### REGULATIONS RELATING TO THE COLONIAL FIRE BRIGADES LONG SERVICE MEDAL—FEDERATION OF NIGERIA

In exercise of the powers conferred upon him by the Royal Warrant dated the 21st March, 1956, the Governor-General with the approval of the Secretary of State, has made the following regulations governing the granting, forfeiture, restoration and other matters concerning the Colonial Fire Brigades Long Service Medal.

1. *Service required.*—The Colonial Fire Brigades Long Service Medal will be granted as a reward for long service and good conduct to officers below the rank of Assistant Divisional Officer or equivalent rank, and men of properly organised Fire Brigades of the Federation of Nigeria, who on or after the 21st of March, 1956 shall have completed eighteen years continuous service as hereinafter defined.

"A properly organised Fire Brigade of the Federation of Nigeria" shall mean a Fire Brigade employed in accordance with the provisions of an Ordinance by the Government of the Federation or by a Local Government Authority in the Federal Territory of Lagos, the members of which are full-time and paid members of the Brigade and which (in the case of a Brigade employed by a Local Government Authority) is certified by the Federal Minister charged with responsibility for fire services to be of a standard of efficiency adequate for the proper discharge of its functions.

A Clasp will also be granted to a recipient of the Medal on his completing twenty-five years' qualifying service, and a further Clasp on completing thirty years' qualifying service. For each Clasp so awarded a small silver rose may be added to the ribbon when worn alone.

2. *Continuity of service.*—Qualifying service in properly organised Fire Brigades elsewhere in Nigeria or of other Colonies or Territories under Her Majesty's Protection or Administration may be allowed to reckon towards the required period of qualifying service, if the total period of such service amounts to not less than eighteen years; provided, however, that where service has been rendered in more than one such territory as aforesaid an interval not exceeding twelve months between any two periods of service shall not be regarded as breaking the continuity of such service;

Provided also that a break in service not exceeding six calendar months in any such territory shall not be regarded as breaking the continuity of such service.

3. *Exemplary character.*—For the purposes of these Regulations service shall be reckoned only as qualifying service if it is certified that the character and conduct of the person recommended for the grant of the Medal or Clasp has been exemplary.
