Government Notice No. 477

PAYMENT OF FEDERAL INCOME TAX

The Federal Board of Inland Revenue hereby reminds every individual who owes FEDERAL income tax (including income rate) in respect of any year of assessment up to and including 1967-68, and every company liable to income tax under the Companies Income Tax Act 1961 and owing tax for any year of assessment up to and including 1968-69, that full settlement of the outstanding tax must be made on or before 21st March, 1969, unless, in exercise of its powers under the appropriate section of the Personal Income Tax (Lagos) Act 1961 or the Companies Income Tax Act 1961 as the case may be, the Board has already communicated to a particular taxpayer its decision to extend the time for payment.

2. After 21st March, 1969, the statutory penalty of 10 per cent will, unless already imposed, be added to any outstanding tax in respect of which there is no arrangement for deferred payment. Appropriate legal proceedings, as provided for by the relevant Act, will also be taken in due course to recover both tax and penalty.

(A U.N.D.P. SPECIAL FUND PROJECT)

VACANCY FOR PROJECT CO-MANAGER

Applications are invited from suitably qualified Nigerian candidates for the post of Project Co-Manager of the Kainji Lake Research Project. The purpose of this project is to assist in the comprehensive development of man-made lake resources through research and surveys, the results of which will be made available to all States of Nigeria.

Qualifications.—A good Honours degree in Natural Science, Agricultural Science, Social Science or Economics and 5-7 years subsequent experience of research in, or the administrative application of, agricultural science, one of the social sciences, economics, wild life biology or fisheries biology or limnology. The possession of a Higher Degree in one of the above fields would be an advantage but is not essential provided the post-graduate experience is considered adequate.

Preference will be given to candidates originating from the Kwara and North-Western States of Nigeria but all applications will be considered upon their merit.

Candidates, whose age should not exceed 45 years, must be in good health with no physical disabilities and prepared to participate actively in an arduous work schedule much of which will take place out of doors and involve extensive touring with camp equipment.

Duties.—The successful candidate will, in consultation with the Project Manager, be responsible for all phases of the Government's participation in the project, including ensuring that Government contributions are made as scheduled, and that buildings, equipment, materials and facilities listed as counterpart contributions in kind in the Plan of Operation are available as needed and in due time; submit for appointment or approval by the Government candidates for counterpart and auxiliary staff posts and for fellowships previously agreed with the Project Manager; be responsible for the administrative supervision of counterpart professional and auxiliary personnel assigned to the project; assist the Project Manager in co-ordinating project activities of other Governmental Agencies and projects in fields of work related to the project.

Salary.—£N2,000-50-2,250 per annum.

Conditions of service.—The post is tenable for 5 years in the first instance, provided the appointment is effected in 1969. Basic emoluments are liable to income tax at the rates levied in Kwara State.

A loan for the purchase of a motor vehicle will be made available from Project funds, repayable over the period of tenure of office. A vehicle maintenance and operation allowance of £250 per annum will be payable in monthly instalments.

Accommodation, furnished to the usual Government standards, will be provided for which rental charges, amounting to 8½ per cent of basic emoluments, will be payable.

The successful candidate will be required to reside in New Bussa.

Although the post is non-pensionable and attracts no terminal gratuity at present, plans are afoot to establish a contributory superannuation scheme for the Kainji Lake Research Project staff.

Method of application.—Applications (type-written, single only) should reach the Director, Federal Department of Agricultural Research, Private Mail Bag 5042, Ibadan by 19th April, 1969. Applications should include a passport photograph and give details of personal data, including State of origin and age; education including schools and universities attended and dates and educational qualifications achieved together with photostat copies of the latter; brief details of previous and present employment with dates and testimonials; details of research and/or administrative experience relevant to the post and, in the case of research experience, a list of publications to date. UNESCO VACANCY

SPECIAL FUND APPOINTMENT

1. *Title of post.*—Expert in Land Survey (Geodesy)

2. *Location.*—Faculty of Engineering, University College, Nairobi, Kenya.

3. *Background and functions.*—The Government of Kenya is implementing a programme of expansion and improvement of its educational facilities for the training of professional engineers to meet the manpower requirements of economic and social development in Kenya and the countries of East Africa. In this connection, the University College, Nairobi, trains university-level professional engineers.

