Government Notice No. 1601

THE CONSTITUTION OF THE FEDERATION

AS MODIFIED BY THE CONSTITUTION (SUSPENSION AND MODIFICATION) DECREE 1966

By His Excellency Major-General YAKUBU GOWON, Head of the Federal Military Government, Commander-in-Chief of the Armed Forces of the Federal Republic of Nigeria.

MAJOR-GENERAL Y. GOWON,
*Head of the Federal Military Government,
Commander-in-Chief of the Armed Forces*

WHEREAS by section 111 (2) of the Constitution of the Federation as modified by the Constitution (Suspension and Modification) Decree 1966 it is provided that the Judges of the Supreme Court shall consist of the Chief Justice of Nigeria and any such number of Justices of the Supreme Court (not being less than five) as may be prescribed by law :

AND WHEREAS by section 112 (1) of the Constitution of the Federation modified as aforesaid it is provided that the Chief Justice of Nigeria and the Justices of the Supreme Court shall be appointed by the Supreme Military Council acting after consultation with the Advisory Judicial Committee :

NOW THEREFORE, THE SUPREME MILITARY COUNCIL, acting after consultation with the Advisory Judicial Committee, do hereby appoint MR JUSTICE ATANDA FATAYI-WILLIAMS a Justice of the Supreme Court with effect from 1st October 1969.

GIVEN under my hand and the Public Seal of the Federal Republic of Nigeria at Lagos this 15th day of September, One thousand nine hundred and sixty-nine.

Government Notice Np. 1602

THE CONSTITUTION OF THE FEDERATION

AS MODIFIED BY THE CONSTITUTION (SUSPENSION AND MODIFICATION) DECREE 1966

By His Excellency Major-General YAKUBU GOWON, Head of the Federal Military Government, Commander-in-Chief of the Armed Forces of the Federal Republic of Nigeria.

MAJOR-GENERAL Y. GOWON,
*Head of the Federal Military Government,
Commander-in-Chief of the Armed Forces*

WHEREAS by section 111 (2) of the Constitution of the Federation as modified by the Constitution (Suspension and Modification) Decree 1966 it is provided that the Judges of the Supreme Court shall consist of the Chief Justice of Nigeria and any such number of Justices of the Supreme Court (not being less than five) as may be prescribed by law :

AND WHEREAS by section 112 (1) of the Constitution of the Federation modified as aforesaid it is provided that the Chief Justice of Nigeria and the Justices of the Supreme Court shall be appointed by the Supreme Military Council acting after consultation with the Advisory Judicial Committee :

NOW THEREFORE, THE SUPREME MILITARY COUNCIL, acting after consultation with the Advisory Judicial Committee, do hereby appoint MR JUSTICE SIR UDO UDOMA a Justice of the Supreme Court with effect from 1st October 1969.

GIVEN under my hand and the Public Seal of the Federal Republic of Nigeria at Lagos this 15th day of September, One thousand nine hundred and sixty-nine.

Government Notice No. 1603

Acting Registrar of Trade Unions,
Federal Ministry of Labour

Government Notice No. 1619**INVITATION FOR PROPOSALS FOR THE ESTABLISHMENT OF A PASSENGER CAR ASSEMBLY INDUSTRY IN NIGERIA**

In Government Notice No. 1042 in the *Official Gazette* of 9th June, 1966, the Federal Government published an invitation for proposals from motor car manufacturers of established reputation to assemble in Nigeria passenger cars from completely knocked down (CKD) packs to be imported. Well documented proposals were submitted by Six manufacturers in response to the invitation. The Federal Government expresses its appreciation for the co-operation received from the manufacturers who presented proposals.

2. However, in view of the time that has elapsed since the submission of those proposals and further developments in the Nigeria economy, the Government hereby invites proposals from all interested parties.

3. Manufacturers who previously submitted proposals may, if they wish, modify their old proposals, or present entirely new ones.

