MINISTRY OF TRADE
PRESS RELEASE

In order to streamline the licensing procedure for 1966, it has been decided to register all importers following which a thorough classification will be carried out, with a view to grouping importers according to their potentiality and/or their known volume of trade.

Accordingly, Trade Questionnaire forms are being sent out to importers for completion and return to this office or, if in the Regions to the nearest office of the Federal Ministry of Trade.

Importers whose files have been dormant for sometime or would-be importers who have not received the Trade Questionnaire forms are therefore invited to call at the nearest office of the Federal Ministry of Trade to collect these forms before 30th September, 1965, since no one is likely to have a specific import licence in 1966 whose name does not appear on the register now being compiled in this office.
