Government Notice No. 813 (3rd publication)

The following Circular, issued by the Federal Establishment Office of the Ministry of Pensions, is published for general information. Government Notice No. 528 is cancelled.

CIRCULAR No. 19/1960
Federal Establishment Office,
Ministry of Pensions,
c/o The Cabinet Office,
Racecourse Road,
Lagos, Nigeria
28th April, 1960.

M.P. No. B.9847/S. 27

To : All Federal Permanent Secretaries
and Extra-Ministerial Departments
of the Federal Government.

**GENERAL LEVEL OF ESTABLISHMENTS IN
THE FEDERAL PUBLIC SERVICE**

I am directed to refer to my Circular No. 13/1960 republished as Government Notice No. 528, and for the purposes of clarification and the avoidance of any doubt the instructions given in the following paragraphs are now published. *It should be noted that this Circular replaces Circular No. 13/1960 which is to be regarded as withdrawn.*

Government has decided :—

- (a) that no new posts should be created in future without the approval of the Council of Ministers ;
- (b) that there should be no recruitment to posts which have been vacant for more than two years, and that the Ministries of Finance and Pensions should be provided with details of such posts in order that an estimate can be made of the savings thus available ;
- (c) with regard to posts which have been vacant for up to two years the Minister concerned should consider whether recruitment is necessary and should arrange for the Ministries of Finance and Pensions to be informed of any posts which it was considered need not be filled.

3. It will be noted from the above decisions that a distinction has been made between two types of posts. This distinction is :—

- (a) there is to be no recruitment at all to any posts which have been vacant for two years or more as at the 1st of March, 1960 ; and
- (b) in cases of posts which have been vacant for less than two years there shall be no recruitment at all until each Minister concerned has considered whether recruitment is necessary.

The effect of this distinction is set out in the following paragraphs.

4. *Posts vacant for two years or more.*—(a) Staff Indents which have been outstanding for two years or more at the 1st March, 1960, have already been cancelled by this Office. Details of the Indents cancelled are being separately notified to addressees. That this has been done in no way abates the need for full details of all the posts concerned to be forwarded to this Office and the Ministry of Finance as required by paragraph 2 (b) above.

(b) In cases where Staff Indents have not been submitted in respect of a particular post or posts, no recruitment to such vacant posts may take place if the posts have been vacant for two years or more as at the 1st of March, 1960.

(c) As time passes posts which have not been filled within two years from the date of their creation will gradually come under the prohibition of recruitment when the two-year mark is passed.

(d) Thus there is a total ban on recruitment to any post which has now been vacant for two years or which, in future, comes within the two-year limit.

5. *Posts vacant for less than two years.*—The provisions of the General Warrant issued by the Minister of Finance, in accordance with section 17 of the Finance Control and Management Ordinance 1958, specifically provide that recruitment cannot take place to any posts created in the 1960-61 Estimates until the necessary Appropriation Bill has been passed into law. But there will still be a very large number of vacant posts in the Approved 1959-60 Establishments which have not remained vacant for as long as two years.

6. In the case of posts vacant for less than two years as at the date of this Circular the following procedure will apply :—

- (a) Addressees should examine their establishment/vacancy position and, as appropriate, should discuss with their Ministers the posts to which recruitment is considered *absolutely* necessary. It should be noted that this examination refers to all grades of posts and not just to those which are usually filled by overseas recruitment.

(b) Having examined the establishment/vacancy position, addressees should then submit to this Office three copies of a full statement of the existing vacancy position, together with a detail of those vacancies for which it is still considered essential that recruitment should proceed. Appended to the statement should be a list showing those posts which it is considered need not be filled. This list should give financial details so that the Ministry of Finance can easily assess the financial savings resulting from this examination. A copy of the statement required by this paragraph should be sent to the Permanent Secretary, Ministry of Finance.

(c) The statement or covering letter should be signed personally by the substantive, or gazetted acting Permanent Secretary or by the Head of an Extra-Ministerial Department.

(d) In the cases of returns from Permanent Secretaries it should be clearly stated that any recommendations for further recruitment have the full support of the responsible Minister.

7. It is proposed that these restrictions should operate for a period of two years ; thereafter the situation will be reviewed in order to determine whether any relaxation is possible.

8.—*Recruitments arising from wastage.*—(a) If vacancies arise after the date of this Circular as a result of the departure of a holder of a post (e.g., as a result of resignation, retirement, transfer, removal from the service, dismissal, invaliding, promotion, etc.) recruitment to replace such wastage may take place. Lists of all appointments so made should be submitted to this Office by the 6th of each month. The list should give details of the wastage which enabled recruitment to take place.

(b) In the case of a vacant *promotion* post that post may be filled in consonance with the normal procedure, and any resulting lower grade vacancy may thereupon be filled. The action should be notified in the monthly list referred to above.

(c) In cases of officers going on study courses, courses of instruction, etc., the present practice is to authorise the creation of supernumerary posts to allow a relief to be recruited. This practice will cease. Officers absent from duty for a lengthy period of instruction may be replaced by a *temporary* appointment being made in consultation with this Office. That appointment will be terminated on the resumption of duty by the substantive holder of the post.

(d) If an Officer sent on study course, etc., subsequently qualifies for and receives promotion the resulting vacancy may be filled as set out in sub-paragraph (a).

9. *New or additional posts.*—The procedure set out in the Federal Establishment Secretary's Circular No. A.1/1959 still applies and care should be taken to initiate requests for new or additional posts as soon as the need for them is apparent. The application should give full supporting reasons and Permanent Secretaries are asked to ensure that it is clearly stated that the application is supported by the responsible Minister. Applications for new posts will be considered and processed in this Office in accordance with the present procedure. No Advance Proposal may be put forward unless the new post has actually been approved, and the reference number of the letter of approval issued by this Office must be quoted on the Advance Proposal.

10. *Nigerianisation.*—The decisions conveyed in this Circular will not interfere with any decision already taken by Government the aim of which is to speed up Nigerianisation in the professional and administrative classes. This means that the decision in Government Notice No. 1912 published in *Official Gazette* No. 70, Vol. 45 of the 9th October, 1958, where it was stated that in the interests of Nigerianisation Scale A and B posts could be over-established by 25 per cent of the authorised establishment, will continue to operate.

11. This circular is issued on a wide and liberal basis and will be republished as a Government Notice in three successive issues of the *Official Gazette*. Permanent Secretaries and Heads of Extra-Ministerial Departments of the Federal Government are requested to ensure that the circular or the Government Notice or both are immediately brought to the personal attention of *ALL* Senior Officers and those responsible for recruitment at all levels.

W. MACMILLAN,
Permanent Secretary, Ministry of Pensions
