Government Notice No. 218 (3rd publication)

DISTRICT OFFICES OF THE FEDERAL BOARD OF INLAND REVENUE

It is notified for general information that an office of the Federal Board of Inland Revenue is being opened in Kaduna with effect from 2nd February, 1970, and will be headed by a Senior Inspector of Taxes, whose address is Federal Inland Revenue Office, Yakubu Gowon Way, Kaduna, North-Central State. The Kaduna office will henceforth be responsible for the tax affairs of companies with registered offices in the North-Central State, North-Western State and Benue-Plateau State. Those companies should render their tax returns, et cetera, to the Kaduna office henceforth and NOT to Kano office as before.

2. The Federal Inland Revenue office at Kano, now under the care of an Investigating Officer, will continue to handle the cases of companies with registered offices in Kano State and North-Eastern State. The address of the Kano office remains "Federal Inland Revenue Office, Private Mail Bag 3050, Bompai Road, Kano, Kano State".

3. With effect also from 2nd February, 1970, the Senior Inspector of Taxes, Federal Inland Revenue Office, Private Mail Bag 5050, Bank Road, Ibadan, Western State, will, in addition to the tax affairs of all limited companies with registered offices in the Western State and the Mid-Western State which he had hitherto been dealing with, take over the taxation of all companies with registered offices in Kwara State. Companies with registered offices in Kwara State should henceforth, like those with registered offices in the other two States, render their returns to the Senior Inspector of Taxes, Ibadan.

4. The district offices of the Board in Lagos Island and Yaba respectively will share the remaining cases as follows :—

(a) The Chief Inspector of Taxes, Federal Inland Revenue Office, P.M.B. 12531, Yakubu Gowon Street, Lagos Island, Lagos.

(b) The Chief Inspector of Taxes, Federal Inland Revenue Office, P.M.B. 2002, 223 Herbert Macaulay Street, YABA, Lagos.

Companies whose registered offices are in Lagos Island, Ikoyi Island, Victoria Island (including Maroko Village) and Apapa (excluding Iganmu and Ijora industrial area)—all in the Lagos Division of the Lagos State

(i) companies with registered offices in Ikeja, Badagry, Ikorodu, and Epe Divisions of the Lagos State and other parts of Lagos Division of the Lagos State not already mentioned elsewhere ; and

(ii) as an interim measure only and UNTIL FURTHER NOTICE, all companies with registered offices in the East-Central State, South-Eastern State and Rivers State. (Cases in these areas will be dealt with from the Federal Inland Revenue Office at Port Harcourt as soon as that office is fully re-opened).

5. The above allocations do not affect mineral-oil-winning companies, nor do they affect pioneer companies during the currency of their pioneer status. Petroleum-drilling companies as well as pioneer companies should therefore continue to submit their returns and accounts to the Chief Inspector of Taxes, Yakubu Gowon Street, Lagos, as hitherto.

DATED 2nd February, 1970.

E. A. OSINDERO,
Chairman,
Federal Board of Inland Revenue

VACANCY FOR THE POST OF PRINCIPAL, NATIONAL TECHNICAL TEACHERS TRAINING COLLEGE, YABA

Applications are invited from suitably qualified candidates for the post of Principal, National Technical Teachers' Training College, Yaba, a new Federal Government Institution opening in October 1967.

2. *Scale of salary.*—Group 6—£2,496 per annum.

3. *Qualifications.*—Candidates should possess a good honours degree in either engineering or a science subject, be a member of a professional institution and have had wide experience in both industry and the field of technical education. The latter must include a period of administrative experience in a technical college preferably as Principal or Vice-Principal.

A man of drive and initiative and enormous capacity for work necessary for the spade work involved in the opening of a new institution is of supreme importance.

4. *Duties.*—The Principal will be the chief academic and executive officer of College, responsible to the Federal Ministry of Education, through the Technical Education Section, for the academic, social and domestic organisation and conduct of the College.

