(i) Applications from candidates not in Government Service should be completed on the prescribed form obtainable from the Secretary, Federal Public Service Commission, Lagos.

(ii) Applications from candidates in Government Service should be submitted through the applicant's Head of Department and the Secretary of the Public Service Commission concerned and be accompanied with confidential reports on the appropriate form.

Government Notice No. 2174 (2nd publication)

UNITED NATIONS EDUCATIONAL AND SCIENTIFIC
CO-OPERATION

VACANCY

POST DESCRIPTION

Title of post.—Programme Specialist.

Post Number.—NS-129.

Category and level.—Professional category (P-4).

Organisational location.—Department of Advancement of Sciences, Division of International Co-operation in Scientific Research and Documentation, (Unesco Paris).

Duties and responsibilities.—Under the supervision of the Chiefs of the Division of International Co-operation in Scientific Research and Documentation, the incumbent will be responsible, together with another Programme Specialist, for activities relating to scientific and technical documentation, bibliography and terminology, and in particular:

1. Planning and carrying out projects relating to scientific and technical documentation: abstracting, indexing and coding, standardization of scientific terms and multilingual lexicography, publication, bibliography.

2. Assisting in the development of Unesco programme in automatic documentation, namely in the organization of symposia, establishment of regional centres for co-ordinating these activities etc.

3. Advising and assisting in the creation and development of Scientific and technical national or regional documentation services through appropriate means, especially in the part concerning technical documentation.

4. Carrying out missions in relation with the above activities and performing such other related duties as may be assigned.

Qualifications and experience required.—(a) University degree in science or technology.

(b) Experience in the utilization of modern mechanical procedures in documentation.

(c) Extensive experience in a responsible position in a technical or scientific documentation centre; or in activities relating to technical or scientific documentation information; preference will be given to a specialist in technical documentation.

(d) Good knowledge of English or French, with ability to draft clearly and precisely in one of these languages. Working knowledge of the other language. Knowledge of other languages very desirable.

Salary and allowances.—Initial appointment will be at P-4 grade, with a gross salary equivalent to US \$11,400 which after deduction for the Unesco staff assessment corresponds to a net salary equivalent to \$8,930 per annum, payable mainly in French francs, plus the prescribed allowance. These emoluments are normally exempt from all direct taxation. Income tax on such remuneration, if levied, is reimbursed in accordance with Staff Regulations and Rules.

Closing date.—5th January, 1966—For receiving completed application forms in Paris.

Candidates should make request for official application forms through the Heads of Departments not later than 4th December, 1965 and return the forms duly filled through same to Secretary, Unesco National Commission for Nigeria, Federal Ministry of Education, Lagos.

Government Notice No. 2175 (2nd publication)

Government Notice No. 2226

FOOD AND AGRICULTURE ORGANISATION OF THE UNITED NATIONS

VACANCY

The posts mentioned below are vacant. Further details of each post will be made available by the Permanent Secretary, Ministry of Natural Resources and Research, Lagos, on request. All persons making enquiries about the post should state their qualifications and experience.

Applications must be addressed to Chief Recruitment Section, Personnel Branch, FAO, via delle Terme di Caracalla, Rome, Italy.

Post : VA. No. 1086 REGIONAL NUTRITION OFFICER (LATIN AMERICA) P-4.

The incumbent assists in developing the Nutrition Division program in Latin America with special responsibility for the northern countries of this region, including Mexico and the Caribbean and in close collaboration with the other Nutrition Officer (stationed in Santiago), as follows :

Collects, analyses and compiles periodic reports for Headquarters on the nutrition situation in countries of this region with a view to helping Governments to develop and formulate food policies and practical programs based on nutrition requirements, with particular reference to food consumption, state of nutrition, supplementary feeding programs, etc.

Promotes, encourages and supervises the EPTA Nutrition Projects in the region, and participates in the evaluation of their overall progress.

Participates in the Preparation of UNICEF—assisted Applied Nutrition and other programs and in their implementation. Participates in the preparation and organization of regional conferences and meetings relating to the field of nutrition and undertakes the preparation, as required, of related background documentation including any necessary special studies. Encourages and assists, through visits to government officials in the different countries in the Region, in the implementation of the recommendations made by FAO Conferences or Technical Committees and in particular of Regional Nutrition Conferences.