4. The Government considers that a passenger car assembly industry, properly constituted, should be an active stimulus for much related industrial and economic development. The Government desires therefore to have the assembly industry established together as early as possible with other

industries for local parts manufacture and for cars distribution, in accordance with the following requirements :—

(i) The car assembly industry should be economically viable within the 15 per cent duty concession already provided for in the Customs Tariff and the protection that the Government will give ;

(ii) The car assembly industry should justify its establishment and the concessions and protection to be granted by the Government by guaranteeing satisfactory benefits to the economy ;

(iii) The overseas manufacturer or manufacturers that will be responsible for the technical and economic performance of the proposed industry should have a sufficient stake in the assembly industry to ensure their continuing concern for its sound economic performance ;

(iv) Initially, at least 25 per cent of the equity share holding of each assembly plant should be reserved for indigenous Nigerian participation, and some nominal shares in the enterprise will be required by the Government, in consideration of the concessions, protection and other support to be granted to the industry ;

(v) Managerial and Technical personnel in the assembly industry should be predominantly Nigerian and adequate training schemes before and after commencement of operations should be established to ensure this ;

(vi) The car assembly industry should be able to make use of, even at the initial stages, locally manufactured parts up to a reasonable level, and thereafter, more parts of the cars should be incorporated in the assembled cars in accordance with a local contents incorporation programme to be drawn up. Local parts manufacturers shall be assisted to set up and to operate by the overseas manufacturers ;

(vii) The assembly industry should be able to operate uncommitted to any single distribution channel ; but the availability of spare parts and adequate servicing facilities should be guaranteed ;

(viii) The prices of the local assembled cars should not be unreasonably higher than the prevailing international market prices for comparable cars, and the qualities should be of the same standard as those of comparable imported cars. As a control measure an agreed proportion of the Nigerian car market will be met by imported built-up cars for as long as the Government considers it necessary.

5. In support of the passenger car assembly and of related local parts manufacture industries, the Federal Government will provide the following concessions, protection, and other support as may from time to time be required :

(i) a 15 percentage points duty relief on such components of cars to be imported for local assembly from overseas manufacturers, which components are not included in the programme for local manufactures incorporation ;

(ii) duty reliefs on the raw materials that will need be imported for the local manufacture of parts, where the provision in the Tariff may not be satisfactory ;

(iii) an import restriction on the imported built-up cars equivalent to, or substitutable for, those being locally assembled ; subject to the stipulation in paragraph 4 above and to the extent that will not cause undue scarcity of passenger cars in the country ;

(iv) the establishment of a Technical Standing Committee with necessary powers to liaise with the assembly industry and initiate and supervise policies and programmes for local manufactures incorporation, concessions, and protection required by the car assembly and local parts manufacture industries, and other relevant matters including pricing of local products.

6. Passenger car manufacturers who are interested in establishing an assembly plant in Nigeria for their particular makes of cars and in assisting in the development of a local parts manufacture industry in the manner described above, and who are :

(i) experienced in the manufacture of passenger cars including the assembly, the manufacturing and the procuring of parts ;

(ii) experienced in managerial and technical training of personnel of car assembly and parts manufacture industries, and willing to train Nigerians even for the initial operations of the assembly and allied industries ;

(iii) capable of training personnel for independent car distribution organisations ;

(iv) experienced in the supply of spare parts and servicing facilities,

are hereby invited to present detailed proposals to the Federal Government.

7. The detailed proposals, which should be based on the requirements as at paragraph 4 (i) to (viii) above should include details of :

(i) the makes and models of cars proposed for assembly, the proposed assembly operations, investments involved, plant capacities based on the most economic conditions, production costs, personnel requirements—Expatriate and Nigerian, and such other details that will enable the viability of the project, the expected net foreign exchange savings and other national benefits, to be readily evaluated ;

(ii) the CKD parts of the cars proposed to be assembled, and the values of the essential individual parts ;

(iii) programmes of possible expansions, and estimates of additional investments ;

(iv) the parts of the cars that could be procured, or arranged to be manufactured, locally at the initial stages of assembly operation, and a realistic programme of local manufactures incorporation ;

(v) the contractual obligations that will exist between the overseas manufacturers or the suppliers of parts or materials, and the Nigerian car assembly plant, such as royalties, technicals fees, and managements fees ;

(vi) any additional Government concessions or assistance required for the rapid orderly development of the assembly and the allied industries.

8. It is appreciated that interested manufacturers will need time to study the various aspects of the project and to work out the required details for their

proposals, especially on the question of local parts manufacture which is vital to the acceptance of any of the proposals. Accordingly, the detailed proposals should be submitted in six copies to the Permanent Secretary, Federal Ministry of Industries, Lagos, not later than 15th February, 1970. However, the manufacturers desiring to submit detailed proposals in accordance with the requirements and provisions above should, in the first instance, give indications of their intention in a letter, addressed to the Permanent Secretary, Federal Ministry of Industries, P.M.B. 12614, Lagos, Nigeria, to reach him not later than 15th November, 1969. The letter should include evidence of the proposer's capacity and status as indicated in paragraph 6 (i) to (iv) above.

P. C. ASIODU,
Permanent Secretary,
Federal Ministry of Industries

Government Notice No. 1620
