Government Notice No. 794

MINISTRY OF FINANCE
NOTICE TO IMPORTERS—INVOICES

Note: In the following Notice:—

the "exporter" means the person or firm consigning the goods to the Nigerian importer;

the "supplier" means the person or firm who supplies the goods to the foreign exporter (the term "supplier" is normally used in connection with 'raw material' goods which have not been processed or manufactured); and

the "manufacturer" means the person or firm who actually manufactured the goods.

Importers and overseas exporters are deemed to be associated if, whether directly or indirectly, either of them has any interest in the business or property of the other or both have a common interest in any business or property, or some third person has any interest in the business or property or both of them, and includes cases where;

- they are under common management;
- one is a branch of the other;
- one is a subsidiary of the other;
- one is a buying agent of the other;
- one or more directors are common to both;
- the owners of the two businesses are members of the same family.

1. As from Monday, 1st September, 1958, the following documents must be presented at Customs Houses in support of each entry for trade goods imported by sea or air.

(a) For trade goods liable to *ad valorem* duty imported from the United Kingdom by a person or firm associated with the exporter—two sets of invoices from the suppliers or manufacturers of the goods or

(b) For trade goods liable to *ad valorem* duty imported from any country other than the United Kingdom—two sets of each invoice necessary to trace the transaction back to the actual manufacturer of the goods, i.e.,—

two sets of suppliers invoices, and, where the supplier is not the manufacturer, two sets of manufacturers' invoices.

In addition to the foregoing for all trade goods irrespective of the country of exportation or of their liability to duty, if any, two sets of invoices from the exporter, accompanied, as hitherto, by the normal Certificate of Origin and Value (i.e., 'attested' invoices).

2. Each set of original invoices must be attached to the original Bill of Entry, and duplicate sets to the second copy of the entry. Each duplicate set must, of course, be an exact copy of the original and great care must be exercised to ensure that each set is complete and separate, otherwise entries will be rejected.

3. All the above enumerated copies of invoices will be retained by the Comptroller. They will, in no circumstances, be returned to the importer or his agent.

4. WHEN MANUFACTURERS' INVOICE NOT AVAILABLE.—Relaxation of the requirements set out in this Notice will only be given in exceptional circumstances, and then only by an officer not below the rank of Assistant Comptroller or Principal Collector in the case of the Delta Ports only.
