**YABA COLLEGE OF TECHNOLOGY  
ADMISSIONS TO FULL-TIME  
COURSES, SESSION 1966-67**

Applications are invited from suitably qualified candidates for admission to the College courses listed below, which will begin in September 1966.

*Engineering and Building (Higher).*—Two-year courses open only to those who have either:

(a) a final Ordinary Certificate of C.G.L.I. in Mechanical or Electrical Engineering or Building, as appropriate to the course required, or

(b) an appropriate Diploma of the Yaba College of Technology or of a similar Government Technical College.

Applicants must state the precise course required (Mechanical Engineering, Electrical Engineering, Civil Engineering or Building).

The successful completion of one of these courses entitles the student to the award of the Yaba Higher Diploma and, in the case of students qualified under (a) above, to entry to the Higher Certificate examinations of C.G.L.I.

*Engineering and Building (Ordinary).*—Two-year courses open only to those who have one or more of the following qualifications:

(a) a Secondary Technical Certificate of the Yaba College of Technology, or

(b) a West African School Certificate with a pass in English Language and credits in Mathematics, Physics (or Physics-with-Chemistry), and in one other suitable subject, or

(c) a General Certificate of Education with passes at Ordinary Level in four subjects as listed in (b) above.

Applicants must state the precise course required (Mechanical Engineering, Electrical Engineering, Civil Engineering or Building).

The successful completion of one of these courses entitles the student to the award of the Yaba Diploma, and to entry to the Ordinary Technician's Diploma examinations of C.G.L.I.

*Laboratory Technician.*—A two-year course leading to the Science Laboratory Technician's examinations of C.G.L.I. Applicants should possess a West African School Certificate with credits in Mathematics and two Science subjects, but consideration may be given to others who can show evidence of adequate practical laboratory experience. Success in this course entitles the student to the award of a Yaba Diploma.

*Art.*—Two-and three-year courses open to candidates of not less than 18 years of age who hold a West African School Certificate or equivalent and can show evidence of artistic aptitude. In exceptional cases, candidates with lower qualifications may be admitted.

*General Art.*—A two-year intermediate level course in the various departments of Fine and Commercial Arts and Crafts.

*Commercial Art.*—Two-years' vocational training designed to produce Studio Assistants for advertising and similar trades.

*Fashion Design.*—A three-year course in Dress Design and Fashion Illustration.

*Printing.*—Two-three-year courses leading to the Intermediate stage of C.G.L.I. examinations in the relevant branches of the Industry. (Letterpress Machine Printing, and Compositor's Work).

Applicants should possess a West African School Certificate, but consideration may be given to those who show evidence of an adequate standard of education. Previous experience in the printing trade is desirable, but not essential.

Applicants must state the precise course required (Machine work or Compositor's work).

**Watch-Repairing.**—A three-year course giving vocational training in watch-repairing, open to holders of Government Secondary IV Certificates. Selection will be by aptitude test, and tests may be conducted in the Regions if numbers justify it.

By special arrangement with the Swiss Watch Industry, the fee for this course is reduced to £3 for the session.

**Accountancy and Secretaryship.**—Separate two-year courses open to those who have passed the preliminary examinations of A.C.C.A., C.C.S. or C.I.S., or who have been granted exemption therefrom by the relevant Association, or who hold a West African School Certificate with credits in four subjects including English and Mathematics.

Applicants must signify which of these three Associations' curricula they wish to follow.

At present, the courses extended only to the intermediate level of the professional bodies' examinations. The College Diploma in Accountancy or Secretaryship will be awarded on successful completion of the course.

**Stenography.**—Entry to this course is open to holders of a West African School Certificate. Previous knowledge or experience in Shorthand and Typewriting is not essential, and there is no upper limit to the proficiency which students may attain, subject to their own progress. The examination syllabuses of R.S.A. are followed. A Certificate in Stenography is awarded on successful completion of the course.

#### COLLEGE SESSIONAL FEES

	Tuition	Boarding
Higher Diploma, Accountancy and Secretaryship ..	£20	£40
Other College Courses (except Watch-Repairing) ..	£15	£30
Watch-Repairing ..	£3	£30

In addition to the above, a deposit of £5 is payable by all new entrants. External examination fees, where applicable, are extra. Students are expected to join the Students' Union annual subscription for which is £2.

Applications for entry to any of the above courses must be made on Form FT.66-67 which is obtainable from THE REGISTRAR, COLLEGE OF TECHNOLOGY, YABA, on production of a self-addressed envelope, and must be returned to him not later than 15th April, 1966.

Possession of any of the qualifications listed does not automatically entitle an applicant to entry to the College. The College reserves the right to select or reject students on the basis of their original applications, or by examination and/or interview, and the Principal's decision on the matter is final.

Boarding accommodation is limited, but is available at the Principal's discretion to applicants requesting it. It may not be possible to grant boarding facilities to all students who request it, and admission to a full-time course does not imply an offer to board.

It is not possible, at present, to provide boarding accommodation for female students.
