Government Notice No. 2053

REVIEW OF SALARIES AND WAGE RATES

It is notified that the Government of the Federation has decided in association with the Governments of the Northern and Eastern Regions and the Southern Cameroons, to review the salaries and wage rates payable within the public services in the light of the increase in the cost of living since the 1st October, 1954.

The following Commission has been appointed to carry out the review:

Hon. Mr Justice L. N. Mbanefo (Chairman)
G. G. Carlyle, Esq., O.B.E.
Mallam Ahmadu Compaissie
A. I. Osakwe, Esq.
V. Zakarian, Esq.

The terms of reference of the Commission will be

"In the light of the best information available regarding the increase in the cost of living since the 1st of October, 1954:

1. To review the basic rates of salary at present payable to the holders of posts in the Federal Public Service and the Public Services of the Northern and Eastern Regions and the Southern Cameroons;
2. to review the rates of wages at present payable by the Government of the Federation and the Governments of the Northern and Eastern Regions and the Southern Cameroons to daily rated workers within the framework of the differential wage structures at present in use by the Governments;
3. and to make recommendations to the Governments."

The Government of the Federation and the Governments of the Northern Region, the Eastern Region and the Southern Cameroons propose also to give consideration to the establishment of a national minimum wage. This question must however be pursued independently of the present review of salaries and wage rates as the public Corporation and all private employers of labour would be concerned equally with the Governments if a national minimum wage were established. The subject requires further consultation and consideration.