He will be responsible for arranging the academic curriculum and syllabuses of the College having regard to the general policy laid down by the Ministry. He will also be responsible for the efficiency of the teaching and for proper care and maintenance of all the accommodation and teaching facilities at the College.

The Principal will be responsible for day-to-day expenditure, for the preparation of annual estimates of income and expenditure and for the keeping of adequate stores, equipment and students records.

He will be ex-officio Secretary to the College's Advisory Board.

5. *Other conditions of service.*—(a) The post is pensionable and appointment will be on probation for three years of new entrants to Government Service, but consideration will also be given to applications for appointment on contract.

(b) Rent is payable at the rate of £150 per annum when an officer is occupying Government quarters.

6. *Method of application.*—Application should be addressed to the Secretary, Federal Public Service Commission, Private Mail Bag No. 12586, Lagos, to reach him not later than 5th April, 1970.

7. Applications from candidates not in Government Service should be completed on the prescribed form which may be obtained from the Secretary, Federal Public Service Commission, Lagos.

8. Applications from candidates in Government Service should be submitted through the applicant's Head of Department and the Secretary of the Public Service Commission concerned and be accompanied by a confidential report on the prescribed Form.

UNESCO VACANCY

SPECIAL FUND APPOINTMENT

1. *Title of post.*—Senior Specialist in Civil and Structural Engineering.

2. *Location.*—Kenya Polytechnic, Nairobi, Kenya (Supplementary Assistance).

3. *Background.*—The Government of Kenya is implementing a programme of expansion and improvement of its educational facilities to train the technical manpower required to meet the needs of its economic and social development plan. It has established the University College at Nairobi in which the Faculty of Engineering trains civil, mechanical and electrical engineering graduates and land surveyors. It has also established the Kenya Polytechnic, Nairobi, for the training of sub-professional engineers, technicians and other personnel. It is expanding its facilities for craft and pre-technician courses in the secondary trade and technical schools.

The Government is receiving assistance from the United Nations Special Fund, with UNESCO as its Executing Agency, to improve and expand the facilities of the Engineering and Building Departments of the Kenya Polytechnic for the post-secondary courses leading to the ordinary and higher diplomas and the full technological certificates in mechanical engineering, automobile engineering, electrical engineering, telecommunications, civil engineering and building of the City and Guilds of London Institute.

The Kenya Polytechnic also offers courses in Science, Commerce, Printing and Institutional and Hotel Management but these are not within the scope of the Special Fund assistance.

In the proposed extension of the project (under Supplementary Assistance) emphasis is to be placed on:

(a) Training of local counterpart staff,

(b) Development of the Higher Diploma and Technicians' endorsement courses,

(c) Assistance to the Ministry of Education in the planning and development of the secondary technical and vocational schools.

During the extension operation, the United Nations Special Fund, with UNESCO as its executing agency, has been asked to provide:

Specialists:

Chief Technical Adviser

Senior Specialist in Mechanical Engineering (Power Plant)

Specialist in Mechanical Engineering (Applied Mechanics and Machines)

Senior Specialist in Mechanical Engineering (Workshop Technology)

Specialist in Mechanical Engineering (Drawing and Design)

Senior Specialist in Electrical Engineering (Power and Machines)

Specialist in Electrical Engineering (Workshop Technology)

Senior Specialist in Electronics and Telecommunications

Senior Specialist in Civil Engineering and Structures

Specialist in Construction and Surveying.

Fellowships.—12 of one year's duration plus 24 man-months of short-term fellowships.

Equipment.—US \$65,000.

Duration.—3½ years, July 1969 to December 1972.

Nairobi, in which the Polytechnic is situated, is a plateau about 5,000 feet high. It has a pleasant climate and all the facilities of a modern city. It has rail connections with Mombasa, the Chief port of the country about 300 miles away, with Kampala in Uganda and with Dar-es-Salaam in Tanzania. It has good air connections to all parts of the world.

