SOUTHERN CAMEROONS MARKETING BOARD

APPOINTMENT OF LICENSED BUYING AGENTS FOR THE 1958-59 COCOA SEASON

It is notified for general information that the Board is prepared to consider applications for appointment as licensed buying agents for the 1958-59 cocoa season which will open about the end of August 1958 (the exact date will be notified later by publication in the *Federation of Nigeria Official Gazette* and the *Southern Cameroons Gazette*).

2 Applicants will be required to produce evidence that they are likely to be able to fulfil the minimum conditions set out in the following paragraphs, which are based on:—

(a) the normal functions which a licensed buying agent is required to perform;

(b) ability to purchase and handle not less than 100 tons of cocoa during the season;

(c) average conditions as regards storage, evacuation, etc., ruling in past seasons.

3. *Functions of Licensed Buying Agents.*—The main functions which licensed buying agents will be required to perform on behalf of the Board are:—

(a) to purchase cocoa at buying stations at not less than the minimum prices;

(b) to bag and arrange for inspection in accordance with the regulations;

(c) to finance purchases and provide suitable storage until the time of delivery to the Board;

(d) to make returns of purchases and stocks as the Board or its duly authorised executive may require;

(e) to arrange conveyance to port by the approved routes;

(f) to arrange for delivery to the Board at the approved point of take-over (namely the Board Store, Bota or on board ocean vessel) in accordance with instructions issued by the Board or its duly authorised executive.

(g) in the case of deliveries on board ocean vessel, to arrange for checkweighing and inspection at port in accordance with the regulations and to hand without delay shipping documents as required to the Nigeria Central Marketing Board or its duly authorised executive.

Minimum Conditions

The minimum capital requirement based on the 1957-58 season price is £2,500. This minimum capital requirement may however be adjusted in proportion to any increase or decrease in the producer price of cocoa announced by the Board before the opening of the 1958-59 Cocoa Season and any such alteration will be taken into account in assessing an applicant's ability to finance purchases;

(d) *Storage.*—Applicants must be able to provide evidence that they have proper storage available to cover at least a hundred tons of cocoa, and adequate port storage where appropriate. All stores must comply with the requirements of, and be approved by, the Federal Produce Inspection Service. It is the responsibility of the applicant to make a written request to the Produce Officer, Victoria, to inspect and approve his stores.

4. *General.*—Applicants must produce satisfactory evidence that they are fully conversant with the cocoa trade and likely to be able to fulfil the following conditions:—

(a) *Inspection of Cocoa.*—That they will be able to provide an adequate labour force at all stores to handle cocoa at the time of inspection.
