate macro- economic forecasts. The macro-economic forecasts are estimates of future economic conditions.• Qualitative adjustments – Adjustments to the model-driven ECL results are raised by management to address known impairment model limitations or emerging trends. Such adjustments are inherently uncertain and significant management judgement is involved in estimating these amounts. <p>The effect of these matters is that, as part of our risk assessment, we determined that the ECL on loans and advances to customers has a high degree of estimation uncertainty. The credit risk section of the financial statements disclose the sensitivities estimated by the Bank. Also refer note 4 of the financial statements.</p>	<p>Our procedures included the following amongst others:</p> <ul style="list-style-type: none">• Evaluating the appropriateness of the impairment methodologies applied by the Bank under the requirements of IFRS 9;• Testing the design and operating effectiveness of the key controls over the completeness and accuracy of the key inputs and assumptions into the IFRS 9 impairment models;• Using specialist team for assessing:<ul style="list-style-type: none">a) the appropriateness of the macro- economic forecasts used;b) the appropriateness of PD, LGD and EAD used in the ECL calculation;c) the reasonableness of the model predictions by comparing them against actual results;d) key data sources and assumptions including economic forecasts, PD, LGD assumptions and qualitative adjustments impacting ECL calculations;e) the completeness and accuracy of data used for ECL calculation through sample testing; <p>We found the judgments and assumptions used in determining the expected credit loss to be reasonable and appropriate.</p>

Independent Auditor's Report to the Shareholders of MauBank Ltd

The Mauritius Companies Act 2001

In accordance with the requirements of the Mauritius Companies Act 2001, we report as follows:

- we have no relationship with, or interest in, the Bank and its subsidiaries other than in our capacity as auditor;
- we have obtained all information and explanations that we have required; and
- in our opinion, proper accounting records have been kept by the Bank as far as appears from our examination of those records.

The Banking Act 2004

- In our opinion, the consolidated and separate financial statements have been prepared on a basis consistent with that of the preceding year and are complete, fair and properly drawn up and comply with the provisions of the Banking Act 2004 and the regulations and guidelines issued by Bank of Mauritius in relation to banks; and
- the explanations or information called for or given to us by the officers or agents of the Bank were satisfactory.

Other information

The directors are responsible for the other information. The other information comprises the Corporate Information, Directors' Report, Statement of Management's Responsibility for Financial Reporting, Report from the Secretary, Management Discussion and Analysis and Administrative Information, which we obtained prior to the date of this auditor's report. The other information does not include the consolidated and separate financial statements and our auditor's report thereon.

Our opinion on the consolidated and separate financial statements does not cover the other information and we do not express any form of assurance or conclusion thereon.

In connection with our audit of the consolidated and separate financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated and separate financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Corporate Governance Report

Our responsibility under the Financial Reporting Act is to report on the compliance with the Code of Corporate Governance disclosed in the annual report and assess the explanations given for non-compliance with any requirement of the Code. From our assessment of the disclosures made on corporate governance in the annual report, the Public Interest Entity has, pursuant to section 75 of the Financial Reporting Act 2004, complied with the requirements of the Code.

Responsibilities of directors for the consolidated and separate financial statements

The directors are responsible for the preparation and fair presentation of the consolidated and separate financial statements in accordance with International Financial Reporting Standards, and in compliance with the requirements of the Mauritius Companies Act 2001, the Banking Act 2004, and the Financial Reporting Act 2004 and they are also responsible for such internal control as the directors determine is necessary to enable the preparation of consolidated and separate financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated and separate financial statements, the directors are responsible for assessing the Group's and the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Group and the Bank or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for overseeing the Group's and the Bank's financial reporting process.

Auditor's responsibilities for the audit of the consolidated and separate financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated and separate financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated and separate financial statements.

Le partenaire de votre progrès!

