Government Notice No. 755

FEDERAL MINISTRY OF EDUCATION
YABA COLLEGE OF TECHNOLOGY
YABA, LAGOS

PART-TIME DAY RELEASE COURSES

The College will re-open for Part-Time Day Release Classes on 6th October, 1969.

RE-ENROLMENTS

Students who successfully complete the 1968-69 session may be re-enrolled on receipt of application form and fees. Applications should be received by 13th June, and fees not later than 26th September.

NEW ENROLMENTS

In the case of employed Part-Time students they or their employers will be expected to make arrangements for their release from duty at appropriate times in order that they may attend classes. Day Releases students normally attend on one day (from 7.45 a.m. to 2.15 p.m.) and two or more evenings per week (from 6 to 8 p.m.).

In the case of sponsored students the sponsor will be expected to give a guarantee that:

- The student is a bonafide employee.
- He will be responsible for all fees and charges payable by the student.

The following courses are offered on a day release basis.

ENGINEERING TECHNICIAN COURSES

(A) Two separate two-year courses leading respectively to the Mechanical (293) and Electrical (57) Technician's Part I Certificate examination of City and Guilds of London Institute.

Qualification for entry

- a West African School Certificate including Mathematics and a suitable science subject; or
 - four General Certificate of Education passes at Ordinary Level including English, Mathematics and a suitable science subject; or
 - Satisfactory completion of 'G' course; or
 - Consideration will be given to applicants holding a satisfactory craft practice qualification.
- (B) Two separate two-year courses leading respectively to the Mechanical (293) and Electrical (57) Technician's Part II certificate examinations of City and Guilds of London Institute.

Qualifications for entry are:

- an appropriate Technician's Part I certificate; or
- and Ordinary Certificate or O.N.C.

Application for engineering courses should come through a bonafide employer, and the employer must give an assurance that the candidate is engaged on work of a nature suitable to the proposed course and that he is a genuine employee.

LABORATORY TECHNICIAN COURSE

A three-year course based on City and Guilds of London Institute syllabus 119. Students who complete the course may sit the final examinations for the Yaba Laboratory Technician Diploma as well as the City and Guilds of London Institute certificate.

Entry qualification is a West African School Certificate or equivalent with a pass in English and credits in Mathematics and two Science subjects and a pass in a third Science subject or equivalent. Private students may enrol for this course.

ADVANCED LABORATORY TECHNICAL COURSE

A two-year course based on City and Guilds of London Institute course 119. Entrance qualification required is possession of the corresponding ordinary (previously intermediate) certificate of City and Guilds of London Institute together with at least two years practical experience.

Alternatively, G.C.E. A Level in two suitable Science subjects plus three years subsequent laboratory experience. Subjects offered: Techniques of Chemistry, Microbiology, Physics, and General Laboratory Techniques. Other subjects might be available if candidates can make arrangements for tuition in special techniques or if there is sufficient demand.

(a) CRAFT CERTIFICATE IN COMPOSING SUBJECTS

(b) BOOKBINDING AND WAREHOUSE PRACTICE

Two three-year part time day release courses in Composing subjects and Book-binding and Warehouse Practice, leading to the Basic Craft Certificate examinations of C.G.L.I. Applicants must be currently employed in the Printing Industry.

A further two-year course of study will lead to the Advanced examinations of City and Guilds in the subjects concerned.

FEES

Tuition fee is £9 per session; in addition to this a deposit of £5 is payable by all students. Students are expected to join the Students' Union at a special reduced fee of 2s-6d per year. External examination fees, which are not included in the tuition fee, are usually payable during the first term.

GENERAL INFORMATION

Students must supply their own stationery, text books and instruments of a type and quality specified by the College. Engineering students should supply their own T-squares.

Application for entry to any of the above courses must be made on form DR/69-70 which is obtainable from the Registrar, Yaba College of Technology, Yaba on production of a stamped self-addressed envelope of 9" x 4" and must be returned to him not later than 31st May, 1969. Re-enrolment should be made before 30th August. Late entries will not be entertained. The courses advertised above will only operate if a suitable number of qualified candidates enrol.

