2. The minimum prices are based as in previous years on the naked ex-scale Bulk Oil Plant prices less the appropriate cost of transport by the approved normal evacuation routes.

PRODUCE SALES TAX

3. Under the provisions of the Produce Sales Tax Law (Cap. 99 of the Laws of the Western Region of Nigeria, 1959) all sales of technical palm oil made in the Western Region to the licensed buying agents of the Western Region Marketing Board are subject to produce sales tax at the rate of £1 per ton.

4. For purposes of collection of this tax for which the Marketing Board is accountable to the appropriate Regional Authority in respect of all sales of technical palm oil made to it or its licensed buying agents in the Region, the arrangements set out in paragraph 5, are prescribed.

5. The prices payable by licensed buying agents of the Marketing Board for technical palm oil in the Western Region will take into account the incidence of produce sales tax and will accordingly be at the rates set out in columns 5, 6 and 7 of the Schedule subjoined (being the minimum buying station prices fixed by the Marketing Board reduced by the amount of the produce sales tax).

It is notified for general information that the Western Region Marketing Board, by virtue of its powers under section 16 (a) of the Marketing Board Law (Cap. 75 of the Laws of the Western Region of Nigeria, 1959) has fixed the prices set out in Column II of the Schedule subjoined as the minimum prices payable for special grade palm oil during 1962 at gazetted buying stations in the Western Region specified in Column I.