Maintains close contact with universities, research institutes and representatives of specialized agencies, particularly of UNICEF, WHO or of bilateral programs, to become familiar with

their plans and progress in the field of nutrition and to report thereon to Headquarters.

Performs other related duties as required.

Qualifications essential.—University degree supplemented by specialized studies in Nutrition.

Seven years of experience in the field of nutrition ; demonstrated extensive experience in food composition, dietary surveys and supplementary feeding programs, with special reference to these activities in Latin America. Good knowledge of Latin American continent and its people.

Ability to compile and present reports clearly. Ability to establish and maintain effective contacts and working relations with government officials and technical workers. Ability to work co-operatively with officials at all levels and of various nationalities.

Very good knowledge of Spanish and a good knowledge of at least one of the other official languages of the Organization (English or French).

Emoluments.—Based on US\$ equivalents, are net of national income tax. They are payable in the currency of the Duty Station and on request, partially in the currency of the Home Station :

Salary gross.—\$11,400-15,000 (Equivalent to a 'Net' range of \$8,930-11,420).

Family allowance.—Spouse \$400 Child \$300 Secondary dependent \$200.

Post adjustment p.a.—Variable according to cost of living and to dependency status, at present from \$1,056-1,968. Other benefits subject to specific terms of appointment.

Type of appointment.—Permanent.

Location.—Mexico City

Closing date.—29th November, 1965.

2. *Post :* VA. No. 1087 CHIEF TRADE SECTION P-4

Under the general guidance of the Branch Chief, the incumbent advises on the formulation and development of and assumes direct responsibility for organising, carrying out and supervising that part of the work program of the Statistics Division which relates to statistics of international trade in food and agricultural products. Specifically :

Organizes and supervises the systematic collection of statistics on trade in food and agricultural products from governments and international commodity organizations deriving, whenever possible, estimates of the volume and value of such trade for countries which do not publish or furnish to FAO adequate statistics on their foreign trade.

Is responsible for the preparation and the timely issuance of the FAO Trade Yearbook and of the trade tables for the FAO Monthly Bulletin of Agricultural Economics and Statistics ; and for the SOFA. Reviews, develops and improves in collaboration with other units of the Organization, the system for the processing of trade statistics and the rationalization of the whole process of compiling statistics of foreign trade in food and agricultural products.

Carries out research for the improvement of the quality of trade statistics published by FAO and develops suitable methodology for the construction of index numbers of quantum, unit value and total value of foreign trade in food and agricultural products.

Collaborates with other units of the Organization and with the United Nations Statistical Office, Regional Economic Commission and other International and Regional Agencies in matters affecting the coverage, comparability and quality of agricultural trade statistics.

Supervises the staff of the Trade Section.

Performs other professional duties as assigned.

Qualifications essential.—University degree in Statistics or Economics with broad statistical and economic training. Seven years' experience in Agricultural Statistics, preferably in relation to Statistics of External Trade. Very good knowledge of one of the official languages of the Organization.

Ability and initiative in planning and organizing the collection, analysis and publication of statistical data and in anticipating demand for special types of foreign trade statistics in food and agricultural products. Ability to plan, co-ordinate, control and distribute the work of the Section and to develop and maintain good working relationships with staff members of different nationalities and to co-operate effectively with people of various social and educational levels. Ability to write clearly and concisely.

Qualifications desirable.—Post-graduate work in the field of economics or statistics leading to Ph.D. degree. Very good knowledge of other official languages.

Emoluments.—Based on USS equivalents, are net of national income tax. They are payable in the currency of the Duty Station and on request, partially in the currency of the Home Station :

Salary Gross.—\$11,400-15,200 (Equivalent to a 'Net' range of \$8,930-11,420).

Family allowance.—Spouse \$400 Child \$300 Secondary dependent \$200.

Post adjustment p.a.—Variable according to cost of living and to dependency status, at present from \$1,320-2,460. Other benefits subject to specific terms of appointment.

Type of appointment.—Permanent.

Location.—Rome.

Closing date.—29th November, 1965.

