## Government Notice No. 528 (3rd publication)

The following Circular, issued by the Federal Establishment Office, is published for general information.

CIRCULAR No. 13/1960  
Federal Establishment Office,  
Ministry of Pensions,  
c/o The Cabinet Office,  
Racecourse Road,  
Lagos, Nigeria.  
19th March, 1960.

M.P.B.9847/S. 27

To : All Permanent Secretaries  
and Heads of Federal Departments

## GENERAL LEVEL OF ESTABLISHMENTS IN THE FEDERAL PUBLIC SERVICE

I am directed to convey to you the following decisions of Government concerning the subject indicated above :—

(a) that no new posts should be created in future without the approval of the Council of Ministers ;

(b) that there should be no recruitment to posts which have remained vacant for more than two years, and that this Ministry should be provided with details of such posts immediately and a copy of each notification should be sent to the Ministry of Finance ;

(c) that in submitting the notification in sub-paragraph (b) above, each Ministry should consider whether recruitment to any of the posts is necessary and should inform this Ministry and the Ministry of Finance of those posts which it considers need not be filled.

2. It is proposed that this restriction should operate for a period of two years ; thereafter the situation will be reviewed in order to determine whether any relaxation is necessary. As regards the following classes, however, the restriction will not be rigid although it will still be necessary for the conditions in paragraph 1 above to be fulfilled :—

Police

Professional class posts

Stenographic class posts (Stenographers ; Secretary-Typists ; Personal Secretaries, Grades I and II ; Official Reporters, Grades I and II ; Stenographic Assistants but NOT Typists).

3. *Recruitment arising from wastage.*—(a) If vacancies arise as a result of the departure of a holder of a post (e.g., as a result of resignation, retirement, transfer, removal from the service, dismissal, invaliding, promotion, etc.) recruitment to replace wastage may take place provided the prior approval of this Office is obtained. In the case of a vacant promotion post that post may be filled in consonance with the normal procedure, but any resulting lower grade vacancy cannot be filled without the prior approval of this Office.

(b) In cases of officers going on study courses, courses of instruction, etc., the present practice is to authorise the creation of supernumerary posts to allow a relief to be recruited. This practice will cease. Officers absent from duty for the reasons already stated may be replaced by a temporary appointment being made in consultation with this Office. That appointment will be terminated on the resumption of duty of the substantive holder of the post.

(c) If an officer sent on a study course, etc., subsequently qualifies for and receives promotion the resulting vacancy may be filled as set out in sub-paragraph (a).

4. *Creation of New Posts.*—The procedure set out in the Federal Establishment Secretary's Circular No. A.1/1959 still applies and care should be taken to initiate requests for new posts as soon as the need for them is apparent. Applications for new posts should give full supporting reasons and the request will be considered and processed in this Office. No Advance Proposal may be put forward unless the new post has actually been approved.

5. *Nigerianisation.*—The decisions conveyed in this circular will not interfere with any decision already taken by Government the aim of which is to speed up Nigerianisation in the professional and administrative classes. This means that the decision in Government Notice No. 1912 published in *Gazette* No. 70, Vol. 45 of the 9th October, 1958, where it was stated that in the interests of Nigerianisation Scale A and B posts could be over-established by 25 per cent of the authorised establishment, will continue to operate.

6. *Staff Inspection.*—A separate circular will shortly be issued giving details of a general staff inspection which this Ministry proposes to organise in order to ascertain the true staff requirements in the various Ministries and Departments. In the circular the co-operation of Permanent Secretaries and Heads of Departments will be sought to enable the Service as a whole to reap the full fruits of the inspection.

7. This circular is issued on a wide and liberal basis and will be republished as a Government Notice in three successive issues of the *Official Gazette*. Permanent Secretaries and Heads of Departments are requested to ensure that the circular or the Government Notice or both are immediately brought to the personal attention of ALL Senior Officers and those responsible for recruitment at all levels. Arrangements should also be made to ensure that ALL Staff are aware of the decisions conveyed above.

SOUTH-WEST IKOYI (LAGOS) DEVELOPMENT  
SCHEME

## ALLOCATION OF PLOTS

An area of about 170 acres in the South-West Ikoyi/Obalende area of Lagos between Bourdillon Road and the Creek Hospital has been reclaimed and is now being developed under the South-West Ikoyi Reclamation and Development Scheme.

2. About 900 residential building plots of varying sizes will shortly become available under this Scheme and applications for these plots are now invited in accordance with the procedure outlined below. The size of most of the plots will be approximately 40 ft. by 100 ft., but some larger plots will also be available.

3. The plots will be apportioned between the following three categories of applicants:—

Category A—Persons displaced under the Lagos  
Central Planning Scheme

Plots will be allocated to the Lagos Executive Development Board for sale freehold at a basic price of £3,000 per acre, that is to say approximately—

£275 for a plot 40 ft. by 100 ft.,  
£375 for a plot 54 ft. by 100 ft., and  
£750 for a plot 72 ft. by 150 ft.

## Category B—Civil Servants

## Category C—General Public

For both categories B and C plots will be granted leasehold and allocated by the Land Division of the Ministry of Lagos Affairs. Long-term leases will be granted and the annual rent payable will be at the rate of £200 per acre,

that is to say approximately—

£18 per annum for a plot 40 ft. by 100 ft.,  
£25 per annum for a plot 54 ft. by 100 ft.,  
and  
£50 per annum for a plot 72 ft. by 150 ft.

4. ALL APPLICATIONS MUST BE MADE ON THE APPROPRIATE FORM. THESE FORMS ARE OBTAINABLE FROM THE CHIEF EXECUTIVE OFFICER, LAGOS EXECUTIVE DEVELOPMENT BOARD, P.O. BOX 907, RECLAMATION ROAD, LAGOS, TO WHOM THEY SHOULD BE RETURNED AFTER COMPLETION.

5. As different application forms are used for each category an applicant must state his or her category (A, B or C) when applying for a form.

6. There will be no time limit for the receipt of applications from persons in category A. Applications will continue to be dealt with by the Lagos Executive Development Board until such time as all the plots reserved for this category have been allocated.

7. Applications from persons in categories B and C will be received and registered by the Lagos Executive Development Board before being passed to the Land Division of the Ministry of Lagos Affairs for further action. It is expected that the demand will greatly exceed the number of plots available in which case allocation will be made by ballot.

The closing date for the receipt of application forms from persons in categories B and C will be the 30th of June, 1960, and no late applications will be considered.
