Government Notice No. 1739

THE CONSTITUTION OF THE FORMER EASTERN NIGERIA

AS MODIFIED BY THE CONSTITUTION (SUSPENSION AND MODIFICATION) DECREE 1966 AND
THE STATES (CREATION AND TRANSITIONAL PROVISIONS) DECREE 1967

By His Excellency Major-General YAKUBU GOWON, Head of the
Federal Military Government, Commander-in-Chief of the
Armed Forces of the Federal Republic of Nigeria.

MAJOR-GENERAL YAKUBU GOWON,
Head of the Federal Military Government,
Commander-in-Chief of the Armed Forces

WHEREAS by section 50 (2) of the Constitution of the former Eastern Nigeria as modified by the Constitution (Suspension and Modification) Decree 1966 and the States (Creation and Transitional Provisions) Decree 1967 it is provided that the High Court of the former Eastern Nigeria shall consist of the Chief Justice and such number of other Judges (not being less than six) as may be prescribed by law :

AND WHEREAS by section 51 (1) of the Constitution of the former Eastern Nigeria as modified by the Constitution (Suspension and Modification) Decree 1966 and the States (Creation and Transitional Provisions) Decree 1967 it is provided that the Chief Justice and the other Judges of the High Court shall be appointed by the Supreme Military Council, acting after consultation with the Advisory Judicial Committee :

NOW THEREFORE, THE SUPREME MILITARY COUNCIL, acting after consultation with the Advisory Judicial Committee, do hereby appoint GODFREY CHARLES UBAKA AGBAKOBA a Judge of the High Court of the Central-Eastern State with effect from 1st October, 1969.

GIVEN under my hand and the Public Seal of the Federal Republic of Nigeria in Lagos, this 19th day of September, One thousand nine hundred and sixty-nine.

Government Notice No. 1740

Government Notice No. 1764

**FEDERAL MINISTRY OF WORKS AND HOUSING
PRE-QUALIFICATION OF TENDERERS**

**CONSTRUCTION OF THE RESIDENCE OF
THE HIGH COMMISSIONER FOR
NIGERIA IN GHANA**

All building contractors who are registered in Category "F" with the Federal Works Registration Board and are interested in the construction of the residence mentioned above are invited to submit their pre-qualifications in writing. Similarly, all building contractors in Ghana who are registered with the appropriate authorities of the Ghana Government in categories of contracts between £N50,000 and £N100,000 and are interested in the construction are also invited to submit their pre-qualifications in writing.

2. The main items of the scope of work to be carried out comprise :—

Construction of :

- (a) Main Residential Block ;
- (b) Guest Chalet ;
- (c) Garages ;
- (d) Tennis Courts ;
- (e) Boys' Quarters ;
- (f) Site Works.

The buildings comprise single and double storey blocks.

3. Contractors are requested to furnish their pre-qualifications which should include the following information :—

- (a) Proof of registration in either Nigeria or Ghana ;
- (b) Available resources in plant, equipment and staff.
- (c) A list of major contracts undertaken within the last three years, stating the approximate value of each contract and their duration ;

(d) A banker's reference or a statement as to the financial standing of the contractor ; and

(f) Readiness to commence construction.

4. The pre-qualification applications should, in the case of contractors in Nigeria, be addressed to the Secretary, Federal Tenders Board, Federal Ministry of Works and Housing, Awolowo Road, Lagos, so as to reach him not later than Tuesday, 18th November, 1969. In the case of contractors in Ghana, however, the pre-qualification applications should be addressed to the First Secretary, Nigerian High Commission, Cocoa House, P.O. Box 1548, Accra, Ghana, so as to reach him not later than that same date.

5. It is expected that there will be more applicants for consideration than can be invited to tender. Applicants who apply for selection to tender lists will be informed, as soon as possible, if their applications are not successful. Those who are successful will be invited to tender.

6. The earlier tender notice in this connexion is hereby cancelled.

Secretary, Federal Tenders Board

Government Notice No. 1722 (2nd publication)

FEDERAL MINISTRY OF EDUCATION

**FEDERAL GOVERNMENT SCHOLARSHIPS
SCHEME POST-GRADUATE AWARDS
1969-70 ACADEMIC SESSION**

Applications are invited for Federal Government Post-Graduate Scholarship Awards for research studies and post-professional training. The purpose is to ensure that the best possible use is made of all opportunities for higher Education available in Nigeria for the training of high level manpower.

2. All awards will for the present be restricted to Nigerian Institutions in fields of studies where adequate facilities exist for post-graduate research. Intending candidates should therefore acquaint themselves with the facilities for research and advanced studies at present available in Nigerian Institutions.

3. *Courses for which awards may be made.*—Some of these awards will be made for courses run to provide for the *immediate needs* of the country as indicated by the National Manpower Board. Awards are likely to be made in the fields of:

- Engineering
- Medicine
- Basic and Applied Sciences
- Agriculture
- Arts and Social Sciences

4. *Qualifications:*

- (i) Applicants must have at least a good University degree, preferably First or Second Class Honours.
- (ii) Applicants of any age may apply but preference will be given to those not above 35 years.

5. *Application forms.*—Application for forms must be completed on the prescribed form only. The forms may be obtained from:

- (a) Registrars of the four functioning Universities.
- (b) States Ministries of Education.
- (c) Nigerian Embassies and High Commissions abroad.

Candidates who want application forms to be sent to them by post from any of the above named centres should attach a stamped self-addressed foolscap envelope marked "FPG" on the left hand corner while applying for the forms. A prospective candidate is required to fill only ONE copy of the application form. Forms which are not properly filled will be rejected.

6. *Submission of application:*

(a) Application completed in a single form only must be accompanied by:—

- (i) A passport size photograph duly signed by applicant;
- (ii) Photostat or certified true copies of certificates and detailed results (NOT ORIGINAL);
- (iii) A letter of recommendation for post-graduate studies by a University professor, Reader or Senior Lecturer where applicable;
- (iv) A description of the proposed plan of study or research not exceeding 200 words.

(b) Evidence of admission for a programme of research must be shown.

(c) All applications must be submitted to the Permanent Secretary (Scholarships Division), Federal Ministry of Education, Lagos, so as to reach him not later than 15th December, 1969.

S. C. OSUNKIYESI,
for Permanent Secretary,
Federal Ministry of Education,
Scholarships Division,
Lagos

Government Notice No. 1723 (2nd publication)

FEDERAL MINISTRY OF EDUCATION

FEDERAL GOVERNMENT SCHOLARSHIP
AWARDS FOR UNDERGRADUATE/
PROFESSIONAL/TECHNICAL STUDIES

1969-70 ACADEMIC SESSION

Applications are invited for Federal Government Scholarship awards and special bursaries for undergraduate studies and professional training. The purpose of these scholarships is to enable young Nigerians with suitable qualifications to acquire the necessary knowledge and skills required in occupying vital posts in both the public and private sectors of the Nigerian economy.

2. The fields of study for which scholarships and bursaries will be awarded are:—

- (i) Human Medicine and Dentistry;
- (ii) Veterinary Science and Medicine;
- (iii) Engineering and allied studies;
- (iv) Basic, Applied Sciences and Technology;
- (v) Humanities and Social Sciences, and
- (vi) Technical Courses.

All the awards for these courses are tenable in Nigerian institutions only.

3. The number of special bursaries in each field of study or training will however be governed by the anticipated manpower needs of the country as forecast by the National Manpower Board.

4. *Value of awards.*—Scholarships will not necessarily cover all costs of study or training, but in all cases it will certainly cover at least the tuition fees and, where applicable, the boarding charges.

5. When submitting the scholarship application form, a candidate must produce evidence of admission into appropriate institutions—preferably a photostat copy of the letter of admission. Successful candidates may be required to pass a medical examination of fitness which will include a tuberculin test and an X-Ray examination of chest.

6. *Application forms.*—Scholarship application forms are obtainable from:—

- (a) The Permanent Secretary, State Ministry of Education at—
Jos, Kano, Ilorin, Lagos, Benin City, Kaduna, Maiduguri, Sokoto, Port Harcourt, Calabar and Ibadan.
- (b) The Secretary to the Administrator for Enugu and Liberated Areas of the East-Central State,
c/o 5 Kofo Abayomi Street,
Victoria Island, Lagos.
- (c) The Academic Registrar/Secretary, University of Lagos, Ibadan, Ife and Ahmadu Bello University, Zaria.
- (d) Principal, Yaba College of Technology.
- (e) Principal, Kaduna Polytechnic, Kaduna.
- (f) Principal, Government Technical Institute, Ibadan.
- (g) Principal, Government Technical College, Auchi.

Candidates who want application forms to be sent to them by post from any of the centres named above should attach stamped self-addressed foolscap

envelopes marked "SCHOLARSHIPS F.G. 1969" on the left hand corner while applying for the forms. Prospective candidates are required to fill ONLY ONE COPY of the application form. Forms from applicants in Government Service or Statutory Corporations or other agencies of the Government or voluntary agencies should be forwarded through the applicants' Head of Department. Incorrectly filled forms will not be entertained.

7. *Submission of application forms.*—The completed application form together with a passport size photograph and photostat copies of certificate only (NOT ORIGINALS) should be forwarded to the Permanent Secretary (Scholarships Division), Federal Ministry of Education, Lagos, so as to reach him not later than 7th December, 1969.

Note :

(a) Candidates must NOT send their original certificates at the initial stage. They will be required later at the time of interviews. This Ministry will not be responsible for the loss of original certificates forwarded by candidates.

(b) Students pursuing courses leading to N.C.E. and B.Ed. degrees in Science and Arts subjects are advised to take advantage of the Federal Government Teaching Scholarships obtainable under the Crash Programme for the training of Teachers.

Government Notice No. 1724 (2nd publication)

BUREAU FOR EXTERNAL AID FOR EDUCATION
OVERSEAS SCHOLARSHIPS—1970

Policy.—It is the policy of the Government of the Federal Republic of Nigeria to accept scholarships outside Nigeria at institutions of Higher learning that will provide supplementary facilities to those available in this country and which will support its high level man-power policy.

During the course of the year, scholarship offers are made to Nigeria by various foreign governments and organisations. Whether these scholarships are made direct to the Nigerian Government or to Organisations and private individuals in this country, all offers shall as a matter of policy be made to the Nigerian Government in the first instance. The offer is received on behalf of the Nigerian Government by the Ministry of External Affairs which then passes it to the Bureau for External Aid for Education, for evaluation and processing.

Fields.—In support of this policy, Overseas Scholarships are expected to be made available in all branches of study at the post-graduate level, and primarily in the following fields of study at the undergraduate level :

Agriculture	Business Administration
Agricultural Economics	Commercial Art
Anthropology	Dentistry
Archaeology	Economics
Architecture	Engineering
Banking	Estate Management

Fine Art
Forestry
Foreign Languages
Geology
Librarianship
Mathematics
Medicine
Metallurgy

Pharmacy
Psychology
Science
Sociology
Statistics
Surveying
Town Planning
Veterinary Science

Basic qualifications.—Candidates for undergraduate awards must have a good basic secondary school education leading up to the West African School Certificate or General Certificate of Education or other equivalent qualifications plus at least two papers at Advanced Level in subjects related to intended university course. Some candidates with very good ordinary level results at W.A.S.C. or G.C.E. will be considered for a very limited number of countries. Candidates with approved technical qualifications such as those of City and Guilds of London Institute and who show evidence of practical experience may apply for vocational and advanced technical scholarships.

Candidates for post-graduate awards should have or expect to receive by June 1970 a Bachelor's degree or its equivalent.

Candidates must attach photostat copies of their educational certificates and/or slips of results on their completed application forms as soon as they are obtained. In addition five passport photographs must be attached to the forms.

Nominations and selection.—Candidates wishing to be considered for any foreign scholarship for the year 1970 must apply in the manner described below. No candidate will be allowed to benefit from any foreign award unless a proper application is received by 15th January, 1970.

Applications.—Application forms including general information and instructions may be obtained from the Ministries of Education in the States; the Academic Registrars of the Universities; the Secretary, Federal Scholarship Board, P.M.B. 12573, Lagos; Nigerian Embassy and Consulate offices overseas; as well as from the Secretary, Bureau for External Aid for Education, P.M.B. 12013, Lagos. In addition, candidates interested in Private Organisation awards could obtain application forms from their respective organisations (i.e., Trade Unions, Friendship Associations, etc.). Forms for this year are available as from 15th November, 1969.

