Title of post.—Spare—parts procurement and handling for Auto Transport Industry (Post 02).

Duty station.—Cairo, with frequent visits to all MDDB facilities.

Duration of appointment.—2 months.

Scheduled starting date.—January 1983.

Terms of appointment.—The monthly net salary for this assignment ranges from US\$2,564.67 to US\$3,021. It is normally free of income tax. In the absence of tax exemption, tax paid will be reimbursed in accordance with an ILO document which may be supplied on request. The salary is payable in the currency of the home country of the person selected or in another currency of his/her choice.

During the assignment, a daily subsistence allowance will be payable in the currency of the country or countries of assignment. At present, this allowance amounts to 43,420 LE Pounds per day. The daily subsistence allowance rate is subject to change during the assignment.

Short-term experts and consultants are entitled to 2½ working days leave per month or the equivalent in cash for leave not taken. They also benefit from social security arrangements under specified conditions.

General project information.—The Middle Delta Bus Company (MDBC) covers, in Egypt, the inter-urban transport needs within the limits of: the Mediterranean Sea to the north, the Nile's Damietta branch to the east, and the Nile's Rashid branch to the west. The Company has under construction at Tanta-Mithebish new premises for its future central workshops, stores, administration and training facilities. Project EGY/80/003 is assigned to the MDBC for assistance and advice in the lay-out of the workshop, the organisation and execution of bus body-building, maintenance and repair, the training (off-and-on-the-job) of the workshop managers, supervisors and technicians in the above-mentioned subjects, and the setting-up of a training centre (including corresponding training course manuals).

Description of duties.—Under the leadership of the project co-ordinator, the incumbent will be expected to recommend and as much as possible assist in the implementation of:

- (a) adequate procurement policies and systems to achieve optimum delivery of spares from central and branch stores to the maintenance workshops with a minimum of time and capital invested;
- (b) the improvement of the stock planning and central system at the central stores and the branch stores to speed up replacement of spare parts through the availability of day-to-day stock data and periodical procurement plans;
- (c) design of a model based on "minimum replacement stock" to ensure that the management of MDBC will know in advance the budgetary provisions to be allocated in every year's budget, in order to ensure that essential original spare parts will not be missing;
- (d) the recommendation of handling and storage procedures for new and rebuilt pieces and spare parts.

Qualifications required:

- (a) university degree in business administration or similar background;
- (b) wide experience in stores and supply management, preferably in the Auto Transport Industry;
- (c) experience in assistance to developing countries desirable;
- (d) high capacity to work with people of different background.

Language(s).—Very good working knowledge in English. Arabic an asset.
