Government Notice No. 848

Personal Income Tax (Lagos) Act, 1961
(1961, No. 23)

INCOME RATE 1962-63

It has come to my notice that some employers have already deducted from the total income of their employees the employees' 1962-63 Income Rate. Although it was the intention to recover the 1962-63 Income Rate in April 1962, very special circumstances arose which prevented the implementation of the original plan. Arrangements are, however, being made for the payment and collection of the 1962-63 Income Rate to be made in July 1962 and a notice of the amount to be paid and the time and place of payment will be published in the Gazette in due course.

Employers have shown good faith and co-operation in acting on paragraph 7 of the Circular "Income Rate Instructions to Employers" issued in Novem-

ber 1961 and this is very much appreciated. But, the attention of employers is, however, drawn to the fact that deductions from salaries, wages, pensions and other emoluments in respect of Income Rate for a year of assessment must not take place until a notice of the amount to be paid and the time and place of payment in respect of that year of assessment is published in the Gazette.