Independent Auditor's Report to the Shareholders of MauBank Ltd

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated and separate financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's and the Bank's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's and the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated and separate financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated and separate financial statements, including the disclosures, and whether the consolidated and separate financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated and separate financial statements of the current period and are therefore the key audit matters. We describe those matters in our auditor's report unless laws or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

This report is made solely to the Bank's shareholders, as a body, in accordance with section 205 of the Mauritius Companies Act 2001. Our audit work has been undertaken so that we might state to the Bank's shareholders those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Bank and the Bank's shareholders as a body, for our audit work, for this report, or for the opinions we have formed.

**REPORT OF THE
DIRECTOR OF AUDIT**

**On the Financial Statements
of the District Council of Black River
for the year ended 30 June 2018**

NATIONAL AUDIT OFFICE

NATIONAL AUDIT OFFICE

REPORT OF THE DIRECTOR OF AUDIT

TO THE DISTRICT COUNCIL OF BLACK RIVER

Report on the Audit of the Financial Statements

Opinion

I have audited the financial statements of The District Council of Black River, which comprise the statement of financial position as at 30 June 2018 and the statement financial performance, statement of cash flow, statement of changes in net assets/equity and the statement of comparison of budget and actual amount, for the year then ended and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the accompanying financial statements give a true and fair view of the financial position of The District Council of Black River as at 30 June 2018, and of its financial performance and its cash flows for the year then ended in accordance with International Public Sector Accounting Standards (IPSASs).

Basis for Opinion

I conducted my audit in accordance with International Standards of Supreme Audit Institutions (ISSAIs). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of The District Council of Black River in accordance with the INTOSAI Code of Ethics together with the ethical requirements that are relevant to my audit of the financial statements in Mauritius, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, were of most significance in my audit of the financial statements of the current period. These matters were addressed in the context of my audit of the financial statements as a whole, and in forming my opinion thereon, and I do not provide a separate opinion on these matters.

I have determined that there are no key audit matters to communicate in my report.

Emphasis of Matter

I draw attention to Note 2 to the financial statements concerning basis of preparation and statement of compliance. The District Council of Black River initiated accrual basis IPSASs on 1 July 2017 and elected to adopt the transitional exemptions in IPSAS 33, First-time Adoption of Accrual Basis IPSASs that allows it a transitional period of up to three years. As a result, the District Council of Black River is not able to made an explicit statement about its full compliance with accrual basis IPSAS.

My opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Council's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management intends to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible of overseeing the Council's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISSAIs, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence, obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Council's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause The District Council of Black River to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or, when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Management's Responsibilities for Compliance

In addition to the responsibility for the preparation and presentation of the financial statements described above, management is also responsible to ensure that the Council's operations are conducted in accordance with the provisions of laws and regulations, including compliance with the provisions of laws and regulations that determine the reported amounts and disclosures in an entity's financial statements.

Auditor's Responsibilities

In addition to the responsibility to express an opinion on the financial statements described above, my responsibility includes reporting to the Council whether:

- a) I have obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purpose of the audit;
- b) any loss or deficiency is wholly or partly due to the negligence or misconduct of any person;

- c) any sum which ought to have been so brought but which , due to willful default or negligence, has not been brought into account; and
- d) the provisions of Part V of the Public Procurement Act regarding the bidding process has been complied with.

I performed procedures, including the assessment of the risks of material non-compliance, to obtain audit evidence to discharge the above responsibilities.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Local Government Act

I have obtained all information and explanations which to the best of my knowledge and belief were necessary for the purpose of my audit.

Based on my examination of the accounts of The District Council of Black River, nothing has come to my attention that indicates:

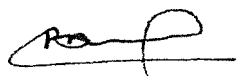

- (a) any loss or deficiency which is wholly or partly due to the negligence or misconduct of any person; and
- (b) that any sum which ought to have been brought to account, has not been so brought due to willful default or negligence.