The College reserves the right to suspend students who do not obtain the required books and equipment.

FEDERAL MINISTRY OF WORKS AND HOUSING
TENDERS FOR THE SUPPLY OF
LUBRICANTS

Tenders are invited for the supply of lubricants comprising oils and greases of different grades to the Federal Ministry of Works and Housing for the period 1st July, 1969 to 30th June, 1971.

2. Official tender documents including the official tender forms and a specimen copy of the contract agreement which provide full particulars of the conditions of contract, details of specifications and estimated annual consumption requirements of the lubricants may be obtained from the Chief Stores Officer, Administrative Division, Federal Ministry of Works and Housing, Main Stores, Ijora, on written application to him.

3. Tenderers are each required to pay non-refundable deposits of £25 (Twenty-five pounds) into any Sub-Treasury in Nigeria under the Revenue Head—Earnings and Sales, Sub-head—Other of the current Federal Military Government estimates. No official tender documents will be issued unless on the production of the original and photostat copies of the Treasury receipts for payments of the deposits to the Chief Stores Officer mentioned above. He will retain the photostat copies and return the originals to the tenderers with the documents.

4. No tenders will be considered unless they are submitted in full compliance with the provisions of this notice.

5. Expatriate firms wishing to tender should indicate whether or not their companies are established in Nigeria in accordance with the Immigration Act.

6. Tenders will also not be considered unless submitted on the official tender forms in envelopes or packages marked "Confidential—Tenders for the supply of Lubricants", sealed with sealing wax and addressed to the Secretary, Federal Tenders Board, Federal Ministry of Works and Housing, Awolowo Road, Lagos, so as to reach him not later than 12 noon on Saturday, 14th June, 1969.

7. The Board is not bound to accept the lowest or any tender.

J. OLUSOLA DADA,
Secretary,
Federal Tenders Board

TO239

Government Notice No. 759

MINISTRY OF DEFENCE

TENDERS FOR THE SUPPLY OF GAS TO THE
NIGERIAN ARMY, 1969-71

Tenders are invited for the supply of certain quantities of gas to the following Armed Forces establishments for the period of 1st July, 1969 to 31st March, 1971.

(a) *Armed Forces Hospital/Convalescent Homes in Lagos Area.*

15,000 lbs. gas per month per cylinder of 28 lbs. weight and not exceeding 120 lbs. weight;

(b) *Nigerian Army Depot, Zaria.*

10,000 lbs. gas per month per cylinder of 28 lbs. weight and not exceeding 120 lbs. weight;

(c) *Nigerian Military School, Zaria.*

5,000 lbs. gas per month per cylinder of 28 lbs. weight.

2. Copies of approved TENDER FORM and Contract Agreement may be obtained from the office of the Director of Supplies and Transport, Nigerian Army Headquarters, Ministry of Defence, Lagos or from the Commanding Officer of the establishment concerned. Closing date for the issue of Tender Forms is 29th May, 1969.

3. Tenderers are required to pay a non-refundable deposit of £10 (ten pounds) for supply to each establishment to any Sub-Treasury in Nigeria under Head 6, Sub-head 15 of the current Federal Military Government Estimates. No official Tender documents will be issued unless on the production of the original and photostat copies of the Treasury Receipt. The photostat copies will be retained by the Army authorities and the original returned to the tenderers. The original should be attached to the completed Tender Form to be submitted to the Secretary of the Tenders Board.

4. Tenders will not be accepted unless submitted on the approved official Tender Form, which when duly completed, should be enclosed in a sealed envelope marked "Confidential" and below this, print the name of the establishment you are tendering for. The envelope should then be addressed to the Secretary, Armed Forces Tenders Board, Ministry of Defence, Lagos, and deposited either personally, or through your agent, in the official Tender Box in the Ministry of Defence, not later than 0900 hours on Tuesday, 10th June, 1969. Tenders sent by registered post are also acceptable provided these are received before the closing date.

Registrar

*Government Notice No. 722 (2nd publication)*MINISTRY OF AGRICULTURE AND
NATURAL RESOURCES

VACANCY FOR ONE LIBRARY OFFICER

Applications are invited from suitably qualified candidates for the post of Library Officer in the Federal Department of Agricultural Research.