Instructions for the completion of the applications are contained on the forms. All completed application forms must be sent direct to the Secretary, Bureau for External Aids for Education, P.M.B. 12013, Lagos to arrive on or before 15th January, 1970.

Government Notice No. 1737 (2nd publication)

MINISTRY OF EDUCATION
WESTERN STATE OF NIGERIA
VACANCIES IN THE GRADE OF
EDUCATION OFFICER

Applications are invited from suitably qualified candidates for appointment as Education Officers, Scale 'A' in the Ministry of Education, Ibadan, Western State of Nigeria. The specialties in which there are vacancies and for which applications are invited are as follows :—

- (a) Home Economics
- (b) Mathematics

- (c) English
- (d) Industrial Art
- (e) Music

2. *Qualifications.*—A good degree (either general with honours or distinction or special honours) of a recognised University in the appropriate subject, plus a post-graduate Diploma or Certificate in Education or any of the following professional qualifications:—

- (i) Teachers' Professional or Associateship Certificate;
- (ii) The United Kingdom Ministry of Education Teaching Certificate;
- (iii) The Nigeria College Teachers' Certificate;
- (iv) The Nigerian Certificate in Education.

Candidates without the post-graduate Diploma or Certificate in Education or any of the professional qualifications listed above may also apply.

3. *Salary.*—Scale 'A' (£720-1,584). Candidates possessing recognised degrees plus the Post-graduate Diploma or Certificate in Education will enter the Scale at an enhanced entry point of £804 per annum and will proceed to first increment on the scale after six months' service. Candidates with recognised degrees plus any of the professional qualifications specified under sub-paragraph 2 (i)-(iv) above will enter the scale at an enhanced salary point of £762 per annum.

4. *Duties.*—A successful candidate will be required to teach in an Institution and do other institutional duties assigned to him by the Principal; he will also be required to set and mark papers for examinations conducted under the auspices of the Ministry or sit as a member of an Education Committee.

5. *Conditions of service.*—The post is pensionable and, in the case of a new entrant into the Public Service, appointment will normally be on probation for three years. Other conditions of service will be as prescribed for the time being for officers of equivalent grades in the Public Service of the Western State of Nigeria.

6. *Methods of application.*—(a) *In Nigeria.*—Applications from candidates not in Government Service should be completed in triplicate on form WSPSC. 1 obtainable from the Secretary, Public Service Commission, Ibadan, and from the Federal and any other State Public Service Commissions.

Applications from candidates in Government Service should be submitted in letter form, through the Head of the applicant's Department and, if the applicant is in a Public Service other than that of the Western State of Nigeria, through the Public Service Commission concerned and be accompanied by copies of confidential reports for the last three years.

(b) *Overseas.*—Applications should be completed in triplicate on Form WSPSC. 1 obtainable from the Recruitment Attache, Nigeria High Commission, 9 Northumberland Avenue, London, W.C. 2. All applications should reach the Secretary, Public Service Commission, Ibadan, not later than 15th November, 1969.

7. *Closing date.*—All applications should be submitted to reach the Secretary, Public Service Commission, Ibadan, not later than 15th November, 1969.

E. ADE. EMULEOMO,
Secretary,
Public Service Commission

Government Notice No. 1738 (2nd publication)

FEDERAL MINISTRY OF AGRICULTURE AND

Government Notice No. 1773

ANNOUNCEMENT OF FIELD POST VACANCY IN THE
FOOD AND AGRICULTURE ORGANIZATION
OF THE UNITED NATIONS

Post title (Post No., Project).—ANIMAL PRODUCTION OFFICER.

Vacancy announcement.—No. 280-AN-10.

Date issued.—24th September, 1969.

Closing date.—19th November, 1969.

Duty station.—Manokwari, West Irian.

Duration.—30 months.

Starting date.—As soon as possible.

Background Information.—The UN Development Programme in co-operation with the Department of Agriculture of West Irian has established a project for the purpose of agricultural development and animal husbandry in West Irian. In particular the project is to investigate the feasibility of improving and increasing crop and livestock production. The project headquarters will be located in Manokwari and will work in close collaboration with other FUNDWI projects and with the Joint Development Commission.

Duties.—To study the potential of the various ecological areas of West Irian for livestock production, particularly by surveying the suitability of available types of forage as livestock feed.

To advise on suitable management and production techniques and to initiate breeding programmes and the evaluation of breeds suitable for the existing environments.

To co-operate with the Project Manager and other project staff in working out a policy for general development of agriculture and animal production in West Irian.

To train local counterpart staff in the various fields of animal production.

Qualifications.—At least a B.Sc. or B.A. degree in agriculture (including animal production, preferably a higher degree). At least seven years post-graduate experience in the field of animal production in developing countries.

Languages.—Very good knowledge of English.

Emoluments.—Salaries and benefits are liberal, commensurate with the responsibilities of the post and in line with the depth and breadth of training and experience.

Applications to reach Chief, Recruitment Section, Office of Personnel, FAO, via delle Terme di Caracalla, 00100 Rome, Italy, by 19th November, 1969. Quote : 280-AN-10.

Personal History Forms can be obtained in person or upon request from the Permanent Secretary, Federal Ministry of Agriculture and Natural Resources, Lagos.

*Government Notice No. 1774*ANNOUNCEMENT OF FIELD POST VACANCY IN THE
FOOD AND AGRICULTURE ORGANIZATION OF THE
UNITED NATIONS

Post title (Post No., Project).—LECTURER IN CLINICAL VETERINARY MEDICINE ANIMAL HEALTH INSTITUTE.

Vacancy announcement.—No. 283-AN-13.

Date issued.—29th September, 1969.

Closing date.—24th November, 1969.

Duty station.—Baghdad, Iraq.

Duration.—27 months (NTE February 1972).

Starting date.—As soon as possible.

Background information.—The UN Development Programme in co-operation with the Directorate-General of Animal Resources and Veterinary Services, and Veterinary Faculty, University of Baghdad, of Iraq, has established a project for the purpose of completing the establishment of the Iraq laboratory unit for the investigation of animal diseases and the training of the Veterinary Faculty, University of Baghdad. In particular the project will assist the Government of Iraq in consolidating the investigative work carried out by the original project in developing diagnostic procedures; enhance the efficiency of animal disease control activities in Iraq through training and investigative research; complete the survey of the diseases prevalent in the country; train staff of the veterinary services in diagnostic techniques; train laboratory technicians; integrate the research, diagnostic and training activities of the Institute with those of other Institutes in Iran, Jordan, Lebanon, Cyprus and UAR; collaborate with the staff of the UNDP/SF FAO project in the development of post-graduate studies in specialized fields of animal sciences.

Duties.—Under the general supervision of the Project Manager, the Lecturer in Clinical Veterinary Medicine will be responsible for teaching the subject at the Veterinary Faculty of the University of Iraq, Abu Ghraib. He will arrange post-graduate training and supervise research in the same disciplines.

Qualifications.—Basic veterinary degree. Post-graduate qualifications would be an advantage.

Experience.—Minimum 10 years teaching and practical experience in the above subject on farm livestock.

Languages.—Good knowledge of English.

Emoluments.—Salaries and benefits are liberal, commensurate with the responsibilities of the post and in line with the depth and breadth of training and experience.

Method of application.—Applications to reach Chief, Recruitment Section, Office of Personnel, FAO, via delle Terme di Caracalla, 00100-Rome, Italy, by 26th November, 1969. Quote 283-AN-13.

Personal History Forms can be obtained in person or upon request from the Permanent Secretary, Federal Ministry of Agriculture and Natural Resources, Lagos.

*Government Notice No. 1775*ANNOUNCEMENT OF FIELD POST VACANCY IN THE
FOOD AND AGRICULTURE ORGANIZATION OF
THE UNITED NATIONS

Post title (Post No., Project).—SENIOR LABORATORY TECHNICIAN (PHYSIOLOGY) ANIMAL HEALTH INSTITUTE.

Vacancy announcement.—No. 284-AN-14.

Date issued.—1st October, 1969.

Closing date.—26th November, 1969.

Duty station.—Baghdad, Iraq.

Duration.—27 months (NTE February, 1972).

Starting date.—As soon as possible.

Background information.—The UN Development Programme in co-operation with the Directorate-General of Animal Resources and Veterinary Services, and Veterinary Faculty, University of Baghdad, of Iraq, has established a project for the purpose of completing the establishment of the Iraq laboratory unit for the investigation of animal diseases and the training of veterinary field services through the strengthening of the Veterinary Faculty, University of Baghdad. In particular the project will assist the Government of Iraq in consolidating the investigative work carried out by the original project in developing diagnostic procedures; enhance the efficiency of animal disease control activities in Iraq through training and investigative research; complete the survey of the diseases prevalent in the country; train staff of the veterinary services in diagnostic techniques; train laboratory technicians; integrate the research, diagnostic and training activities of the Institute with those of other Institutes in Iran, Jordan, Lebanon, Cyprus and UAR; collaborate with the staff of the UNDP/SF FAO project in the development of post-graduate studies in specialized fields of animal sciences.

Duties.—Under the general supervision of the Project Manager, the Senior Laboratory Technician (Physiology) will assist the FAO Lecturer in Physiology, whose terms of reference are:—

"Under the general supervision of the Project Manager and in collaboration with the Dean of the Veterinary College, he will be responsible for teaching physiology to the undergraduates and arranging short post-graduate courses, as required. He will also be responsible for training counterpart staff within his section and participating in regional training courses for veterinarians".

Qualifications.—Recognized qualifications as medical or veterinary laboratory technician.

Experience.—Minimum 7 years experience in a physiology laboratory.

Languages.—Good knowledge of English.

Emoluments.—Salaries and benefits are liberal, commensurate with the responsibilities of the post and in line with the depth and breadth of training and experience.

Method of application.—Applications to reach Chief, Recruitment Section, Office of Personnel, FAO, via delle Terme di Caracalla, 00100-Rome, Italy, by 26th November, 1969. Quote 284-AN-14.

Personal History Forms can be obtained in person or upon request from the Permanent Secretary, Federal Ministry of Agriculture and Natural Resources, Lagos.

Government Notice No. 1776**ANNOUNCEMENT OF FIELD POST VACANCY IN THE
FOOD AND AGRICULTURE ORGANIZATION
OF THE UNITED NATIONS**

Post title (Post No., Project).—POULTRY CO-ORDINATOR; ANIMAL HEALTH INSTITUTE (PHASE II).

Vacancy announcement.—No. 286-AN-16.

Date issued.—1st October, 1969.

Closing date.—26th November, 1969.

Duty station.—Cairo, United Arab Republic.

Duration.—26 months (NTE 1972).

Starting date.—As soon as possible.

Background information.—The UN Development Programme in co-operation with the Ministry of Agriculture, UAR, and University of Cairo, UAR, has established a project for the purpose of completing the establishment of the Institute for the investigation of animal diseases and the strengthening of veterinary teaching at the University of Cairo. In particular the project will assist the Government of UAR in enhancing the efficiency of animal disease control activities in the Near East; expand the activities of the Institute; develop diagnostic techniques; emphasize in-service training of the national staff; integrate the research, diagnostic and training activities of the project with those of other existing Institutes in Iran, Iraq, Lebanon, Jordan and Cyprus.

Duties.—Under the general supervision of the Project Manager, the Poultry Co-ordinator will:—

(i) assist and advise the Government in strengthening the diagnostic services for poultry diseases at the Central Poultry laboratories and in co-ordinating disease diagnosis and control programmes in the laboratory and in the field, with emphasis on sanitary and management measures;

(ii) assist the Central Poultry Laboratories in evaluating the quality of poultry vaccines produced in the country and their utilization in the field;

(iii) train counterpart staff in the above fields and assist in the organization of national training courses.

Qualifications.—Basic veterinary qualifications and specialization in Poultry Pathology. A post-graduate qualification in Bacteriology would be highly desirable.

Experience.—Minimum 7 years post-graduate experience in the above fields.

Languages.—Good knowledge of English.

Emoluments.—Salaries and benefits are liberal, commensurate with the responsibilities of the post and in line with the depth and breadth of training and experience.

Method of application.—Applications to reach Chief, Recruitment Section, Office of Personnel, FAO, via delle Terme di Caracalla, 00100-Rome, Italy, by 26th November, 1969. Quote 286-AN-16.