The College is one of the three Colleges forming the University of East Africa and now has the following Faculties:

Faculty of Arts	Faculty of Engineering
Faculty of Arts and Architecture	Faculty of Science
Faculty of Commerce	Faculty of Veterinary Medicine
Faculty of Education	Faculty of Medicine
Institute of Development Studies	Faculty of Agriculture

The United Nations Special Fund has provided assistance to the Faculty of Engineering during the period 1963-1968 and supplementary assistance is being provided until December 1971.

The Faculty offers full-time courses in:

Civil Engineering	Mechanical Engineering
Electrical Engineering	Land Survey

The duration of the initial courses leading to the B.Sc. degree in Land Survey is three and one-third years. There are facilities for research leading to the M.Sc. and Ph.D. degrees.

The planned student-intake into the Faculty in 1969 is 180 undergraduates, of whom about 20 will be in the Department of Land Survey.

UNESCO is the Executing Agency for this Project which provides part of the staff of the Faculty and also assists in planning teaching programmes in various specialities, in selecting equipment, and in teaching and research. UNESCO provides a team of seven international experts, offers twenty-seven man-years of fellowships to enable local staff to study teaching programmes and facilities abroad or to make special status in East Africa, and also provides funds for equipment.

During the period 1963-1968 over \$300,000 have been provided for equipment. In the period 1968-1971, only about \$60,000 will be spent on equipment as the Faculty is now well-equipped having funds from many sources. In this period funds have been allocated to train local East-Africans by means of local and overseas fellowships. The UNESCO experts will help to select these people, to devise training programmes and to see that they are implemented.

The experts are as follows:

- One expert in Electrical Engineering (Power)
- One expert in Civil Engineering (Soil Mechanics)
- One expert in Electrical Engineering (Communications)
- One expert in Agricultural Engineering
- One expert in Land Survey
- One expert in Mechanical Engineering
- One expert in Civil Engineering (Public Health Engineering)

The expert in Land Survey will be expected *inter alia*:

(a) to examine the existing equipment and the curricula of the source of Land Survey and allied subjects and draw up proposals to improve them to meet the objectives of the project;

(b) to supervise the installation of Special Fund equipment;

(c) to train local counterpart teaching personnel who will continue the programme initiated herein;

(d) to teach subjects and conduct research in the field of the geodetic sciences in the class-room, laboratory and field.

4. *Qualifications.*—Post-graduate degree in one of the geodetic sciences. Several years' professional experience and/or of research in the geodetic sciences is required. Lecturing experience in a university would be an advantage.

5. *Language requirements.*—Excellent command of English and ability to give lectures in the language.

6. *Duration of appointment.*—2 years from August 1969.

7. *International salary and allowances.*—(Net of national income tax—payable partly in the currency of the staff member's home or of the duty station).

Base salary per annum:

**NIGERIA SECONDARY SCHOOLS COMMON
ENTRANCE EXAMINATION—**

22ND MAY, 1969

The attention of schools entering candidates for the 1969 Nigeria Secondary Schools Common Entrance Examination is drawn to the following :

1. The Federal Ministry of Education has decided that no further intake should be made into the Secondary School Section of the Yaba

College of Technology with effect from January, 1970. Candidates are therefore requested NOT to choose the Yaba College of Technology when completing the Schedule of Entries and Individual Entry Forms for the Nigeria Secondary Schools Common Entrance Examination.

2. The List of Secondary Schools in the Mid-West has been amended in the light of representations received. The amended list is being sent to all schools which entered candidates.

3. Additional examination centres have been created at the following places :

(a) Mid-West State : Emevor, Oleh and Ozoro.

(b) North-Eastern State : Bauchi and Yola.

(c) North-Western State : Bida and Katsina.

4. Heads of Primary Schools who have already returned the Schedules of Entries as well as other candidates who wish to select another school in place of Yaba College of Technology or who wish to change the centre for the examination should inform the Council of the amendments they wish to make by telegram or by letter not later than 5th April, 1969.

5. Candidates from Benue-Plateau, Kano, Kwara, North-Central, North-Eastern and North-Western States who wish to be considered for admission into the Federal Government Colleges at Sokoto and Warri will not be required to add two copies of photographs to their application forms. Those of them invited at a later stage for interviews should take two certified copies of their photographs to the interview.

6. The date of the examination, 22nd May, 1969 remains unchanged.