Salary scale.—C(E) 2, 3, 4—£648, £675, £702, £786, £822, £855, £888, £924, £960, £996, £1,032, £1,074, £1,116.

Qualifications.—(i) General Degree preferably with First Professional Examination of the Library Association.

(ii) Non-graduate holders of the Ibadan University Library Diploma.

Duties.—The Library Officer will be expected to assist the Librarian, and to carry out such duties as may be assigned to him. These will include the selection, acquisition and processing of books, periodicals and other Library materials pertaining to agricultural research. The Library Officer will be expected to answer research reference enquiries and undertake literature searches for the research staff. He will also assist in the general administration of the Library and in the editing and printing of departmental publications.

Condition of service.—The post is pensionable, and new entrants to the service will normally be on probation for 3 years. Other conditions of service are according to existing Federal Government Regulations.

Method of application.—Applications should be addressed to the Secretary, Federal Public Service Commission, Private Mail Bag 12586, Lagos, so as to reach him not later than 31st May, 1969.

Applications from candidates not in Government Service should be completed in duplicate on the prescribed form which may be obtained from the Secretary, Federal Public Service Commission.

Applications from candidates in Government Service should be submitted through the applicant's Head of Department and should be accompanied by a confidential report on the appropriate Confidential Report Form.

*Government Notice No. 723 (2nd publication)*NIGERIAN INSTITUTE FOR
OIL PALM RESEARCH

VACANCY

Applications are invited from suitably qualified candidates for the post of Agronomist in the Nigerian Institute for Oil Palm Research.

Duties.—Research into the improvement of the cultivation of the oil palm and coconut palm including fertilizer and other cultural experiments on modern statistical lines. The officer will be expected to approach the problems from a practical angle and must have aptitude for adapting and applying the work of other specialist officers to suit prevailing conditions in Nigeria.

Qualifications.—(i) Good honours degree in Botany or Agriculture.

(ii) Two years post-graduate training or approved experience in agricultural research.

(iii) Good knowledge of statistical field experimentation.

Salary.—£960-60-1,120; £1,170-60-1,290; £1,350-60-1,740; £1,500-60-2,100 per annum, point of entry depending on qualification and experience.

Conditions of service.—The post is permanent and pensionable. Other conditions of service are similar to those in the Federal Public Service.

Applications should be addressed to the Acting Director, Nigerian Institute for Oil Palm Research, Private Mail Bag 1030, Benin City and received not later than 20th May, 1969. Applications from candidates not in Government Service should be completed on the prescribed form which can be obtained from the Institute. Applications from candidates in Government Service or associated Research Institutes should be submitted through the appropriate Head of Department and be accompanied by a confidential report.

Duties and responsibilities.—Under the supervision of the Director of the Department, the incumbent will be responsible for planning, directing and evaluating the operations of the Division of Scientific Documentation and Information, and in particular:

1. Planning and directing Unesco's activities in the field of scientific documentation and information, in collaboration with the competent scientific professional governmental and non-governmental organizations; preparing and executing, in conjunction with ICSU, a study on the feasibility of a world science information system and promoting activities related to this study;

2. Advising and assisting Member States in the application of modern methods of documentation and information in the field of science and technology;

3. Advising, in close collaboration with the Department of Documentation, Libraries and Archives, on the creation and development, through appropriate means, of national and/or regional scientific and technical documentation centres;

4. Preparing or supervising the preparation of special studies, surveys and publications concerning the standardization of scientific terminology;

5. Advising on and organizing international activities concerned with the improvement of primary and secondary scientific journals;

6. Representing Unesco at international meetings dealing with matters concerning the programme of the Division; carrying out missions in relation with the above activities and performing such other related duties as may be assigned.

Qualifications and experience required.—(a) University degree in science or technology.

(b) Extensive experience in a responsible position in a technical or scientific documentation centre, or in activities relating to technical and scientific documentation and information; preference will be given to a specialist with experience in the utilization of modern mechanical procedures in documentation; experience in system design very desirable.

