#### AGREEMENT ON CONDITIONS OF EMPLOYMENT

Entered into between

#### THE CONSTRUCTION INDUSTRIES FEDERATION OF NAMIBIA CIF

and

# THE METAL AND ALLIED NAMIBIAN WORKERS UNION MANWU

#### SCHEDULE

#### MEMORANDUM OF SUBSTANTIVE AGREEMENT

by and between

#### CONSTRUCTION INDUSTRIES FEDERATION OF NAMIBIA (hereinafter referred to as the Federation")

and

# METAL AND ALLIED NAMIBIAN WORKERS UNION (hereinafter referred to as "the Union")

Following successful negotiations by representatives of the Federation and the Union, agreement has been reached on the following issues:

- A. that the Union and the Federation intend this agreement to be a binding contract.
- B. that both the Union and the Federation warrant that they are authorised to act and enter into this agreement on behalf of their members.
- C. that both parties agree that this is a collective agreement. All further negotiations on minimum wages and conditions of employment are to be channelled through the Federation/ Union in accordance with the Labour Act of 2007 and the Labour Act of 1992 including the Regulations Relating to the Health & Safety of employees at work.
- D. that Government Notice No. 129 published in Government Gazette No. 4271 of 1 June 2009 be amended in accordance with this agreement.

#### 1. IMPLEMENTATION DATE

The Agreement shall come into Operation on 1 June 2011 and shall remain in force until a new agreement has been reached.

#### 2. APPLICATION

This Agreement will be submitted to the authorities for registration and an application will be made to the Minister of Labour and Social Welfare to, in terms of section 71(2) of the

Labour Act of 2007 and the Labour Act of 1992 including the Regulations Relating to the Heahh & Safety of Employees at work, declare by notice in the Government Gazette that all provisions of this Agreement to be binding upon every employer and employee in the construction industry. Excluded from these provisions are any such employees who are engaged in any "labour-based projects".

"Labour-based project" means any project for infrastructural development conducted by or under the control of a government ministry, and which through the use of labourbased methods is aimed at providing employment opportunities to unskilled labourers an a temporary basis.

#### 3. NATURE OF THE COLLECTIVE AGREEMENT

The negotiated increase in minimum wages parties only applies to the minimum wage rates. Employers who already pay more than the minimum rates may, but are legally not required adjusting their wages according to the negotiated increase. This also applies to changes in the minimum conditions of work. If a trade union represents the majority of employees, then that union is entitled to start direct negotiations with the employer.

#### 7. PERFORMANCE STANDARDS

It was agreed that productivity levels are an integral part of the new agreed minimum wage rates, but for performance standards and productivity levels to be achieved, there must be normal working conditions with sufficient back up of materials of specified quality so that production outputs can be reasonably obtained. The standards are to be agreed upon separately between employers and the trade union for each individual construction project.

#### 8. LIVING AWAY ALLOWANCE

Minimum living away allowances are calculated at twelve percent (12%) of the employee's hourly wage for the entire duration of this agreement inclusive of any overtime/Sunday time. Employers have to provide accommodation conforming to generally accepted standards in the industry (minimum a tent for short term contracts) and ablution facilities.

The 12% are split as follows 50% (6%) for food and 50% (6%) for the inconvenience of staying away from home.

Traveling to and from home base exceeding 3 hours of real driving time per day has to be reimbursed by an allowance equal to 50% of the hourly wage rate of the employee for the exceeding time spend on travelling.

Traveling to and from home must be provided accommodating weather conditions.

#### 9. SAFETY

Safety in accordance with Government Notice No. 156 of 1997: "Regulations relating to the health and safety of employees at work" requirements should be at all times the prime object on construction.