Other Matter

The financial statements for the financial year ended 30 June 2018 were received at my Office on 30 October 2018. Following examination of these financial statements, amendments had to be made. The amended financial statements, approved by the Council on 16 July 2020, were submitted to my Office on 30 July 2020.

Public Procurement Act

In my opinion, the provisions of Part V of the Act have been complied with as far as it appears from my examination of the relevant records.

THE DISTRICT COUNCIL OF BLACK RIVER
NOTES TO THE FINANCIAL STATEMENTS -30 JUNE 2018

1. REPORTING ENTITY

The District Council of Black River is a corporate body established under the Local Government Act 2011, Part II Section 3 and 7. The place of management is at Geoffroy Road, Black River. The Council's principal activities are the provision of sound public infrastructure and its maintenance, household waste collection, licensing of business activities, issuing of development permit and the promotion of sport, leisure and welfare activities.

2. BASIS OF PREPARATION

(a) Statement of Compliance

The Financial Statements of the District Council of Black River have been prepared in compliance with Section 132 and 133 of the Local Government Act 2011 and has adopted the International Public Sector Accounting Standards (IPSAS) for the first time and elected to adopt the three years transitional period.

The following standards have been adopted by the Council for this financial year:

- IPSAS 1 - Presentation of Financial Statements
- IPSAS 2 - Cash Flow Statements
- IPSAS 3 - Accounting Policies, Changes in Accounting Estimates and Errors
- IPSAS 9 - Revenue from Exchange Transactions
- IPSAS 12 - Inventories
- IPSAS 13 - Leases
- IPSAS 14 - Events after Reporting Date
- IPSAS 17 - Property, Plant and Equipment
- IPSAS 19 - Provisions Contingent Liabilities and Contingent Assets
- IPSAS 20 - Related Party Disclosures
- IPSAS 21 - Impairment of Non-Cash-Generating Assets
- IPSAS 23 - Revenue from Non-Exchange Transactions (Taxes and Transfers)
- IPSAS 24 - Presentation of Budget Information in Financial Statements

**THE DISTRICT COUNCIL OF BLACK RIVER
NOTES TO THE FINANCIAL STATEMENTS -30 JUNE 2018**

IPSAS 25 - Employee Benefits

IPSAS 31 - Intangible Assets

IPSAS 33 - First Time Adoption of Accrual Basis IPSAS's

IPSAS 39 - Employee Benefits

(b) Basis of measurement and Functional and presentation currency and comparative information.

The Financial Statements are presented in Mauritian Rupees and all values are rounded to the nearest rupee. The accounting policies have been applied as from this year. The Financial Statements have been prepared under the historical cost convention, unless stated otherwise. The Cash Flow Statement is prepared using the direct method and the Financial Statements are prepared on the accruals basis. Comparative figures for the previous period are according to GAAP.

Presentation of Financial Statement

The Financial Statement Comprises of the following:

- Statement of Financial Position
- Statement of Financial Performance
- Statement of Cash Flows
- Statement of Changes in Net Assets/Equity
- Statement of Comparison of Budget and Actual Amounts
- Opening Statement of Financial Position
- Notes to the Financial Statements

3. APPLICATION OF NEW AND REVISED INTERNATIONAL PUBLIC SECTOR ACCOUNTING STANDARDS (IPSAS)

(a) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the District Council and the revenue can be reliably measured, regardless of when the payment is received.

The general policy of the Council is to recognize revenue on an accrual basis with the substance of the relevant agreement. Revenue is recognized as deferred income when there is a related condition attached that would give rise to a liability to repay the amount.

Financial reporting of revenue arising from exchange transactions when one entity receives asset or services, or has liabilities exchanged, and directly gives approximately equal value in the form of cash, goods, services or use of assets to another entity in exchange. Non-exchange transactions are those transactions where there are no exchange of approximate direct benefits or value between receiving and giving entities.

