FEDERATION OF BRITISH INDUSTRIES
SCHOLARSHIPS FOR GRADUATE
ENGINEERS, 1960

The Federation of British Industries is offering a number of scholarships to suitably qualified graduate engineers from overseas countries. The awards are tenable in the United Kingdom and are intended to provide the best available practical training in all branches of engineering.

2. The scholarships offered by the Federation are of three types:—

Type A.—These scholarships are for recently graduated engineers. They provide training for two years and living expenses at the rate of £476 per annum, free of income tax. They also cover the cost of travel to and from Britain. They are awarded to candidates of *special merit*.

Type B.—These scholarships are also for recently graduated engineers. They provide training for two years and living expenses at the rate of £476 per annum free of income tax. They do not cover the cost of travel to and from Britain but the Federal Government may in appropriate cases meet these expenses.

Type C.—These scholarships are for more experienced applicants. They provide specialised experience for four to nine months and the major part of living expenses. They are designed for the benefit of practising engineers whose employers whether public or private organisations or Government Departments, are willing to release them temporarily and support their applications in writing.

They receive maintenance payments at the rate of £450 per annum free of income tax. The Federal Government may, in appropriate cases, meet the cost of passages to and from the United Kingdom.

3. Applications should be submitted to reach the Federal Ministry of Education not later than the 5th March, 1960, and should supply the following information:—

- (a) Name and address.
- (b) Date of Birth.
- (c) Place of Birth.
- (d) Degree or Diploma in Engineering possessed.
- (e) Institution where obtained and Date.
- (f) Employment after graduating (Give details of employer, type of work in which employed and length of time).
- (g) Type of award required.

(h) Names and addresses of three referees who will be prepared to vouch for your character.

(i) A statement that your present employers will support your application and will consent to release you for the requisite period of training if an award is made.

4. On receipt of the above information application forms will be sent to selected candidates for completion.

5. All envelopes and letters should be marked—"SCHOLARSHIP FOR GRADUATE ENGINEERS".

CONDITIONS OF AWARD FOR THE TEACHERS' HIGHER ELEMENTARY (GRADE II) CERTIFICATE

The following Conditions of Award for the Teachers' Higher Elementary (Grade II) Certificate will apply to all candidates in the Federal Area of Lagos, with effect from the examination to be held in 1960.

A.—INTERNAL CANDIDATES

The Teachers' Higher Elementary (Grade II) Certificate will be awarded to candidates who have satisfactorily completed a course of training in an institution approved for the purpose by the Federal Ministry of Education. The course shall last for not less than two years for candidates who hold one of the following qualifications—

(1) Teachers' Elementary (Grade III) Certificate normally followed by not less than one year's approved teaching experience.

(2) West African School Certificate or equivalent.

(3) Completion of a full course at a recognised secondary Grammar School subject to the specific approval of the Federal Ministry of Education being obtained for each candidate.

For all other candidates the course shall last for not less than four years.

To complete the course satisfactorily students must—

(a) satisfy the Inspectorate of the Federal Ministry of Education (in consultation with the Principal) during the last year of the course in Practical Tests in—

Class teaching (including Spoken English and the teaching of Physical Education). Account will be taken of the records of the candidate's progress during the training.

(b) pass an examination set by the West African Examinations Council in the last year of the course in—

(1) Principles and Practice of Education.

(2) English Language.

(3) Arithmetic.

(c) pass an examination set as prescribed by the Federal Ministry of Education, in Physical and Health Education.

(d) pass an examination set during the penultimate year or the last year of the course by the Principal of the Training Institution in consultation with the Inspectorate of the Federal Ministry of Education in FOUR of the following subjects, provided that one subject taken at a more advanced level, which shall be known as "Special" level, shall be equal to two at "Normal" level.

A candidate may not offer the same optional subject at both levels.

Normal Level Subjects

English Literature
Geography
History
Islamic History
Mathematics
Religious Knowledge
Rural Science (Theory and Practice)
Domestic Science (Theory and Practice)
Nature Study
An approved African Language
Arabic
Handicrafts
Art
Music
Needlework and Dressmaking
Book-keeping
Shorthand
Infant Welfare, First Aid and Home Nursing

Special Level Subjects

Physical and Health Education
English (including Literature)
Geography
History or Islamic History
Mathematics
Religious Knowledge
Domestic Science (Theory and Practice)
An approved African Language
Arabic
Handicrafts
Art
Music
Needlework and Dressmaking
Book-keeping
Shorthand
Typewriting
General Science

All subjects in which a candidate passes shall be endorsed on his Certificate together with the grade at which he passes.

A candidate offering a subject at special level who fails to reach the required standard but obtains a sufficient level of marks may be given a pass at the normal level in that subject.

B.—EXTERNAL CANDIDATES

1. Conditions of Entry for an External Candidate.

An external candidate is not eligible for the award of the Teachers' Higher Elementary (Grade II) Certificate until he has completed, as a scholar or teacher, a qualifying period of years which shall exceed by one year the minimum aggregate of years spent in schooling and training and teaching by a candidate who passes the internal examination, by the slowest normal route.

2. Conditions of Award

Stage I.—The candidate shall first attempt the papers in English Language and Arithmetic as set by West African Examinations Council and may not proceed to attempt the remaining subjects of the examination until successful in these two papers.

Stage II.—The candidate must then pass an examination in FOUR subjects under conditions described in regulations (c) and (d) for internal candidates except that a part of the regulation, *viz.*, "set during the penultimate year or the last year of the course" shall not apply.

The candidate may not proceed to Stage III until Stage II has been successfully completed.

Stage III.—The candidate must—

(a) pass the paper in Principles and Practice of Education as set for internal candidates.

(b) satisfy the Inspectorate of the Federal Ministry of Education in practical tests in Class Teaching (including Spoken English and the teaching of Physical Education).

(c) be attached to a training college for the period of the final teaching practice culminating in the Practical Teaching test.

Note.—A candidate who has secured approval from the Federal Ministry of Education to offer a Practical subject in Stage II will have his work inspected during the period of his attachment to a college.
