Government Notice No. 758**WESTERN REGION MARKETING BOARD****APPOINTMENT OF LICENSED BUYING AGENTS FOR THE 1960-61 COCOA SEASON**

It is notified for general information that the Board is prepared to consider applications for appointment as licensed buying agents for the 1960-61 Cocoa Season which will open about the middle of September, 1960 (the exact date will be notified later by publication in the Western Region of Nigeria Gazette).

2. Applicants will be required to produce evidence that they are likely to be able to fulfil the minimum conditions set out in the following paragraphs, which are based on:

(a) the normal functions which a licensed buying agent is required to perform;

(b) ability to purchase and handle a minimum purchase required of 0.25 per cent (*i.e.*, one four-hundredth) of an average crop. This is felt to be the lowest possible figure of purchases compatible with orderly marketing and is taken as a quantity of 250 tons for an average season;

(c) average conditions as regards storage, evacuation, etc., ruling in past seasons.

3. *Functions of Licensed Buying Agents*—The main functions which licensed buying agents will be required to perform on behalf of the Board are:—

(a) to purchase cocoa at buying stations at not less than the minimum prices;

(b) to bag and arrange for inspection in accordance with the regulations.

(c) to finance purchases and provide suitable storage until the time of shipment;

(d) to make returns of purchases and stocks as the Board or its duly authorised executive may require;

(e) to arrange for approved conveyance to port and for shipment in accordance with shipping instructions given by the Nigerian Produce Marketing Company Limited or its duly authorised executive;

(f) to arrange for checkweighing and inspection at port in accordance with the regulations;

(g) to arrange for delivery of cocoa to ocean vessel and to hand without delay shipping documents as required to the Nigerian Produce Marketing Company Limited or its duly authorised executive.

(c) *Capital*—Applicants will be required to produce acceptable evidence of their ability to satisfy the minimum capital requirement necessary to fulfil the obligations of a licensed buying agent. The minimum capital requirement based on the 1959-60 season producer price is £9,000. This minimum capital requirement may however be adjusted in proportion to any increase or decrease in the producer price of cocoa announced by the Board before the opening of the 1960-61 cocoa season and any such alteration will be taken into account in assessing an applicant's ability to finance purchases;

(d) *Storage*—Applicants must be able to provide evidence that they have available in their proposed areas of operation proper storage to cover at least a hundred tons of cocoa, and adequate port storage where appropriate.

All stores must comply with the requirement of, and be approved by, the Western Regional Produce Inspection Service. It is the responsibility of the applicant to request, in writing, the Produce Officer of the area concerned to inspect and approve his stores.

(e) *General*—Applicants must be prepared to produce satisfactory evidence to show that they are fully conversant with the cocoa trade and likely to be able to fulfil the following conditions:

(i) *Inspection of Cocoa*—That they will be able to provide an adequate labour force at all stores to handle cocoa at the time of inspection.

(ii) *Returns*—That they will render promptly and accurately all returns, particularly of purchases and stocks, which may be called for.