3. Post : VA. No. 1088 CHIEF, PERSONNEL RELATIONS AND TRAINING SECTION P-4.

Under the general supervision of the Chief, Personnel Branch, is responsible for the development and operation of the Organization's Personnel Relations and Training Programs. Specifically :

Formulates policy recommendations on in-service training and career development.

Plans, supervises and evaluates staff education and training program.

Reviews and administers the Organization-wide briefing and orientation activities,

Co-ordinates the staff evaluation procedure.

Develops and supervises the staff counselling activities. Advises and assists in the development and application of up-to-date personnel management techniques in such fields as testing for admission for training programs and for employment or promotion for selected types of posts, performance measurement techniques, exit interviews and attitude surveys. Serves as assigned

as the departmental liaison, representative or adviser on such staff activities as the Elections Committee, the Staff Co-operative, staff welfare and retirement planning.

Qualifications essential.—University degree involving major work in public administration, psychology or personnel administration, with graduate degree preferable.

Seven years of progressively responsible experience in the administration of programs of training, staff relations and staff welfare. Research experience, university teaching and graduate study in relevant fields may substitute for up to three years of the seven years experience requirement.

Very good knowledge of one of the official languages of the Organization (English, French, Spanish).

Qualifications desirable.—Good knowledge of a second official language; working knowledge of Italian. Specific experience in training or other personnel activity involving a large international staff.

Emoluments.—Based on USS equivalents, are net of national income tax. They are payable in the currency of the Duty Station and on request, partially in the currency of the Home Station :

Salary gross.—\$11,400-15,200 (Equivalent to a 'Net' range of \$8,930-11,420).

Family allowance.—Spouse \$400 Child \$300, Secondary dependent \$200.

Post adjustment p.a.—Variable according to cost of living and to dependency status, at present from \$1,320-2,460. Other benefits subject to specific terms of appointment.

Type of appointment.—Permanent.

Location.—Rome.

Closing date.—30th November, 1965.

Advises and assists Member Governments in the initiation, organization and conduct of programs in pasture and fodder production.

Organizes, conducts and participates in technical meetings, training centres and seminars; performs technical secretarial duties in connection with such meetings.

Carries out studies and makes reports pertinent to the objectives of the Branch and FAO; prepares and edits publications, reports of technical meetings, etc.

Collaborates with workers within and outside the Division on projects and programs of common interest.

Makes inspections and reviews of field programs as required. Performs other related professional assignments.

Qualifications essential.—University degree equivalent to M.Sc. in Agriculture or Biological Sciences.

Seven years' experience of which at least five years of research or development experience in pasture or range management.

Very good knowledge of one of the official languages of the Organization (English, French or Spanish).

Administrative experience.

Ability to write clearly and concisely. Demonstrated high degree of technical competence in pasture or range management. Ability to work harmoniously and effectively with colleagues of various nationalities and with government officials.

Qualifications desirable.—Working knowledge of other official languages of the Organization.

Postgraduate studies to Ph.D. level in field of pasture or range management.

Experience in evaluating and implementing field projects.

Experience in underdeveloped countries.

Experience in cultivated forage and fodder production, pasture management and livestock husbandry.

Emoluments.—Based on US\$ equivalents, are net of national income tax. They are payable in the currency of the Duty Station and on request, partially in the currency of the Home Station:

Salary gross.—\$11,400-15,200 (Equivalent to a 'Net' range of \$8,930-11,420).

Family allowance.—Spouse \$400 Child \$300 Secondary dependent \$200.

Post adjustment p.a.—Variable according to cost of living and to dependency status, at present from \$1,320-2,460. Other benefits subject to specific terms of appointment.

Type of appointment.—Fixed term 36 Months.

Location.—Rome.

Closing date.—17th December, 1965.

5. *Post.*—VA. No. 1094 AGRICULTURAL INFORMATION OFFICER P-4

Under the direction of the Director, Division of Public Information, the incumbent will:

Plan, put into operation and carry out FAO's program of assistance to member countries in developing their agricultural information services through the use of modern mass communication techniques with emphasis on farm radio, rural television, visual information and aids, and publications.

