GENERAL LEVEL OF ESTABLISHMENTS IN THE FEDERAL PUBLIC SERVICE

I am directed to convey to you the following decisions of Government concerning the subject indicated above :—

(a) that no new posts should be created in future without the approval of the Council of Ministers ;

(b) that there should be no recruitment to posts which have remained vacant for more than two years, and that this Ministry should be provided with details of such posts immediately and a copy of each notification should be sent to the Ministry of Finance ;

(c) that in submitting the notification in sub-paragraph (b) above, each Ministry should consider whether recruitment to any of the posts is necessary and should inform this Ministry and the Ministry of Finance of those posts which it considers need not be filled.

2. It is proposed that this restriction should operate for a period of two years ; thereafter the situation will be reviewed in order to determine whether any relaxation is necessary. As regards the following classes, however, the restriction will not be rigid although it will still be necessary for the conditions in paragraph 1 above to be fulfilled :—

Professional class posts

Stenographic class posts (Stenographers ; Secretary-Typists ; Personal Secretaries, Grades I and II ; Official Reporters, Grades I and II ; Stenographic Assistants but NOT Typists).

3. *Recruitment arising from wastage.*—(a) If vacancies arise as a result of the departure of a holder of a post (e.g., as a result of resignation, retirement, transfer, removal from the service, dismissal, invaliding, promotion, etc.) recruitment to replace wastage may take place provided the prior approval of this Office is obtained. In the case of a vacant promotion-post that post may be filled in consonance with the normal procedure, but any resulting lower grade vacancy cannot be filled without the prior approval of this Office.

(b) In cases of officers going on study courses, courses of instruction, etc., the present practice is to authorise the creation of supernumerary posts to allow a relief to be recruited. This practice will cease. Officers absent from duty for the reasons already stated may be replaced by a temporary appointment being made in consultation with this Office. That appointment will be terminated on the resumption of duty of the substantive holder of the post.

(c) If an officer sent on a study course, etc., subsequently qualifies for and receives promotion the resulting vacancy may be filled as set out in sub-paragraph (a).

4. *Creation of New Posts.*—The procedure set out in the Federal Establishment Secretary's Circular No. A.1/1959 still applies and care should be taken to initiate requests for new posts as soon as the need for them is apparent. Applications for new posts should give full supporting reasons and the request will be considered and processed in this Office. No Advance Proposal may be put forward unless the new post has actually been approved.

5. *Nigerianisation*.—The decisions conveyed in this circular will not interfere with any decision already taken by Government the aim of which is to speed up Nigerianisation in the professional and administrative classes. This means that the decision in Government Notice No. 1912 published in *Gazette* No. 70, Vol. 45 of the 9th October, 1958, where it was stated that in the interests of Nigerianisation Scale A and B posts could be over-established by 25 per cent of the authorised establishment, will continue to operate.

6. *Staff Inspection*.—A separate circular will shortly be issued giving details of a general staff inspection which this Ministry proposes to organise in order to ascertain the true staff requirements in the various Ministries and Departments. In the circular the co-operation of Permanent Secretaries and Heads of Departments will be sought to enable the Service as a whole to reap the full fruits of the inspection.

7. This circular is issued on a wide and liberal basis and will be republished as a Government Notice in three successive issues of the *Official Gazette*. Permanent Secretaries and Heads of Departments are requested to ensure that the circular or the Government Notice or both are immediately brought to the personal attention of ALL Senior Officers and those responsible for recruitment at all levels. Arrangements should also be made to ensure that ALL Staff are aware of the decisions conveyed above.

APPOINTMENT OF CHAIRMAN AND
MEMBERS

In accordance with a decision of the Council of Ministers I have arranged for an Inquiry into the coal industry at Enugu and Mr Justice H. U. Kaine has been appointed Chairman with the following Members:

Mr J. T. B. Welbourn, Chief Coal Mining
Engineer, Powell Duffryn Technical Services;

Mr T. A. Salubi, Industrial Relations Com-
missioner, Ministry of Labour, Lagos;

Mr Douglas A. Clarke of the firm of Chartered
Accountants, Messrs Pannel, Crewdson and
Hardy, and

Mr John Okwesa, a Printer and a Member of
the Lagos Chamber of Commerce.

2. The terms of reference are—

"Increasing competition being met by Nigerian coal from other forms of fuel necessitates a close examination of the means by which production costs can be reduced. With this in view the Inquiry is to—

(i) examine and make recommendations about means of reducing overhead costs, and in particular to examine the management structure and the senior service establishment with a view to recommending changes conducive both to economy and efficiency;

(ii) examine the salary, wage and allowance structure of the Corporation and to recommend such changes as appear to be necessary. Special attention should be paid to the remark of the International Bank Mission in its report "The Economic Development of Nigeria" that the incentive element in the wage structure was inadequate;

(iii) examine ways and means of promoting the marketing of coal at a price competitive with oil fuel in association with the creation of new industries;

(iv) examine ways and means of improving the quality of coal sold in Nigeria;

(v) examine the future of the coal industry."