Personal History Forms can be obtained in person or upon request from the Permanent Secretary, Federal Ministry of Agriculture and Natural Resources, Lagos.

Duration.—26 months (NTE January 1972).

Starting date.—As soon as possible.

Background information.—The UN Development Programme in co-operation with the Ministry of Agriculture, UAR, and University of Cairo, UAR, has established a project for the purpose of completing the establishment of the Institute for the investigation of animal diseases and the strengthening of veterinary teaching at the University of Cairo. In particular the project will assist the Government of UAR in enhancing the efficiency of animal disease control activities in the Near East; expand the activities of the Institute; develop diagnostic techniques; emphasize in-service training of the national staff; integrate the research, diagnostic and training activities of the project with those of other existing Institutes in Iran, Iraq, Lebanon, Jordan and Cyprus.

Duties.—Under the general supervision of the Project Manager, the Senior Laboratory Technician will assist the Poultry Pathologist assigned under the project, whose terms of reference are as follows:—

(i) to assist and advise the Government in strengthening the diagnostic services for poultry diseases at the Central Poultry Laboratories and in co-ordinating disease diagnosis and control programmes in the laboratory and in the field, with emphasis on sanitary and management measures;

(ii) to assist the Central Poultry Laboratories in evaluating the quality of poultry vaccines produced in the country and their utilization in the field;

(iii) to train counterpart staff in the above fields and assist in the organization of national training courses.

Qualifications.—Recognized qualifications as veterinary laboratory technician.

Experience.—Minimum 7 years poultry laboratory experience.

Languages.—Good knowledge of English.

Emoluments.—Salaries and benefits are liberal, commensurate with the responsibilities of the post and in line with the depth and breadth of training and experience.

Method of application.—Applications to reach Chief, Recruitment Section, Office of Personnel, FAO, via delle Terme di Caracalla, 00100 Rome, Italy, by 27th November, 1969. Quote 288-AN-18.

Personal History Forms can be obtained in person or upon request from the Permanent Secretary, Federal Ministry of Agriculture and Natural Resources, Lagos.

Government Notice No. 1778

**ANNOUNCEMENT OF FIELD POST VACANCY
IN THE FOOD AND AGRICULTURE ORGANIZATION
OF THE UNITED NATIONS**

Post title (Post No. Project).—LABORATORY TECHNICIAN (General Diagnosis)—Supplementary Assistance to training and demonstration in Animal Health and Animal Husbandry.

Vacancy announcement.—No. 289-AN-19.

Date issued.—2nd October, 1969.

Closing date.—27th November, 1969.

Duty station.—Kabul, Afghanistan.

Duration.—36 months.

Starting date.—As soon as possible.

Background information.—The UN Development Programme in co-operation with the Ministry of Agriculture and Irrigation of Afghanistan has established a project for the purpose of training sub-professional staff for the Veterinary Services and the Animal Production Department; and initiating animal health and animal husbandry services in a pilot area (Baghlan). In particular the project will assist the Government in carrying out the establishment of an animal health assistants and animal husbandry extension workers training centre; the initiation of a veterinary laboratory technicians course; the creation of a pilot area to demonstrate programmes in animal health and in animal husbandry extension work.

Duties.—Under the general supervision of the Project Manager to assist FAO Epizootiologist assigned to the project whose terms of reference are as follows:—

(a) to assist in the establishment and running of a national diagnostic centre at the Veterinary Laboratory in Kabul;

(b) to serve as an Epizootiologist and through travel all over Afghanistan to diagnose diseases and collect material for laboratory confirmation in order to contribute to a National Disease Reference Section which will be part of the Diagnostic Centre;

(c) to assist, during his travels, the Government in the improvement of the provincial veterinary stations and the training of the personnel on the job;

(d) to take part in the planning and supervision of a national animal disease eradication programme and give advice on this subject to the students of the Animal Health Assistants' School and at Seminars;

(e) to co-operate in the Animal Production and Health Division's disease reporting system in accordance with the instructions of the Division Director, and

(f) to train counterparts in the above-mentioned activities.

Qualifications.—Recognized qualifications as medical or veterinary laboratory technician.

Experience.—Minimum 7 years experience in laboratory diagnosis of animal diseases.

Languages.—Good knowledge of English.

Emoluments.—Salaries and benefits are liberal, commensurate with the responsibilities of the post and in line with the depth and breadth of training and experience.

Method of application.—Applications to reach Chief, Recruitment Section, Office of Personnel, FAO, via delle Terme di Caracalla, 00100 Rome, Italy, by 27th November, 1969. Quote 289-AN-19.

Personal History Forms can be obtained in person or upon request from the Permanent Secretary, Federal Ministry of Agriculture and Natural Resources, Lagos.

Government Notice No. 1779

**ANNOUNCEMENT OF FIELD POST VACANCY IN
THE FOOD AND AGRICULTURE ORGANIZATION
OF THE UNITED NATIONS**

Post title (Post No., Project).—VIROLOGIST (Foot and Mouth Disease). Strengthening of the West Pakistan Veterinary Research Institute.

Vacancy announcement.—No. 291-AN-21.

Date issued.—2nd October, 1969.

Closing date.—27th November, 1969.

Duty station.—Lahore, Pakistan.

Duration.—24 months.

Starting date.—As soon as possible.

Background information.—The UN Development Programme in co-operation with the West Pakistan Agriculture Department has established a project for the purpose of assisting the West Pakistan Veterinary Research Institute, Lahore, in diagnosis of animal and poultry diseases, vaccine production, epizootiological investigations, training of both laboratory and field staff and research as required in these fields. In particular the project will enhance the efficiency of animal and poultry production; assist in the research on and preparation of vaccines and other biological products; undertake epizootiological investigations throughout West Pakistan; train national staff in the organization of a modern laboratory and in field work; develop further research in rinderpest diagnosis and control.

Duties.—Under the general supervision of the Project Manager, the Virologist (FMD) will strengthen the activities of the FMD laboratory of the Pakistan Veterinary Research Institute and will train counterpart staff in:—

(i) the identification and typing of FMD virus strains responsible for local outbreaks;

(ii) the development of FMD vaccine, particularly on tissue culture and related research to be carried out for the above purpose.

Qualifications.—University degree in the field of Virology or basic veterinary degree with post-graduate specialization in general virology, preferably with accent on Foot and Mouth Disease. A post-graduate degree in Virology would be highly desirable.

Experience.—Minimum 7 years post-graduate experience in FMD virology and FMD vaccine production.

Language.—Good knowledge of English.

Emoluments.—Salaries and benefits are liberal, commensurate with the responsibilities of the post and in line with the depth and breadth of training and experience.

Method of application.—Applications to reach Chief, Recruitment Section, Office of Personnel, FAO, via delle Terme di Caracalla, 00100-Rome, Italy, by 27th November, 1960. Quote 291-AN-21.

Personal History Forms can be obtained in person or upon request from the Permanent Secretary, Federal Ministry of Agriculture and Natural Resources, Lagos.

Government Notice No. 1780

ANNOUNCEMENT OF FIELD POST VACANCY IN THE FOOD AND AGRICULTURE ORGANIZATION OF THE UNITED NATIONS

Post title (Post No., Project).—EPIZOOTIOLOGIST, Strengthening of the West Pakistan Veterinary Research Institute.

Vacancy announcement.—No. 292-AN-22.

Date issued.—3rd October, 1969.

Closing date.—28th November, 1969.

Duty station.—Lahore, Pakistan.

Duration.—36 months.

Starting date.—As soon as possible.

Background information.—The UN Development Programme in co-operation with the West Pakistan Agriculture Department has established a project for the purpose of assisting the West Pakistan Veterinary Research Institute, Lahore, in diagnosis of animal and poultry diseases, vaccine production, epizootiological investigations, training of both laboratory and field staff and research as required in these fields. In particular the project will enhance the efficiency of animal and poultry production; assist in the research on and preparation of vaccines and other biological products; undertake epizootiological investigations throughout West Pakistan; train national staff in the organization of a modern laboratory and in field work; develop further research in rinderpest diagnosis and control.

Duties.—Under the general supervision of the Project Manager to assist in :—

(i) diagnosis and control of disease outbreaks in the field ;

(ii) collection, preservation and recording of suspected material for submission to the West Pakistan Veterinary Research Institute, Lahore ;

(iii) reporting and recording of field outbreaks towards the development of a sound animal disease intelligence system ;

(iv) instituting and implementing quarantine measures for the control of animal diseases ;

(v) training of counterpart staff in the above fields.

Qualifications.—Basic veterinary degree. Post-graduate qualifications would be an advantage.

Experience.—Minimum 10 years post-graduate experience in diagnosis and control of the diseases of farm animals.

Languages.—Very good knowledge of English.

Emoluments.—Salaries and benefits are liberal, commensurate with the responsibilities of the post and in line with the depth and breadth of training and experience.

Method of application.—Applications to reach Chief, Recruitment Section, Office of Personnel, FAO, via delle Terme di Caracalla, 00100-Rome, Italy, by 28th November, 1969. Quote 292-AN-22.

Personal History Forms can be obtained in person or upon request from the Permanent Secretary, Federal Ministry of Agriculture and Natural Resources, Lagos.

Government Notice No. 1781

ANNOUNCEMENT OF FIELD POST VACANCY IN THE FOOD AND AGRICULTURE ORGANIZATION OF THE UNITED NATIONS

Post title (Post No., Project).—BACTERIOLOGIST, Strengthening of the West Pakistan Veterinary Research Institute, Lahore.

Vacancy announcement.—No. 293-AN-23.

Date issued.—3rd October, 1969.

Closing date.—28th November, 1969.

Duty station.—Lahore, Pakistan.

Duration.—36 months.

Starting date.—As soon as possible.

Background information.—The UN Development Programme in co-operation with the West Pakistan Agriculture Department has established a project for the purpose of assisting the West Pakistan Veterinary Research Institute, Lahore, in diagnosis of animal and poultry diseases, vaccine production, epizootiological investigations, training of both laboratory and field staff and research as required in these fields. In particular the project will enhance the efficiency of animal and poultry production; assist in the research on and preparation of vaccines and other biological products; undertake epizootiological investigations throughout West Pakistan; train national staff in the organization of a modern laboratory and in field work; develop further research in rinderpest diagnosis and control.

Duties.—Under the general supervision of the Project Manager, the Bacteriologist will assist in strengthening the activities of the Bacteriology Laboratory of the West Pakistan Veterinary Research Institute, Lahore, and training counterpart staff in :—

(i) the diagnosis of bacterial diseases both aerobic and anaerobic, such as Pasteurellosis, Salmonellosis, Glostridiosis, etc. ;

(ii) research work to be carried out for the development of the necessary vaccines to protect animals from the above infections and,

(iii) testing and standardization of such vaccines.

Qualifications.—Basic veterinary degree and specialization in Veterinary Bacteriology. A post-graduate qualification in this field would be highly desirable.

Experience.—Minimum 7 years post-graduate laboratory experience in the above fields.

Languages.—Very good knowledge of English.

Emoluments.—Salaries and benefits are liberal, commensurate with the responsibilities of the post and in line with the depth and breadth of training and experience.

Applications to reach Chief, Recruitment Section, Office of Personnel, FAO, via delle Terme di Caracalla, 00100-Rome, Italy, by 28th November, 1969. Quote 293-AN-23.

Personal History Forms can be obtained in person or upon request from the Permanent Secretary, Federal Ministry of Agriculture and Natural Resources, Lagos.

Government Notice No. 1782

ANNOUNCEMENT OF FIELD POST VACANCY IN THE FOOD AND AGRICULTURE ORGANIZATION OF THE UNITED NATIONS

Post title (Post No., Project).—PARASITOLOGIST Strengthening of the West Pakistan Veterinary Research Institute, Lahore.

Vacancy announcement.—No. 294-AN-24.

Date issued.—3rd October, 1969.

Closing date.—28th November, 1969.

Duty station.—Lahore, Pakistan.

Duration.—36 months.

Starting date.—As soon as possible.