(c) Good knowledge of English or French, with ability to draft clearly and precisely in one of these languages. Working knowledge of the other language. Knowledge of other languages very desirable.

Salary and allowances.—Initial appointment will be at D-1 grade, with a gross salary equivalent to US \$21,960 per annum which, after deduction for the Unesco staff assessment corresponds to a net salary equivalent to US \$16,074 per annum, payable mainly in French francs, plus the prescribed allowances. These emoluments are normally exempt from all direct taxation. Income tax on such remuneration, if levied, is reimbursed in accordance with the Staff Regulations and Rules.

Method of application.—Applications have to be made on special Curriculum Vitae forms, which can be obtained, in person or by post, from the Secretary, Unesco National Commission for Nigeria, Federal Ministry of Education, Senate Buildings, Lagos.

All applications for Curriculum Vitae forms should state:

(a) the particular advertisement for which the forms are wanted—please quote reference number where supplied.

(b) very brief (2 or 3 lines) summary of applicant's qualifications for the post in terms of:—

(i) Basic academic or professional qualifications;

(ii) number of years post-qualification experience;

(iii) Languages spoken.

Please enclose a stamped addressed envelope (4" x 9").

Closing date.—Filled C.V. forms should be returned to reach the Secretary, Unesco National Commission for Nigeria not later than 10th May, 1969.

Government Notice No. 727 (2nd publication)

UNESCO VACANCY

SPECIAL FUND APPOINTMENT

1. *Title of post.*—Expert in Survey and Photogrammetry.

2. *Location.*—The University College, Nairobi, Kenya.

3. *Background and functions.*—The Government of Kenya is implementing a programme of expansion and improvement of its educational facilities for the training of professional engineers to meet the manpower requirements of economic and social development in Kenya and the countries of East Africa. In this connection, the University College, Nairobi, trains university level professional engineers.

The College was constituted in its present form from the end of 1960 and it now has the following faculties :

Faculty of Arts
Faculty of Science
Faculty of Art and Architecture
Faculty of Special Professional Studies
Faculty of Engineering

United Nations Special Fund Assistance was directed to the development of the Faculty of Engineering of the College during 1963-1968. An extension of this project to 1971 is foreseen.

The Faculty offers full-time courses in :

Civil Engineering
Electrical Engineering
Mechanical Engineering
Survey and Photogrammetry

The duration of the four courses of the Faculty is three years and one term. The total enrolment in the Faculty of Engineering degree course is about 340 students. These courses lead to the D.Sc. (Engineering) examination of the University of East Africa. The planned in-take for 1969 is 170 students.

Unesco is the Executing Agency for this project which will provide a part of the staff of the school with assistance in programming the various specializations with experience in the teaching of individual subjects, with new or improved engineering courses and with additional facilities and equipment. For this purpose, Unesco provides the services of a team of seven international experts, offers fellowships to local experts to enable them to study teaching programmes and facilities abroad and provides over \$300,000 for the purchase of equipment. The experts are :

One expert in Electrical Power Engineering
One expert in Civil Engineering
One expert in Telecommunications
One expert in Agricultural Engineering
One expert in Survey and Photogrammetry
One expert in Mechanical Engineering
One expert in Sanitary Engineering

The expert in Survey and Photogrammetry is expected *inter alia* :

(a) to teach advanced geodesy and related courses and to conduct research in the field of the geodetic sciences.

(b) to examine existing research and laboratory equipment and draw up proposals for additional equipment requirements to help meet the objectives of the project ;

(c) to help recruit and train local counterpart staff to take over the duties of the expert at the conclusion of the project;

(d) to advise on curriculum matters.

4. *Qualifications.*—Post-graduate degree in one of the geodetic sciences. Several years' professional experience, lecturing in a university, and research in the geodetic science is required.

5. *Language requirements.*—Good command of English and ability to give lectures in the language.

6. *Duration of appointment.*—1 year, commencing September 1969.

7. *International salary and allowances.*—(Net of national income tax—payable partly in the currency of the staff member's home or of the duty station).

