IN THE HIGH COURT OF LAGOS  
HEARING NOTICE

SUIT No. 1904/68

BETWEEN

ATTORNEY-GENERAL OF THE FEDERATION .. .. . PLAINTIFF

AND

MITAIRE UNURHORO .. .. . DEFENDANT

To Attorney-General of the Federation and M. Unurhoro the above-named parties.

This cause will be transferred from the General Cause List to the Hearing Paper for Court 6 E.B. on Thursday the 25th day of September, 1969 at 9 o'clock in the forenoon, and will come on to be heard on that day if the business of the Court permits or otherwise on some adjournment day of which you will receive no further notice.

If either party desires to postpone the hearing he must apply to the Court as soon as possible for that purpose; and, if the application is based on any matter of fact, he must be prepared to give proof of those facts.

The parties are warned that at the hearing they are required to bring forward all the evidence by witnesses or by documents which each of them desires to rely on in support of his own case and in contradiction of that of his opponent. The proof will be required at the hearing, and not on a subsequent day, and parties failing to bring their evidence forward at the proper time may find themselves absolutely precluded from adducing it at all, or at best only allowed to do so on payment of substantial costs to the other side and on such other terms as the Court thinks fit to impose.

Parties desirous to enforce the attendance of witnesses should apply at once to the Court to issue one or more summonses for the attendance of the witnesses required. It is indispensable that the application should be made so as to allow time for reasonable notice to the witnesses required.

If the witness is required to bring books or papers, they must be particularised in the summons sufficiently to enable him to understand what is meant.

Any party summoning a witness through the Court, thereby becomes liable to pay such witness a reasonable sum of money to be fixed by the Court for his expense and loss of time.

The Court may refuse to enforce the attendance of a witness unless such sum has been first deposited in the Court.

If either party desires to use in evidence at the hearing any book or document in the possession or power of the other party, he must give the other party reasonable notice in writing to produce it at the hearing failing which he will not be allowed to give any secondary evidence of its contents.

DATED at Yaba this 23rd day of July, 1969.

By order of Court.

## PARTICULARS OF CLAIM

The Plaintiff brings this action as the person authorised by law to prosecute and defend claims on behalf of the Government of the Federal Republic of Nigeria.

2. The Plaintiff's claim against the Defendant is for the sum of £36-5s-10d (Thirty-six pounds, five shillings and ten pence only) due and owing by the Defendant to the Federal Government being salary overpayment made to the Defendant in January 1966 by the said Government by reason of a mistake of fact.

3. The mistake of fact under which the said sum £36-5s-10d was paid to the Defendant was that it was thought that the Defendant was entitled to be paid his full salary for the said month of January 1966 as a Member of Parliament when in truth and in fact, he was entitled to be paid his salary up to and including the 16th of the said month of January 1966.

4. When the mistake was discovered, the Defendant was notified of it and a refund of the said sum of £36-5s-10d was demanded from the Defendant.

5. But despite repeated demands, the Defendant failed and refused and still fails and refuses to pay the said sum of £36-5s-10d or any part thereof.

6. Wherefore the Plaintiff claims against the Defendant the said sum of £36-5s-10d with costs.