Background information.—The UN Development Programme in co-operation with the West Pakistan Agriculture Department has established a project for the purpose of assisting the West Pakistan Veterinary Research Institute, Lahore, in diagnosis of animal and poultry diseases, vaccine production, epizootiological investigations, training of both laboratory and field staff and research as required in these fields. Government Notice No. 1784

ANNOUNCEMENT OF FIELD POST VACANCY IN THE FOOD AND AGRICULTURE ORGANIZATION OF THE UNITED NATIONS

Post title (Post No., Project).—SENIOR LABORATORY TECHNICIAN (Livestock Bacterial and Poultry Diseases) Strengthening of the West Pakistan Veterinary Research Institute, Lahore.

Vacancy announcement.—No. 296-AN-26.

Date issued.—3rd October, 1969.

Closing date.—28th November, 1969.

Duty station.—Lahore, Pakistan.

Duration.—36 months.

Starting date.—As soon as possible.

Background information.—The UN Development Programme in co-operation with the West Pakistan Agriculture Department has established a project for the purpose of assisting the West Pakistan Veterinary Research Institute, Lahore, in diagnosis of animal and poultry diseases, vaccines production, epizootiological investigations, training of both laboratory and field staff and research as required in these fields. In particular the project will enhance the efficiency of animal and poultry production; assist in the research on and preparation of vaccines and other biological products; undertake epizootiological investigations throughout West Pakistan; train national staff in the organization of a modern laboratory and in field work; develop further research in rinderpest diagnosis and control.

Duties.—Under the general supervision of the Project Manager, the Senior Laboratory Technician will assist the FAO Bacteriologist and Poultry Pathologist assigned to the project at the West Pakistan Veterinary Research Institute, Lahore, in:—

- (i) early diagnosis of poultry diseases in West Pakistan;
- (ii) routine production of vaccines to protect livestock and poultry from such diseases;
- (iii) research work for the development of new vaccines to control bacterial diseases, both aerobic and anaerobic such as Pasteurellosis, Salmonellosis, Clostridiosis, etc., in livestock and poultry diseases;
- (iv) testing and standardization of above vaccines;
- (v) training of counterpart staff in above fields.

Qualifications.—Recognized qualifications as a veterinary or medical laboratory technician.

Experience.—Minimum 7 years in veterinary laboratory and vaccine production work.

Languages.—Very good knowledge of English.

Emoluments.—Salaries and benefits are liberal, commensurate with the responsibilities of the post and in line with the depth and breadth of training and experience.

Method of application.—Applications to reach Chief, Recruitment Section, Office of Personnel, FAO, via delle Terme di Caracalla, 00100-Rome, Italy, by 28th November, 1969. Quote 296-AN-26.

Personal History Forms can be obtained in person or upon request from the Permanent Secretary, Federal Ministry of Agriculture and Natural Resources, Lagos.

Government Notice No. 1785

ANNOUNCEMENT OF FIELD POST VACANCY OF THE FOOD AND AGRICULTURE ORGANIZATION OF THE UNITED NATIONS

Post title (Post No., Project).—SENIOR LABORATORY TECHNICIAN (Vaccine Production/Virology) Strengthening of the West Pakistan Veterinary Research Institute, Lahore.

Vacancy announcement.—No. 297-AN-27.

Date issued.—3rd October, 1969.

Closing date.—28th November, 1969.

Duty station.—Lahore, Pakistan.

Duration.—36 months.

Starting date.—As soon as possible.

Background information.—The UN Development Programme in co-operation with the West Pakistan Agriculture Department has established a project for the purpose of assisting the West Pakistan Veterinary Research Institute, Lahore, in diagnosis of animal and poultry diseases, vaccine production, epizootiological investigations, training of both laboratory and field staff and research as required in these fields. In particular the project will enhance the efficiency of animal and poultry production; assist in the research on and preparation of vaccines and other biological products; undertake epizootiological investigations throughout West Pakistan; train national staff in the organization of a modern laboratory and in field work; develop further research in rinderpest diagnosis and control.

Duties.—Under the general supervision of the Project Manager, the Senior Laboratory Technician (Virology) will assist the two FAO Virologists assigned to the project at the West Pakistan Veterinary Research Institute, Lahore, in:—

- (i) early diagnosis of livestock diseases in West Pakistan;
- (ii) routine production of vaccines to protect livestock from such diseases;
- (iii) research work to be carried out for the development of new vaccines to control virus diseases of livestock such as those for control of rinderpest, sheep and goat pox, rabies, African Horse sickness, foot-and-mouth disease, etc.;
- (iv) testing and standardization of above vaccines;
- (v) training of counterpart staff in above fields.

Qualifications.—Recognized qualifications as a veterinary or medical laboratory technician.

Experience.—Minimum 7 years in veterinary laboratory and vaccine production work.

Languages.—Very good knowledge of English.

Emoluments.—Salaries and benefits are liberal, commensurate with the responsibilities of the post and in line with the depth and breadth of training and experience.

Method of application.—Applications to reach Chief, Recruitment Section, Office of Personnel, FAO, via delle Terme di Caracalla, 00100-Rome, Italy, by 28th November, 1969. Quote 297-AN-27.

Personal History Forms can be obtained in person or upon request from the Permanent Secretary, Federal Ministry of Agriculture and Natural Resources, Lagos.

Government Notice No. 1786

ANNOUNCEMENT OF FIELD POST VACANCY FOR THE FOOD AND AGRICULTURE ORGANIZATION OF THE UNITED NATIONS

Post title (Post No., Project).—ANIMAL HEALTH OFFICER (DISEASE INVESTIGATION) IMPROVEMENT OF MILK PRODUCTION IN THE CALCUTTA AREA.

Vacancy announcement.—No. 298-AN-28.

Date issued.—6th October, 1969.

Closing date.—1st December, 1969.

Duty station.—Haringhata (Calcutta) INDIA.

Duration.—18 months followed by 2 successive assignments each of 3 months duration.

Starting date.—As soon as possible.

Background information.—The UN Development Programme in co-operation with the Ministry of Food, Agriculture, Community Development and Co-operation of India has established a project for the purpose of increasing milk production by cross-breeding dairy cattle at Haringhata, near Calcutta. In particular the project will assist the Government in increasing milk production through cross-breeding of indigenous and European dairy breeds and through improved husbandry techniques; in a carefully planned breeding and management programme, evolve exotic local grades and combinations of progeny, and determine those best adapted to local conditions for distribution to farmers; using locally available feeds, establish specific feeding and management levels necessary for the successful performance of those grades and combinations through all stages of development; train counterpart staff in the relevant disciplines of animal production, and arrange fellowship training in such disciplines.

Duties.—Under the general supervision of the Project Manager :—

1. To assist in the identification, through laboratory diagnosis, of diseases affecting cattle herd of the project, consisting of native, exotic and crossed breeds.

2. To advise on their control and prevention through appropriate vaccines.

3. To train counterpart staff in the above fields.

Qualifications.—Basic veterinary degree and specialization in veterinary microbiology. A post-graduate qualification in Bacteriology would be highly desirable.

Experience.—Seven years minimum post-graduate experience acquired in laboratory diagnosis and involving the identification of infections and parasitic diseases of farm animals.

Languages.—Very good knowledge of English.

Emoluments.—Salaries and benefits are liberal, commensurate with the responsibilities of the post and in line with the depth and breadth of training and experience.

Method of application.—Applications to reach Chief, Recruitment Section, Office of Personnel, FAO, via delle Terme di Caracalla, 00100 Rome, Italy, by 1st December, 1969. Quote 298-AN-28.

Personal History Forms can be obtained in person or upon request from the Permanent Secretary, Federal Ministry of Agriculture and Natural Resources, Lagos.

Government Notice No. 1787

ANNOUNCEMENT OF FIELD POST VACANCY IN THE FOOD AND AGRICULTURE ORGANIZATION OF THE UNITED NATIONS

Post title (Post No. Project).—VETERINARY MICROBIOLOGIST.

Vacancy announcement.—No. 299-AN-29.

Duty station.—Vientiane, Laos.

Duration.—29 months.

Date issued.—6th October, 1969.

Closing date.—1st December, 1969.

Starting date.—As soon as possible.

Background information.—The UN Development Programme in co-operation with the Ministry of National Economy, Directorate of Veterinary Service and Animal Husbandry of Laos has established a project for the purpose of training personnel of the Veterinary Service in laboratory techniques; detection and diagnosis of animal disease and performance of research and analyses; providing guidance in the production of vaccines; contributing to Veterinary Health Service by analysis and control of products of animal origin for human consumption.

Duties.—(1) To advise and assist the Government, particularly the Department of Veterinary Services in :—

- (a) a survey and identification of animal diseases in Laos based on diagnostic work to be carried out in the Veterinary Laboratory, Khunta, Vientiane;

- (b) the production of vaccines considered as the most essential ones for the control of such diseases, keeping in mind the availability of local facilities in the form of staff and equipment;

- (2) To train counterpart staff at both university (veterinary) and technical (laboratory technicians and assistants) levels in the above fields.

Qualification.—Basic veterinary degree and specialization in microbiology. A post-graduate qualification in Bacteriology would be highly desirable.

Experience.—Minimum 7 years post-graduate experience in veterinary laboratory microbiology. Very good working knowledge of French essential.

Languages.—French.

Emoluments.—Salaries and benefits are liberal, commensurate with the responsibilities of the post and in line with the depth and breadth of training and experience.

Method of application.—Applications to reach Chief, Recruitment Section, Office of Personnel, FAO, via delle Terme di Caracalla, 00100-Rome, Italy, by 1st December, 1969. Quote 299-AN-29.

Personal History Forms can be obtained in person or upon request from the Permanent Secretary, Federal Ministry of Agriculture and Natural Resources, Lagos.

Government Notice No. 1788

ANNOUNCEMENT OF FIELD POST VACANCY IN THE FOOD AND AGRICULTURE ORGANIZATION OF THE UNITED NATIONS

Post title (Post No., Project).—ANIMAL HEALTH OFFICER (POULTRY), Pig and Poultry Research and Training Institute.

Vacancy announcement.—No. 300-AN-30.

Date issued.—6th October, 1969.

Closing date.—1st December, 1969.

Duty station.—Sembawang, Singapore.

Duration.—24 months.

Starting date.—As soon as possible.

Background information.—The UN Development Programme in co-operation with the Ministry of Law and National Development has established a project for the purpose of assisting in establishing a Pig and Poultry Research and Training Institute at Sembawang Central Research Station. In particular the project will conduct research in pig and poultry nutrition, breeding, management and health; provide training facilities in these fields; assist in commercial expansion, intensification and improvement of pig and poultry production.

Duties.—Under the general supervision of the Project Manager, the expert will:—

(i) conduct investigations and research and carry out surveys connected with poultry diseases and health;

(ii) organize training courses in veterinary hygiene and assist in training schemes for extension officers in poultry diseases and health control;

(iii) prepare teaching material and formulate veterinary schemes for poultry disease control;

(iv) train counterpart in the techniques of survey research and disease control.

Qualifications.—Basic veterinary degree, and specialization in poultry diseases. A post-graduate qualification in virology or bacteriology would be highly desirable.

Experience.—Minimum 7 years post-graduate experience in poultry virology and/or bacteriology acquired in the laboratory and in the field.

Languages.—Very good knowledge of English.

Emoluments.—Salaries and benefits are liberal, commensurate with the responsibilities of the post and in line with the depth and breadth of training and experience.

Method of application.—Applications to reach Chief, Recruitment Section, Office of Personnel, FAO, via delle Terme di Caracalla, 00100-Rome, Italy, by 1st December, 1969. Quote 300-AN-30.

Personal History Forms can be obtained in person or upon request from the Permanent Secretary, Federal Ministry of Agriculture and Natural Resources, Lagos.

Government Notice No. 1789

ANNOUNCEMENT OF VACANCY IN THE FOOD AND AGRICULTURE ORGANIZATION OF THE UNITED NATIONS

Post title and grade.—ECONOMIST P-4.

Post No. 2252-487.

Type of appointment.—Fixed-term NTE 31-12-71*.

Vacancy announcement.—No. 1907.

Organizational unit.—FAO/IBRD Co-operative Programme.

Location.—Rome.

Date issued.—16th September, 1969.

Closing date.—11th November, 1969.

Duties and responsibilities.—Under the general supervision of the Director, FAO/IBRD Co-operative Programme, Investment Centre, the incumbent will assist in the formulation and implementation of the work of the Programme in the field of agricultural economics. In particular, the duties include:

To make an economic evaluation of sectorial and regional programmes for agricultural development for specific countries or regions and to advise FAO, Member Governments and the World Bank as to their priorities for joint action and financing.

