**Government Notice No. 234****MINISTRY OF ECONOMIC DEVELOPMENT****NIGERIA POPULATION CENSUS 1962  
LAGOS TOWNSHIP**

Applications are invited for posts of census enumerators and supervisors in connection with the forthcoming census of Nigeria. About 600 enumerators and 120 supervisors will be required; a supervisor will be expected to supervise the work of at least five enumerators. Teachers in both secondary and primary schools in Lagos and persons from the ranks of Third and Second Class Clerks, up to the grade of Assistant Executive Officers, in Government Departments are especially invited to apply.

2. The Ministry of Education has already arranged for the holidays of both primary and secondary schools in Lagos to fall within the period of census enumeration, so that teachers who are selected will be free to devote their full time to census work. The census enumeration period is 13th May to the 27th May 1962 inclusive. The general census enumeration will be followed almost immediately by a post enumeration survey lasting for a week, and all supervisors, and also a number of enumerators of proved ability will be expected to work for an additional seven days from Monday, the 28th May, to about 6th June, 1962 inclusive.

3. With regard to Government officials other than teachers referred to in the preceding paragraph, the Ministry of Establishments has no objection to their appointment as enumerators or supervisors, provided they work in their offices from 8 a.m. to 11.30 a.m. daily, before being released for census work. Subject to the above limitations, enumerators and supervisors will be expected to devote their full time to census work during the period 13th May to 27th May, 1962 inclusive and to attend some instructional classes outside normal office hours, prior to the commencement of the field work.

4. Enumerators will be paid a fee of £9 each for their services. Supervisors will receive a higher fee of £15 each to compensate for the added responsibilities. Supervisors and those enumerators selected to carry out the post enumeration survey will each receive additional remuneration of £4-10s-0d.

5. For general information, the three Federal Constituencies in Lagos are regarded as Census Districts; these are:—

Census District 1—Comprising Town Council Wards A, B and D.

Census District 2—Comprising Town Council Wards E and F.

Census District 3—Comprising Town Council Wards C, F and H.

6. For the posts of enumerators, school teachers, Third/Second-class and First-class Clerks will be considered. For the posts of supervisors, Headmasters, Assistant Chief Clerks, Chief Clerks and Assistant Executive Officers, will be considered. Applicants for the posts of either enumerators and/or supervisors should, therefore, state in the applications their status, i.e. headmaster or class teacher (in the case of teachers), Second-class Clerk or Chief Clerk (in the case of Clerks); they should also state the ward in which they live. Applications should be addressed to the Lagos Census Officer, Federal Census Office, Block 2, Alagbon Close, or P.M.B. 12602, Lagos, to reach him not later than Saturday, the 10th March, 1962. Applicants from Government Departments should forward their applications through their Heads of Departments.
