The minimum capital requirements based on the 1957-58 season price is £2,700. This minimum capital requirement may however be adjusted in proportion to any increase or decrease in the producer price of cocoa announced by the Board before the opening of the 1958-59 cocoa season and any such alteration will be taken into account in assessing an applicant's ability to finance purchases.

(d) Storage.—Applicants must be able to provide evidence that they have proper storage available to cover at least fifty tons of cocoa, and adequate port storage where appropriate.

All stores must comply with the requirements of, and be approved by, the Eastern Regional Produce Inspection Service. It is the responsibility of the applicant to request in writing the Director, Eastern Regional Produce Inspection Service to inspect and approve his stores.

It is therefore prepared to consider applications from persons not actually in possession of such containers, provided evidence of the applicants' financial ability to purchase such containers is made available. In the event of it being decided that the applicant is in all other respects suitable for appointment and the Board deciding to make such appointment, the appointment will be so made by the Board and the licence issued subject to subsequent proof on the part of the person or firm concerned that the necessary containers have in fact been acquired.

Buying agents have to be in a position to buy at not less than minimum prices at gazetted buying stations and to arrange for the produce to be evacuated to port (in the case of palm kernels) or Bulk Oil Plant (in the case of palm oil), at which point payment is made against delivery of the produce in the approved manner.

The Minimum requirements are as follows:—

				5,000

(d) *Storage*.—Applicants must be able to provide evidence that they have proper storage available to cover at least two hundred and forty-five tons of palm kernels, and adequate port storage where appropriate.

(e) *Delivery*.—That he can arrange delivery of palm oil to the appropriate Bulk Oil Plant and of palm kernels to Port Transit Sheds or Port Stores, Port Harcourt, or to f.o.b. ocean vessel. He must possess an organisation at Port or the ability to secure, reliable agents to ensure the accurate preparation and prompt submission of shipping documents as required and the carrying out of all duties involved in the delivery of palm kernels to f.o.b. point.

5. *Method of application*.—Application forms together with details as to their completion can be obtained from the Ministry of Production, Enugu; the Department of Marketing and Exports, Port Harcourt and from the Eastern Regional Produce Inspection Service.

Firms and persons wishing to apply for appointment as buying agents must submit application forms in duplicate and correctly completed to the Department of Marketing and Exports, Works Road, Port Harcourt, not later than the 1st August, 1958.
