SOUTHERN CAMEROONS GOVERNMENT
SCHOLARSHIPS AND BURSARIES,
1959-60 AND 1960-61

The Southern Cameroons Government proposes to offer (subject to the provision of necessary funds by the Southern Cameroons Legislature) bursaries and scholarships to become available in the years 1959 and 1960. The awards will be tenable at the University College, Ibadan, and the Nigerian College of Arts, Science and Technology, for courses beginning in October, 1959. Scholarships will also be tenable at Colleges and Institutions in the United Kingdom for approved courses beginning in October, 1959 or 1960 provided that a course giving an equivalent qualification is not available in West Africa.

2. The courses for which awards will be provided include:—

Medicine and Medical Technology, Dentistry and Dental Mechanics, Science, Arts, Law, Veterinary Science, Forestry, Chartered Accountancy, Agriculture, Engineering in all forms, Sociology, Anthropology, Textile Technology, Nursing and Teaching courses, Surveying and Estate Management.

It is proposed to make awards to suitable candidates to enable them to obtain qualifications in domestic science, physical training and certain other specialists appointments. Scholarships and bursary awards are primarily intended to equip Cameroonians with the professional and academic qualifications necessary for Senior Posts in the Public Service, Corporations, Commercial Firms, Voluntary Agencies and Cameroons Development Agency.

3. Candidates eligible for these scholarships may be of either sex, but must be:—

(i) Natives of the Southern Cameroons, or

(ii) Children of the Natives of the Southern Cameroons, or

(iii) Children of French Cameroons descent, whose parents or guardians have been resident in the Southern Cameroons throughout the child's primary and secondary education and provided the candidate in question has had his or her primary education in the Southern Cameroons and secondary education either in the Southern Cameroons or in Nigeria. Candidates for scholarships to undertake degree and professional courses will be expected to have completed a full Secondary Course or a recognised Teachers Training Course, and must possess the minimum educational qualifications required by the Institutions at which the course will be taken. In all cases awards will only be made if candidates of suitable character and educational attainments are forthcoming and they will also be dependent on the acceptance of the successful candidates by the appropriate college or institution. A Medical Examination which will include an X-Ray examination of the chest will also be necessary.

4. The majority of the awards will be for courses now available at the University College, Ibadan, and the Nigerian College of Arts, Science and Technology. Intending candidates should acquaint themselves with the conditions for entry to these Colleges.

All candidates for these awards must therefore apply independently for admission in accordance with the procedure prescribed by the college authorities, and will not be eligible for the awards of a bursary unless they have been accepted for entry into the Nigerian College or the University College. Applications from candidates who apply to do professional courses or to take general or honours degree courses in subjects not at present available at the University College, Ibadan, will also be considered. In this case they will not be expected to communicate direct with the Institutions concerned.

5. In certain cases, wives (but not children) of successful candidates who are to be sent to the United Kingdom for a period of study exceeding three years may be assisted to join their husbands for a short time to acquire a broader background and to engage in some short courses of which the Board approves. In such cases the wives would be paid the usual Dependants allowance and would in addition receive a free return passage and the cost of fees for the course.

6. All awards will be made by the Minister of Social Services on the recommendation of the Southern Cameroons Scholarship Board.

7. All applications for scholarships or bursaries must be completed in duplicate on the prescribed form (which can be obtained from District Officers in the Southern Cameroons) and forwarded to the Secretary, Southern Cameroons Scholarship Board, Buea. In the case of Government Servants applications should be made through the Head of Department.

(a) Applications for scholarships to all post secondary institutions overseas and in West Africa including University College, Ibadan, and the Nigerian College must reach the Secretary, Southern Cameroons Scholarship Board, NOT LATER THAN THE 30TH OF JUNE, 1959.

8. Failure to comply with any of these instructions may result in the rejection of a candidate's application.

9. The Southern Cameroons Scholarship Board will not be prepared to give reasons for the failure of any applicant to secure an award or to enter into any correspondence on the subject. SCS137
