## Government Notice No. 618

*Oil Pipeline Licence*

APPLICATION FOR AN OIL PIPELINE LICENCE

12½-INCH O.D. PIPELINE

NOTICE is hereby given in accordance with section 4 of the Oil Pipelines Act 1965 that Mobil Producing Nigeria whose registered office is at 1-5 Odunlami Street, Lagos has applied to the Federal Ministry of Mines and Power for the right to enter upon, take possession of and use for a period of twenty (20) years a strip of land on the Continental Shelf and underneath the waters thereof for the purpose of laying a 12½-inch outside diameter welded steel pipeline from the Etim "B" well platform to the Inim Production Platform both of which are located in OML-67.

## DESCRIPTION

1. All that strip of land approximately 200 feet wide on the ocean bottom starting at the Etim "B" well platform whose Nigerian Co-ordinates are N 17,300 metres; E 615,325 metres and whose Greenwich Co-ordinates are Lat. 04° 09' 23" N; Long. 08° 00' 09" E and extending on an approximate bearing of N 36° 32' W a distance of approximately 4.93 miles to the site of the Inim Production Platform whose Nigerian Co-ordinates are N 23,680 metres; E 614,597 metres and whose Greenwich Co-ordinates are Lat. 04° 12' 51" N; Long. 07° 59' 45" E. The beginning of the pipeline at the Etim "B" well platform will be in approximately 105 feet of water. The termination of the pipeline at the Inim Production Platform will be in approximately 90 feet of water.

2. A copy of the plan of the pipeline route identifying the sea bed and the land affected may be inspected at the Ministry of Agriculture and Natural Resources, Calabar, the Federal Ministry of Mines and Power, Lagos and Port Harcourt and the office at 1-5 Odunlami Street of the aforesaid Company.

3. Any person who considers that his interest or interests will be injuriously affected by the grant of the Licence should lodge, orally or in writing, not less than seven (7) days before the hearing date in paragraph 6, with the Ministry of Agriculture and Natural Resources, Calabar, notice of objection stating the interest of the objector and the grounds of objection.

4. Any Public Officer who receives a verbal objection in the course of his duties shall record the name and address, interest and grounds of objection, of any person lodging such a verbal objection, and shall forward the details to the Ministry of Agriculture and Natural Resources, Calabar.

FEDERAL MINISTRY OF WORKS AND HOUSING

### TENDERS FOR SUPPLY OF WATER HEATERS

Tenders are invited from reputable firms operating in Nigeria, for the supply of Water Heaters to the Federal Ministry of Works and Housing for a two-year contract period, probably to commence on 1st June, 1971 ending on 31st May, 1973. Estimated annual requirements and the type of Heaters required are given below:—

	Quantity
(a) 11 gallon model pressure type	30
(b) 22 gallon model pressure type	40
(c) 11 gallon model non-pressure type	30

2. Tenderers should apply to the Senior Technical Officer (Contracts), Federal Ministry of Works and Housing, Headquarters, Lagos, room No. 104 during office hours on week-days for official tender documents including brief specifications of the equipment required, and specimen of the contract.

3. Tenderers are required to deposit samples of the Water Heaters being tendered with the Principal Electrical Engineer (Maintenance), Federal Ministry of Works and Housing, Mechanical and Electrical Section, St. Gregory's Road, Onikan, for testing on the date tenders are submitted and to obtain receipts for them. A photostat copy of the receipts should be attached to the tenders.

4. Each tenderer is required to pay non-refundable deposits of £10 into any Sub-Treasury in Nigeria under Revenue Head 7, Sub-head 12—"Deposits on Tenders", of the current Federal Military Government Estimates. No tender documents will be issued unless the original and two photostat copies of the Treasury receipts for the deposits are presented to the Senior Technical Officer (Contracts) mentioned above. The original receipts will be returned to the tenderers with the documents and the copies retained.

5. Tenderers are also required to furnish along with their tenders a photostat copy of tax-payment receipts for the current and preceding year.

6. Expatriate firms wishing to tender should indicate whether or not their Companies are established in Nigeria in accordance with the Immigration Act and the Companies Decree.

7. Tenders must be submitted on the official form of tender in envelopes marked "Confidential—Tenders for the Supply of Water Heaters" sealed with sealing wax and addressed to the Secretary, Federal Tenders Board, Federal Ministry of Works and Housing, Victoria Island, Lagos, so as to reach him not later than noon on Saturday 15th May, 1971.

8. No tenders will be considered unless they are submitted in full compliance with the provisions of this notice.

9. The Board is not bound to accept the lowest or any tender.

#### Appendix to ALG/WMO.SF/4 Rev. 2

#### SPECIAL FUND PROJECT ENTITLED

#### "HYDROMETEOROLOGICAL TRAINING AND INSTITUTE," ALGIERS

The purpose of this project is to assist the Algerian Government to establish a training and research institute for the training of specialists of various levels not only for the Hydrometeorological Service but also for all forms of national activity dependent on weather phenomena. This institution will provide a framework for the activities indispensable for a modern Hydrometeorological Service; as such, the Institute will provide the basis for a national Hydrometeorological Service and will be integrated with it.

The following activities will be carried out as part of the project:

(a) *training of Class IV, III and II meteorological personnel.*—The existing School of the Meteorological Service, which trains Class IV and III personnel, will be incorporated in the project. The training of Class II meteorologists, in collaboration with the University of Algiers, will be added;

(b) *training of Class I meteorological personnel.*—The training of Class I meteorological personnel will be carried out by post-graduate specialization in one of the following subjects:

meteorological observations and instruments, general and synoptic meteorology (the exchange and processing of data), and applications to agriculture and hydrology;

(c) *training of specialists.*—Specialists will be trained in the following subjects:

meteorological instruments, synoptic meteorology, agrometeorology and hydrometeorology;

(d) *research and its application.*—With a view to the study of the specific hydrometeorological and climatological problems of arid and semi-arid areas, the project will have access to two research and applied research stations at Tamanrasset and Colomb Bechar.

In addition to the Project Manager, four instructors will be recruited internationally. Provision is also made for consultant services. Study fellowships will be granted to counterpart instructors.

Besides teaching materials, the Special Fund will provide laboratory equipment and equipment for the obtaining, transmission and processing of data.