To carry out studies on the methodology of economic evaluation and programming of agricultural development projects and programmes.

To assist FAO, member countries, the World Bank and FAO technical divisions on the planning, design and operation of specific agricultural development projects suitable for Bank financing through identification, preparation and appraisal mission in the field.

To perform other duties as required.

Qualifications—Essential.—University degree in economics, preferably with special reference to the methodology of agricultural production economics in the context of developing countries.

Seven years' experience in the field of agricultural economics, with national and/or international organizations or with universities or institutes, preferably including some research work. Ability to analyse and to write clearly in this field.

Working knowledge of quantitative techniques to analyse economic data, and the ability to develop theoretical framework for such analysis. Actual field experience at the regional and country level in developing countries in agricultural production economics.

Very good knowledge of one of the official languages of the Organization and a good working knowledge of another official language of the Organization (French and Spanish).

Qualifications—Desirable.—Knowledge of a third official language.

Emoluments.—Based on US\$ equivalents, they are payable in the currency of the Duty Station and, on request, partially in the currency of the Home Station. "Gross salary" represents the amount on which pension contributions and benefits are calculated. "Net salary" is the amount normally net of national income tax, payable to the staff member less deductions (e.g., pension contributions, health and life insurance schemes).

Salary per annum :

<i>Starting</i>	<i>Maximum</i>
(Gross : \$15,260)	(Gross : \$20,490)
Net : \$11,682	Met : \$15,119

Family allowance per annum.—(subject to eligibility of dependency).

Spouse \$400 ; Child \$300 ; Secondary dependent \$200.

Post adjustment per annum.—Variable according to cost of living and to dependency status. At present from \$680 to \$1,302.

Other benefits.—Subject to specific terms of appointment : pension and medical schemes ; annual, sick and maternity leave. Also, for non-locally-filled posts, appointment and repatriation travel, transport of household goods or assignment allowance, installation allowance and repatriation benefits, home leave travel with eligible dependent every 2 years, children's education grant (where applicable).

Method of application.—Applications to reach Chief, Recruitment Section, Office of Personnel, FAO, via delle Terme di Caracalla, 00100-Rome, Italy, by 11th November, 1969. Quote V.A. No. 1907. External Candidates in writing, with a detailed Personal History. Internal Candidates on form Adm. 75.

Personal History Forms can be obtained in person or upon request from the Permanent Secretary, Federal Ministry of Agriculture and Natural Resources, Lagos.

* With possibility of extension.

Government Notice No. 1790

ANNOUNCEMENT OF VACANCY IN THE
FOOD AND AGRICULTURE ORGANIZATION
OF THE UNITED NATIONS

Post title and grade.—ECONOMIST P-3.

Post No. 2252-866.

Type of appointment.—Fixed-Term NTE 31-12-71*

Vacancy announcement.—No. 1908.

Date issued.—16th September, 1969.

Closing date.—11th November, 1969.

Organization unit.—FAO/IBRD Co-operative Programme.

Location.—Rome.

Duties and responsibilities.—Under the general supervision of the Director, FAO/IBRD Co-operative Programme, Investment Centre, the incumbent will assist the senior members of the Economists' Team in the formulation and implementation of the work of the FAO/IBRD Co-operative Programme in the field of agricultural economics. In particular, duties include :

To assist in the economic evaluation and analysis of agricultural development projects for specific countries and to advise FAO and the World Bank as to priorities for joint action and financing.

To assist FAO member countries, the World Bank and FAO technical divisions in the planning, design and operations of specific agricultural development projects suitable for Bank financing, through identification, preparation and appraisal missions in the field.

To prepare the financial evaluation of such projects through flow analysis and farm enterprise budget.

To perform research work in the field of agricultural economics such as investment risk analysis.

To perform other duties as required.

Qualifications—Essential.—University degree with major subject in the field of economics and statistics.

Five years' practical experience in the economic evaluation and statistical analysis of agricultural development projects in a context of developing economies. Familiarity with project preparation methods (financial evaluation through rate of return calculation and cash flow analysis). Ability to analyse and write clearly in this field.

Excellent knowledge of one of the official languages of FAO and good working knowledge of one or both of the other languages of the Organization.

Emoluments.—Based on US\$ equivalents, they are payable in the currency of the Duty Station and, on request, partially in the currency of the Home Station. "Gross salary" represents the amount on which pension contributions and benefits are calculated. "Net salary" is the amount, normally net of national income tax, payable to the staff member less deductions (e.g., pension contributions, health and life insurance schemes).

Government Notice No. 1792

ANNOUNCEMENT OF VACANCY IN THE
FOOD AND AGRICULTURE ORGANIZATION
OF THE UNITED NATIONS

Post title and grade.—SENIOR OFFICER (Food and Agricultural Industries) P-5.

Post No. 6174-60.*Type of appointment.*—Permanent.*Vacancy announcement.*—No. 1911.*Date issued.*—18th September, 1969.*Closing date.*—13th November, 1969.

Organizational Unit.—Food and Agricultural Industries Service, Agricultural Services Division.

Location.—Rome.

Duties and responsibilities.—Under the general supervision of the Division Director and the immediate supervision of the Chief, Food and Agricultural Industries Service, the incumbent will assume the responsibility for the work in food industries development and, in particular, will:

Act for the Chief of Service during his absence from Headquarters.

Directly supervise the food industries officers in the Service.

Identify and formulate programmes for the establishment and improvement of food industries with particular emphasis on the processing, preservation and storage of raw materials, including cereals, pulses, fruits, vegetables and nuts into semi-or fully-processed food products.

Determine the technological and economic factors of such programmes through appropriate pilot plant and economic feasibility studies, including the technological aspects of raw material supply and the marketing and distribution of the processed food products in collaboration with other units in the division and the Organization and appropriate units in other United Nations agencies.

Assist the Operations Service in the technical aspects of the various operational projects for which the division is responsible, including recruitment and evaluation of technical reports and of projects in operation.

Assume additional related duties as required.

Qualifications—Essential.—University degree in food technology or related fields, including good training in agriculture.

Ten years of professional experience in food technology, including research and the development of new or improved processes into food industries application with preferably some experience in an international organization.

Ability to recognize potential new developments and ability to study the initial technological and economic aspects.

Knowledge of FAO policies and programmes and experience in their application with FAO member nations.

Very good knowledge of one of the official languages of the Organization (English, French, Spanish) and working knowledge of another official language.

Qualifications—Desirable.—Working knowledge at technical level of some other major languages.

Emoluments.—Based on US\$ equivalents, they are payable in the currency of the Duty Station and, on request, partially in the currency of the Home Station. "Gross salary" represents the amount on which pension contributions and benefits are calculated. "Net salary" is the amount, normally net of national income tax, payable to the staff member less deductions (e.g., pension contributions, health and life insurance schemes).

Salary per annum :

Starting	Maximum
(Gross : \$19,120)	(Gross : \$24,030)
Net : \$14,228	Net : \$17,418

Family allowance per annum.—(Subject to eligibility of dependency).

Spouse \$400 ; Child \$300 ; Secondary dependent \$200.

Post adjustment per annum.—Variable according to cost of living and to dependency status. At present from \$816 to \$1,458.

Other benefits.—Subject to specific terms of appointment : pension and medical schemes ; annual, sick and maternity leave. Also, for non-locally-filled posts, appointment and repatriation travel, transport of household goods or assignment allowance, installation allowance and repatriation benefits, home leave travel with eligible dependents every 2 years, children's education grant (where applicable).

Method of application.—Applications to reach Chief, Recruitment Section, Office of Personnel, FAO, via delle Terme di Caracalla, 00100-Rome, Italy, by 13th November, 1969. Quote V.A. No. 1911. External Candidates in writing; with a detailed Personal History. Internal Candidates on form Adm. 75.

Government Notice No. 1793

**ANNOUNCEMENT OF VACANCY IN THE
FOOD AND AGRICULTURE ORGANIZATION
OF THE UNITED NATIONS**

Post title and grade.—LAND AND WATER DEVELOPMENT OFFICER P-4.

Post No.—6180-1620.

Type of appointment.—Permanent.

Vacancy announcement.—No. 1912.

Date issued.—17th September, 1969.

Closing date.—12th November, 1969.

Organizational unit.—Regional Office for Africa.

Location.—Accra, Ghana.

Duties and responsibilities.—Under the general supervision of the FAO Regional Representative for Africa and under the technical guidance of the Land and Water Development Division, the incumbent will work on those FAO activities in the Africa Region which are related to the development of land and water resources for agriculture. The duties will include :

Assist and advise, in co-operation with other staff members, the governments of the region in the field of land and water development, especially water development for agricultural use, irrigation, drainage and land reclamation with emphasis on small and medium scale irrigation projects and on small scale surface water storage and with regard also to organizational and institutional aspects in these fields.

Participate in the promotion of integrated land and water development projects in co-operation or in teamwork with other regional or headquarters specialists and consultants. This will especially apply to assistance in the formulation of requests for external assistance such as UNDP, FFHC, WFP and IBRD.

Assist the Regional Office in co-ordination of activities in the region, especially between Member Governments, international agencies and also non-governmental organizations and as far as matters related to the activities of the Land and Water Development Division are concerned.

Assemble and review data on all aspects of land and water development in the Africa Region and make this information available to the Regional Office and the Land and Water Development Division.

Qualifications—Essential.—University degree in agronomy or civil engineering with specialization in irrigation.

Seven years' experience as a senior officer in government departments, private enterprises or international organizations in the fields noted above, especially in the field of water development planning.

Good knowledge in all fields related to water development for agriculture, such as soil science, irrigated agriculture, irrigation, drainage and land reclamation.

Experience in working in African countries.

Very good knowledge of English and French.

Ability to write reports clearly and concisely.

Ability to establish and maintain good working relations with specialists of different nationalities.

Emoluments.—Based on US\$ equivalents, they are payable in the currency of the Duty Station and, on request, partially in the currency of the Home Station. "Gross salary" represents the amount on which pension contributions and benefits are calculated. "Net salary" is the amount, normally net of national income tax, payable to the staff member less deductions (e.g., pension contributions, health and life insurance schemes).

Salary per annum:

Starting	Maximum
(Gross : \$15,260)	(Gross : \$20,490)
Net : \$11,682	Net : \$15,119

Family allowance per annum.—(Subject to eligibility of dependency).

Spouse \$400 ; Child \$300 ; Secondary dependent \$200.

Post adjustment per annum.—Variable according to cost of living and to dependency status. At present from \$340 to \$651.

Other benefits.—Subject to specific terms of appointment : pension and medical schemes ; annual, sick and maternity leave. Also, for non-locally-filled posts, appointment and repatriation travel, transport of household goods or assignment allowance, installation allowance and repatriation benefits, home leave travel with eligible dependents every 2 years, children's education grant (where applicable).

Method of application.—Applications to reach Chief, Recruitment Section, Office of Personnel, FAO, via delle Terme di Caracalla, 00100-Rome, Italy, by 12th November, 1969. Quote V.A. No. 1912. External Candidates in writing, with a detailed Personal History. Internal Candidates on Form Adm. 75.

Government Notice No. 1797

ANNOUNCEMENT OF VACANCY IN THE FOOD AND AGRICULTURE ORGANIZATION OF THE UNITED NATIONS

Post title and grade.—HOME ECONOMICS OFFICER P-3*

Post No.—One post.

Type of appointment.—Permanent.

Vacancy announcement.—No. 1918.

Date issued.—18th September, 1969.

Closing Date.—13th November, 1969.

Organizational unit.—Home Economics Branch Nutrition Division.

Location.—Rome.

Duties and responsibilities.—Under the general direction of the Chief of the Home Economics Services assists in carrying out the home economics programme of FAO, with special responsibility for the content/area of family economics. The incumbent will be responsible for developing and implementing programme objectives in this specialized subject matter area in support of the "Planning for Better Family Living Programme", and other programmes of the Home Economics Branch.

This will involve responsibility for planning, supervising and evaluating programmes in family economics and providing leadership and guidance in the preparation of related educational materials, curriculum development for training activities and in-service training of staff.

Reviews available studies on family economics and home management, such as the use of resources in the home, family roles as related to management of resources, and family size as related to levels of living.

Develops a research programme in family economics in collaboration with other services of the Nutrition Division, Economic Analysis Division, Statistics Division and others.