Revenue from Exchange Transactions

- (i) Bus toll fee
Bus toll fee is payable by every bus owner using the traffic centers and the fee is accounted for as income on an accrual basis. It is payable to Council one month in advance.
- (ii) Rental income
Rent income arising from operating leases on investment properties is accounted for on a straight-line basis over the lease terms and is included in revenue in the statement of profit or loss due to its operating nature.
- (iii) Building Ordinance fee
Building and land use permit fee is recognized on the actual basis, that is the amount actually received and/or collected and development permit actually issued.
- (iv) Interest Income
Interest income is accrued using a time proportion basis based in accordance of the relevant agreement and prevailing rate of interest. Interest income generated from investment of the Passage Fund is not accounted in the financial statements in compliance with Section 81 (5) (b) of the Local Government Act 2011.
- (v) Burial and Incineration fees
Burial and incinerator fees are recognized on the actual basis that is the amount actually received and / or collected and service actually provided.
- (vi) Other Income
School fee, loss BLP fee and loss trade license fees are accounted for as income on an accrual basis unless collectability is in doubt and cannot be recognized when it is uncertain that future economic benefit will flow to the Council, and the fair value of the asset can be measured reliably.

THE DISTRICT COUNCIL OF BLACK RIVER
NOTES TO THE FINANCIAL STATEMENTS -30 JUNE 2018

Revenue from Non-Exchange Transactions**(i) Trade fee**

Trade fee is payable whenever an economic operator or any person carries out a classified trade as stipulated by the Local Government Act 2011 Section 122 (2). It is an offence to carry out such trade without the payment of the appropriate fees. However, there is a high risk that a trader failed to complete the procedure for cessation of business and thus the probability of receiving payment of trade fee is remote

Thus, revenue from non-exchange transaction, trade fee, is recognized when the income is measure at fair value, is reliable and collectible. As the collectability of trade fee receivable is not reasonably assured, trade fee receivable and received is recognized on the cash basis.

(ii) Advertising fee

Advertising fees are accounted for as income on an accrual basis unless collectability is in doubt and cannot be recognized when it is uncertain that future economic benefit will flow to the Council, and the fair value of the asset can be measured reliably.

(iii) Government Capital grants

Government grant is not recognized until there is reasonable assurance that the Council will comply with the conditions attached to them and that the grants will be received. A liability is recognized in respect of the condition attached to the grant and related revenue recognized in the period the condition is satisfied.

(iv) Government grant-in-aid

Grant in aid that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the Council with no future related costs are recognized in the statement of financial performance in the period in which they become receivable.

(v) Transfer from other government entities

Revenue from non-exchange transactions with other government entities are measured at fair value and recognized on obtaining control of the asset (cash, goods, services and property) if the transfer is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the Council and can be measured reliably

(b) Taxes

Current income tax is not charged on the revenue of the Council and therefore local authorities are exempted from taxes on revenue.

THE DISTRICT COUNCIL OF BLACK RIVER
NOTES TO THE FINANCIAL STATEMENTS -30 JUNE 2018

Value added Tax

Value added tax paid on the procurement of asset, goods and services is not recoverable from the tax authority and therefore the tax paid is recognized as part of the cost of acquisition of the asset and expenses.

(c) Investment Property

Investment property is land or buildings held to earn rentals rather than use in the production of services or for administrative purpose. Investment property is measured initially at its fair value at the date of acquisition or cost including transaction cost. It is recognized as an asset when it is likely that future economic benefits or service potential that are associated with the investment will flow to the Council and the cost or fair value of the investment property can be measured reliably.

The Council does not have such type of investment property.

(d) Property, Plant and Equipment

An item of Property, Plant and Equipment is recognized as an asset when it is probable that future economic benefits will flow for the Council and the cost or fair value of the asset can be measured reliably.

The Council has adopted IPSAS for the first time and elected to adopt the three year transitional period and will recognize all its Property, Plant and Equipment over the three years. For the financial year 2017-2018, the Council has recognized Computer & IT Equipment and Motor Vehicles at fair value less depreciation.