Base salary per annum:

equivalent to	Gross: \$19,120
	Net: \$14,228

Post adjustment (Cost of living, subject to change without notice) at this date: the local equivalent of ..	\$612
(\$408 if without dependants)	

Assignment allowance (Expatriate allowance): the local equivalent of	\$1,400
(\$1,100 if without dependants)	

Family allowances: dependent spouse	\$400
each dependent child ..	\$300

Travel is provided for the expert and his dependants (spouse and children under 18 years of age). In addition, Unesco contributes towards the cost of installation at the duty station, the education of dependent children and the medical expenses of the staff member. On separation from Unesco, a repatriation grant is paid.

8. *Method of application.*—Applications have to be made on Special Curriculum Vitae forms, which can be obtained, in person or by post, from the Secretary, Unesco National Commission for Nigeria, Federal Ministry of Education, Senate Buildings, Lagos.

All applications for Curriculum Vitae forms should state:

(a) the particular advertisement for which the forms are wanted—please, quote reference number where supplied;

(b) very brief (2 or 3 lines) summary of applicant's qualifications for the post in terms of:—

(i) basic academic or professional qualifications;

(ii) number of years post-qualification experience;

(iii) Languages spoken.

Please, enclose a stamped addressed envelope (4" x 9").

9. *Closing date.*—Filled C.V. forms should be returned to reach the Secretary, Unesco National Commission for Nigeria not later than 10th May, 1969.

Government Notice No. 728 (2nd publication)

WESTERN STATE COURT OF APPEAL

VACANCY IN THE POST OF SENIOR ASSISTANT LIBRARIAN

Applications are invited from suitably qualified candidates for a vacancy in the post of Senior Assistant Librarian in the establishment of the Western State Court of Appeal, Ibadan, Western State of Nigeria.

2. *Qualifications.*—Candidates must have passed, at least, three parts of the Library Association Professional Registration Examination or possess a university degree or equivalent.

3. *Salary.*—Scale C(E) 2, 3—(£621-960).

4. *Duties.*—Circulation of current periodicals and articles. Supervision of book-keeping routines and accessioning of pamphlets. Acting as readers' adviser in lending libraries, checking book invoices and the supervision of subordinate staff.

5. *Conditions of service.*—The post is pensionable and in the case of a new entrant into the Public Service, appointment will normally be on probation for three years.

6. *Methods of application.*—Applications from candidates not in Government Service should be completed in triplicate on Form WNPSC. 1, obtainable from the Secretary, Public Service Commission, Ibadan, and from the Federal and any other State Public Service Commissions. Applications from candidates in a Public Service other than that of Western State of Nigeria should be submitted in letter form through the appropriate Public Service Commission accompanied by copies of confidential reports for the last three years. All applications should reach the Secretary, Public Service Commission, Ibadan, not later than 31st May, 1969.

7. *Closing date.*—All applications should be submitted to reach the Secretary, Public Service Commission, Ibadan, Western State of Nigeria, not later than 31st May, 1969.

FEDERAL MINISTRY OF AGRICULTURE AND
NATURAL RESOURCES

KAINJI LAKE RESEARCH PROJECT

(A U.N.D.P. SPECIAL FUND PROJECT)

VACANCY FOR PROJECT CO-MANAGER

Applications are invited from suitably qualified Nigerian candidates for the post of Project Co-Manager of the Kainji Lake Research Project. The purpose of this project is to assist in the comprehensive development of man-made lake resources through research and surveys, the results of which will be made available to all States of Nigeria.

Qualifications.—A good Honours degree in Natural Science, Agricultural Science, Social Science or Economics and 5-7 years subsequent experience of research in, or the administrative application of, agricultural science, one of the social sciences, economics, wild life biology or fisheries biology or limnology. The possession of a Higher Degree in one of the above fields would be an advantage but is not essential provided the post graduate experience is considered adequate.

Preference will be given to candidates originating from the Kwara and North-Western States of Nigeria but all applications will be considered upon their merit.

Candidates, whose age should not exceed 45 years, must be in good health with no physical disabilities and prepared to participate actively in an arduous

work scheduled much of which will take place out of doors and involve extensive touring with camp equipment.