Assists in planning and conducting studies of patterns of family living, including management of resources, activity patterns, family types and educational levels as related to family size, levels of health, nutrition, housing, consumer practices and various demographic variables.

Assists FAO field officers and national administrators in the preparation of projects and co-operates with project supervisors, headquarters staff, and representatives from other agencies and funding services in the preparation of plans of operation for approved projects in family economics.

Assists with the carrying out of systematic reviews of projects in family economics submitted to the Division which include home economics interest and assumes responsibility for the supervision of projects assigned to the incumbent.

Qualifications—Essential.—University degree in home economics. Post-graduate training in family economics.

Five years' experience in the field of family economics, teaching, extension, research, and/or administration of programmes dealing with family economics.

Excellent knowledge of one of the official languages of FAO (English, French, Spanish) and a working knowledge of one other.

Ability to write concisely, to organize and present effectively factual material, and to integrate the specialized subject matter of family economics into curriculum and programmes of home economics.

Ability to interpret research in family economics for use in applied programmes.

Qualifications—Desirable.—Previous experience in an international organization or in field programme in a developing country. Experience in related areas of household economics, home management and/or consumption economics.

Knowledge of a third official language of the Organization.

Emoluments.—Based on US\$ equivalents, they are payable in the currency of the Duty Station and, on request, partially in the currency of the home Station. "Gross salary" represents the amount on which pension contributions and benefits are calculated. "Net salary" is the amount, normally net of national income tax, payable to the staff member less deductions (e.g., pension contributions, health and life insurance schemes).

Salary per annum:

Government Notice No. 1805

**ANNOUNCEMENT OF VACANCY IN THE
FOOD AND AGRICULTURE ORGANIZATION
OF THE UNITED NATIONS**

Post title and grade.—AREA SERVICE OFFICER P-4.

Post No.—2242-2010.

Type of appointment.—Permanent.

Vacancy announcement.—No. 1929.

Date issued.—22nd September, 1969.

Closing date.—17th November, 1969.

Organizational unit.—Development Department
Near East Service Area Service Division.

Location.—Rome.

Duties and responsibilities.—Under the broad supervision of the immediate supervisor, the incumbent:

Services the Country Representatives and Senior Agricultural Advisers in the countries covered by the Near East Service;

Maintains general up-to-date information on the national plans for the development of agriculture, agricultural institutions and services, the country's capacity for absorbing development assistance, and the volume of development assistance available to a country from all sources;

Assists with the preparation, management and follow-up of FAO Regional Conferences for the Near East; and

Assists in the appraisal of requests for development assistance and in keeping watching briefs on special operational projects.

More specifically, the incumbent carries out the following duties:

Initiates the action to be taken by competent services in the Organization on matters relating to supporting services for FAO field missions;

Ensures the servicing of Country Mission Chiefs and other Mission personnel;

Keeps Mission Chiefs continually informed of significant developments in FAO policy, programmes and procedures;

Arranges for regular receipt and distribution of reports of the Country Representatives, Senior Agricultural Advisers, UNDP Resident Representatives and, where possible, country or regional missions of other UN and bilateral aid agencies;

Reviews, analyses and arranges, in consultation with appropriate divisions/services, for follow-up on reports of field missions;

Prepares briefs, reports, and drafts documents required on particular projects or country development assistance operations;

Liaises with the Regional Representatives and co-ordinates at Headquarters on matters relating to preparations for, and organization and management of regional conferences, including negotiations with the host government, finalization of agenda and documentation, issuance of invitations, and composition of FAO secretariat;

Assists with the preparation for publication of the report of regional conferences;

Liaises within Headquarters the follow-up of the recommendations of regional conferences;

Co-ordinates the preparation of the Near East section of the Report on Implementation of the Recommendations of regional conferences, for inclusion in the Director-General's Programme of Work and Budget;

Assumes responsibility for appraising and reformulation, in consultation with concerned divisions, of selected requests from governments for development assistance;

Follows the progress of selected operational projects and assists, as necessary, in solving management problems;

Undertakes field visits as required, specially in connexion with the review of country briefs or servicing FAO field missions; and

Performs other related duties of comparable responsibilities, as required.

Qualifications—essential.—University degree or equivalent in agriculture or related fields.

Seven years' professional experience in work related to technical agricultural programmes, and agricultural development planning.

Very good knowledge of one of the official languages of the Organization (English, French, Spanish).

Ability to work harmoniously with staff members of different nationalities.

Qualifications—desirable.—Very good knowledge of English because correspondence and personal contacts in area covered are mostly in English.

Knowledge of agricultural and economic conditions and FAO's programme in the Near East. Working knowledge of Arabic and/or French.

Emoluments.—Based on US\$ equivalents, they are payable in the currency of the Duty Station and, on request, partially in the currency of the Home Station. "Gross salary" represents the amount on which pension contributions and benefits are calculated. "Net salary" is the amount, normally net of national income tax, payable to the staff member less deductions (e.g., pension contributions, health and life insurance schemes).

Salary per annum:

Starting	Maximum
(Gross: \$15,260)	(Gross: \$20,490)
Net: \$11,682	Net: \$15,119

Family allowance per annum.—(Subject to eligibility of dependency).

Spouse \$400; Child \$300; Secondary dependent \$200.

Post adjustment per annum.—Variable according to cost of living and to dependency status. At present from \$680 to \$1,302.

Other benefits.—Subject to specific terms of appointment. Pension and medical schemes; annual, sick and maternity leave. Also, for non-locally-filled posts, appointment and repatriation travel, transport of household goods or assignment allowance, installation allowance and repatriation benefits, home leave travel with eligible dependents every 2 years, children's education grant (where applicable).

Method of application.—Applications to reach Chief, Recruitment Section, Office of Personnel, FAO, via delle Terme di Caracalla, 00100-Rome,

Italy, by 17th November, 1969. Quote VA No. 1929. External Candidates in writing, with a detailed Personal History. Internal Candidates on Form Adm. 75.

Personal History Forms can be obtained in person or upon request from the Permanent Secretary, Federal Ministry of Agriculture and Natural Resources, Lagos.

Government Notice No. 1806

ANNOUNCEMENT OF VACANCY IN THE FOOD AND AGRICULTURE ORGANIZATION OF THE UNITED NATIONS

Post title and grade: AGRICULTURAL PLANNING ECONOMIST P-5.

Post No.—6249-1228.

Type of appointment.—Fixed term NTE 31.12.69*.

Vacancy announcement.—No. 1930.

Date issued.—22nd September, 1969.

Closing date.—17th November, 1969.

Organizational unit.—Latin America Regional Office.

Location.—Santiago, Chile.

Duties and responsibilities.—Under the general direction of the Regional Representative and the technical supervision of the Economic Analysis Division, in close consultation with the FAO/ECLA Joint Agriculture Division, serves as the planning economist of a regional multidisciplinary team, which analyses the agricultural situation in Latin America with a view to the elaboration of policies and assists Latin American governments in the improvement of agricultural planning techniques and organization and formulation of their national, regional or sub-regional agricultural development plans and policies. Specifically:—

Prepares, in close collaboration with the FAO/ECLA Division, a periodical diagnosis of the agricultural situation in Latin America and a medium and long-term outlook, on the basis of regional and country economic analyses, for the Regional Office and HQs., including studies for the State of Food and Agriculture.

To this end, systematizes the basic information and data provided by FAO Regional Officers, FAO Country Representatives and field experts, and FAO's HQs. divisions.

Co-ordinates multidisciplinary study groups to examine important agricultural development problems, at the national, regional or sub-regional level.

Participates in multidisciplinary action groups (task forces) and short-term missions for direct assistance to individual countries or groups of countries in the formulation of their agricultural development plans and policies, the solution of particular problems and/or the identification of multinational agricultural projects.

Promotes the exchange of information and experience on agricultural planning, through close contact with individuals and organizations concerned with agricultural planning in the region, including not only government departments but also national planning institutes and universities.

Assists in training in agricultural planning and in the development of a suitable planning methodology for agriculture, and keeps the Regional Representative informed of the needs and the problems of Latin American countries in this respect.

Collaborates with the ILPES and/or other international agencies concerned with development planning, in agricultural planning research and training activities.

Performs related agricultural planning assignments as directed.

Qualifications—Essential.—University degree in economics, or agricultural economics with post-graduate studies related to agricultural economics.

Ten years' progressively responsible professional experience in agricultural economics including experience in development planning.

Fluency in Spanish, with working knowledge of English.

Ability to express ideas clearly both in written form and when speaking; analytical ability; perspective; ability to adapt to persons of other nationalities; experience in working with government officials at various levels.

Qualifications—Desirable.—Advanced university degree, preferably at the Ph. D. level related to Agricultural Planning and/or Agricultural Economics; supervisory or administrative experience; fluency in English.

Emoluments.—Based on US\$ equivalents, they are payable in the currency of the Duty Station and, on request, partially in the currency of the Home Station. "Gross salary" represents the amount on which pension contributions and benefits are calculated. "Net salary" is the amount, normally net of national income tax, payable to the staff member less deductions (e.g., pension contributions, health and life insurance schemes).

Salary per annum:

Starting		Maximum	
(Gross: \$19,120)		(Gross: \$24,030)	
Net: \$14,228		Net: \$17,418	

Family allowance per annum.—(Subject to eligibility of dependency).

Spouse \$400; Child \$300; Secondary dependent \$200.

Post adjustment per annum.—Variable according to cost of living and to dependency status. At present from \$ to \$.

Other benefits.—Subject to specific terms of appointment: pension and medical schemes; annual, sick and maternity leave. Also for non-locally-filled posts, appointment and repatriation travel, transport of household goods or assignment allowance, installation allowance and repatriation benefits, home leave travel with eligible dependents every 2 years, children's education grant (where applicable).

Method of application.—Applications to reach Chief, Recruitment Section, Office of Personnel, FAO, via delle Terme di Caracalla, 00100-Rome, Italy, by 17th September, 1969. Quote: VA No.

Duties and responsibilities.—Under the supervision of the senior Procedures Officer, assists in the formulation, editing and interpretation of regulations, rules and related policy, operational and procedural directives, and in the maintenance of the relevant reference background material. Specifically:

Reviews and edits draft administrative directives (particularly with regard to matters dealing with organization, property and services, communications and records, documents and publications, and programme implementation) to ensure administrative desirability and feasibility, consistency with other established practices or directives, and correctness and uniformity of style and format; clears drafts to obtain comments; on the basis of comments received and further discussions with reviewers, prepares final draft directives for approval.

Assists in the maintenance of complete and systematic master sets, lists and indexes of all issuances; utilizes master sets of issuances in answering queries concerning effective dates of changes and circumstances which resulted in the changes; and arranges for the translation and publication of administrative material.

Prepares and presents group briefings to new FAO staff and individual briefings to field project administrative officers on the system of administrative directives used within the Organization.

Replaces the senior Procedures Officer in his absence and, as assigned, participates in working parties, meetings and committees.

Performs other duties as required.

Qualifications—Essential.—University degree.

Three years of professional-level experience involving the development, preparation, co-ordination and interpretation of administrative directives.

Ability to write documents, reports and correspondence accurately and succinctly in English.

Very good knowledge of French and Spanish. Initiative, maturity, high degree of tact and discretion and ability to develop and maintain close working relations with staff at all levels and of different nationalities.

Qualifications—Desirable.—Spanish mother tongue. Knowledge of the structure and administrative procedures of the Organization.

Emoluments.—Based on US\$ equivalents, they are payable in the currency of the Duty Station and, on request, partially in the currency of the Home Station. "Gross salary" represents the amount on which pension contributions and benefits are calculated. "Net salary" is the amount, normally not of national income tax, payable to the staff member less deductions (e.g., pension contributions, health and life insurance schemes).

Salary per annum:

Starting	Maximum
(Gross: \$9,940)	(Gross: \$13,360)
Net: \$7,955	Net: \$10,352

Family allowance per annum.—(Subject to eligibility of dependency).

Spouse \$400; Child \$300; Secondary dependent \$200.

Post adjustment per annum.—Variable according to cost of living and to dependency status. At present from \$468 to \$912.

Other benefits.—Subject to specific terms of appointment: pension and medical schemes; annual, sick and maternity leave. Also, for non-locally-filled posts, appointment and repatriation travel, transport of household goods or assignment allowance, installation allowance and repatriation benefits,

home leave travel with eligible dependents every 2 years, children's education grant (where applicable).