Other classes of assets have been shown at cost and no depreciation have been charged in this financial year. In the financial year 2018-2019 we have recognized Public Infrastructures at fair value less depreciation. Land and Building has also been accounted for separately. Part of the land owned by the Council has also been shown at fair value.

The Council plans to recognize the remaining class of assets by the end of the transitional period.

(i). Land is maintained at cost and is not depreciated.

Land acquired by Council is valued at cost of acquisition and it is not depreciated.

Land transferred by land and real estate promoters to the Council are in principle transferred to the Council at the token amount of MUR 1 per plot and the deed of sale clearly stipulates the condition that the land shall be used only for the purpose for which it has been vested to the Council under the Morcellement Act. Land transferred is capitalized as fixed asset at the date the transfer took place and it is valued at fair value.

(ii). Annual rates of Depreciation

The annual rates are used in the calculation of depreciation using the straight-line method.

Motor Vehicles	10%
Computer and IT Equipment	25%

(iii). Intangible Assets

Intangible assets are recognized if it is probable that future benefits or services potential that are attributable to the asset will flow to the Council, and the cost or fair value of the asset can be measured reliably. Internally generated intangible assets are not recognized. An intangible item that does not meet both the recognition and definition criteria is expense in statement of financial performance when incurred.

Following the initial recognition as an intangible asset it is accounted for using the cost model less any accumulated depreciation and impairment losses. The economic useful life of an intangible asset is assessed as finite or infinite.

Application software is classified as an intangible asset while operating software is recognized as property, plant and equipment as it cannot be separated from the latter. The cost of intangible is amortized over its useful economic life. Impairment test is carried out whenever there is indication that the asset may be impaired.

(e) Financial Instruments**FINANCIAL ASSETS**

Financial assets are classified as financial assets at fair value through surplus/deficit, loans and receivables, held to maturity investments and/or available-for-sale financial assets. Council determines the classification of its financial assets at initial recognition.

Financial assets are recognized on the date that Council is committed to purchase or sell the asset and/or date on which the assets are transferred or delivered. Council financial assets include: cash and cash equivalent; term deposits; trade and other receivables; loans and other receivable; and inventories.

Subsequent to initial recognition financial assets are measured based on their respective classification. They are classified into four categories namely: financial assets measured at fair value through surplus or deficit, held-to-maturity investments, loans and receivables, and available-for-sale financial assets.

Our investments comprise of fixed deposits held with different institutions for a period of less than one year at a fixed rate. The interest is payable upon maturity, but the Council recognized the interest on an accrual basis.

(f) Inventories

Inventories are measured at cost upon initial recognition. Inventory received free or at nominal cost in a non-exchange transaction is recognized at fair value at the date of acquisition.

- Raw materials are accounted at purchase cost using the weighted average cost method.
- Work-in-progress and finished goods are accounted at cost of direct materials plus labour cost and a proportion of overheads based on the normal operating capacity, but excluding borrowing cost.

After initial recognition, inventory is measured at the lower of cost and net realizable value. However, to the extent that a class of inventory is distributed or deployed at no charge or for nominal charge, that class of inventory is measured at the lower of cost and current replacement cost. Net realizable value is the estimated selling price or the market price less the estimated costs of completion of the sale, exchange or distribution.

Inventories are stated at weighted average value or weighted average price of lots of items where balance of the lot is greater than zero. Value for the item of stock is the cost charged by supplier. The Council practices the first in first out basis (FIFO) for the issue of stock items. Inventories are recognized as an expense when issued for utilization and consumption in the provision of services and administration of the Council.

(g) Cash and Cash Equivalents

Cash and cash equivalents comprise cash at bank net of overdraft, cash in hand, short term deposits with a financial institutions and highly liquid investment with a maturity period of not exceeding three months which is readily convertible into cash and is not subject to significant risk of change in value. Cash equivalents are short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to insignificant risk of change in value.

