SHORT COURSE IN MATRIX AND
COMPUTER METHODS OF
STRUCTURAL ANALYSIS
6TH-9TH JANUARY, 1969

This course is sponsored by the Departments of Civil Engineering and Mathematics of Ahmadu Bello University. The four-day programme is intended to acquaint practising engineers with current mathematical and computer techniques in the design and analysis of structural systems.

The course covers the solution of design problems rather than computer programming and no prior computer knowledge or experience is required. Computer programmes necessary for the solution of selected problems will be supplied and participants will have ample opportunity to use the University's I.C.T. 1901 computer.

The cost of tuition for participants is £25-0s-0d.

Participants will be required to find their own accommodation. A number of Catering Rest Houses are available in Zaria and Samaru (as well as the University Conference Centre in Zaria) and particulars of these and further details of the course may be obtained from Professor A. Williams, Department of Civil Engineering, Ahmadu Bello University, Zaria.