Method of application.—Applications to reach Chief, Recruitment Section, Office of Personnel, FAO, via delle Terme di Caracalla, 00100-Rome, Italy, by 18th November, 1969. Quote VA No. 1932. External Candidates in writing, with a detailed Personal History. Internal Candidates on form Adm. 75.

Personal History Forms can be obtained in person or upon request from the Permanent Secretary, Federal Ministry of Agriculture and Natural Resources, Lagos.

Government Notice No. 1809

ANNOUNCEMENT OF VACANCY IN THE FOOD AND AGRICULTURE ORGANIZATION OF THE UNITED NATIONS

Post title and grade.—TECHNICAL OFFICER (DRAINAGE AND WATERLOGGING) P-4*.

Post No.—One post.

Type of appointment.—Permanent.

Vacancy announcement.—No. 1935.

Date issued.—29th September, 1969.

Closing date.—24th November, 1969.

Organizational unit.—Water Resources and Development Service; Land and Water Development Division.

Location.—Rome.

Duties and responsibilities.—Under the general supervision of the Chief of the Water Resources and Development Service, the incumbent will work on those activities of the Service which are directly concerned with the drainage of agricultural areas (surface and sub-surface drainage) and their protection from flooding, especially with regard to design and construction methods of drainage, polder and flood control schemes, the effect, efficiency and economy of such schemes, and the need and use of drainage for reclamation of saline and waterlogged soils. The duties will include:

Advising and assisting, in co-operation with other staff members, on drainage, polder and flood control projects in member countries as they are related to drainage as an effective means of controlling soil moisture, removing of excess water, facilitating leaching of salts and reclaiming waterlogged soils, and other technical aspects of water control schemes where drainage is the essential element in design and operation of these schemes for agricultural purposes.

Paying particular attention to the evaluation and application of suitable methods and techniques for drainage to improve water control for agricultural purposes at the field level and for reclamation, polder and flood control schemes, and to improve the efficiency of water use through this means.

Reviewing reports on proposed plans or programmes for water development projects as this applies to drainage, reclamation, flood protection, polder, salinity and waterlogging problems, and advising as to their suitability.

Assembling and reviewing data on all aspects of drainage and reclamation practices, present ones and possibilities for future improvements, considering also the results of research work in the field of drainage, and making this information

available to Member Governments through publications, seminars and training courses, personal contact and correspondence.

Assisting in providing the necessary technical support on drainage, salinity and waterlogging control, polder and flood control, to programmes and statutory bodies of FAO such as the Areas of Concentration, e.g., the War on Waste, the International Rice Commission, the European Commission on Agriculture, and the Regional Land and Water Use Commission.

Assisting in selecting experts on drainage for field assignments and providing the technical backstopping for their work.

Assisting in the formulation of future programmes of the Division in the fields of drainage, salinity and waterlogging control, polders and flood control.

Qualifications—Essential.—University degree in engineering with particular reference to drainage and land reclamation.

Seven years' experience as a senior officer in government departments, private enterprises or international organizations in the field noted above.

Special experience in the field of drainage and land reclamation engineering as this applies to establishing criteria for the planning and construction of drainage, land reclamation, polder and flood control projects for agriculture.

Very good knowledge of one of the official languages of the Organization (English, French, Spanish).

Ability to write reports and correspondence clearly and concisely. Ability to establish and maintain good working relations with specialists of different nationalities.

Qualifications—Desirable.—Working knowledge of other languages, one or both of the other official languages of the Organization.

Experience in planning and operation of water control schemes for waterlogged and saline areas.

Emoluments.—Based on US\$ equivalents, they are payable in the currency of the Duty Station and, on request, partially in the currency of the Home Station. "Gross salary" represents the amount on which pension contributions and benefits are calculated. "Net salary" is the amount, normally net of national income tax, payable to the staff member less deductions (e.g., pension contributions, health and life insurance schemes).

Salary per annum :

Starting	Maximum
(Gross : \$15,260)	(Gross : \$20,490)
Net : \$11,682	Net : \$15,119

Family allowance per annum.—(Subject to eligibility of dependency).

Spouse \$400 ; Child \$300 ; Secondary dependent \$200.

Post adjustment per annum.—Variable according to cost of living and to dependency status. At present from \$680 to \$1,302.

Other benefits.—Subject to specific terms of appointment : pension and medical schemes ; annual, sick and maternity leave. Also, for non-locally-filled posts, appointment and repatriation travel, transport of household goods or assignment allowance, installation allowance and repatriation benefits, home

leave travel with eligible dependents every 2 years, children's education grant (where applicable).

Method of application.—Applications to reach Chief, Recruitment Section, Office of Personnel, FAO, via delle Terme di Caracalla, 00100-Rome, Italy, by 24th November, 1969. Quote VA No. 1935. External Candidates in writing, with a detailed Personal History. Internal Candidates on Form Adm. 75.

Personal History Forms can be obtained in person or upon request from the Permanent Secretary, Federal Ministry of Agriculture and Natural Resources, Lagos.

* This post will be filled only after the governing bodies of the Organization have approved its establishment.

Government Notice No. 1810

**ANNOUNCEMENT OF VACANCY IN THE
FOOD AND AGRICULTURE ORGANIZATION
OF THE UNITED NATIONS**

Post title and grade.—TECHNICAL OFFICER (IRRIGATION PRACTICES, RICE) P-4*.

Post No.—One post.

Type of appointment.—Permanent.

Vacancy announcement.—No. 1936.

Date issued.—29th September, 1969.

Closing date.—24th November, 1969.

Organizational unit.—Water Resources and Development Service, Land and Water Development Division.

Location.—Rome.

Duties and responsibilities.—Under the general supervision of the Chief of the Water Resources and Development Service the incumbent will work on those activities of the Service which are directly concerned with the technical and agricultural aspects of irrigation practices, especially water use aspects and water control techniques and the economy of their use for rice irrigation. The duties will include :

Advising and assisting, in co-operation with other staff members, on irrigation, drainage and water control projects in member countries, as they are related to water use and water management methods and practices at the field and affect the efficiency of the total irrigation and drainage systems, their design, and the layout of the network, especially with view to the special conditions of those systems designed for the production of rice.

Advising and assisting with the evaluation and application of suitable techniques and practices for irrigation, especially for rice irrigation, to improve irrigation systems and the efficiency of water use for this purpose.

Reviewing reports on proposed plans or programmes for water development projects as this applies to irrigation practices and improvements of irrigation, especially to rice irrigation, and advising as to their suitability.

Assembling and reviewing data on all aspects of irrigation practices, present ones and possibilities for future improvements, considering also the results of research work in the field of irrigation science, and making this information available to

Member Governments through publications, seminars and training courses, personal contact and correspondence.

Assisting in providing the necessary technical support on irrigation practices and rice irrigation to programmes and statutory bodies of FAO such as the Areas of Concentration, on high yielding varieties, the International Rice Commission, and Regional Commission on Land and Water Use.

Assisting in selecting experts on irrigation practices for field assignments and providing the technical backstopping for their work.

Qualifications—Essential.—University degree in engineering or agronomy with particular reference to irrigation.

Seven years' experience as a senior officer in government departments, private enterprises or international organizations in the field noted above.

Special experience in the field of irrigation engineering or irrigation agronomy as this applies to establishing criteria for the planning of irrigation and drainage projects and to the introduction of advanced water management practices in agriculture, especially in rice irrigation.

Very good knowledge of one of the official languages of the Organization (English, French, Spanish).

Ability to write reports and correspondence clearly and concisely.

Ability to establish and maintain good working relations with specialists of different nationalities.

Qualifications—Desirable.—Working knowledge of other languages, one or both of the other official languages of the Organization.

Experience in planning and operation of water development schemes for rice cultivation.

Emoluments.—Based on US\$ equivalents, they are payable in the currency of the Duty Station and, on request, partially in the currency of the Home Station. "Gross salary" represents the amount on which pension contributions and benefits are calculated. "Net salary" is the amount, normally net of national income tax, payable to the staff member less deductions (e.g., pension contributions, health and life insurance schemes).

Government Notice No. 1811

ANNOUNCEMENT OF VACANCY IN THE FOOD AND AGRICULTURE ORGANIZATION OF THE UNITED NATIONS

Post title and grade.—TECHNICAL OFFICER (IRRIGATION SCHEMES OPERATION) P-2*.

Post No.—One post.

Type of appointment.—Permanent.

Vacancy announcement.—No. 1937.

Date issued.—29th September, 1969.

Closing date.—24th November, 1969.

Organizational unit.—Water Resources and Development Service. Land and Water Development Division.

Location.—Rome.

Duties and responsibilities.—Under the general supervision of the Chief of the Water Resources and Development Service, the incumbent will work on those activities of the Service which are directly concerned with operation, maintenance and management of water development schemes for agriculture, especially with regard to the efficiency and economy of the operation and maintenance of those schemes and the creation, organization and management of institutions required for this purpose including irrigation areas or districts, irrigators or users' associations. The duties will include :

Advising and assisting, in co-operation with other staff members, on water development projects in member countries as they are related to operation and management after their construction and where efficient and economical operation and maintenance is problematic because of the size of such schemes and their relation to irrigated agriculture, and/or where the establishment of a responsible organization for scheme management or supervisory bodies for water administration are required.

Advising and assisting with the evaluation and application of suitable operation and management methods and practices for all water control schemes for agricultural purposes in order to improve the efficiency of use and the maintenance of such investments.

Reviewing reports on proposed plans or programmes for water development projects as this applies to operation and management aspects of these projects and the establishment of institutions as necessary for this purpose, and advising as to their suitability.

Assembling and reviewing data on all aspects of operation and management of water control schemes for agriculture including costs of operation, water users' associations, water charges and their economic effects and making this information

available to Member Governments through publications, seminars and training courses, personal contact and correspondence.

Assisting in selecting experts on operation and management of water control schemes for field assignments and providing the technical back-stopping for their work.

Qualifications—Essential.—University degree in engineering or agronomy with particular reference to irrigation.

Three years' experience in government departments, private enterprises or international organizations in the field noted above.

Experience in developing countries in operation and management of irrigation and/or drainage projects including the aspects of their relation to agricultural production.

Very good knowledge of one of the official languages of the Organization (English, French, Spanish).

Ability to write reports and correspondence clearly and concisely.

Ability to establish and maintain good working relations with specialists of different nationalities.

Qualifications—Desirable.—Working knowledge of other languages, one or both of the other official languages of the Organization.

Experience in the field of water administration.

Emoluments.—Based on US\$ equivalents, they are payable in the currency of the Duty Station and, on request, partially in the currency of the Home Station. Government Notice No. 1812

ANNOUNCEMENT OF VACANCY IN THE FOOD AND AGRICULTURE ORGANIZATION OF THE UNITED NATIONS

Post title and grade.—ESTABLISHMENTS OFFICER P-3/P-4*.

Post No.—Two posts.

Type of appointment.—Fixed-Term Two years.

Vacancy announcement.—No. 1939.

Date issued.—29th September, 1969.

Closing date.—24th November, 1969.

Organizational unit.—Recruitment and Establishments Branch Personnel Division.

Location.—Rome.

Duties and responsibilities.—Under the general supervision of the Chief, Establishments Section, is responsible for the establishment of staffing patterns, classification of posts, administration of pay and allowances, and development of classification and qualification standards. Is assisted by a small group of Establishments personnel of lower grade in carrying out these functions, which are more specifically described below:

Staffing establishment and post classification.—Is responsible for an assigned segment of the Organization which may include Headquarters, Regional and Country Offices, and other offices and projects in the field.

Leads a survey team in cyclical reviews of organizational segments, conducts individual desk audits, and carries out staffing studies and occupational and organizational analyses to develop staffing authorizations and manning tables which reflect appropriate grading patterns and supervisory ratios. Classifies posts according to kind of work, level of difficulty, degree of responsibility and qualification requirements. Prepares tables, reports and papers related to the establishment and grading of posts.

Pay and allowances.—May participate in the Rome General Service Salary Survey and the development of salary scales and allowances as a result of the survey or movements of the wage index between surveys.

Keeps abreast of cost of living developments in the field and makes recommendations for change in salary scales and post adjustments. Also, will participate in cost of living surveys in Rome for post adjustment purposes.

Reviews special personal contract arrangements and entitlement to language allowance.

