Government Notice No. 711

IN THE HIGH COURT OF LAGOS
HEARING NOTICE

SUIT No. LD/496/1969

BETWEEN

THE ATTORNEY-GENERAL OF THE FEDERATION PLAINTIFF

AND

A. IFEJIKI & ANOR. DEFENDANTS

To A. IFEJIKI

50 Isaac John Street, Igbobi, Lagos
the above-named 1st Defendant

This cause will be transferred from the General Cause List to the Hearing Paper for Monday the 10th day of November, 1969 at 9 o'clock in the forenoon, and will come on to be heard on that day if the business of the Court permits or otherwise on some adjournment day of which you will receive no further notice.

If either party desires to postpone the hearing he must apply to the Court as soon as possible for that purpose; and, if the application is based on any matter of fact, he must be prepared to give proof of those facts.

The parties are warned that at the hearing they are required to bring forward all the evidence by witnesses or by documents which each of them desires to rely on in support of his own case and in contradiction of that of his opponent. The proof will be required at the hearing, and not on a subsequent day, and parties failing to bring their evidence forward at the proper time may find themselves absolutely precluded from adducing it at all, or at best only allowed to do so on payment of substantial costs to the other side, and on such other terms as the Court thinks fit to impose.

Parties desirous to enforce the attendance of witnesses should apply at once to the Court to issue one or more summonses for the attendance of the witnesses required. It is indispensable that the application should be made so as to allow time for reasonable notice to the witnesses required.

If the witness is required to bring books or papers, they must be particularised in the summons sufficiently to enable him to understand what is meant.

Any party summoning a witness through the Court, thereby becomes liable to pay such witness a reasonable sum of money to be fixed by the Court for his expenses and loss of time.

The Court may refuse to enforce the attendance of a witness unless such sum has been first deposited in the Court.

If either party desires to use in evidence at the hearing any book or document in the possession or power of the other party, he must give the other party reasonable notice in writing to produce it at the hearing, failing which he will not be allowed to give any secondary evidence of its contents.

DATED at Lagos this 24th day of September, 1969.

By Order of the Court.