Duties.—The successful candidate will, in consultation with the Project Manager, be responsible for all phases of the Government's participation in the project, including ensuring that Government contributions are made as scheduled, one that buildings equipment, materials and facilities listed as counterpart contributions in Kind in the Plan of Operation are available as needed and in due time; submit for appointment or approval by the Government candidates for counterpart and auxiliary staff posts and for fellowships previously agreed with the Project Manager; be responsible for the administrative supervision of counterpart professional and auxiliary personnel assigned to the project; assist the Project Manager in co-ordinating project activities of other Government Agencies and Project in fields of work related to the project.

Salary.—£N2,000-50-2,250 per annum.

Conditions of service.—The post is tenable for 5 years in the first instance, provided the appointment is effected in 1969. Basic emoluments are liable to income tax at the rates levied in Kwara State.

A loan for the purchase of a motor vehicle will be made available from Project funds, repayable over the period of tenure of office. A vehicle maintenance and operation allowance of £250 per annum will be payable in monthly instalments.

Accommodation, furnished to the usual Government standards, will be provided for which rental charges, amounting to $8\frac{1}{2}$ per cent of basic emoluments, will be payable.

The successful candidate will be required to reside in New Bussa.

Although the post is non-pensionable and attracts no terminal gratuity at present, plans are afoot to establish a contributory superannuation scheme for the Kainji Lake Research Project staff.

Method of application.—Application (type-written, single only) should reach the Director, Federal Department of Agricultural Research, Private Mail Bag 5042, Ibadan by 23rd May, 1969. Applications should include a passport photograph and give details of personal data, including State of origin and age; education including schools and universities attended and dates and educational qualifications achieved together with photostat copies of the latter; brief details of previous and present employment with dates and testimonials; details of research and/or administrative experience relevant to the post, and, in the case of research experience, a list of publications to date. The names of two referees able to comment from experience on the suitability of the candidate for the post should be given. Applicants in Government Service or in the Public Corporations must submit their applications through the Head of their Department and each application must be accompanied by an up-to-date confidential report.

KAINJI LAKE RESEARCH PROJECT

(A U.N.D.P. SPECIAL FUND PROJECT)

VACANCY FOR A PUBLIC HEALTH
OFFICER

Applications are invited from suitably qualified Nigerian candidates for the post of Public Health Officer with the Kainji Lake Research Project. The purpose of the project is to assist in the comprehensive development of man-made lake resources through research and surveys, the results of which will be made available to all the States of Nigeria.

Duties.—The successful candidate will be required to assist the U.N.D.P. public health expert in studies on the vectors of malaria, schistosomiasis, onchocerciasis, trypanosomiasis and other diseases in co-operation with the appropriate public health authorities. There will be a need for specialised studies on the human hosts of these parasites and various alternative methods of control. Some of the public health problems arising from dam construction and resettlement may also be studied if they are not covered by the programmes of the existing agencies.

Qualification.—Medical Practitioners registered with the Nigerian Medical Council and possessing a post-graduate Diploma in Public Health or its equivalent are eligible to apply for this post. Preference will be given to candidates who have 2-3 years subsequent research experience in the field of public health. Candidates, whose age should not exceed 40, must be in good health and with no physical disabilities and prepared to participate actively in a programme of public health studies much of which will be conducted in the field and will involve extensive touring with camp equipment.

Salary.—£1,850-50-2,100 per annum.

Conditions of service.—The post is tenable for 5 years in the first instance, provided the appointment is effected in 1969. Basic emoluments are liable to income tax at the rates levied in Kwara State.

A loan for the purchase of a motor vehicle will be made available from Project funds, repayable over the period of tenure of office. A vehicle maintenance and operation allowance of £250 per annum will be payable in monthly instalments.

Accommodation, furnished to the usual Government standards, will be provided for which rental charges, amounting to 8½ per cent of basic emoluments will be payable.

The successful candidate will be required to reside in New Bussa.

Although the post is non-pensionable and attracts no terminal gratuity at present, plans are afoot to establish a contributory superannuation scheme for the Kainji Lake Research Project staff.

