NIGERIAN ANTIQUITIES FUND

Section 9 (2) of the Antiquities Ordinance, 1953 provides that the Antiquities Commission shall:—

"keep and cause to be audited accounts of any funds received or managed by it, and shall furnish an annual statement of account to the Minister, who shall lay the same before the House of Representatives".

2. In 1955, the Antiquities Commission decided to institute a Nigerian Antiquities Fund with the primary object of enabling the Commission to act swiftly and effectively whenever antiquities of vital importance to Nigeria's art collections are offered for sale, whether in Nigeria or abroad, at very short notice. In addition to opening the fund to contributions, the Commission also put into effect a scheme for the manufacture and sale of post-cards, with a view both to making modest profits for the Fund and at the same time achieving publicity for the objects of the Fund.

3. A statement of Account of the Fund as at 31st March, 1957 has now been prepared and is appended hereto.

These are minimum requirements and candidates with Advanced Level Passes in General Certificate of Education, or University graduates, will be welcome.

5. Applicants who have passed the Government medical examination for physical fitness, and have the necessary qualifications listed above, may be required to attend Departmental Selection Committees in both their Regions and Lagos, at Government expense.

6. *Training.*—Successful candidates will be attested into the Force as Cadet Sub-Inspectors on probation in the salary scale H.8 commencing at £276 per annum and will be required to undergo in the first instance a Course of basic and advanced training at the Southern Police College, Ikeja, which will last for twelve months and which will include a Man O'War Bay Course.

7. At the conclusion of this period of twelve months' training, subject to satisfactory progress and the passing of the prescribed examinations for the Course, candidates will normally be posted to duty as Cadet Sub-Inspectors and attached to Police formations at the discretion of the Inspector-General for further training in practical Police duties.

8. As Cadet Sub-Inspectors they will be eligible for promotion within the Inspectorate rank of the Force. Opportunities will also exist for promotion to the rank of Assistant Superintendent of Police. Such promotions, however, will be on merit alone and it will depend solely on a candidate showing whether or not he will be suitable for consideration for appointment as a Superior Police Officer.

9. On the completion of three years' service from the date of enlistment, candidates who have shown their ability will be confirmed in the rank of Sub-Inspector on a salary of £300 per annum (Scale H.8).

10. If within the probationary period, i.e., three years from the date of enlistment, a candidate is found unsuitable as a Cadet Sub-Inspector his appointment will be terminated under General Order 02204.

11. As Cadet Sub-Inspectors they will be provided with free quarters (or an allowance in lieu), free uniform and leave privileges as enjoyed by the Inspectorate of the Force, which includes 30 days' leave per year and free transport facilities to and from the normal place of residence.

12. Those candidates who on the completion of their Course of twelve months' training at the Southern Police College have shown themselves to be outstanding and possess all the qualities required in a Superior Officer—particularly such qualities as leadership, power of command, initiative, etc.—will, instead of being posted to duty as Cadet Sub-Inspectors, be appointed Acting Assistant Superintendents of Police on a salary (including acting allowance) of £600 per annum and retained at the College for a further period of four months' advanced training.

13. Thereafter, subject to satisfactory completion of this further Course of training, they will be posted to duty as Acting Assistant Superintendents of Police in such posts and for such periods as the Inspector-General of Police may consider necessary. Subject to the satisfactory performance of these duties, Acting Assistant Superintendents of Police will become, in due course, eligible for appointment as Assistant Superintendents of Police on trial on salary scale B.1 to B.4, by which a salary of £1,350 may be reached by annual increments, subject, of course, to satisfactory progress being maintained.

14. Those candidates who, after a period of acting appointment, are not found suitable for confirmation in the rank of Assistant Superintendent of Police on trial will revert to the rank of Cadet Sub-Inspector.

15. *Method of application.*—Entry forms may be obtained at any Police Station in the country and instructions about the completion of these forms are printed on the entry forms.

16. Intending applicants are advised that the training Courses are strenuous and exacting and very high standards of physical and mental ability will be expected of them. The training and subsequent practical work will be interesting and excellent facilities for games, athletics and other forms of recreation will be made available.

17. Only applicants who intend to make the Police their career should apply.

18. **THE NEXT BASIC TRAINING COURSE IS DUE TO START AT THE SOUTHERN POLICE COLLEGE, IKEJA, ON 6TH JULY, 1959. FINAL SELECTION BOARDS FOR CANDIDATES FOR THIS COURSE WILL BE HELD AS FOLLOWS:—**

ADMINISTRATIVE SERVICE TRAINING COURSE, 1959-60

As a temporary measure, however, consideration will be given to candidates who hold the West African School Certificate or an equivalent pass in the G.C.E., that is, G.C.E. with six passes at ordinary level.

(b) In exceptional cases consideration will be given to candidates holding lower educational qualifications who, since leaving school, have acquired additional professional qualifications.

Those who have a qualification lower than the West African School Certificate or its equivalent will be required to sit a written examination before or after being called for interviews.

All candidates should be able to show evidence of ability, energy, integrity, responsibility, adaptability, initiative and a high standard of English.

Candidates must be certified as physically fit and be over 22 years and under 30 years of age on 1st August, 1959.

Those selected will undertake a course at the Institute of Administration, Zaria, lasting approximately eleven months. Instruction will be given in English, Law, Local Government, Finance and in a number of subsidiary subjects. There will be practical work in a variety of subjects and six weeks of the course will be spent on attachment to a Division. Students will also be expected to take part in games and in the extra-mural activities of the Institute. A Man O' War Bay Training Course, designed for training in leadership and physical endurance, will be held early in the course and there will be examinations during the course as well as at the end of the course. In order to pass the course students must obtain a satisfactory report on the terminal and final examinations taken into consideration with their conduct and work on the course as a whole, including a satisfactory report on the Man O' War Bay Training Course.

If at any time during the course it becomes apparent that the student will not be able to reach the required standard, he will be so informed by the Public Service Commission and consideration will be given for alternative employment according to his qualifications, if he so desires it.

The attainment of a Class A Pass on the successful completion of the course will render a student eligible for appointment as an Administrative Officer in the Salary Scale A.1 (£624-1,380); students who obtain a Class B Pass will be eligible for appointment in the Executive Grade.

Administrative arrangements.—During the period of the course students not already in Government or N.A. Service will receive an allowance of £25 per month. Government or N.A. officials will be treated as being on leave without pay, but will receive allowances at the rate of their substantive salaries or £25 per month, whichever is the greater. Candidates from Native Authorities will be considered also on the same basis as those from Government. It is hoped that this course will begin towards the end of 1959.

Other conditions of service.—During the training period, students will be subject to Government rules and regulations. They will be posted to work in Ministries for a period from June to September during which time the Technical Institute and Trade Centre is on long vacation.