In co-operation with consultants engaged specifically for the purpose, plan and organize FAO regional and national farm broadcasting and rural television seminars and training centers. Produce and distribute to member countries agricultural information for dissemination to farmers through mass communication media particularly as examples of the use of modern techniques in mass communication.

Initiate and be responsible for such studies in the field of agricultural information services as may from time to time be required.

Perform related duties as required.

Qualifications essential.—University degree or agricultural diploma of equivalent value.

Seven years at the professional level in the field of agricultural information and/or extension work in the developing countries.

Excellent knowledge of one of the official languages of the Organization (English, French or Spanish) with good working knowledge of the other two languages.

Ability to work in harmony with people of different nationalities and to conduct negotiations with officials of different governments in the field of agricultural information. Candidates must demonstrate or present samples of their work including radio recordings and interviews.

Qualifications desirable.—Five years' experience in farm broadcasting. Experience in the field of television.

Emoluments.—Based on US\$ equivalents, are net of national income tax. They are payable in the currency of the Duty Station and on request, partially in the currency of the Home Station.

Salary gross.—\$11,400-15,200 (Equivalent to a 'Net' range of \$8,930-11,420).

Family allowance.—Spouse \$400 Child \$300 Secondary dependent \$200.

Post adjustment per annum.—Variable according to cost of living and to dependency status, at present from \$1,320-2,460. Other benefits subject to specific terms of appointment.

Type of appointment.—Permanent.

Location.—Rome.

Closing date.—17th December, 1965.

6. *Post*: VA. No. 1095 CHIEF, AGRARIAN LAW SECTION P-4

Is directly responsible for the Branch's work program in the field of Agrarian Law, assisting the Branch Chief in organizing and planning with the corresponding technical and economics Divisions joint overall programs in this field.

Plans and implements individual work programs in collaboration with the competent technical and economics Divisions.

Organizes and plans the Branch's work in the above-mentioned fields, including *ad hoc* consultations from Member Governments.

Assigns work in this respect to legal research officers in this major section of the Branch's program. Gives them directives for its performance, advising them specially as regards selection of legislative sources; methods of research and analysis and adaptation to the requirements of the various technical subjects involved.

Keeps abreast of developments in the fields of comparative law affecting the above-mentioned subjects and of legislative techniques in their respect.

Prepares complete studies on subjects of major importance requiring application of comparative law techniques.

Assists member Governments and field experts in planning and drafting legislation relating to institutional elements in the agrarian structures.

Closing date.—17th December, 1965.

Prepares model laws and comments upon and reviews from the legal point of view draft legislative texts submitted by Member Governments, FAO Divisions and field experts.

Assists from the legal point of view in the preparation of regional land tenure studies and in the operation of training centers on land reform. Serves as counsel at expert panels' meetings, technical and regional meetings, study centers and seminars where legislative aspects are involved.

Performs other related professional duties as required.

Qualifications essential.—University degree with specialization in international public and private law and comparative law. Seven years' progressive experience in discharging responsible functions in an international organization, including extended experience in planning and organizing legal research work and in comparative law techniques. Experience of this kind or work at the international level.

Very good knowledge of one of the official languages of the organization (Spanish, English or French). Working knowledge of a second official language.

Knowledge of principles underlying the Common and Roman Law Systems. Ability to exercise

supervisory functions. Ability to plan legal research work and to advise legal research officers in this connection. Ability to prepare comparative studies of legislation of a highly specialized character in FAO's fields. Ability to draft and interpret legal texts of considerable complexity. Ability to serve as counsel at meetings.

Qualifications desirable.—Knowledge of principles underlying other systems of law. Knowledge of additional languages.

Emoluments.—Based on US\$ equivalents, are net of national income tax. They are payable in the currency of the Duty Station and on request, partially in the currency of the Home Station.

Salary gross.—\$11,400-15,200 (Equivalent to a 'Net' range of \$8,930-11,420).

Family allowance.—Spouse \$400 Child \$300 Secondary dependent \$200.

Post adjustment per annum.—Variable according to cost of living and to dependency status, at present from \$1,320-\$2,460. Other benefits subject to specific terms of appointment.

Type of appointment.—Fixed term NTE 30th September, 1967.

Location.—Rome.