(h) Trade and Other Payables

Trade and other payables are stated at their nominal value. All known trade payables are recognized at its cost. They are classified as current liabilities if payment is due within one year. Otherwise, they are presented as non-current liabilities.

(i) Provisions

Provisions are recognized when the District Council has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefit or service potential will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the balance sheet date, taking into account the risks and uncertainties required to settle the present obligation. When the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

**THE DISTRICT COUNCIL OF BLACK RIVER
NOTES TO THE FINANCIAL STATEMENTS -30 JUNE 2018**

The expense relating to any provision is presented in the statement of financial performance net of any reimbursement, for example under an insurance contract.

(j) Contingent liabilities

The Council does not recognize a contingent liability, but discloses details of any contingencies in the notes to the financial statements, unless the possibility of an outflow of resources is remote.

(k) Contingent Assets

The Council does not recognize a contingent Asset, but discloses details of any possible asset whose existence is contingent on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of Council in the notes to the financial statements.

(l) Retirement Benefit Costs**(i) State Plan**

The Council contributes 6 % of the gross emoluments of part-time employees and employees who are not on a permanent and pensionable establishment to the National Pension Fund.

The Council also contributes 2.5% of the gross emoluments of all employees to the National Savings Fund.

The above contributions are charged to statement of profit or loss in the year they are due.

(ii) Defined Contribution Plan

Defined contribution plans are post-employment benefit plans under which the District Council pays fixed contributions (12% of gross emoluments) into another entity, the State Investment Company of Mauritius Limited ("SICOM Ltd"), for new full-time employees who joined the Local Authorities from 1 January 2013 onwards. The district council has no further payment obligations once the contributions have been paid. These contributions are charged to statement of profit or loss in the year they are due.

(iii) Retirement Pension To Retirees Before 1 July 2008

The Council pays retirement pension to those employees who retired before 1 July 2008.

The obligation has been calculated by independent actuaries from SICOM Ltd and the accounting policy is as per the defined benefit plan.

(iv) Compassionate Allowance

THE DISTRICT COUNCIL OF BLACK RIVER
NOTES TO THE FINANCIAL STATEMENTS -30 JUNE 2018

In accordance with the Local Authority Employees (Allowance) Regulations 1964 (GN 159 of 1964) the Council also pays Compassionate Allowance to part time employees who have been in service for more than 5 years on their retirement. This has been computed based on the number of year of services up to the year end, average annual wage for the last 5 years.

(v) Defined Benefit Plan

The Council operates a defined benefit plan, administered by and invested with SICOM Ltd. The pension plan is funded by payment of contribution to the fund (Council: 12% of gross emoluments and employee: 6% of gross emoluments) taking account of the recommendations of the Pay Research Bureau (PRB) report.

Defined benefit plans are post-employment benefit pension plans other than defined contribution plans. Defined benefit plans typically define the amount of benefit that an employee will receive on or after retirement, dependent on factors such as years of service and compensation.

The liability recognised in the balance sheet in respect of a defined benefit pension plan is the present value of the defined benefit obligation at the reporting date less the fair value of plan assets, together with adjustments for unrecognised past-service costs. The defined benefit obligation has been calculated by independent actuaries from SICOM Ltd using the projected unit credit method. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using market yields on bonds.

Actuarial gains and losses arising from changes in actuarial assumptions are charged or credited to equity in other comprehensive income in the period when they arise.

Past service costs are recognized immediately in profit or loss.

(vi) Sick Leave

Employee entitlements to bank sick leave as defined in the PRB report are recognized as and when they accrue to employees. An accrual is made for the estimated liability for bank sick leave.

The employees are allowed to accumulate sick leaves not taken at the end of each calendar year, up to a maximum of 110 days and this is recorded as bank sick leave balance for the financial year and is recognized as Long term Payables under Non-current Liabilities.

Where it is foreseen that an employee would retire within the next financial year, the total amount of sick leave so payable is transferred to Current Liabilities.

