Government Notice No. 2328 (3rd publication)

FEDERAL MINISTRY OF INDUSTRIES

PUBLIC NOTICE

The Federal Government desires to establish, in collaboration with any foreign investor, Government or International Institution two plants for the production of edible salt at two major ports, preferably at two points, each with a maximum tonnage of 75,000 tons per annum under the following terms:—

(a) That the proposals should be economically viable and that price policies should be such as to maintain a stable price for salt during a specified period;

(b) That Government participation in equity shall not exceed 51% of the equity shares in both plants;

(c) That there should be provision for stockpiling of crude salt for at least one year in peace time and at least two years in war time;

(d) That the industry should be flexible enough to utilise local sources of raw materials when available in commercial quantities;

(e) That there should be provision in the proposals for the eventual manufacture of by-products, such as industrial salt, caustic soda, etc.;

(f) That the proposals submitted should not be based on a turn-key system;

(g) That no preference should be given to any one currency area;

(h) That the salt to be produced should be light density salt and not vacuum salt.

2. All applications already submitted should be revised along the terms set out in this Notice and re-submitted. Revised as well as fresh proposals should be marked "Secret" and forwarded to the Permanent Secretary, Ministry of Industries, Broad Street, Lagos, not later than 13th February, 1966. All proposals received will be evaluated in accordance with the normal Government procedure.

A. A. ATTA,
Permanent Secretary,
