6. Pending the revision of the relevant chapters of General Orders it should be noted that Part B and Colloquial Tests can now be taken in June and December only.

7. African staff taking the colloquial test should after obtaining Government's permission as in General Order 08112, also submit to the Chief Inspector of Education, Enugu, by the closing date a formal entry so that arrangements may be made for them to sit for the examination. The number and date of the letter giving permission should be stated.

8. Candidates are specially requested not to submit their names unless they really intend to sit as many arrangements are involved and late withdrawals, or failure to appear, cause much inconveniences.