Method of application.—Applications (type-written, single only) should reach the Director, Federal Department of Agricultural Research, Private Mail Bag 5042, Ibadan by 23rd May, 1969. Applications should include a passport photograph and give details of personal data, including State of origin and age; education including schools and universities attended with dates and educational qualifications achieved together with photostat copies of the latter;

brief details of previous and present employments with dates and testimonials; details of Research and/or administrative experience relevant to the post and, in the case of research experience, a list of publications to date. The names of two referees able to comment from experience on the suitability of the candidate for the post should be given. Applicants in Government Service or in the Public Corporations must submit their applications through the Head of their Department and such application must be accompanied by an up-to-date confidential report.

The purpose of the project is to assist in the comprehensive development of a man-made lake resources through research and surveys, the results of which will be made available to all States of Nigeria.

Duties.—The successful candidates will be required to assist a U.N.D.P. wildlife ecologist in studying the wildlife resources of the area with the object of promoting their conservation whilst permitting their exploitation as a tourist attraction.

Qualification.—A good Honours degree in an appropriate Natural Science, *i.e.*, Botany, Plant Science, Zoology, with preferably 2-3 years post graduate research experience in wildlife ecology. Possession of a Higher Degree would be an advantage.

Candidates, whose age should not exceed 35 years must be in good health with no physical disabilities and prepared to participate actively in a programme of research much of which will be conducted in the field and will involve extensive touring with camp equipment.

Salary.—Recent graduates will enter on a salary scale of £1,000-40-1,200. Possessors of a higher degree and/or 2-3 years experience of research in wildlife ecology will enter on a salary scale of £1,400-40-1,600.

Conditions of service.—The post is tenable for 5 years in the first instance, provided the appointment is effected in 1969. Basic emoluments are liable to income tax at the rates levied in Kwara State.

A loan for the purchase of a motor vehicle will be made available from Project funds, repayable over the period of tenure of office. A vehicle maintenance and operation allowance of £250 per annum will be payable in monthly instalments.

Accommodation, furnished to the usual Government standards, will be provided for which rental charges, amounting to 8½ per cent of basic emoluments, will be payable.

The successful candidate will be required to reside in New Bussa.

Although the post is non-pensionable and attracts no terminal gratuity at present, plans are afoot to establish a contributory superannuation scheme for the Kainji Lake Research Project staff.

Method of application.—Applications (type-written single only) should reach the Director, Federal Department of Agricultural Research, Private Mail Bag 5042, Ibadan by 23rd May, 1969. Applications should include a passport photograph and give details of personal data, including State of origin and age; education including schools and universities attended with dates and educational qualifications achieved together with photostat copies of the latter, brief details of previous and present employments with dates and testimonials; details of research and/or administrative experience relevant to the post

and, in the case of research experience, a list of publications to date. The names of two referees able to comment from experience on the suitability of the candidate for the post should be given. Applicants in Government Service or in the Public Corporations must submit their applications through the Head of their Department and such application must be accompanied by an up-to-date confidential report.

Government Notice No. 760

Government Notice No. 765

Export of Nigerian Produce Act 1958
(No. 36 of 1958)

NORTHERN STATES PRODUCE ORDER 1969

Commencement : 13th May 1969

In exercise of the powers conferred by section 3 (b) of the Export of Nigerian Produce Act 1958, the Commissioner for Trade and Industries, after consultation with the Governments of the Northern States, hereby removes ginger from the order published in the Federation of Nigeria *Official Gazette*, No. 59, Vol. 50 of the 8th August, 1963, by which the Nigerian Produce Marketing Company Limited was empowered exclusively to export ginger from the North to all countries.

MADE at Lagos this 13th day of May, 1969.

I. M. DAMCIDA,
Permanent Secretary,
Federal Ministry of Trade, Lagos

EXPLANATORY NOTE

The effect of this Notice is that ginger can now be freely exported by individual firms in Nigeria without an export licence.

Printed and Published by The Federal Ministry of Information, Printing Division,
Lagos, Nigeria. 700/569/5,700