**THE DISTRICT COUNCIL OF BLACK RIVER
NOTES TO THE FINANCIAL STATEMENTS -30 JUNE 2018**

Once the maximum of 110 days is reached, employees are entitled to encash up to 16 unutilised days of sick leave annual entitlement at the end of every calendar year and this is expensed to the Statement of Financial Performance when payment is effected. This estimated amount of sick leave is also transferred to current liabilities.

(vii) Unutilized Vacation Leave

Employee entitlements to vacation leave as defined in the PRB report are recognized as and when they accrue to employees. An accrual is made for the estimated liability for unutilized vacation leave.

(viii) Passage Benefits

Passage benefits for each employee are valued at the end of each financial year and are included as a short-term liability under Current Liability, as this represents any forthcoming payments in the next financial year.

(m) Nature and Purpose of Reserves

The Council creates and maintains reserves in terms of specific requirements.

Pension Fund

In accordance with IPSAS 39, full provision has been made for pension liability for the year 2017-2018.

Enacted under section 81 of the Local Government Act 2011, a pension fund has been created by Council whereby a monthly contribution, in line with the Pay Research Bureau recommendation, is paid in and retirement benefit is paid out of it to retired employees of the Council. These include payment of retirement benefits to employees transferred from another local authority, public service, statutory body or from any other institution. Every year an actuarial investigation is carried out to determine the pension liability and adjustment is made accordingly to the surplus or deficit in the statement of financial performance and statement of financial position.

The pension fund is managed by SICOM and therefore it does not include in the statement of change in net asset.

Passage Fund

Enacted under Section 81 of the Local Government Act 2011, a passage fund has been created by the Council to finance the payment of passage benefit to officers transferred from other Local Authorities, from the public service, from a statutory body or from any other institution.

THE DISTRICT COUNCIL OF BLACK RIVER
NOTES TO THE FINANCIAL STATEMENTS -30 JUNE 2018

(n) Related Parties

Related parties are entities that control or have significant influence over the reporting entity and parties that controlled or significantly influenced by the reporting entity. Members of key management, members of executive committee, members of permit and business monitoring committee, district councilors, members of procurement committee and the parent ministry.

The village Councils are managed and significantly influenced by its Chairperson, Vice-Chairperson and District Councillors given that they are separate legal entities as per local Government Act 2011 and the District Council is responsible for over viewing the administration. The village council funds are managed by the Chief Executive and Financial Controller of the District Council. The Council has no significant influence over the decision-making process of the village councils. The expenditure of village councils is disclosed under grant and subsidies in one line.

(o) Budget Information

Budget information of local authorities are required to be made readily available for public inspection under section 85(e) of the Local Government Act 2011.

The annual budget is prepared on the accruals basis whereby all estimated expenditure and income and presented in a performance based budget format. After its approval by the Council, the budget estimates is submitted to the parent ministry for its approval as per with section 85 of the Local Government Act 2011. The budget is then approved after the Local Government Governance Unit having carried out adjustment to the original budgetary provisions.

During the financial year Council carried out monthly budget monitoring exercise to identify the need for any additional funding and a final revised budget estimates is submitted with expected expenditure and revenue for the ministerial approval.

Any difference between revised and actual expenditure and income is provided in the notes to the financial statements. The explanation gives the reasons for overall growth or decline in the budget and detail information of overspending and/or underspending on line items.

2 Critical Accounting Estimates, Assumption and Judgements in Applying Accounting Policies and Estimates

The preparation of the financial statements in conformity with IPSAS requires the District Council to make certain accounting estimates and judgements that have an impact on the policies and the amounts reported in the financial statements. Estimates and judgements are continually evaluated and based on historical experiences and other factors, including expectations of future events that are believed to be reasonable at the time such estimates and judgements are made, although actual experience may vary from these estimates.

The estimates and assumptions that have a significant risk of causing adjustment to carrying amounts of assets and liabilities are discussed below:

(i) Provisions

Provisions are measured at the management's best estimation of the potential financial obligation based on the information available at the reporting date.