Recommends changes, when warranted, in daily subsistence allowances, fellowship stipends and hospitality rates. Approves ad hoc rates in special circumstances.

Approves FAO supplements to salaries of counterpart general service staff in field projects.

Standards development.—Develops, revises and implements classification and qualification standards in assigned occupational areas. Reviews and comments on standards development for common United Nations agency use.

Other.—Briefs, project managers and other field personnel on the services and procedures of the Section. Prepares and gives talks to supervisors and divisional administrative personnel on establishments procedures, particularly with respect to the role they play.

Qualifications—Essential.—University degree, preferably with specialization in public administration, business administration or industrial relations.

Seven years' (five for P-3) experience in progressively responsible functions in the field of job evaluation and classification, salary administration or administrative management and analysis, preferably with an international organization, an important concern with a large staff or various regional or local offices or a national government.

Very good knowledge of one of the official languages (English, French or Spanish) and a good working knowledge of one of the other two.

Ability to plan and carry out the review, maintenance and control of administrative functions; to analyse complex problems and situations involving multiple or contradictory factors; to develop and put forward recommendations; to write clear and concise reports. Mature judgement, tact and understanding together with firmness and capacity to work in harmony with staff members of various national backgrounds.

Qualifications—Desirable.—Knowledge of Italian. Experience in organization and methods work, manpower control, personnel management, or in procedural analysis.

Emoluments.—Based on US\$ equivalents, they are payable in the currency of the Duty Station and, on request, partially in the currency of the Home Station. "Gross salary" represents the amount on which pension contributions and benefits are calculated. "Net salary" is the amount, normally net of national income tax, payable to the staff member less deductions (e.g., pension contributions, health and life insurance schemes).

Salary per annum:

Starting†	Maximum†
P-3 \$12,380	\$17,180
P-4 (Gross : \$15,260)	(Gross : \$20,490)
P-3 \$9,666	\$12,967
P-4 Net : \$11,682	Net : \$15,119

Family allowance per annum.—(Subject to eligibility of dependency).

Spouse \$400; Child \$300; Secondary dependent \$200.

Post adjustment per annum.—Variable according to cost of living and to dependency status. At present P-3, from \$568 to \$1,146; P-4, from \$680 to \$1,302.

Other benefits.—Subject to specific terms of appointment: pension and medical schemes; annual, sick and maternity leave. Also, for non-locally-filled posts, appointment and repatriation travel, transport of household goods or assignment allowance, installation allowance and repatriation benefits, home leave travel with eligible dependents every 2 years, children's education grant (where applicable).

Method of application.—Applications to reach Chief, Recruitment Section, Office of Personnel, FAO, via delle Terme di Caracalla 00100-Rome,

Italy, by 24th November, 1969. Quote VA No. 1939. External Candidates in writing, with a detailed Personal History. Internal Candidates on Form Adm. 75.

Personal History Forms can be obtained in person or upon request from the Permanent Secretary, Federal Ministry of Agriculture and Natural Resources, Lagos.

* The initial grade and salary of the candidate appointed will be fixed in accordance with experience and qualifications.

Government Notice No. 1813

**ANNOUNCEMENT OF VACANCY IN THE
FOOD AND AGRICULTURE ORGANIZATION
OF THE UNITED NATIONS**

Post title and grade.—ESTABLISHMENTS OFFICER P-1/P-2† *

Post No.—One post.

Type of appointment.—Fixed-term 3 years.

Vacancy announcement.—No. 1940.

Date issued.—29th September, 1969.

Closing date.—24th November, 1969.

Organizational unit.—Recruitment and Establishments Branch Personnel Division.

Location.—Rome.

Duties and responsibilities.—As a member of a team led by a senior Establishments Officer, is responsible for assisting in the establishment of staffing patterns, classification of posts and administration of pay and allowances, and may participate in the development of classification and qualification standards.

Staffing establishment and post classification.—Participates as a survey team member in cyclical reviews of assigned organizational segments, conducts individual desk audits and carries out staffing studies and occupational and organizational analyses to develop staffing authorizations and manning tables which reflect appropriate grading patterns and supervisory ratios. Classifies posts according to kind of work, level of difficulty, degree of responsibility and qualification requirements. Assists in the preparations of tables, reports and papers related to the establishment and grading of posts.

Pay and allowances.—May participate in the Rome General Service Salary Survey and the development of salary scales and allowances as a result of the survey or the movement of the wage index between surveys. Also may participate in cost-of-living surveys in Rome for post adjustment purposes.

Recommends changes in daily subsistence allowances, fellowship stipends and hospitality rates; also recommends ad hoc rates in special circumstances.

Reviews recommendations for FAO supplements to salaries of counterpart general service staff in field projects.

Reviews and comments on UN inter-agency pay and allowances proposals.

Government Notice No. 1815

ANNOUNCEMENT OF VACANCY IN THE FOOD AND AGRICULTURE ORGANIZATION OF THE UNITED NATIONS

Post title and grade.—PROJECT MANAGEMENT OFFICER, P-1/P-2.

Post No. 670-219.

Type of appointment.—Fixed-Term Three years.

Vacancy announcement.—No. 1942.

Date issued.—2nd October, 1969.

Closing date.—13th November, 1969.

Organizational unit.—Latin America and Caribbean Branch, Project Management Division, World Food Programme.

Location.—Rome.

Duties and responsibilities.—Under the general supervision of the Branch Chief or an officer designated by him, the incumbent will be responsible for the following duties:

Preparation of:

Summaries of development projects for technical scrutiny by appropriate agencies and clearance by CSD.

Agreements and plans of operation for development projects and amendments thereto.

Summaries to assist in formulating recommendations regarding assistance to emergency feeding projects.

Letters of understanding.

Analysis of field reports and extracting from these reports material suitable for evaluation purposes in order to recommend follow-up action and corrective measures to ensure the fulfilment of the objectives and targets of WFP-aided projects.

Ensuring that the Resources Management Division is kept fully informed of the delivery times and quantities of food needed for both development and emergency feeding projects.

Performing other related duties as required.

Qualifications—Essential.—University degree.

A one year (P-1) and three years' (P-2) professional experience in economic planning and analysis with public institutions or private enterprise or in the operational aspects of national bilateral or multi-lateral food aid or commercial transactions in food commodities.

Very good knowledge of two of the official languages of the Organization (English, French or Spanish).

Resourcefulness, initiative, tact and ability to work in harmony with persons of different nationalities.

Qualifications—Desirable.—Very good knowledge of English and Spanish. Reading knowledge of Portuguese and French. Previous experience in working with international or multinational organizations.

Emoluments.—Based on US\$ equivalents, they are payable in the currency of the Duty Station and, on request, partially in the currency of the Home Station. "Gross salary" represents the amount on which pension contributions and benefits are calculated. "Net salary" is the amount, normally net of national income tax, payable to the staff member less deductions (e.g., pension contributions, health and life insurance schemes).

P-2 Net :	\$7,955	Net : \$10,352

Family allowance per annum.—(Subject to eligibility of dependency).

Spouse \$400 ; Child \$300 ; Secondary dependent \$200.

Post adjustment per annum.—Variable according to cost of living and to dependency status. At present from \$368 to \$732 for P-1 and from \$468 to \$912 for P-2.

Other benefits.—Subject to specific terms of appointment : pension and medical schemes ; annual, sick and maternity leave. Also, for non-locally-filled posts, appointment and repatriation travel, transport of household goods or assignment allowance, installation allowance and repatriation benefits, home leave travel with eligible dependents every 2 years, children's education grant (where applicable).

Method of application.—Applications to reach Chief, Recruitment Section, Office of Personnel, FAO, via delle Terme di Caracalla, 00100-Rome, Italy, by 13th November, 1969. Quote : VA No. 1942. External Candidates in writing, with a detailed Personal History. Internal Candidates on form Adm. 75.

Personal History Forms can be obtained in person or upon request from the Permanent Secretary, Federal Ministry of Agriculture and Natural Resources, Lagos.

Government Notice No. 1816

**ANNOUNCEMENT OF VACANCY IN THE
FOOD AND AGRICULTURE ORGANIZATION
OF THE UNITED NATIONS**

Post title and grade.—CHIEF, CONFERENCE PROGRAMMING SECTION P-3.

Post No.—3111-772.

Type of appointment.—Permanent.

Vacancy announcement.—No. 1943.

Date issued.—7th October, 1969.

Closing date.—18th November, 1969.

Organizational unit.—Conference Programming Section, Conference Operations Branch, Conference, Council and Protocol Affairs Division.

Location.—Rome.

Duties and responsibilities.—On the basis of Session Programming Forms submitted by departments/divisions, draws up the schedule of conferences, sessions, training centres, seminars, etc., for the ensuing biennium and prepares cost estimates for each meeting (issued as Appendix to the Programme of Work and Budget).

Is responsible for scheduling and co-ordinating all meetings, both at Headquarters and away from Headquarters, including checking of session requirements against available facilities and commitments. To this end maintains close liaison with the appropriate administrative services and with the sponsoring departments/divisions.

Ensures maintenance of up-to-date records of the approved FAO meetings programme and arranges, in accordance with standard procedures, for approval of unscheduled sessions.

Supervises the preparation, at regular intervals, of the schedule of approved conferences, sessions, training centres and seminars for internal use, as well as the meetings list circulated to governments and other organizations.

Participates in the planning and co-ordination of the preparation and submission of the Programme of Work and Budget for all sessions of the Conference, Council and related sessions, as well as the Regional Conferences, and other items included in Chapter I.A.—Conference and Council.

Assists in the advance planning of Conference and Council sessions and Regional Conferences. In particular, ensures that all physical arrangements are made in good time including, in the case of Regional Conferences, transportation of documents, equipment and supplies, as appropriate, in consultation with other units of the Organization.

Serves as the Elections Officer during Conference and Council sessions and is responsible for the advance preparation of ballot papers, balloting instructions, etc. Arranges ballots and ensures that appropriate physical arrangements for them are made. Is responsible for maintenance of ballot papers in accordance with the requirements laid down in the General Rules and Regulations of the Organization.

Is responsible for the preparation of estimates and the controlling of documentation under Chapter I. A covering Conference, Council and related sessions. For each session prepares detailed schedules of documentation, in consultation with departments/divisions, and ensures the timely submission of manuscripts, for onward transmission to Publication Division for translation, processing and despatch to Member Governments. Issues Documents Processing Requests for such documents and ensures the maintenance of appropriate records.

Performs other duties as required.

Qualifications—Essential.—University degree. Five years' experience at the professional level in responsible administrative work on a national and/or international level with knowledge of budgetary and financial procedures.

Very good knowledge of English and French or Spanish.

Ability to organize and to develop effective working policies, procedures and relations ; to work under pressure with due attention to detail ; to deal with government representatives and delegates ; to work harmoniously and tactfully with staff members of different national backgrounds.

Experience in organizing meetings.

Qualifications desirable.—Working knowledge of Arabic.

Emoluments.—Based on US\$ equivalents, they are payable in the currency of the Duty Station and, on request, partially in the currency of the Home Station. "Gross salary" represents the amount on which pension contributions and benefits are calculated. "Net salary" is the amount, normally net of national income tax, payable to the staff member less deductions (e.g., pension contributions, health and life insurance schemes).

Salary per annum :

Starting	Maximum
(Gross : \$12,380)	(Gross : \$17,180)
Net : \$ 9,666	Net : \$12,967

Family allowance per annum.—(Subject to eligibility of dependency).

Spouse \$400 ; Child \$300 ; Secondary dependent \$200.

Post adjustment per annum.—Variable according to cost of living and to dependency status. At present from \$568 to \$1,146.

Other benefits.—Subject to specific terms of appointment : pension and medical schemes ; annual, sick and maternity leave. Also, for non-locally-filled posts, appointment and repatriation travel, transport of household goods or assignment allowance, installation allowance and repatriation benefits, home leave travel with eligible dependents every 2 years, children's education grant (where applicable).

Method of application.—Applications to reach Chief, Recruitment Section, Office of Personnel, FAO, via delle Terme di Caracalla, 00100-Rome, Italy, by 18th November, 1969. Quote V.A. No. 1943. External Candidates in writing, with a detailed Personal History. Internal Candidates on form Adm. 75.

Personal History Forms can be obtained in person or upon request from the Permanent Secretary, Federal Ministry of Agriculture and Natural Resources, Lagos.