4. **Functions.**—Under the Chief Technical Adviser and in collaboration with the Polytechnic staff, the Senior Specialist in Civil and Structural Engineering will assist in the development of the facilities and instructional media for courses in Civil and Structural Engineering, particularly in respect of laboratory work for the Higher Diploma in Civil Engineering Technicians courses. His main duties will be:

(a) Developing curricula, teaching programmes and laboratory experiments for Technicians and Higher Technicians Diploma courses;

(b) Teaching in both class and laboratory in the above field;

(c) Preparing equipment lists for procurement under the Special Fund allocation and the Government contribution according to the schedule laid down in the Plan of Operation;

(d) Advising on modifications to workshops and laboratories and supervising the installation of equipment;

(e) Training Kenyan citizens as teachers for the Polytechnic and possibly for the secondary trade and technical schools.

5. **Qualifications:**

(a) University degree and professional qualification in Civil Engineering, specializing in Building Construction.

(b) Industrial experience in building construction and structural engineering.

(c) Considerable teaching experience preferably at technical training institutions of comparable level to the Kenya Polytechnic.

(d) Very wide experience in the organising of laboratory work, devising of experiments and general development of laboratories associated with the above courses.

6. **Language qualifications.**—English, good command and ability to give lectures and write reports.

7. **Duration of appointment.**—Two years, commencing July 1970.

8. **International salary and allowances.**—(Net of national income tax—payable partly in the currency of the staff member's home or of the duty station).

Base salary per annum:		
equivalent to ..	Gross	\$19,120
	Net	\$14,228
Post adjustment (cost of living, subject to change without notice) at this date: the local equivalent of		\$612
(\$408 if without dependants)		
Assignment allowance (expatriate allowance): the local equivalent of (\$1,100 if without dependants)		\$1,400
Family allowances: dependent spouse		\$400
each dependent child		\$300

Travel is provided for the expert and his dependants (spouse and children under 18 years of age). In addition, UNESCO contributes towards the cost of installation at the duty station, the education of dependent children, and the medical expenses of the staff member. On separation from UNESCO, a repatriation grant is paid.

9. **Method of application.**—Applications have to be made on special Curriculum Vitae Forms, which can be obtained, in person or by post, from the Secretary, Nigerian National Commission for UNESCO, Federal Ministry of Education, Senate Buildings, Lagos.

All applications for Curriculum Vitae Forms should state:

(a) the particular advertisement for which the forms are wanted—please quote reference number where supplied;

(b) very brief (2 or 3 lines) summary of applicant's qualifications for the post in terms of:—

(i) basic academic or professional qualifications

(ii) number of years post-qualification experience

(iii) Languages spoken.

Please enclose a stamped addressed envelope (4" × 9").

10. **Closing date.**—Filled C.V. forms should be returned to reach the Secretary, Nigerian National Commission for UNESCO not later than 21st March, 1970.

Trade Disputes (Emergency Provisions) Decree No. 21 of 1968

RE-CONSTITUTION OF THE BOARD OF INQUIRY INTO THE AFFAIRS OF THE
AMALGAMATED DOCKWORKERS TRANSPORT AND GENERAL WORKERS UNION

It is hereby notified for general information that the Commissioner for Labour has, in exercise of the powers conferred on him by the Trade Disputes (Emergency Provision) Decree No. 21 of 1968, re-constituted the Board of Inquiry which he appointed in February 1969, under the Chairmanship of Professor Ayo Ogunshye, to examine the causes and circumstances of the rift within the Amalgamated Dockworkers Transport and General Workers Union.

2. The Commissioner has been compelled to revoke Professor Ogunshye's appointment as Chairman of the Board in view of the excessive and continuing delay in submitting the report of the Board.

3. Accordingly, the Commissioner has now appointed Mr Emmanuel C. Urhobo, a member of the Board, to be the Chairman; Mr F. M. Alade remains a member. The reconstituted two-man Board of Inquiry has been instructed to submit its report to the Commissioner not later than the 31st of March, 1970.
