**SOUTHERN CAMEROONS GOVERNMENT SCHOLARSHIPS  
AND BURSARIES, 1958-59 AND 1959-60**

The Southern Cameroons Government proposes to offer (subject to the provision of necessary funds by the Southern Cameroons Legislature) bursaries and scholarships to become available in the year 1958 and 1959. The awards will be tenable at the University College, Ibadan, at the Nigerian College of Arts, Science and Technology, for courses beginning in October 1958. Scholarships will also be tenable at Colleges and Institutions in the United Kingdom for approved courses beginning in October 1958 or 1959 provided that a course giving an equivalent qualification is not available in West Africa.

2. The courses for which awards will be approved include:—

Medicine and Medical Technology, Dentistry and Dental Mechanics, Science, Arts, Law, Veterinary Science, Forestry, Chartered Accountancy, Agriculture, Engineering in all its forms, Sociology, Anthropology, Textile Technology, and Nursing and Teaching Courses.

It is also proposed to make awards to suitable candidates to enable them to obtain qualifications in domestic science, physical training and certain other specialist appointments. Scholarships and bursary awards are primarily intended to equip Cameroonians with the professional and academic qualifications necessary for Senior Posts in the Public Service, Corporations, Commercial Firms and the Cameroons Development Agency.

3. Candidates eligible for these scholarships may be of either sex, but must be:—

(i) Natives of the Southern Cameroons or

(ii) Children of Natives of the Southern Cameroons or

(iii) Children of French Cameroons descent, whose parents or guardians have been resident in the Southern Cameroons throughout the child's primary and secondary education and provided the candidate in question has had his or her primary education in the Southern Cameroons and secondary education either in the Southern Cameroons or in Nigeria. Candidates for scholarships to undertake degree and professional courses will be expected to have completed a full Secondary School Course or a recognised Teachers Training Course, and must possess the minimum educational qualifications required by the Institutions at which the course will be taken. In all cases awards will only be made if candidates of suitable character and educational attainments are forthcoming and they will also be dependent on the acceptance of the successful candidates by an appropriate College or Institution. A Medical Examination which will include an X-Ray examination of the chest will also be necessary.

4. The majority of awards will be for courses now available at the University College, Ibadan and the Nigerian College of Arts Science and Technology. Intending candidates should acquaint themselves with the conditions for entry to these colleges.

All candidates for these awards must therefore apply independently for admission in accordance with the procedure prescribed by the college authorities, and will not be eligible for the awards of a bursary unless they have been accepted for entry into the Nigerian College or the University College. Applications from candidates who apply to do professional courses or to take general or honours degree courses in subject not at present available at the University College, Ibadan will be considered. In this case they will not be expected to communicate direct with the Institutions concerned.

5. In certain cases, wives (but not children) of successful candidates who are to be sent to the United Kingdom for a period of several years may be assisted to join their husbands for a short time to acquire a broader background and to engage in some short courses of which the Board approves. In such cases the wives would be paid the usual Dependents' allowance and would in addition receive a free return passage and the cost of fees for the course.

6. All awards will be made by the Commissioner of the Cameroons, on the recommendation of the Southern Cameroons Scholarship Board.

7. All Applications for scholarships or bursaries must be completed in triplicate on the prescribed form (which can be obtained from District Officers in the Southern Cameroons) and forwarded to the Southern Cameroons Scholarship Board, Buca. In the case of Government Servants through the Head of Department.

(a) Applications for scholarships to all post Secondary institutions overseas and in West Africa including University College, Ibadan and the Nigerian College must reach the Secretary, Southern Cameroons Scholarship Board NOT LATER THAN THE 30th June, 1958.

8. Failure to comply with any of these instructions may result in the rejection of a candidate's application.

LOCAL PURCHASE OF STORES BY FEDERAL GOVERNMENT DEPARTMENTS—  
APPROVED MANUFACTURERS SCHEME

Government Notice No. 2136 published in the *Official Gazette* of the 29th November, 1956, set out the details of the Approved Manufacturers Scheme and the method of application for registration. A list of firms whose manufacture have been approved to date is appended hereunder, for general information. The list has been arranged in accordance with the Standard International Trade Classification.

2. The public are advised that the list includes only firms which have applied for approval and the absence of any firm from this list does not necessarily mean that the Federal Government has refused to approve that particular manufacturer.

3. Federal Government Departments are obliged to purchase goods from approved suppliers, instead of importing similar articles from abroad whenever the local product is competitive in price. The fact that a manufacturer has been placed on the approved list is evidence that the quality of his product is satisfactory to the Federal Government, and means in effect that the goods are recommended. The Federal Government does not however guarantee the quality of any manufactures.

4. Any manufacturer of goods which are used by Government Departments may apply for his name to be added to the list of Approved Manufacturers by forwarding the following information to the Director, Federal Department of Commerce and Industries Lagos:—

- |  |   |
|--|---|
| (i) Name and address of manufacturer   | (iv) Monthly output (either in units or value as appropriate) |
