Customs and Excise Notice No. 40

IMPORTATION OF MOTOR VEHICLE—ISSUING OF CERTIFICATES OF PAYMENT OF DUTY AND  
CERTIFICATES OF EXEMPTION FROM DUTY PRIOR TO REGISTRATION/LICENSING

In exercise of the powers conferred upon the Board of Customs and Excise under section 17 of the Customs and Excise Management Act (No. 55 of 1958), it is hereby notified for general information that every proprietor of or dealer in motor vehicles should be in possession of either of the Certificates mentioned hereunder as applicable as evidence that a particular vehicle has been subjected to the necessary Customs Formalities.

1. *Certificate of Payment of Duty—Book C.50 (Appendix "A")*.—At the time of importation the Department of Customs and Excise will issue a Certificate of Payment of Duty on a Motor Vehicle in triplicate to the importer in respect of every motor vehicle on which duty has been paid. The importer or owner will submit the three copies to the Motor Registration/Licensing Authority with his application for a motor vehicle licence. One copy (triplicate) is to be returned to, and to remain in custody of, the licensee after endorsement.

2. *Certificate of Exemption from Duty—Book C.51 (Appendix "B")*.—A certificate of Exemption from payment of Import Duty on a Motor Vehicle will also be issued in triplicate to a person or body of persons entitled to duty-free importation privileges. The certificate in triplicate will be surrendered to the Motor Registration/Licensing Authority with his application for a motor vehicle licence. One copy (triplicate) is to be returned to, and to remain in custody of, the licensee.

3. On issuing a licence to the owner, the Motor Licensing Authority will endorse and sign the Certificate of Issue of Licence on the reverse of the form, and forward the original to the Collector at the port or station of importation, retain the duplicate for reference purposes and hand over the third copy to the licensee.

4. *Privileged Persons entitled to full Diplomatic Privileges*.—Where a Privileged Person whose motor vehicle bears an FNCD plate intends to sell his car to a non-privileged person, he should first report the circumstances to the Customs. On payment of the duty on an assessed value, a Certificate of Payment of Duty will be issued in the same manner and this must be produced by the new owner of the vehicle to the Licensing Authority and it is to be disposed of as in 3 above.

5. *Privileged Persons not entitled to full Diplomatic Privileges*.—Where a privileged person who is not entitled to full Diplomatic privileges and, therefore, whose motor vehicle bears no FNCD plate, desires to sell his car, he should first of all pay the duty on an assessed value agreed to by the Customs. A certificate of Duty Payment in triplicate will thereupon be issued which must be produced by the new owner of the vehicle to the Registration/Licensing Authority even though the vehicle had previously been registered under an ordinary number plate.

6. Where a privileged Body or Establishment entitled to import a motor vehicle free of duty disposes of the vehicle to a non-privileged person, the Certificate of Duty Payment will also be insisted upon by the Registration/Licensing Authority.
