UNESCO VACANCY

SPECIAL FUND APPOINTMENT

1. *Title of post.*—Specialist in Mechanical Engineering (Drawing and Design).

2. *Location.*—Kenya Polytechnic, Nairobi, Kenya (Phase II).

3. *Background.*—The Government of Kenya is implementing a programme of expansion and improvement of its educational facilities to train the technical manpower required to meet the needs of its economic and social development plan. It has established the University College at Nairobi in which the Faculty of Engineering trains civil, mechanical and electrical engineering graduates and land surveyors. It has also established the Kenya Polytechnic, Nairobi, for the training of sub-professional engineers, technicians and other personnel.

It is expanding its facilities for craft and pre-technical courses in the secondary trade and technical schools.

The Government is receiving assistance from the United Nations Special Fund, with Unesco as its Executing Agency, to improve and expand the facilities of the Engineering and Building Departments of the Kenya Polytechnic for the post-secondary courses leading to the ordinary and higher diplomas and the full technological certificates in mechanical engineering, automobile engineering, electrical engineering, telecommunications, civil engineering and building of the City and Guilds of London Institute.

The Kenya Polytechnic also offers courses in science, commerce, printing and institutional and hotel management but these are not within the scope of the Special Fund assistance.

In the proposed Phase II of the project emphasis is to be placed on:—

- (a) Training of local counterpart staff,
- (b) Development of the Higher Diploma and Technicians' endorsement courses,
- (c) Assistance to the Ministry of Education in the planning and development of the secondary technical and vocational schools.

During the Phase II operation, the United Nations Special Fund, with Unesco as its executing agency, has been asked to provide:—

Specialists:—

- Chief Technical Adviser
- Senior Specialist in Mechanical Engineering (Power Plant)
- Specialist in Mechanical Engineering (Applied Mechanics and Machines)
- Senior Specialist in Mechanical Engineering (Workshop Technology)
- Specialist in Mechanical Engineering (Drawing and Design)
- Senior Specialist in Electrical Engineering (Power and Machines)
- Specialist in Electrical Engineering (Workshop Technology)
- Senior Specialist in Electronics & Telecommunications
- Senior Specialist in Civil Engineering & Structures
- Specialist in Construction and Surveying.

Fellowships.—12 of one year's duration plus 24 man-months of short-term fellowships.

Equipment.—US \$65,000.

Duration.—3½ years, July 1969 to December 1972. Nairobi, in which the Polytechnic is situated, is on a plateau about 5,000 ft. high. It has a pleasant climate and all the facilities of a modern city. It has rail connections with Mombasa, the Chief port of the country about 300 miles away, with Kampala in Uganda and with Dar-es-Salaam in Tanzania. It has good air connections to all parts of the world.

4. Functions.—Under the Chief Technical Adviser and in collaboration with the Polytechnic staff, the Specialist in Mechanical Engineering (Drawing and Design) will assist in the development of the facilities and instructional media for the engineering courses, particularly in the fields of Engineering Drawing and

Design, and possibly Aeronautical Engineering (Maintenance) and/or Instrumentation. His main duties will be:—

- (a) developing curricula and teaching programmes and materials for Craft, Technicians' and Diploma Courses;
- (b) teaching both theory and practice of Engineering Drawing and Design and allied fields;
- (c) preparing equipment lists for procurement under the Special Allocation and the Government contribution according to the schedule laid down in the Plan of Operation;
- (d) advising on modifications to workshops and laboratories and supervising the installation of equipment;
- (e) training Kenya citizens as teachers for the Polytechnic and the secondary trade and technical schools.

5. Qualifications.—(a) University degree or professional qualification in Mechanical, Aeronautical or Production Engineering;

(b) Industrial experience in design/drawing offices and on production or maintenance work;

(c) Teaching experience in appropriate subjects at craft and technician level in a technical college. Interest and experience in the development of special techniques for the teaching of engineering drawing, with particular reference to the problems encountered in a developing country, is important.

6. Language qualifications.—English, good command and ability to give lectures and write reports.

7. Duration of appointment.—Initially two years, starting July 1969, with a possibility of extension.

8. International salary and allowances.—(Net of national income tax—payable partly in the currency of the staff member's home or of the duty station):—

Base salary per annum:	
equivalent to	Gross \$15,260