(ii) Provision for Bad Debts

Provision is made when there is objective evidence that the District Council will not be able to collect certain debts. This is made based on detailed analysis and historical experience.

(iii) Useful Economic Life and Residual Values

The economic useful life and its residual value is assessed based on the nature of the asset, its susceptibility and adaptability to changes in technology and process; the environment where the asset is deployed; expert advice, financial capacity to replace the asset; and change in the market in relation to the asset.

(iv) Fair Value Estimation

Financial assets and financial liabilities recognized in the statement of financial position are derived from the active market based on the market price. In the absence of an active market the fair value is determined using valuation techniques such as discounted cash flow model. The inputs to the models are obtained from the market; otherwise judgment is required in establishing fair value. Judgement includes the consideration of inputs like liquidity risk, credit risk and volatility. Any change in assumptions may affect the fair value of the assets and liabilities.

(v) Defined Benefit Obligations

The present value of the post-employment pension obligations depends on a number of factors that are determined on an actuarial basis using a number of assumptions such as discount rate, expected salary increase and mortality. Any change in these assumptions will impact the carrying amount of pension obligations.

(vi) Change in accounting policies

Any effect of change in accounting policies is applied retrospectively. The effect of changes in accounting policy are applied prospectively if retrospective application is impractical.

THE DISTRICT COUNCIL OF BLACK RIVER
NOTES TO THE FINANCIAL STATEMENTS -30 JUNE 2018

Financial Risk Management

The District Council is exposed to financial, credit and liquidity risks. The overall risk management of the District Council is focused on the mitigation of liquidity and credit risks and seek to minimize potential adverse effects on the financial performance and service delivery of the Council.

Credit risk

Credit risk arises from credit exposures to customers. The Council does not consider the need to have an independent rating of its customers. In fact, no trade fee receipt is issued on credit while three-month credit facilities are allowed to holders of market stall in principle.

Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash, the availability of funding through an adequate amount of credit facilities. The Council has appropriate management policy in place to ensure that there is sufficient cash to meet its financial obligations.

	11,720,804	-

Year	2018/2019
Expected employer contributions (RS)	15,552,214

Weighted average duration of the defined benefit obligation 14 years

(Calculated as a % change in PV of liabilities for a 1% change in discount rate)

The plan is exposed to actuarial risks such as : investment risk, interest rate risk, longevity risk and salary risk. The risk relating to death in service benefits is re-insured.

The cost of providing the benefits is determined using the Projected Unit Method. The principal assumptions used for the purpose of the actuarial valuation were as follows:

Discount rate	6.64%	6.50%
Future salary increases	4.00%	4.00%
Future pension increases	3.00%	3.00%
Mortality before retirement	A 6770 Ultimate Tables	
Mortality in retirement	PA (90) Tables rated down by 2 years	
Retirement age	As per Second Schedule of Statutory Bodies Pension Funds Act	

The discount rate is determined by reference to market yields on bonds.

Significant actuarial assumptions for determination of the defined benefit obligation are discount rate, expected salary increase and mortality. The sensitivity analyses below have been determined based reasonably on possible changes of the assumptions occurring at the end of the reporting period.

- If the discount rate would be 100 basis points (one percent) higher (lower), the defined benefit obligation would decrease by Rs 31.9 M (increase by Rs 39.6 M) if all other assumptions were held unchanged.

- If the expected salary growth would increase (decrease) by 100 basis points , the defined benefit obligation would increase by Rs 18.1 M (decrease by Rs 15.7 M) if all assumptions were held unchanged.

- If life expectancy would increase (decrease) by one year, the defined benefit obligation would increase by Rs 6.5 M (decrease by Rs 6.5 M) if all assumptions were held unchanged.

In reality one might expect interrelationships between the assumptions, especially between discount rate and expected salary increases, given that both depends to a certain extent on expected inflation rates. The analysis above abstracts from these interdependence between the assumptions.
