SCHEDULE OF BILL PRESENTED FOR ASSENT

Long Title of Bill	Summary of Contents	Date passed by House of Representatives	Date passed by Senate
<p>A BILL for an Act to consolidate and amend the law relating to Exchange Control by conferring powers and imposing duties and restrictions in relation to gold, currency, payments, securities, debts and the imports, export, transfer and settlement of property and for other purposes connected therewith.</p>	<p>This Bill seeks to replace the Exchange Control Act (Cap. 63), and to provide for the independent status of Nigeria by simplifying the existing law and practice as to the control of transactions affecting gold, foreign exchange and securities. The principal changes reflected in the Bill are as follows:—(a) All currencies other than Nigerian pounds are to be "foreign currency"; and (b) All persons resident outside Nigeria are to be regarded as non-residents. The Bill also seeks to confer power for the Minister of Finance to delegate, with certain exceptions, powers conferred upon him subject to such conditions as he may impose. The Bill is divided into parts, of which,—(a) Part I prohibits, subject to such exemptions as may be granted by the Minister of Finance, all dealings in gold and foreign currency except through authorised dealers: (b) Part II seeks to provide or impose necessary restrictions on the making of payments both in Nigerian pounds and in foreign currencies: (c) Part III relates to the control of transactions in securities, and is designed to facilitate the transfer and registration of certain types of transactions in which only residents of Nigeria are concerned, but will restrict dealings in some cases: (d) Part IV will control the import and export of gold, sundry currency notes and securities and other documents, as a necessary complement to the powers to be conferred under Parts I, II and III of the Bill: (e) Parts V and VI relate to miscellaneous and supplemental provisions, and with reference thereto, clause 26 will enable the Minister of Finance to make exemption orders to mitigate the possible severity of the application of the Bill as an Act; clause 27 will provide a method whereby a debtor may discharge his debt to a non-resident without involving any immediate drain on foreign exchange resources by payment to a blocked account as therein defined; and clause 30 seeks to provide that official payments and other transactions within the scope of this Bill shall conform to exchange control requirements; and public corporations will likewise be affected.</p>	19-4-62	3-5-62
